

A Man Like None Other

Novel Chapter 11 – 15

Chapter 11

David looked at the woman with heavy makeup and a look of disgust on his face!

This woman's name is Jiang Wenjing, and she is also a classmate of David. She once chased after David in school. At that time, David's father had a formal job and was considered an iron job, so many people pursued David!

It's just that David didn't like this Jiang Wenjing. Being with Delia, he felt that Delia was better than Jiang Wenjing, a woman who loves vanity!

But now it seems that the two women are the same thing, and David is wrong!

"David, why didn't you talk when you met your old classmate? Are you dumb? You were very handsome when you were in the school, and you were the president of the student council. If you let the school principal and teachers know, you are excellent in both quality and study in their eyes. The president of the student union who became a labor prisoner after graduation, do you think they would think so?"

The youth beside Jiang Wenjing also spoke up.

The young man's name is Fu Wei, and David used to be roommates. The two of them are still buddies, but Fu Wei also has a crush on Delia. Later, after seeing David and Delia together, he holds a grudge against David and does not much. The matter of destroying David and Delia was just unsuccessful!

The relationship between David and him was immediately cut off. After graduating from college, they never contacted him again!

Now that Jiang Wenjing and Fu Wei are here at the same time, they should have been invited by Delia, otherwise these two people are not eligible to participate.

David just glanced at the two people, then lowered his head and drank tea silently, he was too lazy to care about these two people!

Seeing David lowered his head, Fu Wei and Jiang Wenjing were even more proud, they felt that David was afraid of them!

"David, just got out of prison, have you found a job yet? Would you like me to introduce you to a job of cleaning the toilet? Although it's a bit dirty and tiring, you can still have enough to eat. Now your dad has lost his job. You're trying to count on him, I'm afraid you can't count on it!"

Fu Wei had a smug smile on his face, not to mention how happy he was to be able to step on David under his feet.

When he was in school, if David's father hadn't had a formal job, how could he have been compared by David.

"Fu Wei, don't talk nonsense, the president of the Tangtang Student Union, how can you go to the toilet? Anyway, find a cleaner job, I'll go sweep the road?"

Jiang Wenjing covered her mouth and giggled.

"Hahaha..."

Fu Wei and Jiang Wenjing's mockery of David made the bald head and many other guests laugh.

At this time, David slowly raised his head: "If you two don't want to die, then leave here quickly!"

David's expression was indifferent, his tone was flat, and there was no trace of anger, but when Fu Wei and Jiang Wenjing heard these words, both of them shivered!

Especially that Jiang Wenjing, the whole person is like falling into an ice cave, his whole body is cold, and he doesn't even dare to look directly at David!

The words that were originally prepared to be sarcastic, suddenly can't be said at this time!

After a while, Fu Wei seemed to have been greatly insulted, and yelled at David with a grim face: "You are a labor prisoner, what are you dragging? Your girlfriend is married to someone else, and you are not even a f.art. Don't dare to let it go, what big words are you telling us?"

"That's right, knowing that the Xiao family is rich and powerful, you dare not provoke it, so you want to vent your anger at the two of us? We are not easy to provoke!"

Jiang Wenjing also calmed down at this time, pointing at David and scolding!

"Do not make me angry..."

After David finished speaking, he lowered his head again!

"Damn, I'll mess with you. How dare you? This is Young Master Xiao's wedding..."

Fu Wei cursed angrily, stepped forward and carried David by the collar, and directly lifted David up.

The reason why they targeted David like this was entirely because they wanted to please that Jordan. As long as they please Jordan, their work will be able to go smoothly in the future.

Fu Wei carried David, lifted David up at once, and was about to move towards David, but saw David slap him!

Snapped!

With a slap that was enough to startle the entire banquet hall, Fu Wei flew out and slammed heavily on a table!

wow...

The table became smashed, the dishes, bowls and tea sets all fell to the ground and were smashed to pieces!

All the guests turned their attention to this place, but Jordan and Delia on the wedding stage, no one was paying attention.

Even Jordan and Delia couldn't help but look in the direction of the sound!

"Damn, you are courting death..."

When the bald head saw David's action, he instantly became excited and shouted: "Give it all to me, kill this kid..."

The bald head can now justifiably avenge his personal revenge. He knows that David has some skills, so he can't go up, and directly let more than ten men behind him swarm up!

"Boy, dare to make a scene at Young Master Xiao's wedding, you are courting death..."

More than a dozen thugs with sticks greeted David.

When many guests saw this scene, they couldn't help shaking their heads. They knew that David would not survive!

Chapter 12

"Kill him, kill him..."

Fu Wei, who was sent flying by David's slap, covered his face and stood up, yelling fiercely!

On the wedding stage, Jordan raised the corner of his mouth, revealing a cruel smile!

Everyone was watching David's jokes, no one pitied him, and no one would save him!

Facing the siege of more than a dozen people, David sneered and suddenly took a step forward!

boom...

David took this step, like an earthquake, the entire hall seemed to shake.

And the dozen or so thugs let out a scream in an instant, and then all flew out backwards, smashing the surrounding tables and chairs, and the scene was a mess!

This time, all the guests were stunned!

The bald head looked at the fallen subordinate, and a chill came up from the soles of his feet instantly!

At this moment, on the side of the wedding stage, a well-dressed middle-aged man frowned tightly together.

This person is Xiao Yan, the head of the Xiao family, and Jordan's father. When his son gets married, of course he must be present!

Just now, when David knocked back the dozen or so thugs, Xiao Yan saw them all.

He is a martial artist himself, and he can see that David's strength is not simple.

When Jordan on the wedding stage saw this, he frowned: "Damn, it's all fcuking waste..."

Roaring angrily, Jordan rushed down with a vigorous step.

"husband..."

Delia also ran along with him.

"Lei'er, don't act rashly..."

At this time, on the side of the wedding stage, Xiao Yan, who had been sitting still, rushed over, he was afraid that his son would suffer!

"What's going on, what's going on..."

A dozen hotel security guards rushed in with rubber sticks.

The Regal Hotel has been open for five or six years, and I have never seen anyone who dares to make trouble here. You must know that this Regal Hotel is the property of the Su family, the richest man in Horendel.

What's more, this time the eldest young master of the Xiao family is holding the wedding. The strength of the Xiao family is not much worse than that of the Su family. At this juncture, who would dare to come here to make trouble? Isn't that the longevity star who eats arsenic – is it too long?

...

In the private room on the third floor, Ruben frowned when he heard the crackling sound below.

The manager of the hotel came over in a cold sweat!

"What's going on down there?"

Ruben asked with some displeasure.

"Mr. Su, someone made trouble at the Xiao family's wedding banquet, beat people, and smashed things..."

The hotel manager hurriedly explained.

"Anyone dare to make trouble here?"

Ruben's face was angry: "What are you doing to eat, you are a waste, hurry up and send the security over there, don't affect the reputation of our hotel!"

"It's been dispatched!" said the manager.

"Then why don't you go and deal with it, waiting for people to get angry?"

Ruben roared, scaring the manager to run away.

"Dad, you're not in good health, don't be angry, I'll go down and see!"

Sonya comforted Ruben and walked out of the private room!

Sonya is now handling many things in the Su family. After all, Ruben is only her daughter. Now that Ruben is not in good health, all the burdens are placed on Sonya's shoulders!

...

Marriage Hall on the second floor!

More than a dozen security guards surrounded David, the hotel manager hurried over, nodded and bowed in front of Xiao Yan: "Mr. Xiao, I'm really sorry, I didn't expect that there are people who are not afraid of death and dare to make trouble at the Xiao family's wedding, I am now Drive the troublemakers away..."

After that, he said to the dozen or so security guards, "What are you still doing, shoot the troublemaker out to me!"

"Wait a moment!"

Just when the security was about to start, Xiao Yan said: "When my son's wedding was making trouble and disturbing my guests, how could he just let him go, in that case, where would my Xiao family's face go? Even today is I don't want his life, and I have to leave my hands and feet behind!"

"this..."

The hotel manager is embarrassed. If he cuts off his hands and feet, what if he hates the hotel in the future and makes trouble again?

Xiao Yan saw what the hotel manager meant, and said with a disdainful smile, "My Xiao family will handle this matter myself, you can get out of here!"

"Okay, let's get out now!"

Being able to do nothing, the hotel manager nodded hurriedly and happily.

"Dad, I don't want his hands and feet, I want his life, if I dare to make trouble at my wedding, I want him to die..."

Jordan finished speaking, and then glared at David: "David, I have to let you die today, I will let you know what will happen to me.

"

"I just said, if I come to the wedding, then your wedding will not be possible. You always don't believe it, do you believe it now?"

David looked at Jordan and smiled without fear.

"I believe your mother..."

Jordan punched David fiercely!

bang...

click...

Only a crisp sound was heard, and then Jordan's arm bent strangely, obviously broken.

"what..."

The severe pain caused Jordan to cry out in a heart-wrenching manner.

Everyone was dumbfounded when they saw this scene. David dared to attack Jordan, he was afraid that he was really courting death.

Chapter 13

"Lei'er!" Xiao Yan hurriedly stepped forward to support Jordan. After checking, he found that Jordan's arm was broken, and it would take a few months to recover.

"bastard, you dare to beat my son, I want you to die..."

At first, Xiao Yan only wanted to teach David a lesson and let him improve his memory. After all, there is still a wedding, but now Xiao Yan has only one thought, that is to kill David, or else to do so much in front of Horendel In the face of the merchant, he would be embarrassed.

Xiao Yan took out his mobile phone and summoned all the bodyguards at home. These bodyguards were all hired for a lot of money, and they were all warriors!

But they are much stronger than that bald head. They are street gangsters who have been following Jordan's buttocks all the time, to curry favor with the rich second-generation Jordan!

Seeing Xiao Yan calling someone, David was not in a hurry. He actually sat back and drank a cup of tea again. David's behavior completely angered Xiao Yan, and it was obvious that he looked down on them Xiao Yan. Family!

"Dad, kill him for me, I'm going to kill him..."

Jordan, whose arm was broken, shouted with a hideous expression on his face!

"Lei'er, don't worry, I will definitely throw this kid into the river to feed the fish today!"

Xiao Yan looked at his son distressedly and promised!

Xiao Yan saw that David had some strength, so he did not take action immediately, but waited for his bodyguard to arrive!

At this moment, the door of the marriage hall on the second floor was pushed open, and Sonya walked in quickly. She wanted to see who was making trouble here!

"Uncle Xiao, what happened?"

As soon as he entered the door, Sonya asked Xiao Yan.

"This kid dares to make trouble at my son's wedding, and dares to beat my son, I'm going to open a meat shop in your hotel today..."

Xiao Yan pointed at David who was sitting at the table drinking tea.

When Sonya looked over, she was stunned.

She never thought that the troublemaker was actually David, and David didn't leave!

"Mr. Chen?" Sonya asked suspiciously, "Why are you?"

"Is Miss Su strange?" David smiled at Sonya.

"Niece Sonya, do you know this person?"

Xiao Yan frowned!

"Uncle Xiao, this may be a misunderstanding. This Mr. Chen was invited to treat my father. This must be a misunderstanding!"

Sonya explained.

"Cure?" Xiao Yan frowned even more!

"Who are you? What nonsense are you talking about? This guy doesn't know how to heal at all. He was just released from the cell today. He'll be sick. I've known him for many years, and I've never seen him see a doctor. , don't be deceived by him!"

Delia shouted at Sonya.

Sonya's face turned cold for a moment, but looking at the wedding dress on Delia, she knew that this was the bride of the Xiao family, Sonya endured and said, "Whether Mr. Chen will see a doctor, I'm free to decide, you haven't seen it, it doesn't mean Chen won't!"

"Come on, just his two strokes, what do I not know? Our four-year college classmates have been in love for several years. I got sick and caught a cold, so I had to go to the hospital. Once it rained heavily, he was the one who carried me on his back. If he can see a doctor, will he still need to go to the hospital?"

Delia looked disdainful, in her eyes, David is now worthless!

Hearing what Delia said, Sonya looked at David, she seemed to understand why David made trouble at the wedding.

“Niece Sonya, don’t worry about this matter. Your father’s illness, I will invite an expert from abroad for him. Today this kid must die!”

Xiao Yan said in an unquestionable tone.

He is older than Sonya, so of course you don’t need to be polite!

“No, you must not touch Mr. Chen...”

Sonya suddenly stopped in front of David!

She also counted on David to save her father’s life, and Sonya couldn’t watch David’s accident!

Xiao Yan’s face turned cold: “Niece Sonya, are you forcing me to do it?”

Xiao Yan’s eyes flickered with murderous intent, and as the voice fell, dozens of Xiao family bodyguards who were full of momentum rushed in. Seeing that his bodyguard had arrived, Xiao Yan looked at David with even more cold eyes!

“Uncle Xiao, no matter what, I can’t let you touch Mr. Chen!”

After Sonya finished speaking, more than a dozen hotel security guards rushed in and guarded Sonya tightly.

The atmosphere in the banquet hall instantly became condensed, and many guests stepped back one after another, for fear of a fight that would affect themselves!

“Little girl, if it wasn’t for your father’s sake, I could crush you to death in minutes. Get out of the way now. Can you stop me by relying on your broken security?”

Xiao Yan was angry, and he was rude to Sonya!

And as Xiao Yan’s voice fell, the dozens of bodyguards of the Xiao family all exuded an aura, and this aura alone made the dozen or so security guards turn pale!

Sonya’s face is not good-looking, but she still tightly protects David with determination in her eyes!

“Old Xiao, is it a bit too much to scare children at an age!”

At this moment, the door of the banquet hall was pushed open again, and Ruben walked in with a trace of displeasure on his face!

Chapter 14

Seeing Ruben coming, Xiao Yan smiled coldly: “Old Su, you came just in time, take your daughter away, I will kill this kid today!”

Ruben ignored Xiao Yan, but looked at David and said, “Mr. Chen, you are shocked!”

Ruben’s humble appearance surprised everyone!

“It’s okay, the mere Xiao family can’t help me!”

David smiled faintly!

David’s words angered Xiao Yan again: “Boy, if I don’t kill you today, why does my Xiao family have a foothold in Horendel!”

After finishing speaking, Xiao Yan looked at his dozens of bodyguards:
"Whoever kills this kid will be rewarded one million!"

As soon as they heard the bounty of one million, the eyes of the dozens of bodyguards were all red, and they were all gearing up for it!

"I see who of you dares to move!"

Ruben shouted angrily: "Don't forget, this is on my site, this is my hotel!"

As Ruben's words fell, dozens of security guards rushed over, and the old butler of the Su family also arrived sweating profusely.

"Master, I have already explained what you ordered. The security guards of the Su family and the industry have all rushed here, and the bodyguards of the Su family will be here soon!"

The old housekeeper reported to Ruben.

Ruben nodded, and the old housekeeper retreated!

Xiao Yan listened to the report of the old butler of the Su family, and frowned instantly: "Ruben, are you going to fight me to the death for such a kid?"

"Xiao Yan, if you insist on killing Mr. Chen, what can you do with your Xiao family? Do you think I will be afraid of you?"

Ruben was not afraid at all.

The Xiao family and the Su family are already equal in strength. If there is a battle, it will definitely be a lose-lose!

All the guests were hiding far away at this time, thinking that Xiao Jiujiu, if the Su family and the Xiao family fought, then the other families would definitely benefit.

Xiao Yan's face was flushed red, and the killing intent in his eyes became stronger and stronger!

"Ruben, if you are forcing me again, then don't blame me for being rude. You forgot one thing, that is, Lord Tiger owes our Xiao family a favor!"

As soon as Xiao Yan's words came out, Ruben's face changed suddenly, and there was a bit of panic in his eyes!

Even the surrounding guests shuddered when they heard the word Tiger Lord, and their hearts felt cold!

This Tiger Lord is named Lin Tianhu, the head of Juyi Hall, and this Lin Tianhu is the underground emperor of the entire Horendel!

There is a famous saying in Horendel: "It is better to provoke King Yama than to provoke Juyitang!" This sentence is enough to show the strength of this Juyitang in Horendel!

And Lin Tianhu, the head of Juyi Hall, stomped his feet even more, and Horendel trembled three times!

Seeing Ruben's frightened expression, Xiao Yan laughed loudly: "Ruben, if you take people away now, I will pretend that nothing happened. Don't force me to call Tiger Lord!"

The muscles in the corner of Ruben's eyes kept twitching, and he hesitated, because Lin Tianhu's name was too loud for their Su family to offend.

"Mr. Su, I'll handle my own affairs. You should take someone away!"

David saw that Ruben was hesitating, so he said aloud.

Ruben gritted his teeth and said, "Mr. Chen, you saved my life. If you say that, don't you slap me in the face? If there is a fight later, I will let Sonya take Mr.

Chen to take the opportunity to escape. Whether it is Lin Tianhu or Xiao Yan, they dare not kill me.

“

“Dad...” Sonya grabbed Ruben’s sleeve tightly!

“Sonya, after you leave with Mr. Chen, go to Su’s secret room, you know the location, and come out when the weather is calm!”

Ruben warned Sonya.

“Ruben, how are you thinking? Do you want me to trouble Master Tiger?”

Seeing that Ruben had not expressed his position, Xiao Yan urged him to ask.

“Xiao Yan, Mr. Chen, I’m safe...”

Ruben said firmly.

“Okay, you have a kind of kid!” Xiao Yan gritted his teeth angrily and called Lin Tianhu directly!

In fact, Xiao Yan didn’t want to use this favor, because it was used by the Xiao family to save his life. Back then, Xiao Yan’s father once asked Lin Tianhu to stay overnight on a rainy day, so the young Lin Tianhu said that he owed the Xiao family. A favor, you can ask him to repay this favor at any time!

Originally, the Xiao family hoped to use this favor again when the family was in great trouble, but in today’s situation, if Xiao Yan didn’t kill David, he would not be reconciled, and their Xiao family would also be ridiculed, so Xiao Yan decided to Use this favor to invite Lin Tianhu.

Not long after the call was made, there was only a rumbling sound, followed by a clutter of footsteps. Many people looked out through the window, and they were all dumbfounded.

I saw people wearing black suits and holding machetes, directly surrounding the entire Regal Hotel. There were hundreds of people, and everyone had murderous aura!

Seeing this scene, Ruben's heart was a little disappointed, it seems that David can't escape today!

crunch...

The door of the banquet hall was pushed open, and more than 20 men in suits with a height of 1.9 meters and a sturdy face rushed in first. Twenty people stood in two rows, with their chests raised and their heads raised, lined up!

"Congratulations to Lord Tiger..."

Twenty men in suits shouted in unison, and the shouts shook the lights on the roof.

"What a big stage!"

"As expected of Lord Tiger!"

"Shut up, be careful of your life..."

Everyone whispered, but soon they all shut their mouths!

Everyone's eyes turned to the direction of the door, and then a middle-aged man in his 50s, wearing a fitted suit and leather shoes, walked in!

A pair of leather shoes has a bright light and can reflect all the figures. This person is the underground emperor of Horendel, Lin Tianhu, the head of Juyi Hall!

"Master Tiger..."

Xiao Yan hurried forward and shouted respectfully!

"I'm busy, who are you going to kill?"

Lin Tianhu asked directly.

Xiao Yan pointed at David and said, "It's him!"

Lin Tianhu's eyes swept over David, he was dressed in ordinary clothes and looked a little thin, and there was nothing special about it. He didn't know why Xiao Yan killed him!

Lin Tianhu walked towards David, Ruben and Sonya stood in front of David, and looked at Lin Tianhu who came over, both of them trembled.

"Go away..."

Lin Tianhu frowned when he saw the Su family's father and daughter blocking in front of him!

Just these two words, Lin Tianhu exuded a monstrous momentum, Ruben and Sonya were instantly oppressed by this momentum and could not breathe.

Seeing this, David put his hands directly on the shoulders of Ruben's father and daughter: "President Su, Miss Su, please step back, I will handle my own affairs myself!"

David pushed Ruben and his daughter aside, took a step forward, and faced Lin Tianhu!

Chapter 15

"Master Tiger, don't beat him to death, torture him to death..."

Seeing Lin Tianhu coming, Jordan suddenly shouted.

"Are you teaching me what to do?"

Lin Tianhu frowned and looked at Jordan!

At this sight, Jordan was so frightened that he almost didn't pee his pants, he stepped back and said, "Don't dare, don't dare..."

"You ba5tard, you are talking to Lord Tiger like this!" Xiao Yan stepped forward and gave Jordan a slap in the face, and then smiled apologetically: "Master Tiger, the dog is ignorant, I hope Lord Tiger doesn't take offense!"

"Xiao Yan, let me tell you, I, Lin Tianhu, owe your Xiao family a favor, but I am not a servant of your Xiao family, I hope you understand!"

Lin Tianhu said coldly!

"Understood, I understand, Lord Hu is the honored guest of my Xiao family, how could he be a servant!"

Xiao Yan was so frightened that he broke out in a cold sweat and glared at his son!

That Jordan originally hurt when his arm was broken. He was slapped by Xiao Yan just now, but now he lowered his head and didn't dare to say a word!

Seeing that Xiao Yan's attitude was okay, Lin Tianhu put his eyes on David again!

"Master Tiger, Mr. Chen is also impulsive. The bride is Mr. Chen's girlfriend, but was taken away by this Jordan. All Mr. Chen is a little resentful!"

Ruben stepped forward in a hurry, followed Lin Tianhu with a smile on his face and explained!

"Oh!" Lin Tianhu nodded, and finally understood that this seemingly ordinary guy dared to make trouble at the Xiao family's wedding. It turned out that his girlfriend was robbed.

But soon, Lin Tianhu reacted, suddenly stunned, and said to Ruben: "What do you call him?"

Ruben is the richest man in Horendel. How could he address an ordinary young man in his early twenties as "Mr."? There must be a reason for this!

"Mr. Chen!" Ruben was at a loss, but he quickly realized what Lin Tianhu meant, so he explained, "Mr. Chen saved my life, so no matter what, I will protect him today!"

Only now did Lin Tianhu fully understand what was going on. Speaking of which, it wasn't a big deal, but the Su family and the Xiao family were tit-for-tat, and this matter became a big deal, so the Xiao family brought him here!

"It's just such a bit of sh!t, look at what the two of you have done? You are both well-known figures in Horendel, pay attention to the influence, since that kid is making trouble at the wedding and beats the Xiao family kid, you can't let it go easily. I've beaten him, but he's not guilty enough to die, so let him cut off his arm and apologize in public, admit his mistake and get out!"

Lin Tianhu reprimanded both Ruben and Xiao Yan, but neither of them dared to refute!

To be able to become the underground emperor of Horendel, Lin Tianhu not only relies on his two fists, but also on his head. Just such a trivial matter, Lin Tianhu can completely make David disappear, but that offends the Su family, although he is not afraid of Su However, after weighing the pros and cons, it is not worth it at all. The Xiao family just wants to save face, let David cut off his arm and apologize in public, give Xiao family a face, and let Jordan vent his anger!

In this way, the Xiao family will gain face, and the Su family will not be offended. For Lin Tianhu, the best of both worlds!

"Do you two think what I'm saying is okay?"

Seeing that Ruben and Xiao Yan didn't speak, Lin Tianhu asked again.

He didn't ask David, the client, because in his eyes, David was just a chess piece, and he was going to move how he wanted to move.

"Listen to Lord Tiger!"

Who would dare to refute Ruben and Xiao Yan?

"Isn't this the end? Why make such a big fanfare, it seems to be so serious!"

Lin Tianhu laughed, then looked at David and said, "Boy, you made a big fuss about other people's weddings, beat up their son, and now you have broken your arm. Apologize to people and let you go, otherwise you won't be able to leave today!"

David looked at Jordan, who was full of pride, he was waiting for David to cut off his arm, and then went to apologize to him.

"They don't deserve..."

David spit out four words lightly!
