

A Man Like None Other

Novel

Chapter 56

At this time, the lights in the bar are very lively, and the flashing lights make people feel dizzy!

David saw that Wang Hanhan followed a few girls into the bar, and was taken directly behind by two waiters. When David wanted to follow him, he was stopped.

"Sir, I'm sorry, this is our backstage, guests can't enter..."

David glanced inside and found that Wang Hanhan was no longer there, so he found a corner and sat down. He wanted to see what Wang Hanhan was doing here!

Soon, Wang Hanhan and a few girls came out, but at this time, they were only wearing sexy underwear, and a large amount of snow-white skin was exposed.

Several people walked quickly to the stage in the middle of the bar, and in an instant, several strong lights hit a few girls, making the people in the bar instantly boil, shouting and whistling!

Wang Hanhan and a few girls twisted their bodies, and it could be seen that Wang Hanhan's movements were still a little stiff, not as flexible as other girls, but Wang Hanhan was also twisting hard, trying to squeeze a smile on his face!

Others could also see Wang Hanhan's jerkyness, and they all set their sights on Wang Hanhan, and some even picked up the money and threw it at Wang Hanhan!

David frowned and looked at Wang Hanhan on the stage. He couldn't believe his eyes. He never imagined that Wang Hanhan, who had always been shy and well-behaved, would come to the bar and become a dancer!

Looking at the money on the stage, Wang Hanhan kept bending over to pick it up, and then stuffed it into his chest. Under the stage, a group of men with red eyes were staring at Wang Hanhan's body, like hungry wolves!

Seeing this, David got up and walked to the edge of the stage. After taking out a stack of banknotes, he threw them directly on the stage. There were thousands of dollars!

Seeing that someone had lost so much money, Wang Hanhan immediately smiled: "Thank you, big brother..."

But when Wang Hanhan's eyes touched David's, Wang Hanhan's body shook slightly, and the expression on his face became obviously unnatural!

Withdrawing his eyes hastily, Wang Hanhan pretended not to see David, bent down and hurriedly picked up all the money, and then still twisted on the stage, but there was no smile on his face!

David's actions caused many people to look over, but after seeing David dressed in ordinary clothes and covered with street goods, all of them showed sarcastic smiles!

"Dude, with your outfit, I'm afraid you won't be able to surpass two hundred yuan, right? You can't control the little girl on this side, so let's go quickly, you can't earn a few thousand yuan a month, and you'll have to pay for it in a while. It's still on here!"

At this time, a middle-aged man patted David on the shoulder and said!

David ignored him, but looked at Wang Hanhan with his eyes fixed. He couldn't understand, can a person really change so much in just three years?

Wang Hanhan turned around, not facing David, but in the other direction, twisting vigorously, while the other girls on the stage came over!

"Handsome man, let's get to know you..."

A dancer squatted down, stretched out her fair arm, and touched David's face!

David is the favorite of these dancers. Even if you don't have much money, once you catch it, you can hand over your monthly salary obediently!

David turned his head slightly and ducked, not letting the dancer touch him, and his eyes never left Wang Hanhan's body!

"Beauty, let me meet you..."

There was a man on the side with a wicked smile, suddenly grabbed the dancer's hand, and suddenly pulled down!

Chapter 57

"Ah..." The dancer didn't pay attention and was pulled off the stage!

The men around were like hungry tigers rushing towards the dancer, touching them with their hands up and down!

At this time, I want to come forward to take advantage of it and eat some tofu!

"fcuk me away, do you want to die?"

At this time, a woman wearing professional attire and heavy makeup came over and yelled, and behind the woman were four strong men with five big and three thick men!

Seeing this, the men who were crazy just now scattered, and all ran back.

"Sister Yan..."

The dancer who had just been dragged off the stage stood up and shouted to the woman with a look of grievance!

At this time, the dancer's body was covered with traces of being touched, and even the underwear on her body was deformed by pulling!

"Get off..." Sister Yan frowned slightly and yelled at the dancer!

The dancer was terrified and hurried to the backstage!

Sister Yan glanced around, and then looked at David, who was the only one standing on the edge of the stage. She didn't say anything, but said to Wang Hanhan on the stage: "Hanhan, come down..."

Hearing her calling, Wang Hanhan hurriedly stopped and walked off the stage: "Sister Yan, what's the matter?"

"The big boss is here, let you go and accompany you..."

Sister Yan said directly!

I saw Wang Hanhan's body trembled slightly, with a very reluctant expression on his face, but he didn't dare to say anything, so he could only follow Sister Yan away.

When passing by David, Wang Hanhan deliberately lowered his head and did not dare to look at David!

"Hanhan..."

As soon as David shot, he grabbed Wang Hanhan's arm!

"You know him?" Seeing David holding Wang Hanhan, Sister Yan frowned slightly and asked Wang Hanhan.

"No...don't know..."

Wang Hanhan hurriedly shook his head, then looked at David and said, "Who are you? Let me go, I still have to go to work!"

Wang Hanhan broke free from David and followed Sister Yan towards the backstage!

That sister Yan glared at David and left without saying anything!

"Hanhan, the big boss is very serious about you. You can't make trouble at this time, especially if you can't find a boyfriend. If you can follow the big boss, don't talk about your loan sharks. Don't worry, I will follow you in the future..."

On the way, Sister Yan said to Wang Hanhan!

Wang Hanhan's face was not very good-looking, but she still tried her best to squeeze out a smile: "Sister Yan, how could the big boss like me, but the big boss takes great care of Yan sister..."

Wang Hanhan didn't want to follow the big boss of this bar, a big bald fat man, looking a little disgusting, although she couldn't help it, she didn't want to degenerate to the point of being a mistress for others!

"I am old, and it will be the world of your young people from now on..."

As Sister Yan said, she looked at Wang Hanhan with envy and jealousy!

In their line of business, age is capital. Once you get older, you will have no advantage at all. If you don't get swept out of the house, it's already very good!

Soon, the two came to a large and luxurious office.

After entering the door, a bald middle-aged man was sitting on the sofa with a bottle of red wine in front of him!

Seeing the middle-aged man, Sister Yan bowed slightly and said, "Boss, Hanhan is here!"

"Well, haven't you received a guest?" the middle-aged man asked.

"No, the boss explained it, how dare I not listen..."

Sister Yan hurriedly shook her head.

"Go out..." The middle-aged man waved his hand!

That Yan sister backed out, not forgetting to wink at Wang Hanhan, and closed the door!

Wang Hanhan's body trembled slightly, facing the big boss alone, Wang Hanhan was very scared!

Chapter 58

"Old... Boss..."

Wang Hanhan shouted timidly!

The middle-aged man looked up at Wang Hanhan, his eyes showed a bit of lust, and he grinned: "Don't be nervous, I won't eat you, come and sit..."

The middle-aged man patted the sofa beside him!

Although Wang Hanhan was very scared, he didn't dare not to listen, so he could only move over step by step and sat beside the middle-aged man!

Looking at Wang Hanhan, who was fair-skinned and exuded a girly fragrance, the middle-aged man's eyes became more lustful!

He picked up the red wine in front of him, poured two glasses, and handed it to Wang Hanhan: "Come, have a drink with me..."

"Old... Boss, I... I don't know how to drink!"

Wang Hanhan didn't dare to accept it!

"Once it is born and cooked twice, won't it be good after drinking it today?"

The middle-aged man's mouth raised slightly!

Seeing this, Wang Hanhan could only take the wine glass, closed his eyes and drank all the red wine in his stomach!

Seeing Wang Hanhan drinking, the middle-aged man laughed out loud.

"I heard Yanzi say that you owe a lot of usury?"

the middle-aged man asked.

Wang Hanhan nodded: "One million..."

"One million? It's quite a lot..." The middle-aged man said, took out a check, wrote one million directly on it, and pushed it in front of Wang Hanhan!

"Stay with me tonight, make me feel comfortable, this million is yours..."

The middle-aged man looked at Wang Hanhan with confidence!

He has done this kind of thing not once or twice. Under the temptation of money, no girl can control it. This method has been tried and tested!

Looking at the check in front of her, Wang Hanhan's breathing became rapid. This is one million. If she had this one million, she wouldn't have to be threatened by those who lend her money, and she wouldn't have to be a dancer in a bar all day. Every day I am worried, for fear of meeting an acquaintance!

Wang Hanhan's heart was frantically entangled, and she slowly stretched out her hand, but she retracted it again, she knew that as long as she picked up this check, her life would be completely ruined!

Although I am a dancer now, I still have a complete body. When I pay off the money, I can still find a boyfriend to marry. I am not sorry for the other party, but I really want to be someone else's mistress, even if I can find a trustee for my whole life in the future. The man, Wang Hanhan himself will feel guilty for the rest of his life!

At this time, she suddenly thought of David. She remembered that when she was a teenager, David protected her very much. At that time, Wang Hanhan always shouted that she wanted to marry David. Personally, there are fewer contacts. In addition, David has found Delia, a girlfriend, and he has reached the point of talking about marriage. Wang Hanhan has never contacted David!

But who knows that the world is impermanent, David's marriage was not completed, but he was sent to prison. Wang Hanhan, who was still in college at the time, wanted to go to the prison to see David, but because he went to school, he has been unable to go!

Today, when David saw her like this, Wang Hanhan was extremely distressed, and she was afraid that David would tell her mother about it. If that happened, her mother would not be angry!

My father died early, and my mother raised her with hard work. If she was told that she was a dancer in a bar, she would definitely be mad. If she was

someone else's mistress, I am afraid that her mother would definitely not recognize her as a daughter!

Thinking of this, Wang Hanhan shook his head firmly: "Boss, thank you for your love, but I don't have such thoughts..."

The middle-aged man was stunned for a moment. He didn't expect Wang Hanhan to refuse, and was very surprised!

You must know that he has tried this method many times, and no one has rejected him. Some girls jumped up with joy. In this society, money is paramount.

Chapter 59

"Is it because you don't have enough money? I can give you more, and I'm buying you a house. As a love nest for the two of us, you can do whatever you want, and I won't interfere too much in your private life. Yue, you only need to accompany me four or five times. My current body is not suitable for putting too much energy on women, which can earn more than you as a dancer, and you don't have to be eaten by those stinky men..."

Middle-aged men are still seducing Wang Hanhan slowly!

Wang Hanhan has made up her mind. She can't be someone else's lover. She doesn't want to exchange her life for this short-lived comfort. When she looks at the bald man in front of her, she is disgusted. !

"Boss, I really can't do it, you should find someone else..."

Wang Hanhan shook his head again!

Seeing that Wang Hanhan was still rejecting him, the middle-aged man turned his face and said, "When you come to me, do you still have a choice? There is no woman I can't get enough of..."

Seeing this, Wang Hanhan was so frightened that she got up in a hurry and wanted to run out, but just stood up, she felt the world was spinning and she was dizzy!

"Hahaha, you can't leave, you drank my wine, do you still want to leave?"

The middle-aged man laughed!

Wang Hanhan's face turned pale, she wanted to scold, but she couldn't open her mouth anymore, seeing the middle-aged man getting more and more blurry!

At the end, he fell on the sofa with a thud, and the whole person could not move, and gradually fell asleep!

At the same time, in the bar lobby, Sister Yan was smoking a cigarette and looked at the young and beautiful dancers on the stage with envy!

Once upon a time, I was so young and beautiful, and I was very beautiful on the stage, and I was also appreciated and cared for by the big boss!

But now, she has become a pimp who finds a woman for the big boss. She doesn't know what will happen to her in a few years!

"Sister Yan, that Wang Hanhan has been spotted by the big boss, and now he is going to flourish..."

A waiter beside Sister Yan asked in a low voice.

"Of course, you should be careful when you meet that Wang Hanhan in the future, but don't provoke her, or you won't have any good fruit to eat..."

Sister Yan spit out a chimney!

"No, but Wang Hanhan's figure and skin are simply amazing, if this makes me..."

"Shut up, you don't want to live? With your virtue, even the woman of the big boss dares to think about it..."

Before the waiter could finish speaking, Sister Yan said angrily!

"Sister Yan, I'm damn, I'm damn, I'm talking nonsense..."

The waiter slapped himself twice in a hurry!

"Forget it this time, if there is another time, I will deduct your salary for one month..."

Sister Yan said sharply.

"Thank you, Sister Yan, thank you, Sister Yan..." The waiter hurriedly thanked, stretched out his hand, and squeezed gently on Sister Yan's butt!

"Look at how dead you are..."

Sister Yan smiled and pulled the waiter away!

Sister Yan is getting older, although the big boss doesn't like it, but none of the young and strong waiters in the bar can escape her palm!

The two talked very quietly at any time, but they were still heard by David. Hearing that Wang Hanhan was found by the big boss, it was for this kind of thing, David's face was extremely cold!

David got up and walked towards the backstage. As soon as he walked to the door, he was stopped by two waiters. Before the two could make a sound, David directly knocked the two people unconscious!

Entering the backstage, David didn't know where Wang Hanhan was, there were rooms everywhere, and there was no way to find it, which made David anxious.

Just when David was passing a bathroom, he suddenly heard a burst of gasping sounds.

Chapter 60

"what..."

I saw that in the compartment, Sister Yan was fighting with the waiter just now, and it seemed that it was just the beginning!

When the waiter saw someone rushing in, just as he was about to shout, he was stunned by David's palm, and then grabbed Sister Yan's collar: "Where did you take Hanhan?"

"You fcuking..."

Seeing that it was David, Sister Yan immediately yelled at her!

But just as he spoke, David grabbed Sister Yan's neck, and Sister Yan suddenly felt difficulty breathing, her face turned red, and there was fear in her eyes.

"Yes, in the office..."

Sister Yan said hurriedly!

"Take me there..." David let go of Sister Yan!

Seeing David's murderous face, Sister Yan didn't dare to play tricks, she could only lead the way in front!

After bringing David to the office, David kicked the office door open with one kick!

boom...

The loud noise shocked the middle-aged man!

After David rushed in, he saw Wang Hanhan lying motionless on the sofa, while the bald middle-aged man was walking around Wang Hanhan with his hands!

"court death..."

David's eyes were full of anger, and one strode forward, directly kicking the middle-aged man out!

"Hanhan...Hanhan..."

David took off his coat and put it on Wang Hanhan. Seeing that Wang Hanhan was unconscious, he knew that he must have been drugged, so a spiritual force was transported into Wang Hanhan's body!

Wang Hanhan slowly opened his eyes, and after seeing David, he shouted in surprise, "Brother David..."

Just shouting, Wang Hanhan fell asleep again, it seems that the effect of the drug is too heavy!

The middle-aged man was kicked by David, and he lay on the ground, his whole face turned purple!

"boss..."

Sister Yan hurried forward and helped the middle-aged man up!

The middle-aged man glared at David: "Boy, you dare to beat me, I think you are tired of living, who are you?"

While the middle-aged man was roaring, four thugs in black suits heard the movement and rushed in!

"Boss, this guy may be Wang Hanhan's boyfriend..."

Sister Yan said to the middle-aged man!

From David's attitude towards Wang Hanhan just now, and his angry expression now, what else could it be if it wasn't a boyfriend!

"I don't care who he is, kill him for me, dare to beat me, I will destroy you..."

When the middle-aged man saw his man rushing in, he immediately shouted loudly!

Seeing this, the four thugs charged directly towards David!

David put down Wang Hanhan, and didn't even look at the four thugs who rushed over. With a wave of his palm, the four thugs flew upside down and slammed heavily on the wall, unable to move one by one!

Seeing that David was so powerful, the middle-aged man and Sister Yan were all dumbfounded, with a look of fear on their faces!

David looked at the middle-aged man coldly: "Scumbag like you, damn..."

"What do you want to do?" Seeing David's murderous eyes, the middle-aged man said tremblingly, "I can tell you, this bar is covered by Tiger Lord. Do you know who Tiger Tiger is?"

Just as the middle-aged man finished speaking, David's cell phone rang!

It was Lin Tianhu who called David originally, but he never saw David coming, so Lin Tianhu called David to ask!

"Mr. Chen, where have you been?"

Lin Tianhu asked in a low voice.

"I'm at Fengyue Bar..."

"Fengyue Bar?" Lin Tianhu was taken aback: "What is Mr. Chen doing at Fengyue Bar?"

"Murder..." The short words contained endless murderous aura, which made Lin Tianhu on the other side of the phone tremble with fright!

"Mr. Chen, Fengyue Bar belongs to bald Li, and has been paying me the protection fee for Juyitang. I will take someone there right now, and I don't need Mr. Chen to do it himself..."

Lin Tianhu knew that if David could say the word murder, it must be Fengyue Bar that annoyed David!

"Okay!" David replied with only one word, hung up the phone, and then sat quietly on the sofa and waited!
