

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 631

“She looks like an ordinary person. What is she wearing? A sweater? Jeans? She can’t be a high school student, can she? She can’t even compare to Jiang Xianrou. Is Master Nie blind? Why would he give up on Jiang Xianrou and choose an ordinary high school student?”

“Shh. Keep your voice down. Who is Master Nie? It’s not good if others hear you.”

“However, this girl looks sloppy and doesn’t seem like a good student. She can’t even compare to Jiang Xianrou! I wonder how many levels she has passed in piano. Jiang Xianrou is a professional at level eight. If this girl isn’t even at level eight, it wouldn’t make sense. Even Master Nie can’t avoid being criticized...”

Master Nie rejected a level-eight piano player in front of so many people. If he were to introduce an ordinary person, anyone would think that this was unfair and unkind!

Zhang Yang looked like he had seen a ghost. He couldn’t retract his chin for a long time as he looked at Qin Si in a daze. His expression could no longer be described as complicated.

“Young Master Qin, tell me honestly. Who is this little sister from Rao City? This is too... too ridiculous!”

She had defeated Liang Lu with one foot and used traditional Chinese medicine acupuncture to wake Old Master Wei up.

She had stepped on Jiang Xianrou and was recognized by Master Nie as his last disciple.

He didn’t even mention that she was on extremely good terms with Ye Lan in the middle. He also didn’t mention that Ye Lan had abandoned her business partner and came over specially to treat her to a meal...

It had only been two days, but a few aliases had already dropped?

His chin was almost dislocated!

Qin Si wasn’t much less shocked than him. After looking stunned, he couldn’t help but swear. “Damn! Gu San didn’t tell me.”

“...So you didn’t know that Miss Qiao was so powerful?” Zhang Yang suddenly felt sorry for him.

Qin Si’s handsome face was stern as he looked at him expressionlessly. “Look, which part of my face says I know? What do I know!”

Zhang Yang: “...”

Fortunately, he was only helping to receive them. Young Master Qin didn’t even know about this, so he felt a little better.

In order to appease the frustrated man, he even pretended to say, "Uh, it's normal to not know. No one expected Miss Qiao to be the student that Master Nie likes. I didn't expect it, either."

He was balanced, but Qin Si was not balanced at all. He cursed as he picked up the phone on the table and began to send Gu San messages asking about Qiao Nian.

He didn't dare to find fault with Ye Wangchuan.

But he still had the guts to fight with Gu San!

Qiao Nian, who had been forcibly pulled over by Nie Mi to introduce her, still did not know that her alias had already dropped to Gu San.

She was being scrutinized by countless eyes.

She felt frustrated.

It was annoying.

She pursed her lips and stood there, looking rather unruly.

Tang Wanru looked at the girl who had snatched away the attention that should have belonged to Jiang Xianrou and couldn't help but say with a dark gaze, "Master Nie, I'm not doubting you. I just don't understand something."

She had heard from Jiang Zongnan and Old Master Jiang about Qiao Nian's joint examination results and knew that she had been accepted by Qing University.

She wasn't surprised that Nie Mi knew Qiao Nian.

She had heard from Jiang Xianrou that Nie Mi had also participated in this year's interview.

In other words, it was very likely that Nie Mi had taken a liking to Qiao Nian during the interview and had chosen her as his personal disciple.

She admitted that Qiao Nian's results were indeed outstanding.

The champion of the joint examination.

Full marks!

But what did this have to do with music?
