

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 385

Ye Wangchuan was caught off guard by her serious theory of the nutritional value of native eggs and ordinary eggs. After Qiao Nian had finished eating, he came back to his senses.

He looked at her with deep eyes, like the spring sunshine. "Wait, how are you going there?"

Qiao Nian usually didn't bother to get up and rarely ate breakfast, so it had been a long time since she had eaten so fully and healthy in the morning. Feeling a little dizzy and groggy, she raised her eyes casually and said, "Huh? I'm taking a taxi."

Gu San looked at her half-squinted and sloppy appearance, and he felt that she wouldn't do well for her exam. However, still worried about Qiao Nian going alone, he immediately said, "It's not easy to take a taxi today. I heard that traffic control was implemented over there, and cars generally cannot get in."

"?"

Traffic control?

Qiao Nian didn't expect this. She thought that there weren't many people taking the test, and she would just take a ride there.

Gu San knew that she usually didn't care about trivial matters, and probably didn't expect this situation, so he immediately said, "It's okay, Miss Qiao, I'll send you there."

Qiao Nian subconsciously refused: "... No, there's still the subway? I'll take the subway."

Ye Wangchuan's apartment was very close to Qing University. The subway was two stops at most. If she walked there, it would take a little longer, around half an hour.

It was pretty close compared to the hotel.

While she was talking, the man sitting opposite had gotten up and picked up the car key. He was tall and slender, and he had a sense of existence that could not be ignored when he stood there.

“Let’s go, I’ll send you off.”

Qiao Nian was speechless.

Ye Wangchuan felt that she deliberately didn’t want to bother him after coming to Beijing, but he pretended not to notice, and said indifferently, “You might not have time to take the subway now. I’ll send you there. You can arrive at Qing University in ten minutes at most.

“You have to find your exam spot when you arrive, and it’ll take some time.”

Qiao Nian thought for a while. It seemed that this was the case. She pursed her lips, did not insist, and got up from her seat. “OK, I’ll go pack my things.”

Ye Wangchuan watched her go in, then said to Gu San, “Wait here, I’ll drive.”

“OK.” Gu San had no objection.

After he left, it happened that Jiang Li called, and he picked it up.

“Hello, Young Master Jiang.”

The person on the other side of the phone seemed to be working outside, and the environment was quite noisy. He had probably taken the time to come out and give him this call. "How's Nian Nian? Is she in school? Has she reviewed at the hotel these days?"

Gu San hadn't told him before that Qiao Nian wasn't living in a hotel after coming to Beijing, and had been tricked into living in an apartment by his arrogant Master Wang. At this moment, he didn't know how to respond and glanced at Qiao Nian's room. He covered the phone receiver with his hand and said in a low voice, "Anyway... Yes... Young Master Jiang, you should not be too hopeful about Miss Qiao."

Because in these two or three days, he hadn't seen Qiao Nian ever read a book, let alone review her studies!

However, Miss Qiao had the status of a genius doctor in Rao City. It didn't matter if she didn't study well, it was very easy for her to attend a university if she wanted to.

It depended on which university she wanted to go to.

Qing University... Anyway, he deemed it impossible!!!!

Qiao Nian didn't know that Gu San had personally determined that she couldn't pass Qing University's exam.

She changed into a blue long sweater with a pullover. In October, the northern weather was dry and sandy. She didn't wear any trousers. She put on casual shorts, exposing her white and slender legs. Stepping on a pair of small leather boots, she looked beautiful and sassy.
