

Chapter 901

Just when they were uneasy, waiting for Chen Fei to punish Dong Hao.

Chen Fei finally said, "My punishment for you is that from now on, I ask you to go to Yunxi County, the poorest county in our province, to be a barefoot doctor to provide medical assistance to hospitals and patients there. "

" The whole process lasts for three years. In the middle of the process, I will occasionally send people to check the situation and check the results of your work there. "

" If your results are satisfactory to me over the past three years, this time The matter will be cancelled in this way. If you can't make me satisfied, then the consequences are clear to you. "Chen Fei said coldly to Dong Hao.

Dong Hao was a bit silly at the moment, looking at Chen Fei, his lips trembling, and he was speechless for a while.

The old and Du Du Cang them, is the first to regain consciousness, his eyes flashed a hint of surprise of color, spoke to Dong Hao said: "Dong Hao, you also froze the doing, not quick to Mr. Xie Xiechen."

Du Du Cang both old and As you can see, Chen Fei's punishment against Dong Hao said that it was a punishment, but in fact it was an experience.

Dong Hao's medical talent is very good, and his current medical skills are also very good. The main problem is that his temperament is too jumpy, he refuses to work hard, and his personal emotions are more serious. As a doctor, calmness is almost a necessary quality.

Chen Fei punished Dong Hao for working as a barefoot doctor in a poverty-stricken place. It seems to be a punishment, but in fact it is a kind of sharpening of Dong Hao's medical skills and mentality. Dong Hao can really grow up only when he encounters all kinds of practical things in that hard and difficult real environment.

Moreover, Dong Hao is not very young now, only in his early twenties. Even if he stays in a poor area for three years and returns to Longjiang City, he can still be young. Moreover, with these three years of experience, he will definitely become more mature.

Of course, the prerequisite for all this is that Dong Hao must work hard to fulfill Chen Fei's demands on him.

Therefore, Chen Fei's punishment is actually a kind of sharpening of Dong Hao.

Looking at the excited Du Lao and Du Cang, Dong Hao was also regained his mind at the moment, and figured out the reason for it. He was immediately excited and quickly thanked Chen Fei: "Mr. Chen, thank you, thank you I will definitely take root in poor counties and work hard to make you satisfied. "

Chen Fei Shen said:" It is not enough to satisfy me. The most important thing is to satisfy local patients. Do you understand? "

" Understand Thank you Mr. Chen. "Dong Hao said.

Chen Fei waved his hand, said: "... Courtesy, do not say I'll give you three days, go back and say goodbye to family and friends three days later, on time"

!! "Yes

Du Dong Hao old looked at the back left, sighed, then came to Chen Fei, bending submissively said: "Chen, thank you."

Chen Fei said: "Du old, and I, you do not have the courtesy . I have high expectations for Dong Hao, I understand your mood. "

Du Lao no longer talked, looked away, and said with emotion:" I hope he will not live up to your expectations of Xiao Chen. "

" I hope so! "Chen Fei nodded."

Solved Dong Hao's affairs, and immediately, Chen Fei left Du Medical Hall.

After leaving Du Medical Center, Chen Fei drove to Huo Dongwei's house.

After all, the matter threatened by the blood-bladed killer this time

may not be much to a martial art master like Chen Fei . But for Huo Dongwei, who is an ordinary person, his body and mind have suffered a lot. Chen Fei had to take care of her.

At the door of Huo Dongwei's room, Chen Fei rang the doorbell.

Soon, Huo Dongwei came to open the door and saw Chen Fei standing at the door. He couldn't help but be a little surprised. "How come you come?"

Chen Fei smiled and said, "Why, don't

Dongwei welcome me?" Huo Dongwei shook his head quickly. , Laughed: "How come, you are my big boss! Why am I not welcome you. Please come in."

Chen Fei said to Huo Dongwei while walking into the house: "Sister Dongwei, it seems that you are in a good mood , I'm relieved. "

Huo Dongwei understood what Chen Fei was referring to, his eyebrows flickered gently, and then a warmth rushed in his heart, said to Chen Fei:" Thank you

for coming to see me, I'm fine. " Chen Fei said to Huo Dongwei : "Sister

Dongwei , let me check it for you." "Check, is it troublesome?" Huo Dongwei pouted, "I don't want to get an injection, but I'm afraid of pain."

Chen Fei smiled and said: "Winter Sister Wei, you forgot, I'm a Chinese medicine doctor. Just check the pulse, no need to

prick a needle , it doesn't hurt at all. " " Well, then I'm relieved. "Huo Dongwei nodded with a smile.

Chen Fei said: "Sister Dongwei, let's get started. Where to check, is the room or the living room?"

Immediately, Chen Fei glanced at the living room and suddenly lost a smile.

In the living room, the tables and sofas are filled with snacks and various bags, and clothes, books, and CDs are everywhere. The scene in the living room is really awkward.

Chen Fei could not help but think of his own for the first time to see Huodong Wei home clutter the scene, could not help but laugh, said: "! Dong Wei sister, so long, you really have not changed ah"

Huodong Wei Qiao Lian a hot, stare Chen Fei glanced and said, "That's not all blaming you."

"I blame me! Sister Dong Wei, you are wronged. You love snacks and don't tidy up the house. Why do you blame me?" Chen Fei shouted injustice.

Huo Dongwei explained seriously: "It is not the medicine you have prepared for me. After I take it, no matter how many snacks I take, my body will not be out of shape. Therefore, I will not control it. If it is before, because I want to control my body size , I must endure, I ca n't eat and drink wantonly. Now, I do n't care anymore. "

Chen Fei finished listening, suddenly a look of" I served you ", only waved his hands and smiled:" Okay, okay. Blame me, Blame me. Sister

Dongwei , do you need me to dispense another medicine to counteract the effect of that medicine? " Huo Dongwei quickly shook his head and said:" Of course not. So good medicine, fools have to offset the effect. I It's better to be able to eat and drink now. "

" Okay, okay, okay. Then I won't dispense medicine. "Chen Fei laughed.

Huo Dongwei was going to tidy up the living room, but just started, he realized that the amount of engineering was too large. So, he simply gave up. Then pointed at the bedroom and said: "Go to the bedroom."

Chen Fei said with a smile: "It's the first time I have entered your bedroom, Dongwei! I don't know, is your bedroom like Dongwei?" Ah! "

Huo Dongwei gave Chen Fei a white look and then led Chen Fei into the bedroom.

Huo Dongwei's bedroom is tidy, not as messy as in the living room.

Huo Dongwei edge of the bed to sit on Chen Fei said: "can begin, and how diagnostic ah?"

Chapter 902

Chen Fei reached out and prepared to hold Huo Dongwei's right hand.

At the moment, he was in such a condescending position. When he looked down, he immediately looked into Huo Dongwei's loose collar.

So, under the collar, the beautiful scenery can be seen at a glance.

For a time, Chen Fei looked dull.

Huo Dongwei Chen Fei stared at the pulse of this treatment, the results of the action to see Chen Fei half, the action suddenly stopped, could not help but surprised a moment, looked up curiously and said: "Chen, how not following -"

As a result, she looked up, eyes on It happened to meet Chen Fei's scorching and direct eyes.

Huo Dongwei froze for a moment, then looked down and immediately understood what Chen Fei was looking at. Suddenly, she covered her chest with her arms and shrank back.

Seeing this, Chen Fei could not help but blush old, coughing twice, and quickly withdrawn his gaze.

Huo Dongwei is also pretty and ruddy, her hands are covering her chest, and she is at a loss.

Chen Fei saw it, paused, and was flush with Huo Dongwei. Then he coughed and said, "Sister

Dongwei , I, I will give you a pulse." Huo Dongwei then loosened his arms on his chest and extended his right hand to Chen Fei.

Chen Fei held Huo Dongwei's white and greasy wrist, and his palm touched the smooth skin, and immediately felt a satin-like touch, which made people put it down.

At the same time, the beautiful scenery that I saw from the top just now came to my mind involuntarily, which made Chen Fei's mind fly involuntarily.

"Cough!" Chen Fei forcibly pulled back his thoughts, and then gave Huo Dongwei a pulse.

After dozens of seconds of diagnosis, Chen Fei loosened Huo Dongwei's wrist.

Huo Dongwei immediately asked, "How is it?"

Chen Fei smiled softly, and said, "It's okay, Sister Dong Wei, your body is very healthy, and I'm relieved."

Huo Dongwei said, also smiling, to Chen Fei: "I'll just say it, I'm fine. See you are so troublesome to come here."

Chen Fei shook his head and said: "It's not troublesome. That kind of thing is that I'm tired of you Dongwei. I came to see you, It should be. "

Speaking of which, Chen Fei could not help showing a look of self-blame.

Upon seeing this, Huo Dongwei grabbed Chen Fei's hand and shook his head with a smile, saying, "Xiao Chen, don't blame yourself. This time, the bad guys are to blame, not you. You have helped me So much, I am grateful that you are too late. "

Chen Fei said, and also smiled," Sister Dong Wei, I promise you that I will protect you in the future and prevent you from encountering similar things again. "

" Well, I believe in you. "Huo Dongwei nodded with a smile, and then got up, ready to go out," I'm fine, you will come again, or stay here for dinner. "

Chen Fei pulled Huo Dongwei, said:" Sister

Dongwei , wait a minute. " " Uh, what's the matter? You still have something to leave? "Huo Dongwei flashed a disappointment in her eyes, but immediately squeezed out her smile," If something happens, then I won't keep you . the "

Chen Fei seeing this, quickly explained," Dong Wei sister, not what you think I'm okay, you want me to stay this long, I would stay long. ". "

What do you - "Huo Dongwei doubts .

Chen Fei reached over and pointed to Huo Dongwei's neck and said, "Sister Dongwei, you are here, I want to cure you."

Huo Dongwei

touched his neck and immediately thought of the two gangsters' daggers, which cut her. The skin left a thin trace on the neck.

Although the wound is fine, Huo Dongwei is a star. Such an obvious scar is definitely a big deal for a star.

"Sister Dongwei, you don't have to worry. Use my medicine to wipe you out, the scar can be completely removed, and no trace can be left, which can't be seen." Chen Fei took out a small bottle of ointment with a smile.

Huo Dongwei nodded and said: "That's great, I want to apply the medicine."

Then, Huo Dongwei reached out to get the medicine in Chen Fei's hand.

Chen Fei smiled and shook his head, said: "Sister Dong Wei is not convenient for you to wipe, I will wipe it for you."

"Well!" Huo Dongwei smiled and sat back on the edge of the bed, slightly raised his head, revealing a long and white Neck.

Chen Fei approached, dug a ball of ointment with his fingertips, and then touched Huo Dongwei's skin, and began to smear it with his fingertips.

The skin of the fingertips, with a cool ointment, sliding on Huo Dongwei's smooth skin, made Chen Fei feel the silky touch again, and his mind began to fly again.

Chen Fei glanced down in his thoughts.

Suddenly, in the gap of Huo Dongwei's loose collar, the beautiful scenery was once again displayed in front of Chen Fei.

Moreover, due to the closer distance this time, Chen Fei saw the scenery more clearly. Even, Chen Fei can see the beautiful scenery above.

For a time, Chen Fei's breath became heavy, and he exhaled hotly, squirting on Huo Dongwei's neck, which made Huo Dongwei feel a itchy sensation, and a patch of redness appeared on his skin.

Huo Dongwei at the moment also felt that his breathing could not help but thicken up. A different emotion surged in my heart, and then quickly spread to all the limbs and legs, making her body feel warm and soft, and the whole person seemed to melt.

Chen Fei looked up at Huo Dongwei, his face glowed with red glow, and his eyes were hazy with mist. The whole person seems to turn into a ball of spring water, and it will melt in Chen Fei's arms.

"Hoo!"

Chen Fei felt that a flame rose from the bottom of his heart, and his breath was burning involuntarily.

"Sister Dongwei!" Chen Fei looked at Huo Dongwei, who was covered in spring water, and could not help crying.

Huo Dongwei was also stirred up at this time, his eyes narrowed, and he looked at Chen Fei dimly, and said softly: "Xiao Chen,

I-- " Chen Fei felt that he could not control it, and put his hands on Huo Dongwei's shoulder. Slightly exerted, she pushed her delicate body down on the soft bed.

Immediately, Chen Fei leaned down, and he was about to press down.

But at this moment, the afterglow of Chen Fei's eyes suddenly caught a flash of light.

Chen Fei suddenly became alert and immediately looked at the light. That's the direction of the bedroom window.

Huo Dongwei's room is on the upper floor, and there is air outside the window. Therefore, Chen Fei's eyes immediately looked at the building opposite.

Squinting slightly, Chen Fei's sharp eyes immediately saw a flash of black shadow in the window directly opposite.

Huo Dongwei was surprised to see Chen Fei look like, "What's wrong?"

Chen Fei pointed across the road and said, "Someone secretly

filmed ." "What!" Huo Dongwei was shocked, his face panicked, he quickly covered his body and covered himself with a quilt.

Chen Fei drew the curtain, and then said to Huo Dongwei: "Sister Dong Wei, I'll catch the guy."

Immediately, Chen Fei rushed out quickly.

Chapter 903

Chen Fei was so fast that he didn't take the elevator at all and flew downstairs directly.

When he rushed to the door entrance of the opposite building, he just saw a man with a helmet, driving on a motorcycle.

Then, a man with a camera and a hood, panickedly walked out of the corridor, ready to get on the motorcycle and leave.

"There are associates, it seems professional!" Chen Fei snorted and slammed, "Stop it for me." The

two of them were shocked when they heard Chen Fei's movements, and hurriedly launched the motorcycle, banged open stand up.

The other side's motorcycle was obviously modified and started quickly, and the speed soared up, rushing more than ten meters away.

The hooded man in the back seat suddenly relaxed and turned his head to prepare to mock Chen Fei's middle finger.

But when he turned his head to look over, he suddenly found a shocking scene.

Chen Fei ran on both legs, faster than their motorcycle. In less than five seconds, Chen Fei caught up with them.

Suddenly, the hood man was shocked, patting the helmet man's back, urging: "Quick, accelerate, accelerate. Catch up." The

helmet man almost stepped on the accelerator and the motorcycle ran up.

But the distance between Chen Fei and them is still getting closer.

In the end, Chen Fei really chased behind the motorcycle, grabbed the iron behind the motorcycle, and pulled back hard.

When the hooded man saw this, he showed a look of astonishment, and looked at Chen Fei like a fool, and said, "Is this stupid? Even pulling the motorcycle by hand, do you want to die?"

But as soon as his voice fell, a scene that made him shocked immediately happened.

After the booming motorcycle was grabbed by Chen Fei, Chen Fei was really pulled by Chen Fei. The tires rubbed against the ground, leaving a black mark, but the car couldn't move forward at all.

"Here, this--" The Hooded Man was dumbfounded. "Is this still a person holding a motorcycle with one hand?"

Just when he was very surprised, Chen Fei's arm exerted force again, even giving the motorcycle together with two people. Raised.

In an instant, the two of them sitting in the car were directly flung out, and fell on the sidewalk trees of the community, making a burst of howling.

And their motorcycles are not as lucky as they are. The car crashed directly on the stone bench in the community, banged, and shattered into countless parts, splashing everywhere.

The two of them yelled in grief and got up from the trees, just preparing to escape. There was a figure of Chen Fei in front of him. He kicked it out and kicked the two of them to the ground again. Then he said coldly: "You were filming just now?" The

two glanced at each other and immediately denied.

"What do you say candid camera, I don't know anything."

"You are intentionally hurting people, we want to call the police, arrest you."

Chen Fei stared at the two, snorted, said: "Still quibbling!"

Immediately, Chen Fei pulled the camera over the hooded man, opened it and checked it out, and soon turned out some photos of Huo Dongwei from inside. The most recent ones are scenes of Chen Fei taking Huo Dongwei's medicine in the bedroom just now.

Moreover, since the angle of the reason, the lens of the two, it is particularly close, it seems

almost making something indescribable.

It is conceivable that once they send out such photos, how much impact Huo Dongwei will have.

Suddenly, Chen Fei coldly said: "There are no sneak shots, how do you explain these photos?" The

hooded man's eyes flickered, his eyes rolled, and he quickly found a reason: "Here, these are just when I was shooting landscapes, I accidentally took pictures.

Arrived . " " Unintentionally! "Chen Fei snorted, called up some of the previous photos in the camera, and asked with a cold drink," How do you explain these photos? A week ago, five days ago, three days ago Yes

, did you take Huo Dongwei so well every day? "The hooded man was speechless for a moment, without explanation, and simply rejected it." This is my camera, what I shoot, what has to do with you. You are not allowed Move my stuff! "

"What you shoot, naturally has nothing to do with me. But you secretly shoot Huo Dongwei, infringing on the privacy of others, that is an illegal act." Chen Fei coldly said, and immediately dropped the camera on the ground.

Suddenly, the camera broke into countless pieces in an instant, and the splash was everywhere. Chen Fei picked up the memory card inside and squeezed it into a few pieces.

The hooded man felt distressed when he saw it. You must know that your own set of things, worth 50,000 or 60,000 yuan, was directly smashed by Chen Fei, and the loss could be even greater.

The hood man looked at Chen Feidao: "You broke my things, I want you to pay. My camera, the price is expensive,

you- "Pay?" Chen Fei sneered, slap his hand in the hood male face. Go on, coldly say, "I'll pay you this, do you want it?"

"You, you dare to hit me, I want to call the police, I want to catch you." Hooded man shouted loudly.

It was at this time that Huo Dongwei put on a long-sleeved jacket and hurried over. Seeing this, he could not help asking, "Xiao Chen, how is the situation?"

Chen Fei pointed at the two of them and said, "It's sure that they secretly

filmed. And, more than one day, at least for a week." "What!" Huo Dongwei was startled and stared at the two, asking, "How can you do this?" The

hooded man looked at Huo Dongwei and said, "You stars do these ugly things, why don't you expose us? We are just actions, and we expose your true face to the public."

Huo Dongwei heard, could not help but be angry, staring at the hooded man, and said: "You, how can you say that? You secretly filmed me, still said me?"

"I'm talking about the facts, your stars, all of them are superficial, but private luxury Unbearable. We are the messengers of justice, we just want to expose you." The hooded man looks for granted.

Huo Dongwei was so angry that his cheeks were flushed, and he wanted to argue with each other, but he couldn't make sense at all.

Chen Fei moved more directly. He stepped forward and slapped his face on the hood of the hood. His cheeks became red and swollen. He said in a cold voice: "A group of secretly photographed paparazzi, relying on illegally secretly photographed things, extorted exposure to make money. Set yourself up as a justice messenger? Do you really think you are counting things?"

" Say, are there any backups for those things? "Chen Fei asked coldly.

The hood man's eyes flickered, then he shook his head and said, "No, there is no backup."

His tiny movement was very inconspicuous, but it was still clearly captured by Chen Fei.

Suddenly, Chen Fei slapped again and pumped the hooded man's face with blood, "Say, where is the backup?"

Chapter 904

The hooded man's cheeks were red and swollen and blood spewed.

The companion helmet man next to him can no longer look down. He pulled his clothes and said, "You, just give them your backup. These stars and big bosses are not something we can afford!"

Chen Feiya Coldly said: "You should know my identity, now you don't hand over things, you know the consequences." So

far, but I did not expect that this hooded man was actually a diehard. His face was red and swollen, but he didn't let up. Instead, he looked at Chen Fei and Huo Dongwei and grinned: "I have been shooting for so long, of course I know your identity. You are Chen Fei, the big boss hidden by Weitian Entertainment, right? ! " "

big boss and the company's artists got together. and, you still Wei-day entertainment artists today is the most red, if something unspoken rules of this exposure out. you Wei-day entertainment will happen, I do not say, you You all understand the consequences! "This hooded man, he was so big-hearted, he didn't admit it. At the moment, he threatened Chen Fei and Huo Dongwei.

Huo Dongwei heard the words and couldn't help but be angry and anxious, defending: "Although Chen Fei is my boss, our private relationship has no connection with official business. You are completely nonsense." The

hooded man chuckled and said: " Miss Huo, these words. Even if I believe it, do you think those fans and ordinary audiences will believe it? "

" You-- "Huo Dongwei's cheeks were flushed.

The hooded man became more proud, and touched the blood at the corner of his mouth, looked at Huo Dongwei and Chen Fei, and said, "Since things are clear, then I won't be in trouble."

"You two, one is Big boss, one is a big star, all of them are very expensive. Since this is the case, I would like to use these photos to find two people for some money?" The hood man reached out.

Huo Dongwei didn't expect this guy to be so shameless, "You are extortion, is this a crime?"

The hooded man had an indifferent expression on his face and spread his hands. He said: "Miss Huo, I'm committing a crime. Then you go to the police! It's just that the police are here. I'll go in and squat for a few days. But Miss Huo's photo If exposed, the consequences would be ... "

Huo Dongwei was so angry that he could not speak.

Chen Fei faced like water, and did not speak.

Such a scene made the hooded man more proud, with an arrogant look, looked at the two, and raised his hands and raised, saying: "The two of you, both businessmen, know the priority. Take a few millions. Tens of millions of dollars to buy Miss Huo's future, this business is quite cost-effective. "

Huo Dongwei gritted his teeth and touched his mobile phone, he would call the police directly. After all, she didn't do anything indecent, and even if it was really exposed, she was also very conscientious.

After all, she is single and has nothing to do with Chen Fei. She is not afraid of gossip.

At this moment, Chen Fei reached out and stopped Huo Dongwei. "Sister Dongwei, don't be so troublesome, let me solve it."

Huo Dongwei was shocked, and then the phone was put away.

When the hooded man saw this, the smile on his face became more complacent. He looked at Chen Fei and said: "Boss Chen is still the boss after all, and his vision is long-term. With Ms. Huo as a big star, it is not tens of millions earned back. " "

Haha, Chen boss, I do not want more. come to a twenty million flower it to me!
"arrogant male hood stretched

hand Road.

Chen Fei did not move, but looked at the hood man with a smile on his mouth, and said: "Do you really know my identity?" The

hood man looked at Chen Fei, feeling a little strange, saying: "You are not Is Weitian Entertainment's major shareholder? "

"Do you think that your identity as a boss can hold me down? Boss Chen, I tell you, I am not your employee or the person in your circle. Whether you want to block me or send someone to mess with me Not afraid. "

" Unless you kill me! Otherwise, I can pull a few people at any time, get a car, get a camera, and immediately get back to old business. When the time comes, I will make some news, boss Chen's. Company, I'm afraid there will be restlessness. "

This hooded man is really an old fritter, a rogue posture, but he can't force people to do anything.

If you are an ordinary star, if you meet this kind of person, I am afraid that you will eventually pay for it.

Not enough, but unfortunately, he met Chen Fei.

After listening to what the hooded man said, Chen Fei raised his mouth, showing a smile, and shook his head: "You said you know my identity, but now it seems that you don't know anything at all?"

Chen , speaking Fei took out her mobile phone and made a phone call, "Call someone to come right away, yes, I have something to do. I am in the xx community, I will give you five minutes. By the way, let Liang Pan check the information of the two people ..."

"Uh?" The hooded man was stunned, and then looked at Chen Fei with a careless expression. "You don't want to scare me. I'm seeing more people like you. I know you are the boss, and you can spend money to hire people Come and beat me. "

" But you can beat me for a while, but you can't beat me for a lifetime. As long as I still have a breath, I will expose your affairs. "This hooded man is really a good thing for money, one. Face to Chen Feidao firmly.

Chen Fei didn't say much to him, just shook his head with a sneer, and said, "It seems that you don't know anything."

It didn't take long for a group of people to rush into the community busily and rush into the village Come, there are hundreds of people.

After they come, very respectful conspire in front of Chen Fei, greeted in unison: "He is good."

Chen Fei waved his hand, then pointed hood and helmet male man, said:. "Is their"

hood man look This battle was also shocked. But he still said sternly: "You, even if you hit me, I won't speak. I want to call the police.

I-- " Chen Fei interrupted him directly and ordered: "Next, you will give me a good look at this two people, "

Chen Fei pointed hood men, he said:".. especially this, 24 hours a day and constantly looking at, as long as he refused to leave with the electronic equipment, all seized up "

!" is "to take the lead The strong man nodded, then waved his hand, and dozens of people immediately swarmed up and surrounded the hooded man directly.

When the hooded man saw this, he didn't expect Chen Fei to come in with such a hand, but he still said sternly: "You, you are illegal. I want to call the police."

This time, waiting for Chen Fei to speak, he took the lead and said coldly: "Alarm? Just go. I have thousands of brothers under Black Tiger. I send two to follow you every day. When I was caught by the note, I would change two more. I have so many brothers, and I have n't persisted for three or five years. It's a problem. "

" You, you-- "The Hooded Man didn't expect Chen Fei to come here for a while. For a time, he was stupid.

Chapter 905

However, he still held a suspicion in his heart. The so-called thousands of brothers of the Black Tiger may be bragging. Moreover, Chen Fei spends so much money on so many people, it is unlikely that he will really stay alone for him for a few years, which is too wasteful.

Thinking of this, a look of excitement appeared in the hood man's eyes again, his expression somewhat firm.

But at this time, Chen Fei's mobile phone rang, and Liang Pan called. "Mr. Chen, the two people you asked me to check, I have found it. For detailed information, I sent it to your phone."

"Okay It's hard work. "Chen Fei said thanks, then hung up the phone and opened the message from Liang Pan.

Suddenly, a detailed piece of information was listed, and the names, ages, and marriage status of the two people's home address, and even the address of the hometown, were all dug up.

I have to say that when Chen Fei rescued Liang Pan, an otaku programmer, his first-hand network skills were comparable to hackers.

Looking at the information roughly, Chen Fei immediately showed the information and ordered: "According to the address above, find his family. The same is monitored every day."

The hooded man who did n't pay attention to it, saw those The information suddenly changed. Because the information listed above is very accurate, including his home address, his daughter's school, and his wife's work unit.

If your family is really being watched by these gangsters every day, the family can't stand it.

For a time, the hooded man seemed a little flustered, "You, you can't do this? This is personal privacy, you are illegal."

Chen Fei sneered and said, "Do you now learn to say personal privacy? Why did n't you say personal privacy when you secretly filmed the star? "

"Since you use other people's privacy to make money, don't blame me for taking your personal privacy. Surveillance is just the beginning. If you don't speak, I don't mind letting them go further." Chen Fei said coldly.

The hooded man was really scared when he heard the words. He is not afraid of himself, but his family is not afraid. Looking at the fierce black tigers, he dare not gamble with the safety of his family.

At this moment, he, who was very determined, lowered his head and lowered his head. He said, "I said, I will give you the backup you want. Please, let my family go."

"What?" Chen Fei coldly said Asked.

Hood man said: "It exists in the computer at home."

"Black Tiger, you go back with him and destroy things." Chen Fei ordered.

"Yes!" The black tiger nodded, and followed the hooded man steadily.

At this moment, the hood man, without any extra words, was dejected and left by the Black Tigers and their group.

Squeezed into the black tiger's van, the hooded man drove towards the house.

Sitting in the car, the black tiger looked at the hooded man with disdain and sneered: "Mr. Chen is really not afraid of trouble. For such a small role, he has spent so much effort. As I said, the direct slaughter is what No trouble, one hundred. "

Wen Yan, the hooded man could not help but tremble, but there was still some suspicious look in his eyes, he didn't seem to believe the Black Tiger's words, thinking he was just scaring himself.

Heihu noticed the look of the hooded man and said in a cold voice: "Why don't you believe me? I don't you know who Mr. Chen is?"

"Mr. Chen, he, he is not Weitian Entertainment The boss?"

"The hooded man wondered.

Black Tiger heard the words, and immediately smiled, looking at the hooded man, shaking his head and said: "You really don't know anything. Otherwise, if you dare to talk to Mr. Chen that way, that is to find your own way."

"Could it be that he is there any other identity failure?" The Hooded Man puzzled.

Speaking of Chen Fei's identity, Black Tiger's expression could not help being serious, and his tone was low. He said: "Mr. Chen's other identities, that's too much. I just say one, it's all your hair. I can't afford to exist. "

" No, it's impossible. He is a boss, he has the most money, how could he- "Hood man said.

Black Tiger said coldly: "A boss? You are an idiot. I really don't know how you live like this."

"I tell you, Mr. Chen's full name is Chen Fei, except for the boss of Weitian Entertainment In addition, he is the deputy general manager of the Autumn Group. "As

soon as this remark came out, the hood man couldn't help but be surprised. The scale of the autumn group is much stronger than Weitian Entertainment. The current Autumn Group is definitely the first enterprise in the provincial capital, with a value of nearly tens of billions.

However, while the Hooded Man was still shocked, Black Tiger continued: "Mr. Chen is also the owner of Chengyao, who is known as Chen Shenyi."

"What, Chengyao. What, the one that made Mahuang Oral Liquid The pharmacy?" The hooded man was startled again, and his complexion gradually fell.

"It seems that you don't know anything yet! Mahuang oral liquid was invented by Mr. Chen." Black Tiger said coldly, "In addition, Mr. Chen has a more resounding title, that is- Master Chen! "

" Master Chen, what is Master Chen? "For this title, the hooded man felt a little strange.

Black Tiger said coldly: "Master Chen, naturally, is Master Chen above martial arts."

"Budo, Master Chen. Here, this--" Mentioning these words, the hooded man was shocked and his face changed dramatically. "Could it be that he defeated Sun Fengqin and Sun Lao, and won the five provincial martial arts championship, Master Chen

, who is the No. 1 martial artist in Longjiang City? " " Besides that, who else dares to call Master Chen? "Black Tiger said coldly.

It was confirmed that the hood man was really dumbfounded, his eyes were dull, and his mouth murmured, "This, how is

this-- " Black Tiger Road: "Now, you know Master Chen's identity. You should know, just You, how lucky are you? "

" In the face of the king of the Xuan-level peak realm, Master Chen always said that killing kills. Your little character like ants, dare to talk to Master Chen so much, I think you "It's tired of living."

Wen Yan said, a cold rushed from the vertebrae of the hooded male tail, and rushed up the forehead along the spine. The back of the heart was cold, and the whole person felt a boundless fear and fear.

He didn't know how terrifying the person he faced was.

The hooded man was frightened and silly at the thought of his deadly behaviors and words just now, unable to move.

"Now I'm scared? Then according to Mr. Chen's request, do whatever you want." Black Tiger said coldly.

Hood men at the moment which dare to go against the attitude a little, nodded and said: "Yes, I will do according to Mr. Chen's orders I went back and immediately all the backups are destroyed..." "I,

I I won't do it again in the future. No, I, want to move, and I will leave Longjiang City immediately. It will never appear in front of Mr. Chen! " .

After solving the matter of the candid photographer, Chen Fei and Huo Dongwei returned to the room together.

Half an hour later, Black Tiger called and told Chen Fei that the matter had been resolved.

Chen Fei told Huo Dongwei the good news soon. Huo Dongwei was relieved immediately, then thanked Chen Fei.

After chatting a few words, the two glanced at each other, and immediately remembered the matter of taking medicine in the bedroom just now. Suddenly, the two lowered their heads together, their cheeks warm.

For a time, their hearts almost simultaneously to emerge out of an idea, "if there was no trouble candid person, two people at the time that case, would not have been -"

The thought of this, could not help but Huodong Wei Qiao Lian crimson, secretly look up Look at Chen Fei. As a result, she turned her eyes and saw Chen Fei's fiery eyes looking at herself.

In an instant, Huo Dongwei's cheeks were hot, and he quickly lowered his head, silently grabbing the corner of the clothes, momentarily speechless.

Chen Fei also felt that the atmosphere between the two seemed a bit subtle. The air around it also seemed to get a little hot. Breathing involuntarily became a bit hot.

"Sister Dongwei, I--" Chen Fei felt a little dry, and he couldn't help but leaned in to Huo Dongwei and said.

Huo Dongwei felt Chen Fei's approach, his heart thumped violently, grabbed the fingers of the clothes corner, and now they were stirred together, and his cheeks were almost flushed with water.

"Hoo!" The

two cheeks were close, and they could already feel the breathing breath of the other person's thin spray.

For a time, a different kind of emotion surged between the two, so that the eyes of the two gradually dimmed, and the body gradually moved closer.

However, just as they were about to contact, there was a sound of footsteps at the door. Then, the door opened directly into the footsteps entered the room, "Dong Wei, I heard you were in distress, okay, I see you coming I bought you most like to eat -."

Discourse A woman with a round face came in, not someone else, but Xie Xiaoyan, Huo Dongwei's best friend.

Xie Xiaoyan carried a large package of snacks and ingredients and walked in with a smile, but when he saw the two people on the sofa in the living room, they almost hugged together, and they suddenly froze.

Then, Xie Xiaoyan immediately turned his head, turned and walked out, and said at the same time: "You continue, I didn't see anything, just when I didn't come, you continue." It's better

not to say this . The atmosphere that Chen Fei and Huo Dongwei had just surged was completely destroyed.

Suddenly, Huo Dongwei flashed over and quickly got up, shouting Xie Xiaoyan, and said: "Xiaoyan, you come back."

Chen Fei was also full of black lines, only to cough, and then shouted, "Sister Xiaoyan, what a coincidence. , You also come to see

Dongwei sister? " " Uh, ah! "Xie Xiaoyan nodded and handed the hand to Huo Dongwei.

Huo Dongwei took things and brought them to the kitchen.

Xie Xiaoyan suddenly squinting his eyes, to see Chen Fei, a ghost looking over smile, said:. "Chen, this time I really did not mean a bad thing either of you, I'll leave, you will continue!"

One said this Then, Chen Fei couldn't help but think of when he first came to Huo Dongwei's house.

At that time, I came to treat Huo Dongwei's bruises on his legs. As a result, Xie Xiaoyan rushed in when he was applying medicine to Huo Dongwei, and they misunderstood

them at the time .

This time, I didn't expect a similar thing to happen again, so I had to make Chen Fei feel a little cry.

"Sister Xiaoyan, I, I came to see Dongwei this time, nothing else." Chen Feigan coughed and explained.

Xie Xiaoyan didn't believe it, "Really?"

"Cough, of course it is true." Chen Fei scratched his head, feeling a little restless.

At this time, Huo Dongwei also put down things and came out of the kitchen.

Seeing the expressions of the two, Huo Dongwei couldn't help but feel a little strange, and asked, "What are you talking about, do you feel a little weird?"

Xie Xiaoyan called haha and said, "Nothing. I'm chatting with Xiao Chen and waiting to eat at noon. What. Otherwise, let us three go to the restaurant, which can be regarded as a

shock to Dongwei. " " This-- "Huo Dongwei hesitated. After all, she is a celebrity. If you go out and be recognized by someone, I'm afraid it will be a little trouble. Coupled with the candid photos just now, Huo Dongwei was even more worried.

Chen Fei noticed Huo Dongwei's hesitation, and thought of something, saying, "I know that there is a shop with delicious food, and the owner has a good relationship with me. I booked a private room. We will not let others discover it in the past. "

Huo Dongwei hasn't answered yet, Xie Xiaoyan immediately clapped and got excited." Xiao Chen is the big boss, he knows the place, it's definitely good. Dong Wei, let's go. I'm this time, but with your light, follow Boss Chen will open his eyes together. "

Chen Fei laughed:" Sister Xiaoyan, don't make fun of me. If you want to eat, I will tell the owner and let you eat enough in the future. "

" This is what you said, I can remember it. "Xie Xiaoyan said.

Seeing this, Huo Dongwei immediately smiled and nodded, saying: "Well, that's trouble Xiao Chen."

"It's okay!" Chen Fei waved his hand with a smile.

Immediately, Huo Dongwei returned to the room to change clothes.

Chen Fei called Brother Liu, "Brother Liu, this is Chen Fei. Is there a free private room in the Sanjiang store in Longjiang? I want to bring two friends over to try it. Is it convenient for you?"

When Brother Liu heard the words, he immediately smiled and said: "Convenient, of course. Mr. Chen, you are the majority shareholder of our shop. If you come to dinner, there must be a place. Even if there is no place, we will close the shop and welcome Mr. Chen alone. You and your friends will do too! "

Chen Fei laughed:" Brother Liu, you laughed, just as I was an ordinary guest, no need to be so troublesome. Leave me a private room, two friends and I will have a casual meal. "

" Okay , Room No. 1, I will keep it for you. "Brother Liu smiled.

"Well, thank you, Brother Liu, then I hung up and passed in a while." Chen Feidao immediately hung up the phone.

At this time, Huo Dongwei also changed clothes and came out. At this moment, she deliberately changed a large coat, and also brought a wide brim hat, plus a pair of sunglasses, almost all of her face was blocked.

Immediately, the three went downstairs and went out together.

Chen Fei drove, carrying Huo Dongwei and Xie Xiaoyan towards the storefront of Longjiang Sanxian.

Before long, the three came to the door of the shop.

A look at the signs, Xie Xiaoyan suddenly eyes shine, his face surprise, clapped and said: "Chen, you said the shop is Sam Sun Longjiang ah"

"Yes

Chapter 908

However, the various labels and discussions on this section of Feixuan are almost all the words such as "sighted boy", "warm man" and "gentle". In his usual interviews and exposures, almost all of them are smiling and tender.

The image on the Internet and his arrogant image at the moment are completely different.

Thinking of this, Chen Fei could not help but frowned, his expression unhappy.

The woman with heavy makeup on the opposite side became more proud when she saw Chen Fei discussing Duan Feixuan. He looked up and snorted, saying: "Now, know who we are! Mr. Duan, a star, I want you to make room That's a blessing you have cultivated in your eight lifetimes, hurry up. "

Chen Fei heard, sneered, and said:" Oh, how is he Duan Feixuan! Just a star, let alone not a big star. Even if the real emperor superstar comes Now, I decided this private room. I said not to let it go. "

" You—you turned out-- "The woman with heavy makeup was furious and almost scolded at Chen Fei's nose.

At this time, under the leadership of the staff, Brother Liu hurried in. "What's going on? What happened." The

woman with heavy makeup saw Brother Liu coming, and looked at him with arrogance, then looked at him, and then out Voice: "Are you the boss here?"

"I am." Brother Liu nodded.

Makeup woman face arrogance and said: "This is Mr. Duan Fei Xuan segment, we want to come to your store to eat we need inter-One package, you will immediately position vacated.."

Then, of course, the appearance of a woman with heavy makeup, He directly waved and ordered Brother Liu, "Come on, our time is limited."

Brother Liu was stunned, and then his face sank, his expression cold, and said: "Sorry, there is already someone in this room. You need a room, you can Go to other private rooms. "

"What are you talking about?" The woman with heavy makeup stared at Brother Liu, and said, "You have to think about it, this is Duan Feixuan, a big star. Our Mr. Duan has a meal in your broken shop, If you expose it, how much benefit will it bring to your store, do you know? "

After that, Feixuan also had a dissatisfied tone and said:" I heard on the Internet that your store has a good reputation and I wanted to come. Try it. Otherwise, I will never come to a shop of your kind. "

Brother Liu was almost smirking, and his face was cold, and he waved:" If Mr. Duan does not want to come, then please Go out. There is no shortage of customers in our shop! "

" You, you actually-- "The thick makeup woman looked at Brother Liu, an incredible look, shouted angrily," Are you stupid? We are stars, who are they, Three ordinary grassmen only. Did you make mistakes for you and forbid us to use this private room? Did you make a mistake? "

Seeing the other party insulting Chen Fei, Brother Liu immediately became angry and stepped forward directly, struggling fiercely. Staring at the woman with heavy makeup, said : "Whether you are a star or an ordinary person, in my eyes, it's just a guest."

"Moreover, even if it is true, Mr. Chen's status is much more important than you!" Brother Liu directly waved to catch people, "Our shop does not welcome you, please go out!"

"You, what are you talking about!" This time, not only the woman with heavy makeup, but even that section of Feixuan was angry.

He straightened

then Zhaixiamojing, look to Liu brother, cold channel: "You know, you just say, you offend me?"

"As long as I made a micro-Bo, you store, will be ruined. Now, do you dare to chase me away?" Duan Feixuan threatened.

Brother Liu sneered disdainfully, and then waved, and suddenly several security guards came over.

Brother Liu said coldly, "Do you want us to do it or go out by yourself?"

"Okay, okay, okay. I remember you, you--" Duan Feixuan was furious and ordered directly to the two burly bodyguards, "Today, I still have to take up this private room. Give me a hand and throw them out. "

Suddenly, two bodyguards came over and had to start.

Big Brother Liu was furious and shouted directly: "Dare you!" The security guard suddenly came over and confronted Duan Feixuan's bodyguard.

Upon seeing this, Duan Feixuan looked dull and coldly said: "Do you really want to fight with me for a few ordinary people?"

Brother Liu said coldly: "You are nothing in my eyes. This Mr. Chen , Is the big shareholder of our store, the real big boss. This Miss Huo is a star of the front line. You are nothing, dare to play arrogantly here. "

"What, they--" Duan Feixuan and the woman with heavy makeup are all stunned , Looked at the three of Chen Fei.

Especially when they saw the face under Huo Dongwei's wide-brimmed hat, they couldn't help but be surprised, a strange color appeared on their faces.

"Huo, Huo Dongwei, this--"

"How could-- " The

two were a little surprised for a while, and their faces looked ugly.

After all, this section of Feixuan has been hot recently, but if we really talk about it, it is at most a second-tier star.

Huo Dongwei, however, has been a veteran of ups and downs in the entertainment industry for almost ten years. In the past year, the momentum has been fierce, and it has once again risen to the position of the first-line actress. It is definitely the first level of existence in the circle.

In front of Huo Dongwei, his Duan Feixuan is just a younger generation.

However, after a while of discoloration, the woman with heavy makeup whispered something in Duan Feixuan's ear.

The voice is not loud, but Chen Fei still hears clearly, "Fei Xuan, although Huo Dongwei is a first-line actress. But he has nothing to do with you, and your brokerage company is Xiangjiang's company, which is nothing like their mainland brokerage company. Gu Ge. You do n't have to be afraid of her, you do n't have to buy her account. "

" Anyway, she 's almost thirty now, and it 's good to be up to two or three years old. But you 're still young, just twenty-three years old. The future is unlimited. We do n't need to be afraid of her at all. "

Duan Feixuan heard the expression, calmly snorted, and said aloud:" I am from Xiangjiang and I am not familiar with the so-called stars in the Mainland. I do n't know what Miss Huo is. "

" Whether she is a real star, or a third-rate pheasant celebrity, that may be. After all, I am in Xiangjiang, but I heard a lot of news from the mainland. Whatever those online pheasant celebrities can say when a star. simply ridiculous, huh! " "

you're bold! "hearing this guy actually insulting Huodong Wei, Xie Xiaoyan suddenly could not resist, direct flight segment Xuan pointed nose up satire," What are you, A fire just a little small star only, what makes you qualified to say Dong Wei. Immediately apologize! "

Chen Fei also harshly shouted," Now, Dong Wei sister to apologize! "

Chapter 909

Duan Feixuan said proudly, "Why, can I just talk about my own views? Are you mainlanders so rude?" The

woman with strong makeup also said, "Mr. Duan, this kind of broken little Shop, I do n't think it 's necessary to try it. Maybe it 's made with gutter oil. Then, what 's wrong with eating, then it 's troublesome. Let 's go! "

Duan Feixuan nodded and prepared to leave.

Xie Xiaoyan and Huo Dongwei were so angry that their cheeks were flushed, staring fiercely at Duan Feixuan and his party.

At this time, Chen Fei snorted coldly and said sharply, "I said I asked you to apologize, haven't you heard?" During the

speech, Chen Fei waved his hand, and several restaurant security guards blocked Duan Feixuan's way.

When the woman with heavy makeup saw this, she immediately shouted: "What are you trying to do? Mr. Duan is a star. If you dare to do it, we will definitely make you unable to eat and walk around."

Duan Feixuan arms around his chest, with a face on his face With great pride in self-confidence, he waved the two bodyguards over and then looked at Chen Fei coldly, "Dare you move me to try, don't say you are just the owner of a small restaurant, even if you are a big boss, I will definitely let you know how powerful I am. "

" Push me away, I'm leaving. "Duan Feixuan ordered, the face bouncer rushed to the security guard of the restaurant, and he wanted to push them away.

Duan Feixuan 's bodyguards are, after all, professionals hired at high prices, and the security guards of Longjiang Sanxian Restaurant are just ordinary people. So, in the face of two burly bodyguards, they fell into the leeward, and some could not resist.

However, at this moment, Chen Fei froze his eyes and shouted: "No apology, then don't want to go!" During the

speech, Chen Fei quickly rushed to Duan Feixuan, blocking his way.

Duan Feixuan frowned, waved his hand unpleasantly, and said angrily: "Fight me." In a

moment, the two bodyguards turned to Chen Fei, raised their fists, and smashed them against Chen Fei.

Chen Leng looked straight, slammed directly, and then his hands came out together, punching on the two bodyguards with one punch. Two extremely burly bodyguards fell to the ground in an instant and lost their fighting power.

This time, Duan Feixuan and the woman with heavy makeup were a little surprised.

They looked at Chen Fei approaching step by step. His face was a little ugly, and there was some trembling in his voice. "You, what do you want to do?"

"I tell you, I am a star, a Xiangjiang. You dare to move me , Then you definitely have no good ending. "Duan Feixuan threatened.

Chen Fei approached again, almost to be posted together with Duan Feixuan, glared, and said sharply: "I said, let you apologize, understand?"

"I--" Duan Feixuan was very angry and wanted to refute.

But at this time, he saw Chen Fei's clenched fists and glanced at the two bodyguards lying on the ground. He suddenly shrunk his neck and dared not resist. He could only whisper: "I, I apologize. "

Chen Fei a finger Huodong Wei, said:." apologize to the winter Wei sister " "

you - "Duan Xuan fly bite against, but eventually came to Huodong Wei, bowed, apologized," I'm sorry, Miss Hall, I was wrong . I should

n't speak badly , please forgive me! " Huo Dongwei did n't say much, just waved her hands in disgust.

Then, Chen

Fei Li He heard, pointing to the door, the channel: "Get out of our shop you are not welcome.."

Duan Feixuan's eyes were sharp, he resisted the anger in his heart, and with the heavy makeup woman, rolled out of the store gray.

Resolved the matter of Duan Feixuan, Chen Fei took Huo Dongwei and Xie Xiaoyan back to the private room, and it didn't take long for Longjiang Sanxian, who Liu Liu personally made, to be brought up.

Huo Dongwei and Xie Xiaoyan took a sip, and immediately shouted deliciously, then chewed up without any fear of the image of the lady.

Currently, the two are enjoying themselves, and they finally dissipated the negative emotions brought by Duan Feixuan.

Immediately, Chen Fei sent Huo Dongwei and Xie Xiaoyan back.

In the car, the three people chatted, Huo Dongwei looked at the phone, and suddenly angrily said: "It's too much, this guy, too shameless."

"What's wrong?" Chen Fei and Huo Dongwei asked together.

Xie Xiaoyan turned the phone screen and said, "Look, that section of Feixuan just sent a message on Weibo. The accused of the Taoist name named Longjiang Sanxian store said that the things in the store were not tasty, the staff were rude, and Hands on him. He wants to call on his fans and friends in the circle to resist condemning Longjiang Sanxian. "

Wen Yan, Chen Fei frowned.

At this time, Xie Xiaoyan brushed a lot of Weibo again, and his tone became more and more angry, saying: "This brainstorm of Feixuan has now started to curse people under the Weibo of Longjiang Sanxian. Even a variety of group purchases online, A lot of bad reviews were posted at once. "

" There are also some stars who also helped Duan Feixuan forward this Weibo. They also returned to the business administration and police department departments, saying that they must strictly investigate the store. Now, things are in trouble. "It's a little bigger."

Huo Dongwei listened more and more, and took out his mobile phone. He said, "I'll go online to explain the situation, so that everyone will not be deceived by him and affect the reputation of Longjiang Sanxian."

Chen Fei heard the words, but stopped: "Sister Dongwei, no need. I will solve this matter."

"But, if this continues, the impact on the store's reputation is too bad. I am worried—" Huo Dongwei was anxious.

Chen Fei shook his head and said, "Longjiang Sanxian itself is built on word of mouth, and it has long been in short supply. These malicious bad reviews on the Internet cannot affect the business of Longjiang Sanxian."

"Moreover, Sister Dongwei Explaining the situation directly on the Internet will only arouse the scolding of fans from both sides, it will not solve the actual problem, and it will drag you down. I let Longjiang Sanxian's official Weibo explain it. "Chen Feidao.

"However, regardless of this, is it really okay?" Huo Dongwei was still worried.

Chen Fei snorted and said: "Of course it doesn't matter. This Feixuan really thinks he has a fan and can do whatever he wants. In front of real capital, he is just a cargo."

"Xiao Chen, what do you mean Yes—" Huo Dongwei and Xie Xiaoyan said.

Chen Fei cold channel: "Xiaoyan Jie Dong Wei sister you can not forget my identity, which is in the city of Longjiang deal with him a new star, that is, moving hands and do nothing..."

Then, Chen Fei Immediately, I made a call and contacted Huang Wei Huang Fatty, "Huang Fatty, help me check a person, a star, Xiangjiang, called Duan Feixuan. Recently in our Longjiang City, you look, what he is doing! "

Okay, Brother Fei. I know this Feixuan. I will send someone to check it immediately." Fatty Huang said, and then hung up the phone.

Chapter 910

After sending Huo Dongwei and Xie Xiaoyan home, Chen Fei immediately received a call from Fatty Huang, "Feige, that piece of Feixuan's information was found."

"Say!" Chen Feidao.

Huang Weidao said: "This time Feixuan played a campus youth online drama recently, which is considered a hit. Two days ago, many companies in Longjiang City invited him to come. Among them, there were five or six ribbon cutting propaganda. There are also three or four endorsers whose prices have reached the level of millions. "

" And the most important thing is that a daily necessity company, Meijie, asked him to come to discuss the endorsement. I heard that a two-year high price of 20 million was made. "

They should have reached a general intention of cooperation. The real contract should be formally signed tomorrow morning, and then a small press conference will be held."

Hearing this, Chen Fei slightly groaned, and then said: "You .. to prepare, and that few talk about, say we Longjiang City businesses are not allowed to fly Xuan and this cooperation if they ask, I mean to say is, "

Michael immediately nodded and said: " it was the dragon Jiang Shi blocked that section of Feixuan, I understand. "

" Well, well, tomorrow's press conference, you check the address, I'll pass by tomorrow. "Chen Feidao.

"Okay, I will send you the address immediately." Huang Wei said.

The next day, at the door of Meijiang Company in Longjiang City, a venue for the press conference was set up.

More than two hours before the press conference, nearly 1,000 fans have gathered at the door of the company, holding posters and number plates one by one, shouting the name of Duan Feixuan at the door.

Many of them are young girls. In the cold weather, their cheeks are red, but their eyes are full of fanatic light.

Chen Fei came to the conference site in casual clothes, looking at these fanatical little girls, could not help feeling a sorrow for them. They like stars, Chen Fei thinks nothing. But he fell in love with Duan Feixuan, a star with bad conduct, and that was tragedy.

At ten o'clock in the morning, a row of luxurious Mercedes-Benz cars drove over, and it was in good shape. I ignited the fans at the scene and waved the poster in my hand and shouted loudly.

"Duan Feixuan, Duan Feixuan."

"Duan Feixuan, I love you."

"Fei Xuan is the best, we will always support you."

..... In the

warm cheers, Duan Feixuan sat in the middle car, without any response, went straight in. Inside the company.

Within the company, under the protection of bodyguards, Duan Feixuan and the woman agent with heavy makeup got out of the car.

The woman with heavy makeup directly waved to the staff greeted by Meijie, and said: "Tell your boss that Mr. Duan has limited time, and can only stay here for half an hour." The

staff member frowned, suddenly frowning. Some displeased: "I didn't say it before, I have to stay here for an hour. Before the formal signing, there is a short interview and a small game time to interact with the fans. If half an hour, the time is definitely not enough!" The

woman with heavy makeup doesn't care:" Mr. Duan is very busy, and there are still things behind. Anyway, there is only half an hour. If there is not enough time, then you can handle it yourself. If it is not possible, just cut a few links. You do n't need anything like that, it 's a waste of time. "The

staff also wanted to argue, but at this time, Duan Feixuan looked at his watch and said directly:" Since the moment I got off the car, it 's time. Now, only twenty-eight minutes, and you most

good seize the moment. "

The personnel of Meijie Company suddenly glared, and their hearts were almost exploded, but they had to run back quickly to report the incident to the company boss.

Soon, the company's Zhu boss came, and his face was a little ugly, and he said to Duan Feixuan unpleasantly: "Mr. Duan, this is not the case we have booked before. Now, if you only come for half an hour, we have already booked The process couldn't be completed at all. "

Duan Feixuan frowned:" The hour I said was just a verbal agreement. And, I also said that my time is precious and can change at any time. "

" How do you-- "I wish the boss a little angry Too.

The woman agent with heavy makeup was proud, and said: "I wish the boss, anyway, just a signing ceremony. If you sign a word, half an hour is more than enough. Cutting off some unnecessary links, time is enough."

Duan Feixuan also Speaking: "I wish the boss, time is precious, let's start."

Zhu boss is very angry, but the company has prepared a lot for the endorsement of this time, if you give up at this moment, I am afraid that the loss will not be small.

So, the boss can only grit his teeth

and say, " Let's go." Then, he ordered from his opponent: "The command, the interview and interactive links are compressed, and the actions are quicker." The

group quickly Come to the arranged site.

Due to time constraints, the host quickly announced the theme of the event, and then immediately entered the topic. Started the interview session.

The so-called interview is to ask some daily questions of Duan Feixuan, and then pull on the products of Meijie Company, which has a publicity effect.

However, Duan Feixuan had no interest at all. When faced with the host's questions, he used words like "yes", "no", "fortunately" and "secret" to attend the banquet.

As a result, the interview session ended so awkwardly and quickly.

Next, there is the mini-game and interaction. In this link, several small games were originally arranged, and several fans were selected to interact with Duan Feixuan.

Therefore, for fans, this link is the climax they most expect.

Before the game started, the fans shouted insanely, and the sound was very enthusiastic.

But immediately, the host announced that the interactive part of the mini game was changed to a signature part for some reason. Let Duan Feixuan select several fans and sign them.

For the fans, such a change suddenly shocked them. However, after being disappointed, in order to compete for the signature of Duan Feixuan, they were still crowded crazy.

"Duan Feixuan, I love you, choose me."

"Feixuan, I am your old fan, choose me!"

"Choose me, choose me!"

..... in

a warm cheer.

Duan Feixuan, surrounded by bodyguards, began to sign fans.

After signlessly signing less than ten names, Duan Feixuan turned to prepare to return to the stage.

The fans behind him suddenly stopped, rushing up crowded.

Among them, a fifteen-six-year-old thin girl, holding a picture book in both hands, struggled to be crowded in the crowd, and finally squeezed to the front, opened the picture book and shouted: "Duan Feixuan, I am your Fans. There are thirty pictures in this picture book, all drawn by myself. I want to give this to you, I hope you like it. "
