

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 564

She saw someone walking from the living room to the sofa with a cup of coffee.

Ye Wangchuan was stirring the coffee cup in his hand with his well-defined and fair fingers. His hand was clean and good-looking. He was definitely qualified to be a hand model.

He was wearing a long black coat with a shirt that he had bought himself. It made him look lean, and his legs long and straight.

He was quite eye-catching!

Who didn't want to see a beautiful human early in the morning?

Qiao Nian felt like it was quite refreshing. At least, her eyes, which had been stung by the post on the school's forum, felt much better now.

She went down the stairs.

Halfway through, the man lazily stirring his coffee looked up and saw her. His deep eyes narrowed slightly, and his pupils reflected her shadow.

"You're up?"

"Yes."

Qiao Nian walked over and opened the fridge. She had wanted to take out a bottle of water, but who knew that as soon as her hand touched the bottle, someone's hands moved faster than her. He took the bottle away and held the fridge door as he said domineeringly, "You can't drink ice water."

"??"

Qiao Nian was confused.

In the past, she used to do whatever she wanted. Why was there so much that she couldn't do now?

Ye Wangchuan's deep eyes seemed to see through her thoughts. He narrowed his eyes dangerously and touched his scarlet lips. "Have you forgotten about your stomachache last night?"

It would have been better if he hadn't mentioned it. Now that he did, she recalled the uncomfortable feeling in her stomach last night. Her lower abdomen felt like it was being pulled apart again.

She frowned.

He had already pulled her hand away.

Ye Wangchuan closed the fridge and said calmly, "Sit on the sofa for a while. Wait for me. I'll make you a cup of warm water."

"Okay." Qiao Nian shrugged. Actually, she wanted to say that she didn't want to drink ice water. She could even get a cup of lukewarm water.

However, the man was very fast. He let go of her hand and entered the kitchen.

She had no choice but to obediently sit on the sofa and play with her phone while listening to him.

In a few minutes, the man walked over with a cup.

The mug was the one she often used. Jiang Li and the little bun had bought it for her together. There was a cat print on it, and the mug was from a very expensive brand. One mug was about five digits, and it was convenient to use.

She usually used that cup to drink water.

At this moment, hot smoke was coming from the mug. She could tell that the water he had made for her was very hot.

"Drink slowly. It's hot."

"..." Qiao Nian took the cup. She had thought that it would be the same hot coffee as his. Who knew that there would be two red dates floating in a cup of brown sugar water?

She suddenly remembered what Wei Lou had said about "grapes, wine, and wolfberry cups. Young people must take care of themselves." The corners of her mouth twitched. She looked up at the man beside her, who had bent down to pick up his coffee cup. She couldn't help but say, "Master Wang, does Gu San know that you know these things?"

He usually looked inconspicuous, but he actually knew what girls should drink during their period.

She was just teasing him casually, but the man holding the coffee looked at her with his deep eyes. He raised his eyebrows and said with a domineering gaze, "Huh? What did you call me?"

Qiao Nian was speechless.

What did she just call him?

Master Wang?

It didn't seem wrong.

Gu San and Jiang Li usually called him that.

At this thought, Qiao Nian's body relaxed. She took a sip of the brown sugar water. It was so sweet that she felt flustered and annoyed. She raised her head and looked into his eyes with her distinctive black and white eyes.. She answered casually, "I called you Master Wang. Is there anything wrong with that?"
