

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 499

Before Qiao Nian hit someone, she hadn't thought about the relationship between Wei Qi and Wei Ling. When she suddenly saw Wei Ling, whom she had not seen for a long time, she was shocked for a moment.

After her surprise, she listened quietly to Wei Ling's accusations. When she looked up, she met her eyes with a pair of deep black eyes. She placed her phone on the table and said in a hoarse voice, "...Then, I'll apologize."

"Apologize?" Wei Ling was stunned. Seeing her bandit-like attitude, she didn't seem like someone who wanted to apologize.

An unbelievable thought appeared in her mind as she looked at the girl.

"Who's going to apologize to whom? You're going to apologize to Wei Qi? Or do you want Wei Qi to apologize to you?"

Why did she feel that Qiao Nian's attitude was more biased to the latter?!

Wei Ling couldn't control her anger, and her well-maintained face almost contorted.

"You beat Wei Qi up, and you want him to apologize to you? Huh?"

She wanted to laugh, but she couldn't. She forced a smile that looked very much fake. Her expression was very ugly as she stared at Qiao Nian and said, "Don't tell me you think your father and grandfather will protect you? That you'll be able to run wild and no one will be able to control you."

Was Chief Cai's brain squeezed by the door? Even now, he still wanted to shield her. Wasn't it because the Jiang family was protecting her from behind?

Wei Ling's eyes were very cold as she said calmly, "I'm afraid you're mistaken. You offended someone you shouldn't have. No one can save you."

She sneered. "You still don't know, right? You've already been expelled from school. Even if Wei Qi's injury test result only indicated a light injury, in the end, you can't take the college entrance examination. Let me ask you this. Why did you hit Wei Qi? Was it because of Chen Yuan? You're just like what Chen Chen said. You're so meddlesome. Who is Chen Yuan to you? He's not related to you at all, yet you insist on sticking your head out. Great. Now, the two of you can't go to university together. Is this the outcome you wanted?"

Her words were filled with mockery.

However, Qiao Nian didn't even move her eyebrows. She calmly placed her legs on the table. Her legs were long, and when she stretched them out slightly, they looked long and straight. Under her jeans, they were straight and well-proportioned, giving off a feeling of power.

Facing Wei Ling's question, she didn't even bother to look up. Her expression was gradually turning cold, and she was no longer as gentle as when she first saw Wei Ling.

She asked, "Auntie Wei, have you asked him what he did to Chen Yuan before you came?"

"What did he do to Chen Yuan?" Wei Ling frowned. She didn't care about the so-called Chen Yuan at all. She exuded a feeling of superiority and said without thinking, "Even if Wei Qi did something to your classmate, you shouldn't have hit him!"

"Okay." Qiao Nian understood what she meant. She raised her hand and looked at her. "Ask Wei Qi to apologize to Chen Yuan. Also, cancel Chen Yuan's confession. Then, this matter will be even. I can let him off this time on account of Auntie Wei."

"?"

"Are you joking with me?"

Wei Ling only felt that it was ridiculous. However, when their eyes met, she could only see the seriousness in his eyes. She didn't seem to be joking at all.

Qiao Nian restrained the wildness in her eyes and placed her hands in her pockets. She was quite cold. "I'm serious. Consider it."

Wei Ling was speechless.

She had sent Wei Qi to the hospital, and he was still recovering. His bones had broken and she had yet to find trouble with her, but she wanted Wei Qi to apologize to Chen Yuan and forget about this matter? Only then would this matter be even?
