

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 867

The principal gave up his seat of honor and said humbly, "Young Master Ye, sit here."

However, Ye Wangchuan did not go over. He pulled over the seat beside Qiao Nian and said gracefully, "Have a seat. I have a seat here."

He smiled and glanced at the girl beside him with his deep eyes. His voice was slightly hoarse and low. "I can sit beside her."

With his intimate tone and attitude, anyone could tell that something was going on between the two of them.

However, the people in the private room either did not dare to say it or were too embarrassed to say it. Only Chen Yuan, who was sitting in the corner, had a dark gaze and couldn't hide his disappointment.

He had always known that this day would come. He thought that he was prepared. But when he saw the ambiguous atmosphere between the two of them with his own eyes, he realized that he was not as strong as he had imagined.

He was still disappointed.

There was a casual smile on Ye Wangchuan's lips. He didn't seem to be looking at the boy, but he also seemed to be looking at him.

"Young Master Ye, why are you free to come over today? You should have told me in advance. I could have prepared..." Principal Yu had been quite uncomfortable since he appeared. He didn't even know where to place his hands.

It was mainly because Ye Wangchuan had a special status. He would be worshipped in a place like Beijing, let alone in a small place like Rao City.

As an ordinary principal of a high school, he was really a little nervous.

Ye Wangchuan noticed this and smiled slightly. He lazily looked in the direction of the girl who was sitting down with her cap pushed down. He smiled faintly and said softly, "I also decided to come over at the last minute to freeload. The main reason is that I didn't get an answer. I'm in a hurry."

Principal Yu: "..."

He instinctively wanted to ask what answer was that, but he felt that it was inappropriate.

On the other hand, the girl who had just sat down heard the man say in a gentle and refined tone, "The main reason is that I didn't get an answer. I'm in a hurry." She raised her hand jerkily, and a fair wrist slipped out of her sleeve. She pressed down on the brim of her hat and moved her lips as if she wanted to say something, but she forced herself to stop.

When he asked for the answer before, she had received a call from Qiao Chen.

Qiao Chen had gone crazy over the phone, causing her to be in a bad mood and forget about this matter. On the way here later, Ye Wangchuan had not mentioned it either. Now that he had suddenly mentioned it in front of everyone, she felt like she had done something stupid.

Especially when a certain someone was chatting with Principal Yu and the others. His eyes were still smiling as he looked at her. Qiao Nian felt that he was urging her to pay a debt.

She looked away, trying hard to ignore his gaze.

Shen Qingqing happened to lean over and ask her softly, "Sister Nian, the college entrance examination results are out. Where are you going to play during the summer break?"

Liang Bowen was also looking at her. His attention went from Ye Wangchuan, Principal Yu, and the others to the girl as he said with interest, "That's right, Sister Nian. Where are you planning to go for such a long vacation? I'm going to a southern town with my class. Do you want to go together? My mother said she'll pay for the plane tickets!"

Liang Bowen's family was rich. This time, he scored above 700 and was in the top 50 of the province. The Liang family was crazy happy. When they heard that he wanted to go out during the summer break, his mother waved her hand and transferred him 100,000 yuan to buy a plane ticket for his little friend.

When Shen Qingqing asked where Qiao Nian was going to play during the summer break, he remembered that he had not asked Sister Nian if she was going.

"We plan to go to the Rain Collapse. The Internet says, 'If you don't go to heaven, then go to the Rain Collapse.' It's said that the scenery there is as beautiful as a photo. Anyway, there's nothing to do during the summer break. Sister Nian, do you want to go and relax together?"
