

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 496

Just as he was thinking, another call came in.

— Ye Qichen.

Ye Wangchuan looked at the caller ID and suddenly stood up. He had long legs and was tall, at 1.85 meters. His aura was oppressive and lazy.

With a fluent Oxford accent, he said to the blond foreigners sitting opposite him, “Sorry, I’m going out to answer a call.”

Five minutes later, he received a call outside and then came back in. His eyebrows were very low, and no emotions could be seen on his face. However, Qin Si had known him for many years and had grown up with him. How could he not tell that he was in a bad mood? He immediately frowned and asked in a low voice before he could sit down, “What’s wrong?”

If nothing happened, Ye Wangchuan’s entire aura wouldn’t have dropped after picking up a phone call.

Ye Wangchuan furrowed his brows. His handsome face was well-defined and had the deepness unique to the Ye family. His facial features were extremely good-looking. In Qin Si’s words, he was a devil.

Upon hearing this, he picked up the things on the table and quickly explained to him, “There’s something I need to do. I’m going back to Rao City for a while. I’ll leave this place to you. Try asking them again. If you really can’t get anything out of it, then forget it. We’ll investigate on our own. It’ll just take a little more time.”

“I’m fine with it. It’s just a matter of time. But aren’t you more anxious? A month ago, you suddenly paid attention to the relationship between the Red Alliance and that side and insisted that I find a way to help you investigate. The information about the illegal district has always been difficult to investigate. Those people are very strict. It wasn’t easy for me to find an overseas intelligence agency, and now you don’t care anymore...”

Although Qin Si said that, he was very worried. He said, “What on earth is it? Why are you in such a hurry to go back there? Rao City isn’t a big city, what attracted you to that palm-sized place? It’s as if your soul has been hooked by it. You haven’t been willing to come back recently.”

Ye Wangchuan picked up his jacket. There was a silver bracelet on the Buddha Beads on his wrist, making him look exceptionally charming. He casually replied, “It’s nothing. You’ll know in the future. I’ll introduce you when the time is right.”

Qin Si: “??”

Introduce what?

Introduce something delicious and fun to eat in the city?

He looked disapproving.

Rao City was at most a second-tier city. Its cultural heritage was average, and it had few scenic spots. Wasn't Beijing so much better? His mind was stuck on Rao City!

Although he didn't take it to heart, he still said perfunctorily, "Alright, I'll wait."

...

After leaving the cafe, Ye Wangchuan called Gu San.

The call was instantly connected. A man's energetic voice came from the other end. "Hello, Young Master Wang. Are you done? I'll drive the car over to pick you up."

"Okay." Ye Wangchuan lowered his eyes and fiddled with the silver bracelet on his wrist. He pursed his lips into a thin line and said with an extremely cold gaze, "Help me investigate what happened in Rao City. Why is Nian Nian at the police station?"

"Huh? Miss Qiao is at the police station?!" Gu San was even more surprised than him. "Why? How is that possible?"

Ye Wangchuan's eyes were cold as he said, "I heard she fought someone."

Gu San was speechless.

The person on the other end of the line asked weakly, "...Did he die?"

When Ye Wangchuan heard his soulful question, he was stunned for a second. He raised his eyebrows and said in a hoarse voice, "Huh?"

Gu San was even more uncertain than he had thought. He lowered his voice and said seriously, "Master Wang, Miss Qiao didn't kill the other party, did she?"

He felt that it was possible! Very possible!
