

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 705

Qiao Nian looked away and said lazily, "I won't, I'm not interested!"

"As for university matters, you can just think about it yourself. There are still two or three months left. With your intelligence, if you try harder, you may be admitted to the Computing faculty of Nanjing University. You have to have confidence in yourself. If you don't believe in yourself, you won't even have a chance at it."

Chen Yuan didn't think she would encourage him and was stunned for a while. After all, his idea was too ambitious. After he mentioned it to Shen Hui, the other party called him to the office several times to convince him to change to a safer, more achievable school and major.

Qiao Nian didn't ask him to change his mind. She simply got him to think about it carefully.

The light in his eyes gradually lit up. He took a deep breath as something stirred in his chest, and he seemed to have the courage to face difficulties.

Just at this time, Liang Bowen, who had already decided with a group of people what to eat for the evening, walked over. He leaned on his shoulder and asked familiarly, "What are you talking about with Sister Nian? I see you guys have talked for a long time."

Chen Yuan did not want to tell others about the conversation just now, so he shook his head and said, "It's nothing."

Liang Bowen glanced at him, but didn't ask any further questions. He turned his head and said to the girl in high spirits, "Sister Nian, we have discussed it. We will have steamboat at night, are you coming?"

Qiao Nian came to find them to have a meal together in the first place. Moreover, steamboat was one of her favorite foods, so there was definitely no objection. "I am!"

"Nice!" Liang Bowen immediately laughed. "We're having steamboat tonight!"

...

Three days later.

At Rao City Airport.

Ye Wangchuan personally sent them off.

As soon as they arrived at the airport, Gu San very wisely left to buy breakfast, leaving only Qiao Nian and the man who had just been discharged from the hospital.

"Call me when you arrive in Beijing." Ye Wangchuan lowered his head, the coldness on his face turned into the warmth amidst the spring breeze, with deep eyes focused and seductive.

Qiao Nian didn't sleep well all night and got up early in the morning to catch a plane. She felt cold, and her temple was sore.

She pulled up the hood of the sweater, took out her earphones, and gave a casual "Mm". She then said, "Even if I don't call you, Gu San would."

This was true.

Ye Wangchuan curled his thin lips. In a very good mood, he leaned back his neck slightly, saying with a chuckle, "... But I'd rather hear you tell me personally."

Qiao Nian was speechless.

The warm feeling she got in his ward the other day was back.

Qiao Nian raised her eyes to look at him, then pursed the corners of her mouth and frowned slightly. "You..."

Ye Wangchuan raised his hand and rubbed the top of her head before she could finish, cutting her off. "Tell me when you get to Beijing, and tell me when you go to the Ninth Branch as well. You don't have to worry about the Ninth Branch. Besides Gu San following you, I also told Bo Jingxing to look out for you. Luo Qing will also be there at that time. You know them, anyway."

"I'm not worried about this." Qiao Nian's attention was diverted by him, and she didn't notice his reckless intimacy and small gestures as she said nonchalantly.

"I'm worried." The man's tone was low. Almost as soon as she finished speaking, he lowered his eyes and said, "Call me if you need anything in the next two days. My phone will be turned on 24 hours a day."

He was required to go somewhere else for something urgent. Otherwise, he would definitely accompany Qiao Nian to the Ninth Branch.

Even though he had asked Gu San to follow her and had even spoken to Bo Jingxing about it, he didn't want to leave her alone, for fear that she wouldn't be used to it...

She was his precious, of course, he had to be there to not worry for her!
