

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1540

His grandmother had been repeatedly humiliated by his cousin. Every time she came home, she would mention how arrogant Qiao Nian was and how she didn't respect her elders...

Yao Yu had never seen Qiao Nian before, but he had heard a lot about her from Yuan Qing.

His cousin, whom he had never met before, was different from Jiang Xianrou. She had never given face to her relatives!

His grandmother was so noble in the Jiang family, let alone him.

He was afraid that Qiao Nian would be heartless.

"I-I can explain." Yao Yu was so frightened that sweat broke out on his forehead. He shivered and said to the girl, "I just heard from my father that Cousin Jiang Li was hospitalized. This matter really has nothing to do with me. I was also deceived. Believe me! Really, I wouldn't dare to do such a thing even if I had ten guts."

"Young Master Yao, what are you talking about?" The green-haired guy was still clueless. "Why does your cousin look like she's here to cause trouble? Young Master Yao, do you want me to stand up for you?"

Yao Yu wished he could slap him unconscious. He quickly took the time to glare at him.

The little green-haired guy thought that he was giving him the go-ahead and immediately showed a look of understanding. He used the excuse of going to the bathroom to sneak out and make a call.

Ye Wangchuan was guarding the door. He was in no hurry when he saw him go out to call for reinforcements. In fact, he had no intention of stopping him.

He leaned back lazily and waited for Qiao Nian to finish.

...

The green-haired guy went out.

The other men and women in the private room did not dare to make a sound. They all glanced over, trying to figure out what was going on.

Although Yao Yu did not dare to be domineering in Beijing because of his relationship with the Jiang family, he was still doing well in the circle of ordinary people.

He was related to the Jiang family.

Jiang Xianrou was his cousin.

Top celebrity Jiang Li was also his cousin.

Although a thousand miles was a long journey, the people outside didn't know that his grandmother actually did not have much say in the family. The Jiang family actually did not like Yuan Qing, this aunt who could never figure things out.

The people outside only thought that his family had a background and could come into contact with upper-class families.

In addition, Yao Yu was generous with his money and hung out with a large group of bad friends.

Today was the day he came out to play with a group of friends.

Ignoring the others in the room, Qiao Nian sat down on the sofa boldly. Her face was exquisite and eye-catching under the private room's dazzling lights, making her look rather valiant.

She sat there exuding an oppressive aura.

"I'll give you five minutes to explain."

Qiao Nian wasted no time. With that, she took out her phone, turned it on, and threw the evidence in front of him.

Yao Yu picked up the phone and looked down. His heart suddenly tightened.

As expected.

A transfer record was shown on the screen. He had transferred three million yuan to a staff member working on Jiang Li's commercial.

Yao Yu broke out in cold sweat. His hand trembled as he held the phone. He looked at Qiao Nian again, his eyes filled with fear and unease. "I was deceived."

After saying this, he saw that Qiao Nian was looking at him coldly. Her chin was exposed under her baseball cap, and she exuded an oppressing aura.

He swallowed again silently and tried to get his brain working. "A week ago, someone found me through my friend. He said he wanted to bribe the staff around Cousin Jiang Li so that it would be convenient for him to get first-hand information in the future. He said that their company didn't want anything big. They just needed to get some photos of Cousin Jiang Li's life. Some small daily activities would do."
