

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 871

Ye Wangchuan was in a good mood tonight. He couldn't stop smiling. "Suit yourself." Qiao Nian thought for a moment, looked up, and said in all seriousness, "Oh right, I forgot to mention something else."

"What is it?"

Ye Wangchuan felt that even if she wanted the stars in the sky now, he would probably find a way to pluck them for her like a madman.

To his surprise, the girl's exquisite eyebrows were quite calm as she suggested, "I agree, but you have a probation period..."

"Probation?" Even though he was experienced and knowledgeable, this was the first time he heard that being a boyfriend required a probation period. He raised his eyebrows and looked at the girl in his arms.

"It's not long. Three months. We'll see your performance." Qiao Nian's expression didn't change under his gaze. She was quite calm. "You can reject it."

He didn't even want to ask if it was because he had rejected what she said previously about agreeing to be together. Without even thinking, he signed a contract of unequal standing with her.

"Are you sure it'll be only three months? Will it take longer?"

"No, just three months!"

Ye Wangchuan had a special status. If they wanted to be together, it wasn't just about having feelings for each other. Three months was the time she gave the both of them.

Ye Wangchuan was a prideful person. Before she made this offer, she had thought that he might not agree to it. To her surprise, the man agreed without hesitation. "Three months it is. Let's make a deal. In three months, I'll be promoted to an official position."

Silence.

Shouldn't it depend on the situation three months later?

Qiao Nian did not reply.

The man's slightly cold lips pressed down. "... I'll collect interest first."

At the Shen Residence.

Wei Ling, Shen Jingyan, Qiao Weimin, and Shen Qiongzhi were all there. Wei Ling sat on the corner of the couch. She was so angry that she turned her head to the side and didn't even look at the girl crying in the middle of the living room.

“Don’t be angry, don’t cry anymore. What if your eyes hurt from crying?” Shen Qiongzhi was anxious. She had heard about this matter in the afternoon and quickly bought a plane ticket to Beijing with Qiao Weimin. She also did not expect things to end up like this. She was helpless about the current situation and didn’t know what to do.

However, seeing Qiao Chen standing there and crying for an hour, her heart ached. She turned around and looked at her biological brother. She grumbled, “Jingyan, tell Chen Chen to stop crying.”

It was rare that Shen Jingyan did not give her face. He looked at Qiao Chen with eyes as cold as ice and reprimanded her without holding back. “Let her cry!

“This matter has blown up like this, and I didn’t even scold her. And she’s crying here? Can crying solve the problem? If it can, I’ll cry for her.”

Qiao Chen’s face turned pale and tears rolled down her cheeks. She didn’t even dare to wipe them with her hands.

This time, Shen Jingyan was really angered by her. He stood up quickly and walked in front of her. He wanted to say something but hesitated. “Qiao Chen, how many times have I told you not to make decisions on your own? Don’t make decisions on your own! What are you doing this time? Why do you have to buy fake reviewers online to cause a commotion? What has her not attending Qing University have to do with you? If she doesn’t attend Qing University, do you think Qing University only accepts you?”

Qiao Chen moved her lips, her lips pale. “I...”

“How many times have I told you? The Chinese Medicine Faculty she chose is the worst department. Traditional Chinese Medicine has long fallen. Even if she goes to Qing University, she doesn’t have what it takes to fight with you for the limelight. As long as you do your best, it’s enough to make her lose her place. You insist on adding fuel to the fire and letting others get hold of evidence of you. How can your aunt and I help you?

Ah!”
