

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 826

He was a little absent-minded. He placed his hand on the armrest of the sofa and stared at his wristband. The silver wristband was still the gift Qiao Nian had given him previously. It was very well protected and matched with the Buddhist beads he wore all year round. The two pieces together had a unique style.

He smiled slightly and calmed down.

He heard the girl's anxious voice on the other end of the line. "It's not a big deal... Zhou Hengfeng came to our house today and mentioned Zhou Wei. He said that Zhou Wei and Qiao Nian were joking. On an impulse, she found a few hooligans to scare her. This matter was very serious and alarmed the police. Zhou Hengfeng found my grandfather to explain and wanted to keep it private... I think the relationship between the two families has always been good. I've seen Zhou Wei too. She's not that kind of person. It might be a misunderstanding. As the Zhou family said, she went overboard in her joke..."

The warmth in Ye Wangchuan's eyes quickly turned cold.

Thousands of miles away, Jiang Xianrou did not see his reaction. She continued self-righteously, "I heard from Zhou Hengfeng that you also made a move. It should be my brother pleading with you. Master Wang, can you give me some face and let them resolve this in private? Don't make it public?"

She had originally wanted to look for Qiao Nian and tell her to stop fooling around. In the end, when she called Qiao Nian, not only did she not pick up, but she even blacklisted her. She couldn't get through to most of them now, so she could only call Ye Wangchuan.

Jiang Xianrou's thoughts were very simple. With Qiao Nian's connections, she wasn't enough to touch Zhou Wei. To put it bluntly, the reason the police dared to arrest her this time was only because Qiao Nian relied on the Ye family's power. If Ye Wangchuan opened his mouth to let her go, who would dare to not give face to the Beijing police?

She was thinking that if Qiao Nian didn't pick up the phone, she would look for Ye Wangchuan. If Ye Wangchuan was willing to let her go, no one would dare to stop her.

At that time, it would only make Qiao Nian's face hurt more.

Jiang Xianrou was quite confident. After all, she was the only one in the small circle in Beijing who was different. She could enter and play as an equal with Qin Si, Ye Wangchuan, and the others.

She believed that she had some face with Ye Wangchuan. At least, she was different from the others.

"I asked Zhou Hengfeng, and he said that Qiao Nian wasn't injured. Since she wasn't injured, it won't be good for anyone if this matter gets out of hand. I'll tell him about my brother."

"Is that also what Old Master Jiang wants?" Ye Wangchuan interrupted her with cold eyes and asked calmly.

“My grandfather...” Jiang Xianrou was a little awkward. She paused for a moment and said vaguely, “My grandfather didn’t say, but I think it’s best not to make a big deal out of this. Anyway, no one is in trouble, so why make a big fuss over it with the police?”

Who was Ye Wangchuan? However, he knew Jiang Weishang’s attitude very well with just a few words. He was definitely not giving the Zhou family face.

Jiang Xianrou had called him secretly behind the Old Master’s back.

“Master Wang, can you give me some face and let me resolve this?” Jiang Xianrou still had not figured out her condition as she said dignifiedly.

“Tsk.” Ye Wangchuan smiled. His deep smile dyed his voice sexy and charming. “Give you face?”

Jiang Xianrou vaguely felt that there was something wrong with his tone. She bit her lips carefully and whispered, “This is a farce. I wanted to tell Qiao Nian, but she didn’t pick up her phone. I had no choice but to call you...”

She had even called Qiao Nian? Ye Wangchuan’s eyes became even colder. His voice was extremely calm as he interrupted her. His slow tone was filled with mockery. “Jiang Xianrou, are you mistaken? Do you have the right to ask me to give you face?”
