

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 931

"No, I'm looking too. Sister Qiao isn't on the last page!" Qin Si searched for a long time and confirmed that Qiao Nian's name was not on the page. He was stunned. "What's going on? Where's Sister Qiao's name? The last person doesn't deserve a name?"

Even if Zhang Yang was a smart person, he wanted to pay more attention to the change in the ranking so that he could tell Qin Si and Ye Wangchuan. This time, he did not see where Qiao Nian's name went.

For a moment, he stood there in a daze. He looked at the screen above his head for a long time, but he still didn't find her name. The last page was empty.

He plucked up his courage and asked the calmest man among them, "Master Wang, have you seen Miss Qiao's ranking?"

"I saw it," Ye Wangchuan replied lazily, his eyes deep.

Everyone's eyes immediately focused on him.

Qin Si: "What rank?"

Gu San did not ask, but his expression said that he was anxious to know.

There were ten people on each page of the big screen. As there were only 66 participants, the last page only showed six people.

Miss Qiao's name was not on the last page, which meant that she was at least seventh from the bottom!

Being seventh from the bottom was still better than being first from the bottom!

It had exceeded their expectations.

Gu San expected Qiao Nian to be ranked eighth or ninth from the bottom. Unexpectedly, Ye Wangchuan stretched his long legs and leaned back. His expression was calm as water as he said to the others, "33rd place, 31 points."

Zhang Yang: "..."

Qin Si was speechless.

The three of them were silent.

Gu San's lips twitched. He was more experienced and reacted quickly. He coughed dryly and said, "Ahem... It's Miss Qiao's style."

It should be said that this was the style of a big shot!

After refreshing the page, she had shot from the last place to being directly in the middle. He had actually guessed that the big boss was eighth from the bottom and ninth from the bottom. Tsk, how careless!

He had forgotten that Miss Qiao and Master Wang were the same kind of people.

He didn't deserve the world of the big shots!

...

Qiao Nian's results climbed very quickly.

In the beginning, only a small group of people paid attention to the change in her ranking. The others paid more attention to the change in the top ten.

Especially when Qi Lanyin was ranked first and smiled proudly at the people in the next row, the expressions of the people from the Medical Association were grave.

Liang Lu was in no mood to look for trouble with Shen Yugui. As she watched the first and second rankings rise, she gradually became nervous.

There were a few times when she felt uneasy and wished she could go up and answer Jiang Xianrou's questions.

As she waited impatiently for the results to refresh every time, a name quietly appeared on the first page.

10th place: Qiao Nian, Qing University's Chinese Medicine Faculty, 39.

"Qiao Nian? 39 points?" Liang Lu was stunned for a moment when she saw the refreshed ranking. She didn't react for a moment. "Wasn't she in the last place?"

The other judges had the same thoughts as her. They did not notice the change in the rankings behind. They didn't see Qiao Nian's results rise every time the screen was refreshed...

When they looked again, Qiao Nian's name had already rushed to the top ten.

It was like a dark horse had appeared on the first page!

"What's going on?"

"Is there a stroke backstage?"

"Did you get the data on the screen wrong? Why is the last person on the first page?"

The venue was filled with discussion. The silent atmosphere caused by Qi Lanyin became lively again...

"Isn't it impossible for her? Damn, her scores increased so quickly."
