

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 730

At the mention of the music event, Qiao Chen's dark eyes finally lit up. She looked at him with ambition and smiled, then said humbly, "I'm ready. My aunt said that she helped me contact Mr. Steven. He quite likes my piano music and has already agreed to take me in as his student."

"Mr. Steven?" Fu Ge couldn't hide his surprise.

She lowered her head shyly. "Yes. It's Mr. Steven from the International Piano Association. He knows my aunt. Didn't he come to my birthday party before? After that, I've been in private communication with Mr. Steven and often wrote emails to ask him about the piano. This time, when my aunt told him about me, I didn't expect him to not reject her and agree to take me in as his disciple."

Mr. Steven's attainments in the piano field weren't inferior to Nie Mi's attainments in the konghou field. He was also one of the world's famous hall-level musicians.

Furthermore, he was the vice president of the International Piano Association.

With this title, if Qiao Chen could really become Mr. Steven's disciple, she wouldn't be worse than Qiao Nian becoming Nie Mi's last disciple.

At least in terms of reputation, the two of them were evenly matched!

If Qiao Chen missed Nie Mi, getting Mr. Steven would be the best outcome.

Fu Ge was quite happy for her. His handsome face couldn't hide his joy as he said, "Congratulations, Chen Chen. Mr. Steven is no worse than Master Nie. He's also a hall master in the piano field that you're best at. If you follow him, you'll still have a chance to enter the international stage in the future. Master Nie is also famous internationally, but konghou is a musical instrument that can't be presented on stage, after all. The international scene still places more importance on the violin, piano, and so on."

Therefore, when Qiao Nian became Nie Mi's disciple and Qiao Chen became Mr. Steven's disciple, she would actually be slightly better than Qiao Nian in terms of connections.

Fu Ge finally let out some of the pent-up anger in his chest over the past half a month. His gaze became gentle when he looked at Qiao Chen again.

He had always known that Qiao Chen was outstanding. In the beginning, he was also attracted to her shine. Reality proved that he had not misjudged her.

Qiao Chen did not disappoint him.

As for Qiao Nian...

Fu Ge recalled that she had taken half a month's leave and had no idea where she had gone. He couldn't help but frown, unwilling to think deeper.

“Thank you.” Qiao Chen felt his gentle gaze on her and smiled. Speaking of this, she thought of something else and frowned. She said softly, “...By the way, Brother Fu, I heard that Master Nie isn’t coming to the music event this time.”

“Didn’t Wen Ziyu say that Master Nie would be participating?” Fu Ge wasn’t from this industry and didn’t know much about this music event. He only knew that the scale was quite high. Wen Ziyu’s aunt had invited many socialites to participate, as well as music masters domestically and overseas.

Speaking of the national music masters, if Nie Mi said that he was second, no one could say that he was first.

Masters like Mr. Steven were coming from overseas, but Nie Mi actually stood him up at the last minute?

He felt that it was a little too willful.

However, when he thought about how Wen Ziyu had once mentioned to him about the ridiculous things Nie Mi had done in his youth, he felt that with this master’s character, it was very possible that he would do such a thing.

He pursed his lips and his eyes went cold as a figure surfaced in his mind.

She was wild and bandit-like!

She was also someone who could do such a thing.

He somewhat understood why Nie Mi had chosen Qiao Nian as his last disciple. It was probably because of Qiao Nian’s konghou skills and personality.

Master Nie’s character was incompatible with Chen Chen.
