

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 995

Oh no.

These two words were the only words left in her mind. Even her explanation seemed pale and messy, and the reason she found was extremely lousy.

“Qiao Nian is jealous of me! Yes, she has been jealous of me since she was young. She couldn’t bear to see me win the award. She heard that I won the Grammy and was going overseas to study. She was jealous of me, that’s why she caused so much trouble. My hand...”

If she didn’t try to explain, Mr. Steven would still have felt a little sorry for her. At this moment, he was only filled with disappointment.

He turned around and looked at the girl who was relaxed with a cap on her head. His attitude softened as he said gently, “Miss Qiao, I’ll give you an explanation when I return to the country. It’s just that the award has already been given out. Even if there’s some... unfairness here, I might be able to give the award to you immediately.”

“It doesn’t matter.” Qiao Nian shrugged casually and casually pulled down the brim of her cap, revealing her white wrist.

“I’ll try my best to fight for you.”

Mr. Steven chatted a little more before his assistant called. He looked at the time. The plane was about to go through security. He turned to ask Qiao Nian for the new song’s foundation and left in a hurry.

In the ward, Qiao Chen watched helplessly as her teacher left. Her heart sank into a bottomless darkness.

She desperately wanted to get up from the bed. She still wanted to struggle on the verge of death, unwilling to let go like this. However, the power of the anesthesia for the surgery had not passed yet. She moved too much and only fell to the ground in a sorry state.

There was still a drip on her hand. With such a big movement, blood was immediately sucked into the plastic drip tube.

She was his biological niece, after all, Shen Jingyan’s eyebrows twitched as he rushed in. “Chen Chen, are you okay?”

He helped her up from the ground but couldn’t bear to look at her white face. He turned to look at the girl in the middle of the ward and said angrily, “She’s your sister. Even if you’re not blood-related, the two of you have lived together for 18 years. Why are you so vicious?!”

Gu San was stunned by his morals. He frowned and instinctively looked in Qiao Nian’s direction.

Ye Wangchuan's eyes quickly turned cold. He only glanced at Shen Jingyan coldly, his gaze filled with endless warning and coldness.

Shen Jingyan felt the gaze on him, but he was ashamed, angry, and regretful. He pursed his lips and still straightened his neck. He looked at Qiao Nian reproachfully, not giving in at all. "Do you know that Chen Chen has already completed the withdrawal procedures from Qing University? Doing this is equivalent to destroying her future!

"She's your sister! It's been more than ten years. Even if you're with a dog for ten years, you'll still have feelings for it. Why are you so heartless?!"

He did not think about what Qiao Chen had done and only blamed all the mistakes on Qiao Nian, as if this would make him feel better.

Qiao Nian's eyes were cold, and she did not have much of a reaction. She looked at him with her dark eyes; they were quite beautiful. When their eyes met, there was no guilt or retreat. She said directly and casually, "Because she crossed my bottom line this time."

"What?" Shen Jingyan still did not know what Qiao Chen had done behind his back. He subconsciously frowned and endured it again. He even said self-righteously, "Even if your sister did something wrong, you can communicate with me. It's the same for this matter. You can tell me why you got Mr. Steven here. Also, is the car accident related to you?"
