

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 630

"She's a girl. It's normal for her to be gone for a longer time," Zhang Yang replied half-heartedly, his heart completely focused on the student Master Nie had just revealed.

Qin Si put down his wrist and looked up, still worried. "Is that so?"

Zhang Yang turned back to look at him and affirmed, "Yes. Girls are all like that! Going to the bathroom for 20 minutes is considered fast. Half an hour or even an hour is possible."

Qin Si frowned. He didn't know how long a girl usually went to the bathroom. Hearing Zhang Yang say that it was normal, he could only suppress the urge to call Qiao Nian.

At the main table.

Everyone was clamoring to see what Master Nie's last disciple looked like. Nie Mi felt like she was being held up and couldn't stop halfway.

However, someone beside him fanned the flames. "Master Nie, we all want to know what kind of person can make you reject such an outstanding student like Miss Jiang. He must be more powerful than Miss Jiang, right?"

Jiang Xianrou clenched her fists tightly.

Over the past few years, Nie Mi's temper had gotten much better. He wasn't as brash and rebellious as when he was young. As he grew older, his personality settled down year by year. He was less ruthless and more peaceful. At this moment, his expression inevitably darkened. His shrewd eyes suddenly shot at the person who spoke and he said coldly, "I said that my attainments in the piano are limited. My refusal to take in disciples has nothing to do with this person's excellence. It's purely because the things I can teach her are limited. Following me will only delay her future!"

As soon as his expression darkened, the person who had just spoken immediately shrunk his neck and apologized with a pale face. "Master Nie, that's not what I meant. I'm just curious about your student..."

He wasn't the only one who was curious. Everyone present was curious.

At this moment, a leisurely figure walked in with a phone in her hand. She seemed to have just finished a call.

The girl was wearing a sweater and a cap. Her exquisite face was covered, and she gave off a bandit-like aura.

When Nie Mi saw her, he looked at the pairs of eyes that wanted to pursue the matter. He thought that they would know when school reopened, so he decided to not hide it from them. He waved in Qiao Nian's direction. "Nian Nian, come, come over here for a while."

Swoosh!

The gazes of the entire banquet hall focused on the girl who had just returned from outside.

So many eyes suddenly looked over.

Qiao Nian had originally lowered her head. After replying to the message, she looked up and saw the situation in the banquet hall.

Jiang Xianrou and Tang Wanru were both there.

Both of them looked at her in shock.

Other than that, Zhang Yang and Qin Si were also stunned...

Her temples twitched as she looked at Nie Mi, who was waving at her. She pursed her lips and subconsciously raised her hand to press down on the brim of her cap.

After pulling it back on, she narrowed her eyes in frustration. She put away her phone and walked toward Nie Mi.

Nie Mi had been waiting patiently for her to walk over. The entire time, his face was filled with pampering and pride as he waited for her.

He raised his hand and introduced her to everyone. "Qiao Nian is the student I found."

— Qiao Nian was the student he liked!

A heavy bomb was thrown, and everyone in the banquet hall was stunned for a long time.

Whispers sounded in the banquet hall.

"Qiao Nian? I've never heard of this name. Is she from Beijing?"

"Why haven't I heard of this person before? Qiao Nian? Is there such a family in Beijing?"

"This is the first time I've heard of it..."
