

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 981

Even without Qiao Nian, her reputation had been tarnished over the past year because of all sorts of things. Besides, she was also punished severely.

She could imagine that if she stayed, she wouldn't be able to develop better.

However, she clearly had the Shen family behind her and would always have Shen Jingyan and Wei Ling's help. Step by step, she left the city. Just as she was about to land in Beijing, Qiao Nian destroyed all her beautiful dreams and threw her into the endless darkness... She couldn't swallow this anger!

Even animals would fight back when forced into a corner, let alone a living person like her.

She must drag Qiao Nian down the altar this time!

...

The news on the Internet spread very quickly.

This was especially true for the news that came with eye-catching hot topics. Once it attracted the attention of the public, its popularity would only rise.

Liang Bowen had been paying attention to the news on the Internet.

He also paid attention to his cell phone, afraid that he would miss Qiao Nian's call.

He waited for a long time but did not get her call. Instead, he got a call from Chen Yuan.

"Hello?"

Boys didn't have so many qualms when talking to other boys. Liang Bowen walked around the room anxiously. Before Chen Yuan could speak, he asked him impatiently, "How is it? Has Sister Nian replied to you?"

"No." Chen Yuan could tell from the tone of his voice that he was more restrained than him and was someone who could maintain his composure better. "What about you? Has Sister Nian contacted you?"

Liang Bowen grabbed his hair and punched the wall in frustration. He then retracted his hand and leaned against the wall. "Just like you!"

"I called Sister Nian. Her phone is switched off. Under normal circumstances, her cell phone is rarely switched off. She's either sleeping or her cell phone has run out of battery. Otherwise, she would have encountered some special circumstances. Her cell phone has no signal..." Chen Yuan said slowly.

Liang Bowen had guessed as much himself. His handsome face looked slightly puzzled. "Then why did you call me?"

No one had managed to contact Sister Nian. Since Chen Yuan had suddenly called him, he thought that he had contacted her.

The boy's voice on the other end of the phone was cold, but his tone was very low. He asked him, "Are you sure that Teacher Shen has deleted the content on the school's forum?"

"Ah?" Liang Bowen didn't react at first. He only regained his senses after two seconds and answered confidently, "I'm sure. I saw it. I went to search later and didn't find it. What's wrong?"

Chen Yuan's voice did not have any fluctuations, as if he was just stating facts. "Someone took a screenshot of the content on that post and posted it on the Internet. People are already starting to pay attention to it on the Internet. I've seen it, it should be a student from our school. Someone probably saw the post on the forum, got curious, and posted a screenshot on the Internet. Now that the original thread is gone, the popularity on Weibo has risen."

Silence.

"Liang Bowen, I think we've been tricked."

"What do you mean?" Tricked? What trick?

Chen Yuan's voice was low and powerful. "The person who posted the thread might have known that we would find the school to delete it. She was waiting for us to delete it. Once we delete the thread, the traces of her revelations will be wiped clean. Then, she can use any one of the First High School students to screenshot the content of the thread and make this matter big. She can even remove herself from this matter completely."

Liang Bowen did not digest this news for a long time. By the time he did, his mind was already in a daze as he cursed, "Damn!"

He secretly regretted his impulsive decision to get Shen Hui to delete the thread. He only hurriedly said, "Wait a moment, I'll tell Sister Nian."

He hung up the call.

Then, he quickly went online to see if it really was as Chen Yuan had said. Next, he quickly sent a new message to Qiao Nian.
