

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1543

Ye Wangchuan took the sketch and looked at it. On the white paper, a middle-aged man's image was outlined with a 2B pencil.

The middle-aged man had an ordinary appearance. He had a long, thin face and high cheekbones. He did not look like someone to be trifled with. His triangular eyes emitted a fierce light.

Yao Yu's character sketch had its own characteristics.

In just a few strokes, he had not only drawn the appearance and characteristics of the middle-aged man, but also deliberately outlined the man's shoulders and back.

The man was dressed in a well-ironed suit. He looked quite like a high-rise.

However, Yao Yu drew out the details. The middle-aged man tried his best to hide it, but he couldn't hide some of his habits.

Like bending his back!

This habit of nodding and bowing would make him subconsciously show humility when interacting with others.

And this humble inertial reaction clearly did not fit an entertainment company executive.

... This man was not an entertainment executive.

Ye Wangchuan saw through the disguise immediately. He rolled down the window and propped his arm on the side. He sat quite casually and spoke to the girl. "Who is it?"

"The Qi family's chauffeur."

Qiao Nian reached for her seatbelt and fastened it herself. As she did so, she told him briefly about what had happened outside the hotel in Country M.

When the Qi family's chauffeur stopped her, she had a deep impression of his domineering attitude, so she remembered this person.

"You were stopped by someone in Country M?" Ye Wangchuan's tone was a little dangerous. He lowered his voice, making it a little sinister.

Qiao Nian glanced at him and calmly rolled up the window. She turned on the air conditioner and said calmly, "The other party didn't succeed. Your men appeared in time to help me settle it."

She had yet to ask someone about the Bright Gate.

However, Qiao Nian had no intention of asking. After all, she had some things to tell him.

Everyone had their own secrets. She didn't feel that Ye Wangchuan had the obligation to explain his matters to her.

“The other party probably didn’t expect Yao Yu to be able to draw him from memory after meeting him just once.” Yao Yu’s grades in school were too poor, and he often fought and skipped classes. He was like a young rascal. It was not surprising that the Qi family did not expect him to have this ability.

Qiao Nian hadn’t expected him to be able to sketch a character so vividly. He could have gone to the Criminal Investigation Department and studied criminal sketching.

At least in this aspect, Yao Yu was a genius.

“It seems that this matter has something to do with the Qi family.” A name had already appeared in Ye Wangchuan’s mind—Qi Yan.

“Yes.” Qiao Nian’s eyes were cold, but she wasn’t in a hurry. “Let’s investigate first.”

She and Ye Wangchuan were thinking of the same person—Qi Yan.

“I’ll definitely make her pay if she really did that to Jiang Li!” Qiao Nian’s eyes were cold, but her voice was unrestrained.

It was really fierce!

The Qi family had some influence overseas, especially the Qi family’s soul, Qi Yan. Because she had married into the royal family of Continent O, she was also closely related to the illegal district and the independent continent.

However, Qiao Nian didn’t take them seriously.

This time, she wanted the Qi family and Qi Yan to die clearly!

...

5 PM.

Jiang Zongnan had just returned home from the company when he received a call from Yuan Qing.

“Director Jiang.” The servant at home helped him put his bag aside.

Jiang Zongnan loosened his tie and the buttons on his collar. As he held his phone, he walked to the side in frustration and picked it up. “Hello, Aunt. What’s the matter?”
