

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 737

Qiao Nian raised her eyebrows and narrowed her eyes. Her gaze was sharp, and she was about to ask him, "What kind of words do you need the right ambiance to tell me?" when her phone vibrated, and a new message popped up on the screen.

It was a message from Shen Jingyan.

[Nian Nian, are you asleep?]

Qiao Nian's thoughts were interrupted. Her attention was attracted by the news, and she frowned slightly. It was quite annoying.

"Okay, we'll talk about it at Christmas."

Shen Jingyan sent another message as soon as she finished speaking.

[Qing University has announced the results for the joint examination today. I saw your ranking. First place, with a perfect score of 650. Nian Nian, congratulations. I didn't know you had such good results. You successfully got into Qing University this time. Do you have any wishes or gifts you want? I'll buy them for you! You can have anything you want.]

Qiao Nian's beautiful fingers skimmed through the messages. She narrowed her eyes and still had no intention of replying.

On the other end of the line, Ye Wangchuan only saw the girl's eyes suddenly turn cold. He didn't know what she was doing. He raised his thin lips and asked softly, "Do you want to sleep?"

Qiao Nian moved her gaze away from the message. She was quite lazy and pursed her red lips. "A little. I didn't sleep well last night. I want to sleep early today."

Ye Wangchuan looked at her loose bathrobe and his throat tightened. He raised his hand and pressed down on the bridge of his nose with a faint smile. Suppressing his desire, he said in a hoarse voice, "Remember to dry your hair before sleeping."

Qiao Nian raised her eyebrows.

He continued, "Otherwise, it'll be easy for you to have a headache in the future. You're young. You don't have it now, but that doesn't mean you won't have it in the future. Dry your hair before sleeping. Be good~"

The words "be good" were used craftily.

Qiao Nian didn't turn around for a long time. Her dark and beautiful eyes stared at his face for a long time, but she felt that she couldn't be afraid. She imitated his tone and deliberately lowered her tone, replying cynically, "Hmm, is this also the concern between good friends?"

She originally thought that she would be able to successfully see his frozen expression again. Unexpectedly, this time, the man seemed to have been prepared. His thin lips were slightly raised, noble and languid. His eyes were like the warm sun of spring and the dazzling flames of summer. They were bottomless. "Aren't I still your brother?"

Qiao Nian was speechless.

Ye Wangchuan looked at the girl's stiff back and said in a lazy voice, "I remember when we first met, Nian Nian, you called me Brother Ye. Why? I'm not considered your brother anymore?"

If Gu San was here, he would definitely give him a thumbs up.

Master Wang was amazing!

He stood up coquettishly!

For a moment, Qiao Nian's heart beat faster. Before she could think about the reason, she heard the man's chuckle on the other end of the line. Then, he reminded her gently, "Remember to dry your hair before sleeping."

"Okay." She was a little unused to the atmosphere from earlier and didn't know how to reply. She didn't look at the person on the screen and responded lazily, lowering her eyes as if she didn't want to chat anymore; she was clearly fleeing. "I'm tired. I'm not talking to you anymore. I'm hanging up."

How could Ye Wangchuan not tell if she did not want to chat or was just tired? He smiled, and his face became even more eye-catching. Three buttons on his collar were unbuttoned, revealing his youthful appearance. "Go to sleep. I'll send you a message when I get there tomorrow."

"It's best to send it later. I can't wake up in the morning."

"Okay."

With that, he said in a deep voice, "Goodnight.. Have a sweet dream."
