

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 983

"I haven't prepared a gift for her school promotion. It's just nice."

Ye Wangchuan's thin lips moved slightly, and his chest rose and fell. He was about to say that there was no need. Ye Lan had gone with Qiao Nian, and she probably had the same thoughts as him.

Unexpectedly, Gu San, who was outside, rushed in and found him. His anxious expression softened slightly as he walked over quickly and handed the cell phone over. "Master Wang, take a look at this."

"What is it?" Qin Si stretched his neck.

Gu San was anxious and did not answer him. His back was tense as he waited for the man to look first.

Ye Wangchuan was more patient than him. He slowly took the phone and scrolled through it with his fingers. There was no change in his expression, but both Qin Si and Bo Jingxing sitting opposite him could feel that he had been angered.

Qin Si couldn't sit still. He frowned and asked again, "What exactly happened? Damn, don't hold it in."

Ye Wangchuan closed his eyes as if he was trying to control his anger. When he opened them again, his eyes were extremely dark and cold. He returned the phone to Gu San and said concisely, "Go and find out where Qiao Chen is."

"Qiao Chen?"

Gu San did not understand why he wanted to investigate Qiao Chen, but he did not dare to delay his instructions. He didn't continue asking and quickly went to investigate.

Qin Si was still asking non-stop.

Ye Wangchuan did not say anything. He raised his hand and pinched the high bridge of his nose, suppressing the bloodthirsty and cold feeling at the ends of his eyes. His thin lips were pursed tightly into a straight line.

He was expressionless and did not explain to Qin Si who Qiao Chen was or why he wanted Gu San to investigate her.

However, he had seen the news on the Internet. Since it had to do with Qiao Nian's past, it must have been someone familiar with her. Before he saw her in person, he could not confirm if the news on the Internet was true. What he needed to do was very simple.

Before Qiao Nian saw this and dealt with it, Qiao Chen had to be within his control!

It was easy for the Ye family to investigate a person's whereabouts. Just after making a few calls, Gu San had already tracked Qiao Chen down.

He walked back with his cell phone and respectfully walked to the man's side. His expression was not good as he said in a low voice, "Master Wang, Qiao Chen has booked a flight at 3 PM to fly overseas. She's already on the way to the airport."

Ye Wangchuan's fair fingers knocked on the mahogany table with a rather lazy expression. No one dared to treat his simple expression easily.

"Stop her."

Gu San looked at his expression.

Ye Wangchuan did not waste his breath. He was still as elegant as ever and had the aura of a noble son who did not care about anything. However, the redness at the end of his eyes exuded a killing aura.

"I want Qiao Chen's hand."

The tone he used sounded as if he was simply saying that he wanted a cup of Blue Mountain with sugar.

Qin Si and Bo Jingxing remained silent. They looked at each other and saw surprise in each other's eyes.

Master Wang had not flared up for many years.

They still had no idea what was going on, but judging from Ye Wangchuan's attitude, someone in Beijing was going to be in trouble!

Qin Si was much more astute than Bo Jingxing. Frowning, the first thought that popped up in his mind was that the matter angering Ye Wangchuan had to do with Sister Qiao!

...

The Shen family's car was driving steadily to the airport.

It was Monday and during office hours. There were not many cars on the road, and the ride went smoothly. The Shen family's driver drove casually as he listened intently to the conversation in the back.
