

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1544

He was sometimes quite impatient with these relatives.

The other relatives were fine. At least they had some insight. They only called him when something happened.

Yuan Qing was different. All these years, she had relied on her seniority to trouble him.

No one liked a distant relative who liked to put on airs in front of them, let alone a cousin.

Jiang Li was still in the hospital.

And there was too much to do at the office.

Jiang Zongnan was about to be annoyed to death, so his tone was not good. "You said that Nian Nian ran to the KTV to scare Yao Yu? How is that possible?"

He frowned and continued, "Nian Nian isn't that kind of person. She hasn't even seen Yao Yu before. Why would she especially run to scare him... It's not that I don't believe you. This matter is too ridiculous. I can't find a reason for her to do this. There has to be a reason for everything. She's not crazy. How is that possible!"

Jiang Yao happened to enter at this moment. He went to Qing University and asked about Mr. Huang's residence through Liang Conglin.

Jiang Yao waited at Mr. Huang's place for a few hours. Unfortunately, Mr. Huang did not return. He could only go home.

As he entered, he saw Jiang Zongnan on the phone with an ugly expression. He walked over and asked, "Dad, who are you talking to?"

Jiang Zongnan took his phone away and tried his best to control his tone so that he wouldn't sound too frustrated. "Your aunt called and said that Qiao Nian went to the KTV at noon to threaten your cousin. I'm talking to her now."

After he took the time to tell Jiang Yao, he frowned and walked to the sofa. He said to the nagging old lady on the other end of the phone, "In short, I don't believe Nian Nian will do this. She has no reason to bully Yao Yu."

"Why doesn't she have a reason?! She's such a person, to begin with. She doesn't have any manners at all. Who knows how Yao Yu provoked her? She wants to bring people to block the door and look for Yao Yu. I'm already so old, don't tell me I have the mood to slander a junior?"

Yuan Qing was furious. Her grandson was her life. She wanted nothing more than to fight Qiao Nian to the death.

Therefore, she didn't give Jiang Zongnan a chance to speak. She gritted her teeth and continued, "Yao Yu's friend called me and said that. How can I spout nonsense? I don't know what she said to him. Now,

Yao Yu has run to the police station and said that he wants to turn himself in. His father and I called him a few times, but we couldn't get him back. I'm preparing to go to the police station to find him.

"It's fine if she's usually disrespectful to me, but she's bullying me this time. She's an uneducated person from Rao City. Doesn't Zongjin know how to educate his children?! She's so arrogant at such a young age. She'll cause serious trouble sooner or later!"

Jiang Zongnan's expression instantly darkened, but he still did not speak. However, from his expression, it could be seen that Yuan Qing's words were too unpleasant and he was a little unhappy.

Yuan Qing had a loud voice. When she was young, her personality was shrewish and unreasonable. She liked to throw a tantrum about everything.

Even more so in old age.

She had aged, but her voice had not softened at all. Even though Jiang Zongnan had not turned up the volume, Jiang Yao could hear what she was saying clearly.

"Dad, give me the phone," Jiang Yao said with a dark expression.

Jiang Zongnan was about to be annoyed to death by her. He handed over the phone with a dark expression.
