

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 780

He was one of the few people who knew why Jiang Li had acted on impulse. It was no wonder that Brother Li couldn't control his temper when Xue Ziang spoke ill of his sister.

He wasn't surprised that Jiang Li attacked him.

If not for the fact that many staff members were present at the scene and quickly pulled the two of them apart, he reckoned that Xue Ziang's nose wouldn't have been simply broken. He would have to lie in bed for at least ten days to half a month.

He knew very well, but the fact that she was Brother Li's sister was a secret. He knew, but no one else knew!

To outsiders, the nature of this matter was extremely bad.

Firstly, Jiang Li's status was thousands of miles higher than Xue Ziang's. It was easy for others to say that he was bullying the weak. Furthermore, Jiang Li was the first to make a move.

They couldn't understand.

After weighing the pros and cons in his heart, the manager looked up and quickly continued, "How about this? Jiang Li has a variety show invite. That show still lacks a flight guest. I think Xue Ziang is very suitable. President Chu, what do you think?"

With Jiang Li's current status, no production team would reject him if he wanted to take on a variety show and bring in a newcomer for an episode.

This could be considered as exchanging resources to calm this matter.

This was a good deal.

Jiang Li's popularity had always been high, and he rarely participated in variety shows. Every time he participated in one, his fans would always especially watch it. The topics on the programs he participated in were extremely high. Many celebrities wanted to squeeze in and find more information.

Xue Ziang was unknown before this incident. An unpopular artist like him had no chance of appearing on the show.

Unexpectedly, Chu Yao didn't accept his proposal. She crossed her arms over her chest and said arrogantly, "You mean you want us to shut up and treat it as if nothing happened?"

"I'm telling you, we don't need such an insincere apology, and we don't need to go on this show. If Jiang Li really wants to apologize, then let him apologize to Xue Ziang himself. Didn't Xue Ziang post on Weibo? I remember Jiang Li has a Weibo account, too."

She really dared to dream!

She actually wanted Jiang Li to apologize to Xue Ziang publicly!

What was the difference between this and trending on Jiang Li's behalf?!

'The manager almost laughed in anger, his face turning green and white.

Chu Yao didn't stand on ceremony. She narrowed her eyes and smiled, looking like she had already decided on this matter. She softly said, 'We only accept this kind of apology!

"Anyway, Xue Ziang's results aren't out yet. We'll reserve the right to call the police within three days. You can do as you deem fit. Or you can go back and discuss it with Jiang Li and see what he thinks."

'The manager's expression was quite ugly. He looked at her and said in a low voice, "President Chu, we're all from the same industry. Must you be so ruthless?"

Chu Yao was determined to step on Jiang Li this time.

"Lalso said earlier that our artiste won't beat someone up without reason," he said meaningfully. "Xue Ziang isn't innocent. He knows very well what he did. Some fans saw it with their own eyes at the scene."

Before Chu Yao came, she had understood the situation with Xue Ziang's assistant. She had also personally seen Xue Ziang's subsequent Weibo post. Otherwise, how did he post it?

Of course, she had seen the popular comments below.

However, she didn't take this matter to heart..
