

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 733

At the Ninth Branch.

Luo Qing and the others waited outside for three hours, but no one came out.

Zhou Wei couldn't wait but also couldn't flare up. She kept leaning against the wall with a stern expression as if someone owed her money.

After another half an hour, she looked at the time on her watch and lowered her arm. She couldn't help but say, "Why aren't they out yet?"

Luo Qing and the others found a laptop and surrounded it to study the USB drive Qiao Nian had given them. Everyone was a talent in the computer industry. After getting this level of programming, they didn't have the heart to care about anything else. All of them had fanatical expressions.

Her voice wasn't soft. Only Luo Qing was busy talking to her, and his tone was extremely impatient. "Young Master Bo, Chen Zhu, and the others are all with him. Why are you in a hurry?"

With that, he continued to discuss the source code in the USB with the people around him.

"How did you get this code? I've been looking at it for a long time, but I still don't see how Miss Qiao can operate this code..."

Zhou Wei: "..."

...

In the waiting room.

Master Cheng was still sleeping soundly on the chair with his eyes closed. He didn't have the slightest intention of waking up.

Bo Jingxing stood there for four hours and couldn't help but feel a little impatient. He looked at the girl playing with her phone on the chair beside Master Cheng and asked gently, "Sister Qiao, why isn't Master Cheng awake yet?"

Chen Zhu also looked at her anxiously.

Ever since Qiao Nian finished performing acupuncture on Master Cheng, he had been lying there as if he was asleep. It had been almost half a day since the end of the acupuncture, but Master Cheng showed no signs of waking up...

Only Gu San was calm. He wasn't anxious at all, especially when he saw that Qiao Nian was still playing with her phone calmly.

Anyway, Miss Qiao wasn't anxious. Master Cheng was definitely fine!

Master Cheng was too important to the Ninth Branch. Bo Jingxing didn't understand Qiao Nian's ability. Even if he believed that Ye Wangchuan wouldn't judge her wrongly, he couldn't calm down. He couldn't help but say, "Sister Qiao, when will Master Cheng wake up? Why don't you take a look?"

Qiao Nian had just finished a game with Qin Si. Hearing this, she logged out.

Qin Si's message followed.

[Sister Qiao, why did you retreat? Come again!]

Qiao Nian lowered her eyes and held her phone casually. Her fair fingers pressed on the screen as she replied to his message.

[QN: No, I have something on.]

Qin Si's message flashed quickly.

[I'll wait for you to finish your work?]

[QN: I'm not sure when I'll be done. Besides, I'll wake you up if I want to play.]

[Okay, anytime. I'll wait for you to summon me.]

Qiao Nian didn't reply. She put away her phone. After a busy day without sleeping well, she narrowed her eyes and said with a slightly hoarse voice, "Soon. He'll wake up in ten minutes at most."

Ten minutes did not count for long.

Bo Jingxing suppressed his anxiety for the time being and waited patiently.

Some time passed.

In the blink of an eye, he raised his wrist to look at his watch. It was time.

The old man lying on the table had no intention of waking up. Bo Jingxing's eyes darkened slightly, and he was about to speak when Chen Zhu, who was beside him, suddenly exclaimed, "Young Master Bo, Master Cheng is awake."

"?" Bo Jingxing immediately looked at the old man lying on the table.

As expected, the fingers of the person who had been in a coma moved as the white-haired old man first moved his left hand. Next, his eyes also moved.. Then... under the anxious gazes of a few people, he slowly opened his eyes.
