

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 732

"I saw it." Ye Wangchuan was surprised that he had mentioned this to him, but he couldn't hide the smile on his face.

Old Master Ye was angry when he saw his charming appearance. He pulled a face and asked coldly, "I heard from Ye Lan that Nian Nian came to Beijing to play again?"

Ye Wangchuan stuffed a hand into his jacket pocket and looked calm. Only he could withstand the pressure when faced with Old Master Ye's question. "No, she came to Beijing for something."

He didn't mention that Qiao Nian had gone to the Ninth Branch to treat Master Cheng.

However, Old Master Ye couldn't control his temper and said angrily, "I don't care. Say, this person has already come to Beijing a few times. When are you going to bring her to see me?"

He paused for a moment, his eyes filled with suspicion. He looked the man up and down with a strange gaze. "Don't tell me you haven't won her over after staying in the city for so long."

He poked the sore spot.

Ye Wangchuan looked awkward for the first time. He touched the bridge of his nose and lowered his eyes. "Soon."

Old Master Ye: "..."

Therefore, he had brought Gu San to Rao City for almost a year and had not managed to woo her at all?!

Old Master Ye would be speechless if this wasn't his own grandson.

Even so, Old Master Ye was still a little speechless at this moment. He stared at his face for a long time and thought about Qiao Nian's results, which he had happily flaunted to his old friend in the morning. He felt upset. "You..."

He had been in the military all his life and had never cared about such lousy matters of the younger generation. He didn't know how to speak for a long time.

After some thought, he said, "Qiao Nian will definitely come to Beijing in the future. Her grades have already been confirmed. When she comes to college, the Jiang family will acknowledge her. Since you've thought about it, you have to hurry up. There are only a few months left."

Once Jiang Weishang revealed Qiao Nian's identity, she would definitely be involved in this mess in Beijing.

Since Ye Wangchuan had already decided to fulfill the marriage contract, he had to at least settle her first. Don't make him agitated for so long. This disappointing little brat was still single-minded!

Old Master Ye felt mixed emotions. He had never thought of worrying about his best grandson's relationship status in the past.

After all, ever since Ye Wangchuan became an adult, many girls had come to hint at him.

Now, it seemed like he still had to worry.

He didn't hide his gaze from Ye Wangchuan at all. The man smiled bitterly, not knowing whether to laugh or cry. "I just want to hurry up. Didn't you trick me back?"

At the mention of this, Old Master Ye glared at him ruthlessly and said unhappily, "How long have you been at home? Not even a day has passed. You've been in Rao City for almost a year, but I didn't see you chase after her either. So what if I delay you for a day?"

Although he said that, he waved his hand with a disdainful expression. "Forget it, forget it. I can't be bothered to tell you. If you want to leave, do it tomorrow. Your aunt will be back tonight. We haven't eaten together for a long time. The entire family can eat together before you leave."

"Okay." Ye Wangchuan had originally planned to leave directly. However, he fell silent for a second and agreed. "I understand."

Old Master Ye didn't like him like this at all. Seeing that he did not move, he frowned and asked, "Aren't you going out?"

Ye Wangchuan stuffed his hands into his pockets casually and met his gaze slowly. Their eyes met, and his gaze was extremely evil. "I thought about it and there's nothing else. I'll go back to my room first."

"..."

Old Master Ye watched his tall back disappear into the corridor of the courtyard. Feeling his heart becoming even more stifled, he decided not to look at him anymore. He turned his head and instructed the butler, "Give me my phone."

He wanted to look at the results sheet released by Qing University to calm down.
