

# A Man Like None Other

## Novel Chapter 16 – 20

### Chapter 16

Shuh...

All of a sudden, everyone present was stunned. You must know that in Horendel, no one has ever dared to disobey Hu Ye's intentions, but today, David, who looks ordinary, doesn't give any face at all!

Lin Tianhu's face turned cold, and killing intent flashed in his eyes!

Jordan on the side was about to die of laughter, and he kept shouting in his heart: "Kill him, kill him..."

"Mr. Chen, you...you apologize to Lord Tiger!"

Sonya hurriedly tugged David's sleeve, and the nervous cold sweat came out!

"Boy, you dare to disobey Lord Tiger and court death..."

One of Lin Tianhu's subordinates roared and smashed David with a punch!

"Master Tiger, I apologize to you on behalf of Mr. Chen!"

Ruben saw that Lin Tianhu's subordinates had taken action, and the whole person was anxious, but he did not dare to let his subordinates do it. Now even if he risked his life, the dozens of security guards under his subordinates, where is the number brought by Lin Tianhu? Bai's opponents, the ending is the same, just bring their Su family along!

Lin Tianhu was silent, ignoring Ruben, and did not say anything to stop his subordinates!

You must know that Lin Tianhu's subordinates are tall and tall, a head taller than David, and the muscles on his body are bulging high. With this punch, even if David is immortal, he is afraid that he will become disabled!

Jordan and Delia all looked at David with a sneer, watching David's tragic state for a while, and Fu Wei and Jiang Wenjing, all waiting to see David's jokes, especially that Fu Wei, who was just killed by David. Ping was slapped and slapped, and it still hurts badly. He wants to watch David be beaten and maimed.

But just after Lin Tianhu's punch came to David, David stretched out his hand and directly grabbed the sandbag-sized fist of Lin Tianhu's.

This time, everyone was stunned, and even Lin Tianhu couldn't help but glance at David!

But just looking at it carefully, Lin Tianhu's scalp was about to burst!

He saw the bronze-colored ring on David's hand, as well as the command word on the ring!

Heavenly Dragon Order, this is the Heavenly Dragon Order!

The person who wears the Heavenly Dragon Token is the Master of the Heavenly Dragon Palace!

Lin Tianhu was a little stupid, and then roared: "Go back to me, who told you to do it!"

After a roar, he kicked his subordinates out with one kick!

"Mr. Chen, my subordinates are ignorant and offended!"

Lin Tianhu hurriedly apologized to David. He never imagined that the owner of the Dragon Sect in the small Horendel would come in person. You must know that the Dragon Sect is the most mysterious organization in the world. When you stomped your feet, the whole world trembled.

Lin Tianhu's Juyi Hall belongs to the Taipei Hall. The Taipei Hall has a total of thirteen hall entrances in the entire Daxia, and the Juyi Hall is only one of them, but when there is no call from the hall master, these hall entrances are their own. Business, can not reveal the identity!

So on this occasion, Lin Tianhu can only call David Mr. Chen!

Seeing Lin Tianhu's sudden change of attitude towards David, everyone was stunned, not knowing what Lin Tianhu was singing!

Even David himself was a little overwhelmed!

"Don't I need to apologize?"

David looked at Lin Tianhu and asked tentatively.

"Don't dare, how dare you ask Mr. Chen to apologize, if Mr. Chen has any demands, just say it!"

Lin Tianhu was so frightened that he quickly shook his head and beat him to death. He didn't dare to ask the Lord of the Dragon Palace to apologize!

"I said, if I come to the wedding, their wedding won't happen.

"

David said lightly.

Lin Tianhu nodded, then turned his head and announced loudly, "Today's wedding is canceled, everyone get out..."

“Master Tiger...”

Xiao Yan was taken aback and looked at Lin Tianhu!

If this cancels the wedding, then their Xiao family will become a joke in the whole Horendel!

## Chapter 17

“Clearance!”

Lin Tianhu ignored Xiao Yan at all, and after he cleared the field, hundreds of his subordinates swarmed in!

Those guests were so frightened that they all ran out. Fu Wei and Jiang Wenjing originally wanted to see David’s joke, but they didn’t see it now, and they were kicked out!

Not to mention how ugly Xiao Yan’s face was at this time, there was also that Jordan, staring at him, his face full of hideous desire to eat David. Today, the Xiao family has lost so much face, how can they see people in the future!

“David, you toad, even if Delia’s wedding is not held today, don’t think about it, you will never find a daughter-in-law with your virtue.

”

Ethel yelled at David angrily!

Their family finally climbed the big tree of the Xiao family, and the wedding that David disturbed could not be held, and Ethel was going to be pissed.

“David, do you think you can stop me from marrying Jordan like this? Stop dreaming, I have nothing to do with you anymore, don’t pester me.

“

Delia stared at David, except for hatred, there was no emotion in her eyes.

“Am I pestering you?” David sneered: “I remember it seems that you guys insisted on me to attend. I said at the time that if I came to attend the wedding, your wedding would not be possible!”

“you...”

Delia gritted her teeth angrily and glared at David!

“Delia, don’t pay attention to him, this toad is deliberately mad at you, deliberately talking to you, look at his dog-licking appearance, he is a labor prisoner, just wait for the bachelor!”

Ethel pulls Delia, full of vicious curses on David!

“Mr. Chen, if you don’t dislike it, can I be your girlfriend?”

Just when Ethel cursed David, couldn’t find a girlfriend for the rest of her life, and was a bachelor, Sonya stepped forward and asked David very seriously.

This time, David stood on the spot for a moment. He did not expect that Sonya would say such a thing in public, knowing that she is the eldest Miss of the Su family, and she will be the helm of the Su family in the future!

When Delia and Ethel heard Sonya say this, their faces turned ashen. This was obviously a slap in the face, especially that Ethel, who just finished saying that David is a toad and can’t find a girlfriend in his life, and Su will soon be there. The eldest lady has confessed!

Delia clenched her fists tightly, her face burning hot!

Just now, he said not to let David pester him, but David was confessed by Miss Su family in the blink of an eye!

You must know what Delia is compared to the eldest Miss Su family!

“Miss Su, let me think about it for two days, I’m not ready!”

David smiled gratefully at Sonya!

He knew that the reason why Sonya said this was to help him out of the siege and to slap the mother and daughter of Delia in the face!

But a girl, in order to help herself, doesn’t even want her reputation. David is very grateful!

“Mr. Chen, I will try my best to make you accept me!”

Sonya smiled lightly.

Whether it was the Xiao family or Delia’s family, they all left. When they left, Xiao Yan’s eyes wished to eat David. It seemed that he would not give up.

Ruben and Sonya were also invited out by Lin Tianhu’s people. In the huge wedding banquet hall, only David and Juyitang were left!

“Whatever you want, just come!”

David knew that Lin Tianhu suddenly helped him clear everyone away, there must be something else!

But what David didn’t expect was that Lin Tianhu knelt down in front of him just after he finished speaking, and then all the hundreds of people in Juyi Hall all knelt down!

This time, David looked stupid, and he wondered if Lin Tianhu had taken the wrong medicine.

# Chapter 18

“Lin Tianhu, the master of the Juyi Hall, pays respects to the master!”

“Meet the hall master...”

Hundreds of people in Juyi Hall shouted in unison!

This shocked David, he didn't even know who he was!

“You... have you recognized the wrong person? I'm not a palace master!”

David shook his head quickly.

“The person who wears the Heavenly Dragon Token is the Lord of the Heavenly Dragon Palace, and you can't go wrong!”

Lin Tianhu said.

boom...

Lin Tianhu's words reminded David instantly!

When he was in prison, the Ervin always said that he was the master of the Dragon Sect, and later he gave him this ring. It seems that it was because of this ring that Lin Tianhu recognized himself as the master of the Dragon Sect.

“You mean, because I wear this ring?”

David took off the ring and asked Lin Tianhu.

“Yes, this is the Taipei decree of the Dragon Sect, the ancestor of the Dragon Sect, and the wearer is the Lord of the Dragon Sect!”

Lin Tianhu raised his head and looked at the ring in David's hand.

"Get up first!"

Seeing Lin Tianhu and the others kneeling, David felt a little uncomfortable, so he waved his hand!

"Thank you, Lord!"

Lin Tianhu and a group of people gathered in Yitang all stood up.

"I'll tell you, I'm not a palace master, this ring was given to me by someone else, you've got the wrong person!"

David explained!

"We only recognize the Heavenly Dragon Order, not people. Since the Heavenly Dragon Order is on you, then you are our hall master!"

Lin Tianhu said respectfully.

David was speechless, it seems that the Ervin deliberately passed the position of the Sect master to him.

"Are you also from the Dragon Sect?"

David asked.

"Yes, there are a total of thirteen hall entrances in the Taipei Hall, and our Juyi Hall is only one of them, but I am not familiar with the brothers of the other hall entrances, and we rarely communicate with each other. Unless we are called by the hall master, we cannot easily Expose!"

Lin Tianhu explained.

After David heard it, he was speechless. One Juyi Hall could stomp his feet in Horendel, and he would tremble three times. If there were thirteen such halls, then the strength of this Heavenly Dragon Hall would be really terrifying!

“Palace Master, in addition to the thirteen halls of Daxia, we have separate rudders all over the world. As for the specific information, because my position is too low, I can’t understand it!”

Lin Tianhu’s voice fell, and David was even more shocked. There are sub-rudders all over the world, which is too awesome!

He really couldn’t understand, Ervin, such a sloppy guy, turned out to be such a powerful character!

Now David is actually looking forward to the arrival of July 15th, maybe he will be able to know more about this Dragon Sect by then!

Shocked for a moment, David waved his hand and said: “You all go back, if there is something, I’m looking for you!”

“Yes!” Lin Tianhu bowed slightly!

Lin Tianhu took the people away, but David didn’t move. His heart hadn’t calmed down for a long time. This sudden addition of identity made him unable to accept it for a while!

At this time, in the top office of the Regal Hotel, Ruben and Sonya did not leave, but came to the top manager’s office. This is the property of his Su family, so they can go wherever they want!

“Sonya, are you serious about what you said to Mr. Chen just now?”

Ruben looked at Sonya and asked.

“What are you talking about?”

Sonya pretended to be stupid, pretending not to know!

“Stop pretending, you know your daughter Mo Ruofu, what are you thinking, do you think I don’t know?”

Ruben smiled lightly.

“Dad, I was just helping Mr. Chen out of the siege. I just met him. How could I like him!”

Sonya rolled her eyes at Ruben, but her face turned red.

“Mr. Chen is a good person, he looks good, and he has excellent medical skills, but he just doesn’t know how to do other aspects...”

Ruben is very fond of David, but in order to become the son-in-law of their Su family, it is not enough to only be skilled in medicine. After all, Ruben is only such a daughter, and the huge family business of the Su family will be handed over to Sonya. Find someone who can help Sonya Cooking Company.

## Chapter 19

“Dad, stop thinking about it!”

Sonya turned her head to the side, no longer dealing with Ruben!

In fact, in Sonya’s heart, she really has a lot of goodwill towards David, especially when she was facing Lin Tianhu just now, David pushed her aside and took that step forward, which made Sonya suddenly have a kind of inexplicable sense of security!

“Mr. Su, Lin Tianhu took people away, and Mr. Chen also left!”

The hotel manager walked into the office and said.

“Oh, I see!”

Ruben nodded, and then said to Sonya: “Sonya, you have to hurry up with the medicinal materials that Mr. Chen needs. In addition, send someone to protect Mr. Chen secretly. I think the Xiao family will definitely not give up!”

"Got it!"

Sonya nodded and went to make arrangements!

David left the Regal Hotel and went home directly. It was already noon now, and his mother must be waiting for him!

When David returned home, he found that there was already a table of meals, and his parents were waiting for him to come back!

"Is it David?"

Hearing the door opening, Barbara asked hurriedly.

"Mom, it's me!"

David stepped forward quickly, supported Barbara and said.

"You kid, just go home and go out for a long time. Your dad has already prepared the meal, and it's just waiting for you to eat!"

Barbara complained to David, but her face was full of smiles!

"Mom, I went out to do something!" David explained, and then looked at his father, Chen Baoguo, who came out of the kitchen. At this time, Chen Baoguo was full of white hair and wrinkled on his face, obviously a lot of vicissitudes!

"Come back!" Seeing David, Chen Baoguo could see a trace of excitement in his eyes, but he tried his best to restrain himself, and instead of showing it, he asked David lightly.

"Yeah!" David nodded, his eyes reddened.

My father used to be an iron rice bowl and an enviable civil servant. He wore suits and shoes every day and was full of high spirits, but looking at it now, in

just three years, he seemed to have aged more than ten years and no longer had the spirit of the past. Angry!

“Hurry up and eat, it will be cold for a while!”

As Chen Baoguo said, he picked up a bowl of rice and placed it in front of David.

You must know that Chen Baoguo has a very strict religion and is very majestic at home. He has never served David, let alone in the kitchen, but now everything has changed, and the environment can really make everything!

The family was eating, Chen Baoguo didn't speak, and David didn't speak either. In front of his father, David always had a sense of fear, but Barbara kept nagging!

“David, I'm back, I'm looking for a job, I'm looking for a girlfriend, although my family is poor now, if you two work hard, life will get better.

”

“Your dad can save some money by sweeping the streets. I'll ask your Sixth Aunt to introduce you to someone. We won't dislike the second marriage. When you get married and have children, everything will be fine!”

“Don't go looking for that Delia. She is now the young lady of the Xiao family. We can't afford it, we can hide it!”

“Remember this time, but don't be stupid. If you go in once, Mom's old life will really be gone!”

Barbara kept nagging, but David could only nod in response!

After eating, David took the initiative to clean up the dishes, while Chen Baoguo changed into the clothes of a sanitation worker and prepared to go to work.

"Dad, don't go sweeping the streets. Now that I'm back, leave the family affairs to me!"

David said, took out a key: "I have a friend who lent me an unused house, let's clean it up and stop living here!"

The house here is too dilapidated, and the environment is not good. David wanted to take his parents to Pine Bay to live there, but he didn't dare to tell the truth, he could only say that it was borrowed by a friend.

## Chapter 20

As for the 10 million bank card, David did not dare to let his parents know that he had no way to explain the origin of the money.

Did you tell your parents that after three years in prison, after cultivating immortality, you still became the master of the Heavenly Dragon Palace?

I am afraid that after finishing speaking, his parents will lock him up as a neurotic.

"A friend's house, where is your friend's house?"

Barbara asked curiously.

"In Pine Bay!"

David tried his best to calm himself down.

"what?"

Barbara and Chen Baoguo exclaimed at the same time!

You must know that Pine is the most expensive community in the whole Horendel. The people living in it are either rich or expensive. Even if Chen

Baoguo has not lost his job, even if he has worked for a hundred years, he is afraid that he will not be able to buy a house in Pine.

"What friend of yours actually owns a house in Pine Bay and lent it to you?"

Chen Baoguo questioned David with a cold face.

"I'm... just a friend of mine!"

David said vaguely.

"Humph!" Chen Baoguo snorted coldly: "Do you think your mother and I are stupid? Then you lie to us, how could you have such a friend, and no one will lend you the house in Pine Bay. If you don't learn well in prison, you will learn your bragging skills, so you can find a job in a down-to-earth way and stop daydreaming!"

After Chen Baoguo finished speaking, he put on his work clothes and was about to leave. He didn't believe that David could borrow a house in Pine Bay.

"Dad, you haven't seen it yet, why do you say I'm bragging? I'm so big, is it that hard for you to admit me once? Today I have to take you guys to move in there!"

David shouted loudly, since he was a child, Chen Baoguo never praised David. Even if David excelled in university studies and became the president of the student union, he still did not get the approval of Chen Baoguo. This may be Chen Baoguo's education method. !

"Okay, okay!" Barbara hurriedly dissuaded: "Old man, you said that you are true, the child just came out, can't you speak better?"

Barbara reprimanded Chen Baoguo for a few words, then turned to David and said, "David, Mom believes what you said, you take Mom to Pine Bay for a walk, I've never been there before!"

"Mom, I'll go out and call a taxi, and pack up the things in the house by the way!"

After David finished speaking, he walked out, and when passing by Chen Baoguo, David whispered: "Dad, I really didn't lie to you, you will know when you go with me!"

After David left, Chen Baoguo hesitated, and finally took off his overalls!

...

Pinerest Villa Area!

The security guards standing on both sides, one with his head held high, to be a security guard here is an extremely honorable thing, it doesn't matter the back door, it is impossible to come in!

A taxi stopped steadily at the entrance of the Pinerest Villa. Upon seeing this, a security guard hurried forward and stopped the taxi.

"What do you do?"

The security guard asked curiously.

He has been a security guard here for three years, and he has never seen him come to Pine Bay. He came here as a taxi. Who can live here, who is not a wealthy businessman, there are several cars at home, and even several drivers!

"We are the owners here!"

David stepped down from the co-pilot and said politely to the security guard.

"Owner?" The security guard glanced at David, then looked at David's parents in the taxi, and suddenly sneered: "I have seen people like you a lot, if you want to visit Pine Bay, just walk around outside. , you are not allowed inside!"

The meaning of the security guard is obvious, that is, he does not believe that David is the owner!

Whether it's from David's clothes or the appearance of David's parents in the car, they don't look like people who can afford a house in Pine Bay!

Because of the beautiful scenery of Pine Bay, there are many people pretending to be owners, and then infiltrating Pine Bay for a walk, it is regarded as a tourist, and the security guard also regards David as such a person!
