

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 806

Qiao Nian was indeed not a high-profile person.

At least, she was lazy and distant most of the time and did not seem interested in anything.

As long as they didn't touch her bottom line as the Qiao family did repeatedly, Ye Wangchuan rarely saw her respond to anyone.

If she didn't care, she naturally wouldn't provoke anyone!

Then, what was wrong with the group of people Chen Yuan was talking about?

Ye Wangchuan narrowed his eyes. Ever since Wei Qi's matter, almost no one in the city dared to provoke Qiao Nian.

If it was not someone from Rao City, could he be... from Beijing?

Jiang Li saw the sudden change in his aura, and the temperature in the villa dropped. Frowning, he stopped hiding on the sofa, stood up, and walked over. "What's wrong? Who called?"

Could it be Nian Nian?

He looked at the man's expression in confusion and felt that something was wrong, It was definitely not Qiao Nian.

He was about to continue asking when the man moved and spoke in a suppressed tone that reeked of blood. He fiddled with the prayer beads on his wrist and lowered his eyes. He was filled with hostility. "Did she say where she was?"

Chen Yuan: "No, Sister Nian didn't say anything. I was about to ask that when she hung up."

"Okay." Ye Wangchuan wasn't disappointed. It was best if Chen Yuan knew, but it didn't matter if he didn't. He said calmly, "I understand. Thank you. I'll tell you if there's any news later."

Jiang Li felt like he had seen a ghost when he heard him thank someone.

Master Wang's thanks were similar to the last meal before the death penalty. If he said these two words, someone would definitely be unlucky.

"What's wrong? What happened?" Jiang Li had only asked him a few questions and had not really taken it to heart. Now, he couldn't help but worry, his heart lifting.

Ye Wangchuan didn't explain immediately what had happened. Instead, he called Cai Gang and told him about the situation. He wanted him to investigate if there had been any trouble at the entrance of the city hospital.

Striding back to the living room, he picked up his jacket from the sofa and walked out. He said, "Nian Nian's classmate just called. She said that she was blocked at the city hospital. These men might be gangsters. I'll go over and take a look."

"Damn! What's going on? How did Nian Nian provoke these people? Who hired them?" Jiang Li immediately became anxious and followed behind him. He said without a word, "Wait for me, I'm also coming!"

Hearing this, Gu San quickly went out to get the car obediently.

When Ye Wangchuan got into the car, Jiang Li followed suit.

The car had not been driving for long when the scenery on both sides of the road retreated. Ye Wangchuan's phone rang again in the quiet environment.

He raised his wrist with cold eyes.

Cai Gang called back.

He picked up the phone and placed it by his ear. His tone was as cold as winter's December. "How is it? Have you found out?"

On the other hand, since Cai Gang received his call, he didn't dare to delay at all. He left halfway through his meeting and immediately informed his subordinates to investigate.

He was also rushing to the city hospital.

He hurriedly got into the car and reported his findings to the man on the other end of the line. "I found it, Young Master Ye."

"The district police station near the city hospital received a call from the public saying that there was a fight between gangsters at the entrance of the hospital. The police have already been dispatched and brought all of them back. I specially asked if there were any girls among the people they brought

back. They said that a girl and seven or eight gangsters were brought back to the district police station.."
