

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 793

After he called out to Qiao Nian, he seemed to have only just noticed the man beside him. His expression changed from when he was blushing earlier, and his mood instantly dropped by more than one level. He pursed his lips and said reluctantly, "Uncle."

His differential treatment was too obvious!

Ye Lan also saw the person at the door. She smiled and quickly greeted, "Nian Nian, Wangchuan, you're here. I've been waiting for you for half a day. Come and sit down."

Ye Wangchuan walked in front and took off the scarf around his neck. He chuckled and said, "We were delayed by a traffic jam."

He casually placed his scarf on the back of the chair and pulled out the chair beside Ye Qichen. He greeted Old Master Ye, who was sitting upright. "Grandpa."

"Yes," Old Master Ye glanced at him and replied calmly.

His burning gaze was mainly focused on Qiao Nian, who was beside him.

The girl was wearing a white thick sweater with a cashmere jacket. She was wearing jeans underneath, which wrapped around her long and straight legs. She looked refreshed and clean, looking extremely exquisite.

She was actually quite compatible with her unfilial grandson!

The more Old Master Ye looked at her, the more he liked her. It wasn't easy for him to see her, and he couldn't look away at all. However, he still coughed to hide it and pretended to be calm. He asked, "Is this Nian Nian?"

Seeing his sitting posture, Ye Lan knew that he was curious and embarrassed to take the initiative to greet her. She covered her mouth and smiled. "Ah, this is Nian Nian. I told you about her a few times before."

She then turned around and introduced him to Qiao Nian. "Nian Nian, this is my father, Wanghuan's grandfather."

Qiao Nian walked to Ye Wangchuan's side and looked at him with clear eyes. She said politely, "Hello, Grandpa Ye."

Old Master Ye looked at the girl's lowered eyelashes. From this angle, he could see that she was obedient and sensible. He was originally serious, but now, he couldn't suppress the corners of his mouth. He coughed gently again. "Good child, sit quickly."

"Sit here."

Ye Wangchuan had just pulled out a chair for her.

Qiao Nian didn't stand on ceremony with him and sat down.

Ye Wangchuan pulled out the chair beside her and sat down naturally. He then handed her the hot towel to wipe her hands.

"Wipe your hands first before eating."

"Okay." Qiao Nian took the towel from him and lowered her eyes. She looked very obedient. She wiped her hands and placed the hot towel beside her.

Ye Wangchuan poured a cup of tea and placed it in front of her. Then, he took her empty cup and used it himself.

"The tea here is good. Want to try it?"

Qiao Nian held the cup and looked at the heavy tea leaves in it. She picked it up and took a sip slowly before putting down the cup.

Ye Lan was overjoyed at their interaction. She smiled and said, "Nian Nian, when did you come to Beijing?"

Qiao Nian had just put down her cup. Hearing this, she looked up and replied politely, "Early in the month."

"The beginning of the month?" Ye Lan was a little surprised. She calculated the time and then asked, "Then, haven't you been in Beijing for almost a month?"

He hadn't told her about Qiao Nian coming to Beijing for a month!

Ye Lan glanced at her nephew bitterly, but she was afraid that Qiao Nian would see through her. She silently retracted her gaze, feeling extremely depressed.

This brat was too biased!

They weren't wolves. Could she and the old man eat his little girl?

Ye Wangchuan received the accusation in Ye Lan's eyes. He placed the plates and bowls beside the girl calmly before saying slowly, "Nian Nian is in Beijing for something. She's not here to play. I'd have definitely told you in advance if she was here to play.."
