

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 851

Wei Ling also knew that Mr. Steven was urging her to submit her new song soon. Hearing that she had submitted it, she relaxed a little and nodded proudly. "That's good."

While they were talking about Qiao Nian's college entrance examination results, Shen Jingyan was also beside her. Hearing what Wei Ling said, he frowned slightly, stood up to pick up his phone, and said to them, "I'll call and ask Nian Nian."

After all, Qiao Nian had Ye Wangchuan and even Su Huaiyuan behind her. Shen Jingyan didn't want to miss such an opportunity to show concern for her.

Wei Ling watched as he walked out. The corners of her mouth twitched as she silently picked up the cup. She didn't stop him, but there was obvious disdain in her eyes.

Qiao Nian was a drowning dog this time. It was good that she did not hit her when she was down. She didn't want to embarrass herself like Shen Jingyan.

On the other hand, Qiao Nian had just come out of the room when she saw that Shen Jingyan was calling her.

She looked down at the caller ID and frowned slightly.

Jiang Li saw her phone light up and saw that she had no reaction. He asked curiously, "Nian Nian, why aren't you answering your phone? Who is calling?"

Qiao Nian picked up her phone and said that it was the wrong number. She put it back in her pocket and said calmly, "I don't know him. It's the wrong number."

"Oh, it's most likely a harassment call. There are many such calls these days. I get them often, too. It's so annoying." Jiang Li took it seriously and frowned in disgust, feeling the same way.

Qiao Nian did not speak and walked to the living room.

Gu San happened to walk over with his things. Seeing her coming downstairs, his eyes lit up and he greeted her. "Miss Qiao, you're awake." Then, he asked impatiently, "Aren't the college entrance examination results out today? Have you checked, Miss Qiao? How many marks did you receive?"

Jiang Li also looked over. He cared a lot, but he didn't want to pressure Qiao Nian, so he didn't ask.

Qiao Nian found an empty seat and sat down. She nestled herself lazily on the sofa and took out her phone. It was still ringing. It was all news from Class A.

There were also a few private messages.

It was the group of people who were close to her usually asking her about her results.

(Sister Nian, how many marks did you get?) (Sister Nian, did you see the school forum? Is it true?)

um.

A few people had mentioned the school forum. Qiao Nian narrowed her eyes and searched through First High School's forum. The thread that revealed her results was high in the first place. It was obvious how popular it was.

She clicked on it and saw that the person who had leaked the news did not say anything. He only said that he had checked the number on the admission ticket and saw that Qiao Nian had gotten 0 marks. However, many people were singing the same tune.

They said that she scored zero and that she did not respect the exams and had smeared the school's reputation.

Qiao Nian only took a rough look and logged out of the forum. Looking up, she happened to see Gu San's anxious face. She put down her phone and said, "I've checked, the results are not out yet."

Jiang Li's manager had taken a screenshot of some of the news online. Hearing this, he couldn't help but ask, "It's not zero?"

He was also worried that Qiao Nian had not taken the college entrance examination seriously. However, he didn't believe that she would score zero.

Qiao Nian lay lazily on the sofa. There was a sleepy look on her exquisite face as if she thought he would ask her that. However, she replied patiently, "No."

"It's good that it's not." Jiang Li patted his chest and relaxed. He then hesitated and said, "There's a lot of news about you on the Internet. Grandpa was afraid of agitating you, so he called me to secretly ask me about your condition. I didn't know your results, so I didn't dare to say it with much certainty..."
