

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 798

Qiao Nian pursed her lips and was silent for a moment.

“I’m about to take the college entrance examination.”

In fact, during the few seconds of her silence, the man’s back had already tensed up, and his mood was changing indeterminately. His heart seemed to be in the air. Whether it fell into the clouds or hell depended on her.

Unexpectedly, the answer was not especially good or bad.

“Is the college entrance examination important to you?” Qiao Nian was only participating in the college entrance examination as a formality for the first place of Qing University’s joint examination.

“Huh?” Qiao Nian had never seen him confess in such a way. He was even more proactive and domineering than a person confessing. Restraining her frustration and remaining silent for two seconds before looking at him again, she then said arrogantly, “It’s still quite important. I don’t want to get second

place.

“The college entrance examination is coming up soon, I’ll definitely need time to revise.”

This answer was reasonable and perfunctory.

Young Master Ye was not one easy to fool. He narrowed his eyes and did not give in. “Then, after the college entrance examination. I can wait.”

Qiao Nian paused. “I didn’t say that.” She only said that she wanted to prepare for the college entrance examination. She didn’t say that she would answer him immediately after the college entrance examination.

Ye Wangchuan smiled as smoke swirled around him. He raised his hand to brush away the stray hair that had slipped down from her eyebrows. Then, he ravaged the girl’s hair shamelessly. He smiled and said, “There’s still half a month. Study hard. I’ll wait for your answer after the college entrance

examination.”

Qiao Nian was speechless.

Didn’t she already give her answer? He didn’t even need to listen to her???

Then, why should she think about it? He might as well decide for himself.

Roused, she was about to speak when she suddenly smelled the faint smell of alcohol. She heard the man’s low and hoarse voice lean closer to her.

“Before that, I want to reserve my boyfriend’s power.”

“Huh?”

Before she could react, a hot sensation suddenly pressed down on her lips. It was only for a moment as if she had been electrocuted. Qiao Nian’s mind was blank. She subconsciously clenched her fists and did not react.

1

The man had already moved away. He lowered his arm and did not push her against the car anymore. As if nothing had happened, he returned to his usual noble and lazy expression. He opened the car door and placed his hand on it, looking relaxed. “Qin Si wants to invite you to a drink. He found my place. Are you going?”

” Qiao Nian didn’t understand how he could be so natural and smooth at being a hooligan. How could he speak to her so calmly?

It could be seen that he was also a beast in human clothing on ordinary days. It was just that his refined skin was too deceptive that no one had realized.

In a restaurant not far from the Imperial Mansion, a drinking party was taking place in a private room. Wei Ling was chatting with Steven and the others.

Qiao Chen used the excuse of going to the washroom to come out for a breather.

She turned on the tap and rinsed the back of her hand. For some reason, she thought again of the back she saw at the entrance of the Imperial Mansion today.

Although Wei Ling said that it couldn’t be Qiao Nian, she still felt uneasy.

Qiao Chen bit her lips and stared at her gradually calming self in the mirror. She then turned off the tap and took out her phone from her handbag. After searching for a long time, she finally found Xu Xu’s number.

Ever since the joint examination results came out a month ago and Qiao Nian’s results crushed hers, she had not contacted anyone from her previous school.

She only hesitated for a moment before calling.

The call went through, but the other party quickly hung up.

Qiao Chen wasn’t in a hurry. She looked at the time and saw that First High School was probably in class. After waiting patiently for a few minutes, sure enough, Xu Xu returned not long after with a light tone.

“Hey, Chen Chen, I was in class earlier. I didn’t dare to answer the phone during the old witch’s class, so I sneaked out. Is something the matter?”

Qiao Chen lowered her eyes gently and asked in a low voice, “Ku Xu, has Qiao Nian gone back to school?”
