

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1536

“Oh.” Qiao Nian didn’t think that it was someone from the entertainment industry, either.

The other party was very experienced in cleaning up his own tail.

No one in the entertainment industry had such high standards.

And it was just as Jiang Li said.

!!

Everyone was in the same circle. It was normal to have small fights over resources and popularity, but they wouldn’t commit murder and arson.

Seeing that she was deep in thought, Jiang Li was afraid that she would worry about him, so he forced himself to stay awake and said, “Nian Nian, don’t worry about me. I’m fine. I just broke three ribs, right? I...”

“Yes?” The girl’s voice was dry as she interrupted him and looked at him with dark eyes. “Are you all right?”

Jiang Li was immediately suppressed by her aura. His mouth twitched.

He didn’t say anything yet, but the girl had already gently squeezed his injured wrist.

Jiang Li immediately grimaced in pain and almost admitted his mistake on the spot. “Ouch!”

Qiao Nian didn’t make things difficult for him. She only checked to see if he had hurt his bones. Seeing that he was in so much pain, she immediately let go.

“You’ll have to recuperate for a while. You won’t be able to use your hand for at least three months. I’ll mix an external dressing for you later. Remember to ask the nurse to change it for you every day.”

Jiang Li was as obedient as a spoiled eggplant now. “I understand.”

After saying that, he hesitated for a moment before at her again. Seeing that the girl’s eyes were cold and sharp, he said slowly, “Um... Nian Nian.”

Qiao Nian looked at him, one hand in her pocket, as if waiting for him to continue.

Jiang Li pursed his pale lips and said worriedly, “Don’t worry about this. I’ll take care of it. It might be a bit more complicated than you think. You’re still a freshman. Don’t worry about me. I’m an adult. I can handle myself.”

He wasn’t afraid of anything else, but he was afraid that Qiao Nian would get involved because of him.

Jiang Li could vaguely smell that the water was very deep, or at least not as simple as it looked.

Although he wasn't as passionate about this circle as Jiang Yao and Jiang Xianrou, it did not mean that he did not have crisis awareness.

Jiang Li trusted his sixth sense.

Many people must be involved in this matter, and the situation was far more complicated than it seemed. He really didn't want to implicate Qiao Nian.

"Master Wang." Worried that Qiao Nian wouldn't listen to him, he turned to look at the man on the other side of the bed and said in a low voice, "I can't be discharged for the time being. Help me keep an eye on Nian Nian. Don't let her interfere in this matter. We'll talk about this after I'm discharged."

Ye Wangchuan's eyes darkened. His handsome face was calm and composed as he gave him a faint look. "I can't promise you that. I can't control her."

Jiang Li was confused.

Ye Wangchuan exchanged glances with him and smiled. He was frank in front of his future father-in-law. "I always listen to her."

Jiang Li was speechless.

Jiang Zongjin was a man of few words and was quite a pedant.

He glanced at him upon hearing that the man could still speak frankly in front of Jiang Li. His brows relaxed, and his expression was gentle. He was obviously satisfied. The more he looked at his son-in-law, the more satisfied he was.

Jiang Li saw his uncle's satisfied gaze and his mouth twitched. He felt even more depressed.

... He was still lying on the hospital bed. Could Master Wang still be human?

What a f*cking dog!
