

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 312

Someone was missing her? Qiao Nian put on a confused expression, not understanding her meaning.

Yuan Yongqin couldn't help but smile and walked over to pour her a cup of hot water. "This is a saying in my hometown.

"It means that if a person isn't ill, sneezing all the time indicates someone mentioning you without your knowledge, and thinking about you."

Holding the water cup in her hand, the heat from the cup was transferred to the palm of Qiao Nian's hand, warming her body. She blinked, pondered for a moment, and smiled. "Oh, that's possible."

She didn't know about anyone else, but the little guy was definitely thinking of her!

Yuan Yongqin was originally joking with a few words of ridicule, but Qiao Nian readily admitted it, making her at a loss for a moment.

She thought that Qiao Nian wouldn't have a relationship. Wei Lou had been guarding Nian Nian for so long, but she never once fell for him.

However...

She couldn't help but think of the man she saw at Waterside Loft that day. It wouldn't be an exaggeration to say that he was amazing and brilliant.

If it was Young Master Ye... Yuan Yongqin wasn't too sure.

When she was distracted, Qiao Nian suddenly asked her, "By the way, Aunt Yuan, I remember you told me that you found a rough diamond in South Africa. Is that in the company?"

Yuan Yongqin was pulled back to her senses by her, and replied in deep thought, "Yes, there's a rough diamond. It's flawless, and the color is good. It's indeed being kept in the company. Do you want to use it?"

"Yes, I want to use it to make two gadgets." Qiao Nian leaned back on the sofa with a carefree look in her eyes and a loose expression. She lowered her head and took a sip of hot water.

The transparent glass reflected her shadow, and she happened to see the small hairpin in her hair.

She hadn't been used to it at the beginning, but it didn't seem so awkward anymore.

She owed Ye Wangchuan a favor, and now the little guy had even bought her a gift. It was said that a lot of lice do not bite, and the debt is too much to worry about. However, she wanted to pay back whatever debt she owed.

Blue diamonds were a relatively rare type of diamond, and were suitable for making men's cufflinks!

It should be no problem to cut a rough diamond into one large and one small cufflink!

"I'll get it for you." Yuan Yongqin didn't know what she wanted to do with the rough diamond, but she didn't even ask further and walked directly to the safe.

Let alone a 20-carat rough diamond, if she wanted the stars in the sky, she would help to get it down!

Not to mention that Cheng Feng Corporation had nothing but diamonds.

...

In the rose garden, Wei Ling waited until almost six o'clock to see her husband's car driving back.

She was already sick of drinking the Qiao Family's tea.

When he came in, she immediately got up and asked, "How was it, did you see Nian Nian?"

Shen Jingyan was holding the chill of coming back from the outside. When he saw his wife, his face full of calm and prestige relaxed, and he said, "Yes, I had a chat with her."

Wei Ling took his coat from him, dignified and elegant in every move. She raised her eyes and asked him, "What did Qiao Nian say? Does she want to go back to Beijing with us?"

She didn't avoid people when she spoke, and Qiao Weimin, Shen Qiongzhi, and Qiao Chen all heard her.

The expressions on their faces were not without awkwardness.

Especially Shen Qiongzhi, who was flushed and clenching her fists subconsciously, resisting her anger and unable to interrupt.

Fortunately, Qiao Weimin quickly grabbed her wrist and shook his head at her with an expression of disapproval. She reluctantly suppressed her anger, but her chest seemed to be on fire. She didn't understand why her brother had just rushed out to meet Qiao Nian!

Chen Chen was his niece!
