

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 178

Why would she buy clothes for him out of the blue?

Qiao Nian coldly replied to him, "You're wrong."

Ye Wangchuan was confused.

"I'm not just buying for you, I'm buying for you and Chen Chen."

Ye Qichen was initially jealous when Qiao Nian brought him into the store that sold the shirt his uncle was wearing.

But suddenly, he was told she was buying for him as well.

He immediately stopped being jealous.

He tugged on his uncle's sleeve shyly and mumbled, "I, I want to buy clothes for Sister."

Qiao Nian raised her brows. In a good mood today, she agreed. "Alright.

"We can shop around for yours. We can buy when we find something that suits me."

She was wearing the clothes Jiang Li and Ye Wangchuan bought for her.

While they looked nice, they were all dresses.

As compared to dresses, she'd rather wear shirts and jeans because they were easier to move around in.

Since she had her card with her, they could buy anything they wanted.

Qiao Nian shopped really quickly.

As she was also a designer, she had great fashion sense.

She picked out four sets of clothes with the shopkeeper's help. Among the clothes she picked, there were shirts and a windbreaker for the next season.

Gu San stood at the shop's entrance as he saw Miss Qiao sizing the clothes on Master Wang. Master Wang was being cooperative as well in her effort to find the best clothes for him.

Even though Master Wang wasn't successful in pursuing Miss Qiao, it felt like they were together already!

Suddenly, his phone rang.

Gu San went to the side and took out his phone.

It was a call from Old Master Ye.

He immediately picked it up.

"Hello."

Not daring to be disrespectful, he put on a serious expression.

“Old Master Ye.”

Ye Maoshan had a loud voice, and you could feel his presence through the phone call.

“I’ve seen the photo you sent me. You mentioned that the girl is called Qiao Nian, right? Is she the child the Jiang family found?”

Gu San replied respectfully, “Yes. Miss Qiao is the child the Jiang family found.”

He thought Old Master Ye would object to their relationship because Miss Qiao wasn’t exactly from the same status as Master Wang.

However, Old Master Ye just replied to him calmly, “I understand. Let them get along well.”

...

Countless ladies wanted to marry Master Wang and get into the Ye family. However, it was really hard to do so, and even some of the other families in Beijing weren’t qualified to do so.

Did that mean Old Master Ye approved of Miss Qiao?

“Send more photos of Chen Chen in the future.”

Gu San broke away from his daze. Understanding what Old Master Ye meant, he answered, “Alright, sir.”

“I’ll hang up, then. Do take good care of both of them. Oh, have you found the doctor from Rao City?”

“... Not yet.”

They had contacted them, but with a condition.

They wanted the rare material.

The rare material was in high demand.

The Red Alliance wanted it.

The black market wanted it.

Everyone wanted the rare material.

Master Wang wanted to wait to find out what was going on.

Gu San felt that it was better for them to wait as well.

...

The clothes from the store weren’t cheap. It was an international brand, and a shirt would cost tens of thousands.

The ones designed through collaboration were even more expensive.

However, Qiao Nian treated them as though they were free and took several of them.

After picking out eight shirts, she asked Ye Wangchuan, "I think you should change your shirt already. Do you want to try them?"

She noticed he had been wearing this shirt since she gave it to him that day. He had been wearing it for the past four days without changing it.
