

# A Man Like None Other Novel

## Chapter 621

"Third Master, how should we prepare the gift?"

the butler asked softly.

"Let's talk when my eldest brother leaves the customs, this time we have to prepare well!" Qin Xiaotian dare not call the shots, not to mention Qin Xiaolin will leave the customs in a few days, and it will not be too late to decide.

"Okay!" The butler nodded, preparing to leave.

"Wait a minute, you sent someone to watch over Qin Gang. This kid is making trouble everywhere. Please don't provoke that David these few days. Be careful to lose your life..."

Qin Xiaotian stopped the housekeeper who was about to quit. He knew what kind of virtue his son was, what he didn't eat and what he could do, and he always clamored to hack David to death. , Qin Xiaotian was afraid that his son would be the same as Qin Feng, and then be killed by David.

You must know that their Qin family consists of Qin Feng and Qin Gang. Now that Qin Feng is dead, only Qin Gang is left to inherit the lineage. If Qin Gang makes a mistake, then the Qin family will be finished.

"I know..."

The butler nodded.

.....

Early the next morning, David planned to sleep late because he had no spiritual energy for him to practice and had nothing else to do. Unfortunately, the phone rang. It was Sonya who called and asked David if he would return!

David was helpless and could only lie, saying that the people from Miao Village had not been caught, and he had to stay in Kyoto, because there were some things that David could not tell Sonya.

After calling for a long time, I could see that Sonya misses David. I haven't seen each other for a few days, so I think so.

Near noon, the doorbell of David's room rang, and David hung up the phone!

When he opened the door, he found Bai Zhantang with a snakeskin bag in Bai Zhantang's hand.

"Mr. Chen, here are some medicinal materials that were collected at a high price. My grandfather knew that Mr. Chen needed these things to practice, so let me send them over..."

Bai Zhantang opened the snakeskin bag, which contained some more than 100-year-old Ganoderma lucidum, wild ginseng and the like.

Seeing these things, David didn't have much fluctuation in his heart. With his current cultivation, the herbs in front of him were not very helpful to his cultivation. He needed more spiritual energy.

However, David was still very moved by the Bai family's intentions, so after taking the snakeskin bag, he said to Bai Zhantang, "Thank you for my elder Bai!"

"Mr. Chen, don't be polite. My grandfather said it. We can do our best to help Mr. Chen's cultivation, even if we take out all the family business of the Bai family, we will not hesitate..."

Bai Zhantang said.

After hearing this, David was moved. Although he knew that the Bai family and him were mutually beneficial, it was rare for Bai Xiushan to have such a mind.

"Come in and sit..." David let Bai Zhantang into the room.

"Mr. Chen, if you have nothing to do, let's have a meal together at noon. You came to Kyoto, and I haven't exhausted the friendship of the landlord!"

Bai Zhantang said with a smile.

"Yes!" David nodded: "But I can't go to your house, it's too troublesome..."

David didn't want to go to Bai's house because there were too many people. If he went, they would all surround him, flattering and flattering, and they would not be able to eat well.

Bai Zhantang smiled, he knew what David was worried about, so he nodded: "Okay, I will take Mr. Chen to a restaurant I often go to, where the specialties are good..."

David nodded, and after changing his clothes, he went out with Bai Zhantang.

Soon, the two stopped at the entrance of a restaurant, Bai Zhantang invited David in, and the two found a corner and sat down.

"Master Bai, you're here..."

Seeing Bai Zhantang, the waiter of the hotel greeted him warmly, obviously familiar with Bai Zhantang.

# Chapter 622

"The old three..."

Bai Zhantang smiled slightly.

"Okay, I'll be here soon..."

The waiter left.

David took a look at the restaurant. Although the restaurant is not very large, it is very luxuriously decorated, and there are many people eating here.

Not far from David and the others, a girl wearing a gauze skirt and a fair face was also eating alone. After David's eyes passed by the woman, he involuntarily stopped for a few seconds, and only looked at the woman for a few seconds. Zhong, David's heartbeat started to speed up, and suddenly he had an urge to rush over and throw the woman to the ground.

David bit the tip of his tongue suddenly, the severe pain made him wake up instantly, and his eyes moved away from the woman.

"Mr. Chen, what's the matter with you?"

Seeing that David's face was a little wrong, Bai Zhantang asked.

At this moment, David's heartbeat is still accelerating, his face is also flushed red, David frowns slightly, although he is a hot-blooded young man, but he thinks that his concentration is still very strong, how many girls throw their arms towards him, David has never been impulsive.

Even when he saw Gu Linger's ketone body, David had never been so impulsive, but today he just glanced at the girl casually, and he lost his temper, which made David a little surprised.

"Oh, nothing!" David shook his head.

Bai Zhantang looked at David, and then turned to look at the girl, because David just looked at the girl a few times, and his face turned red and his breathing was short of breath.

"Don't look at her..."

Seeing that Bai Zhantang was also looking at the girl, David hurriedly wanted to stop it, but unfortunately it was too late, and Bai Zhantang's eyes had already stopped on the girl.

After staring at the girl carefully for a while, Bai Zhantang turned his head to look at David: "Mr. Chen, is there anything wrong with that girl?"

When David saw that Bai Zhantang was all right, he couldn't help but feel a little strange, so he asked, "When you saw that girl, did you have any impulse?"

"No!" Bai Zhantang shook his head blankly: "Although that girl is beautiful, she is not so beautiful that she feels impulsive at first glance. Is it possible that Mr. Chen has been alone these days and is a little bored, do you want me? Find some women to accompany Mr. Chen..."

Bai Zhantang thought that David was alone these days and no one was with him at night, and he was a little bored, so he was impulsive when he saw beautiful girls.

When David heard this, he suddenly looked embarrassed and could only shake his head: "No!"

Although there are girls accompanying him, and there are many girls who like David, but David is still a little man, and he has never tasted the taste of a woman.

Soon, the food came, Bai Zhantang greeted David to eat, but David was courageous and couldn't help turning his head to look at the girl again.

But this time, David stared at the girl for a long time, and no longer had the same impulsive feeling just now, which made David feel very surprised.

Seeing that David was still looking at the girl, Bai Zhantang smiled and said, "Mr. Chen, do you want me to invite the girl over to you?"

"No, let's eat quickly..."

David began to bow his head to eat.

"Hey, isn't this the eldest young master of the Bai family? It's such a coincidence that you came here to eat too? We are really destined.

"

Just when Bai Zhantang and David were halfway through their meal, suddenly a flowing voice came.

Hearing this voice, Bai Zhantang frowned and didn't even look back, but said, "Qin Gang, I don't want to talk to you today, you'd better stay away from me.

"

David, on the other hand, looked up at Qin Gang and saw that Qin Gang looked like a ruffian. He didn't have any breath on his body, not even a warrior, but behind Qin Gang, there were two subordinates, both of whom were It is the strength of the master.

## Chapter 623

"Bai Zhantang, this is not your Bai family's place. I can be wherever I want, do you care?"

Qin Gang said, he even sat directly with Bai Zhantang at a table, obviously he didn't care what Bai Zhantang said.

"Are you fcuking looking for a beating?"

When Bai Zhantang saw that Qin Gang was sitting directly beside him with a provocative look, he immediately stared at him, his aura exuding.

You must know that Bai Zhantang is also a master, and he is also a seventh-grade master. The aura he exudes is not something that an ordinary person like Qin Gang can bear.

But Qin Gang didn't seem to be afraid at all. Just when the momentum on Bai Zhantang was pressing towards Qin Gang, the two people who had been behind Qin Gang suddenly began to burst into momentum. The two momentums collided instantly, and the huge impact made Bai Zhantang's The body swayed.

Bai Zhantang's face changed, his eyes fixed on the two people brought by Qin Gang. Obviously, the strength of these two people is not inferior to Bai Zhantang. No wonder Qin Gang dared to be so arrogant.

"Bai Zhantang, I just wanted to come over and have a drink with you. Are you so nervous?" Qin Gang said, he even poured himself a glass of wine, and then looked at David: "This guy is very handsome, where did you come from? ?"

Qin Gang didn't know David, that's why he asked this question.

But at this time, David ignored Qin Gang, didn't even look at him, but focused all his attention on the girl just now, because the girl was still eating quietly at the moment, as if she was not affected at all. .

You must know that when Bai Zhantang collided with the two masters of the Qin family, the power was extraordinary, but the girl sitting not far away seemed to be nothing, which made David interested in her.

When Qin Gang saw that David was ignoring him, he said with a cold face: "Damn, I asked you something, didn't you hear it? Are you deaf?"

"Qin Gang, are you courting death?" Bai Zhantang suddenly slapped the table and stood up when he saw that Qin Gang dared to scold David.

Seeing this, the two masters of the Qin family took a step forward and followed Bai Zhantang face to face, protecting Qin Gang behind him.

At this moment, many diners around saw this and hid aside one after another, and some were timid and even left.

When the store owner saw this, he didn't dare to say anything. After all, neither Bai Zhantang nor Qin Gang could afford it.

Bai Zhantang faced the two masters of the Qin family with an extremely ugly expression.

"Bai Zhantang, this kid is your father, I scold him, what are you doing so guarding?"

Qin Gang was still sitting on the chair, raised his head slightly, looked at Bai Zhantang with disdain and said.

This time, Bai Zhantang was furious. Qin Gang was not very capable, but his mouth was ruthless.

Bai Zhantang couldn't bear it any longer, and punched Qin Gang away.

When the two Qin family masters saw Bai Zhantang make a move, they immediately set up their posture and were ready to strike at any time.

But at this moment, David got up and stopped Bai Zhantang directly, then looked at Qin Gang and said, "My name is David Chen, Horendel is here..."

Just as David finished speaking, Qin Gang was taken aback and stood up abruptly.

"You...you are David?" Qin Gang looked at David in disbelief, he didn't expect David to be so young.

"What? You know me?" David looked at Qin Gang like that, and couldn't help but feel a little strange.

Because David didn't know that Qin Gang was Qin Feng's younger brother, Qin Xiaotian's son.

"Mr. Chen, this guy is Qin Feng's younger brother, Qin Xiaotian's son, the Qin family..."

With Bai Zhantang's explanation, David instantly understood.

David looked at Qin Gang with a playful look on his face, with a bit of chill in his eyes: "It turned out to be the Qin family, no wonder they are so mad, do you also want to go to Elysium like your brother?"

## **Chapter 624**

When Qin Gang heard this, his face flushed with anger, but he didn't speak. He could only stare at David fiercely, because the housekeeper had already told him not to provoke David, so as not to risk his life.

This time, Qin Gang brought only two people with few people, but at this moment, David and Bai Zhantang together are obviously stronger than them, so Qin Gang can only bear it.

"Boy, don't be complacent. Sooner or later, I will avenge my brother. You offended our Qin family. Don't think about peace in your life..."

After Qin Gang finished speaking, he took his subordinates and sat down on the table next to him.

David continued to eat with Bai Zhantang, while Qin Gang looked at David and the others from time to time with a look of anger.

“Mr. Chen, you should pay attention. Although this Qin Gang is incompetent, this kid is all a ghost, and he is ruthless. He can do anything immoral.

”

Bai Zhantang exhorted David.

“It doesn’t matter...”

David smiled lightly, but did not take that Qin Gang in his eyes.

But when David continued to eat with Bai Zhantang, suddenly David put down his chopsticks, and the whole person became nervous.

“Mr. Chen, what’s the matter?” Bai Zhantang was stunned, only to feel that David was taken aback today.

“Don’t talk!” David frowned and waved at Bai Zhantang.

At this moment, David felt that a sense of consciousness was unscrupulously probing him. Maybe the other party didn’t know that David also had a sense of consciousness, so he didn’t hide it at all.

David narrowed his eyes slightly, and suddenly turned his head to look at the girl beside him. At this moment, the girl was also looking at David. Seeing David suddenly looking at him, the girl hurriedly lowered her head, and the sense of consciousness Also retreating quickly.

David's heart was full of astonishment. He didn't expect this girl to be an immortal cultivator. It seemed that there were far more hidden masters in Kyoto than he imagined.

"Chen...Mr. Chen, are you alright?"

Bai Zhantang looked confused, he didn't understand why David always looked at the girl beside him.

"It's okay, let's continue eating!"

David smiled slightly, and the two continued to eat.

At this moment, that Qin Gang also noticed the girl, with a lustful light flashing in his eyes, he got up and sat directly opposite the girl.

"Miss, why are you eating alone, without a boyfriend?"

Qin Gang looked at the girl with a wicked smile: "Do you mind if I eat with you, my name is Qin Gang, the second son of the Qin family.

"

Qin Gang stretched out his hand towards the girl, thinking of pulling the girl's hand.

The girl raised her head, just glanced at Qin Gang, then got up and walked out.

When Qin Gang saw this, he was stunned. He had approached a girl, and he had never been treated like this before. You must know that when the girls knew that he was the young master of the Qin family, they all cried and got into his arms.

Seeing that the girl ignored him and left, Qin Gang was instantly angry, got up and chased out.

Seeing this, David also got up in a hurry and said to Bai Zhantang: "You can eat by yourself, I still have something to do."

"

"Mr. Chen, what are you doing, do you want me to accompany you?"

Bai Zhantang thought that David was going after Qin Gang.

"No, don't follow me..."

David didn't let Bai Zhantang follow him. The girl was a cultivator. David didn't know if he was an enemy or a friend. If the other party was like the bull, he would go to the Dragon's house, and Bai Zhantang would only be unlucky to follow him, David said. There might be a chance to escape.

Now David is not sure who this girl is, but David intends to catch up, maybe he can learn some secrets of the immortal world in Kyoto from the girl's mouth.

After David chased out, he saw that Qin Gang was turning into a street with two of his men, and David followed directly.

When David just turned the corner, he saw that Qin Gang and two people had stopped the girl, and the girl's delicate body seemed very helpless in front of Qin Gang and them.

## Chapter 625

"Little sister, I just talked to you, didn't you hear it? I tell you, it's your blessing to be seen by me, what are you running for? Follow me, you can eat delicious and spicy food, I can also buy you a villa..."

Qin Gang stared at the girl with a pair of eyes, and there was a glint in his eyes.

The girl looked at Qin Gang like that, and hurriedly stepped back, but she was quickly stopped by the two men brought by Qin Gang.

The girl looked helpless, like a lamb to be slaughtered.

But the more girls are like this, the more excited Qin Gang behaves.

“Little sister, you can’t run away today, it’s better to be obedient, my brother’s hug makes you want to die...”

As Qin Gang said, he reached out and grabbed the girl.

“what...”

The girl screamed, stepped back, and pushed directly against the wall.

Seeing this, David wanted to rush out to help the girl, but after thinking about it, the girl can generate consciousness, and she is obviously a cultivator. How could she be afraid of an ordinary person like Qin Gang?

Even if Qin Gang brought his subordinates in the hands of two grandmasters, as a cultivator, it is impossible that even the grandmasters can’t deal with it?

Is she pretending? Pretending to show it to yourself, knowing that you are here?

David thought of this, and the legs he stepped out were retracted. He wanted to see why the girl pretended to hide her strength.

If the girl hadn’t used her divine sense to probe David, it would have been impossible for David to discover the identity of the female cultivator.

“Hahaha, it’s useless even if you scream, who dares to care about me?”

Qin Gang said proudly.

Seeing that Qin Gang's hand was about to grab the girl, and he was still grabbing at the girl's sensitive place, but at this time the girl hadn't even started, but there was fear in her eyes.

David frowned at the moment: "Am I wrong?"

David began to doubt himself. Could it be that this girl is not a cultivator, and the consciousness just now was not issued by a girl?

No matter what, David couldn't watch the girl being insulted by Qin Gang, so he planned to rush out.

But David hadn't moved when Qin Gang, who was grabbing at the girl, suddenly stopped, and then the whole person looked at the girl and smirked, and the slap in his mouth was all over the floor.

"Do you like me?"

There was no panic in the girl's eyes, but an indescribable charm instead.

"Like...hehehe..."

Qin Gang looked like a fool, watching the girl motionless.

When the two servants of the Qin family who followed Qin Gang saw this, they suddenly felt that something was wrong and hurriedly grabbed the girl.

But the same strange thing happened. I saw that these two master masters stopped all of a sudden after approaching the girl, and their eyes began to become dull, just like Qin Gang, they became dumbfounded.

"Do you two like me?"

The girl asked the two master masters.

"Like...hehe..."

The two master masters also said with a smirk.

“Oh, you all like me, it’s so difficult for me to deal with it, or you can duel, whoever wins, I’ll go with whoever...”

The girl said with an embarrassed look.

“it is good!”

The two master masters followed Qin Gang and nodded.

Qin Gang is an ordinary person, how could he be the opponent of the two grandmasters, but at this moment Qin Gang is not afraid at all.

Seeing this, the girl took two steps to the side, and then said, “Let’s start!”

As soon as the girl’s voice fell, she saw the two master masters of the Qin family drew their weapons at the same time and stabbed Qin Gang fiercely.

puff!

puff!

The two master masters stabbed one by one, only to see that Qin Gang was wearing a pair of crosses, Qin Gang didn’t even move, and died directly in their own hands.

This time, David was dumbfounded. He didn’t know what happened. How could the two servants of the Qin family kill their master in the blink of an eye?

## **Chapter 626**

Before David could react, the two master masters were fighting each other. The strength of the two was equal, so the fight was indistinguishable, but they all tried their best.

After more than a hundred rounds of fighting, the two master masters stabbed each other and died directly.

Looking at the three corpses on the ground, David could not have imagined that these people would kill themselves by themselves, and the girl did not do anything from beginning to end.

At this time, the girl looked at the place where David was hiding, and then said coldly, "Aren't you coming out yet?"

David saw that the other party had discovered him, so he could only dodge out and walk towards the girl cautiously, his eyes full of vigilance.

Seeing David's vigilant look, the girl gave a smirk, and the girl's smile seemed to be in full bloom, which instantly warmed David's heart.

"It was so dangerous just now, you watched me as a girl being bullied, but you didn't dare, you are so cruel..."

The girl pouted and said to David pretending to be angry.

David only felt that his heartstrings were being plucked by the girl, and that urge pervaded his whole body again.

"You...you are so beautiful..."

David's eyes when looking at the girl also became a little demented, and his expression looked a little silly.

Seeing David's expression, the girl laughed proudly, and brushed her hair with her hand: "Really? Am I really beautiful? Then why didn't you save people just now? Throw the body into the river for me, okay?"

The girl's coquettish tone made David uncontrollable, and nodded desperately: "Okay, okay..."

But just as David carried the corpse on the ground and was about to leave, the bloody aura rushed forward, a white light flashed in David's mind, and then David's eyes became clear, and the whole person was stunned on the spot, he didn't know just now. what happened.

Looking at the corpse on his body, David was shocked and hurriedly threw the corpse away. The spiritual power in his body erupted directly, and tightly protecting his body, David turned to look at the girl.

And the girl was stunned when she saw David suddenly throwing away the body and turned to look at herself. She didn't expect David to be able to wake up, which surprised her.

"Who are you? What did you do to me just now?"

David glared at the girl, his fists clenched tightly together.

The girl's surprised expression was only fleeting, and then she became charming and cluttered, twisting her body and walking towards David.

"Little brother, why are you so fierce? You scared me. I'm so scared. If you don't believe me, look at my eyes..."

The girl approached David as she spoke.

David just glanced at the girl's eyes, and the whole person fell into a sluggishness again, his clenched fists were loosened, and his mind was blank.

Seeing David becoming sluggish again, the girl snorted disdainfully: "Continue to finish what you haven't finished, throw away the body..."

"Yes!" David nodded, bent down and carried the body on his back again.

Just as David was about to leave with the corpse on his back, a dark shadow suddenly flashed past and went directly to David's side. A hand gently patted on top of David's head.

David's whole body twitched, and then he woke up. When he saw that he had carried the body on his back again, David's face changed dramatically.

He didn't know when he was, but he was confused and said that he was being controlled by the girl.

David hurriedly threw away the corpse, then looked at the people around him, and found that the person who came was the one who saved his life and gave him the Body Tempering Pill Long Wu.

At this moment, that Long Wuzheng looked at the girl with a cold face, and after seeing Long Wu, the girl hurriedly lowered her head and her expression became a little scared.

"Mei'er, how many times have I told you, don't mess around outside, or you will hurt yourself.

"

Long Wu reprimanded the girl.

## Chapter 627

"Uncle Long, these guys are all bad people, if I didn't kill them just now, they'd... just take me.

"

Wu Meier pouted and said.

"Sophistry, could David bully you too?" Long Wu glared at Wu Mei'er.

"I...I just heard Uncle Long say that he is very powerful, so I wanted to try it out, but I didn't expect it to be ordinary..."

Wu Meier looked at David with a bit of disdain in her eyes: "Also, this person has a very average character, just saw me being bullied, and doesn't even know how to help me.

"

David listened to the conversation between Long Wu and Wu Meier at the moment, and the whole person was stunned. It turned out that these two people knew each other, and this Long Wu often mentioned himself.

However, it seems that the two have no ill intentions towards themselves, and they are not trying to harm themselves.

Long Wu looked at David, he didn't believe that David was the kind of person who couldn't help him.

Seeing Long Wu looking at him, David hurriedly explained: "She just used her divine sense to probe me. I already knew she was a cultivator, so I didn't do it. I knew those people were not her opponents at all..."

When Long Wu heard this, his face instantly became even more ugly: "Mei'er, who asked you to use your divine sense on David? If you influenced his mind, it would be a big mistake.

"

Seeing Long Wu's expression, Wu Mei'er seemed to know that she was wrong, so she lowered her head and didn't dare to speak.

At this moment, there was a sudden sound of footsteps, Long Wu frowned, pulled up Wu Mei'er and David and said, "This is not the place to talk, someone is coming..."

David only felt his body tighten, and then a whistling wind sounded in his ears. When he reacted, he found that he had entered a small park.

David looked at Long Wu in surprise. Although David's speed is also fast in the eyes of ordinary people, compared with Long Wu, it is far behind.

"Why didn't you leave Kyoto?"

Long Wu asked David.

"I...I want to know my background!"

David didn't lie to Long Wu, because he knew his details, and Long Wu knew very well that there was no need to lie.

"You leave the capital immediately, don't stay here, it's too dangerous here, I didn't tell you, after July 15th, your life experience will naturally become clear.

"

Long Wu said to David.

"Then can I ask something else?" David knew that Long Wu would not tell himself about his life experience, but there were still many things that David wanted to know.

"As long as you don't ask about your background, feel free to ask what you want to know, but after asking, you must leave the capital today..."

Long Wu said with a solemn expression.

David nodded, and began to ask Long Wu what he didn't know about the Xiuxian world.

At that time, Ervin only taught David the cultivation method and brought him into the ranks of cultivators, but he didn't tell him about the world of cultivating immortals, so David was very curious about many things.

For example, it is extremely difficult to cultivate in your own realm, because there is too little spiritual energy in heaven and earth, and you need a lot of resources to cultivate, but how do people with a higher realm like Long Wu and others cultivate? How do other immortal cultivators in the cultivating world cultivate?

After all, resources are limited. Spirit medicines that are more than a hundred years old, and spirit stones are all very rare things.

And who is this girl? What kind of magic did you use to make yourself lose your mind for a moment, etc...

David kept asking dozens of questions, and directly confused Long Wu, while Wu Meier, who was on the side, covered her mouth and giggled.

"Your strength is not low now, and you even ask these childish questions. I really don't know how you cultivated..."

Wu Meier said sarcastically to David.

## Chapter 628

David was a little embarrassed when Wu Meier said it. These are naive questions to them, but David really didn't know.

"I understand your feelings, you are eager to know these, the questions you ask, you will understand soon yourself, and as for who she is, it has to be talked about many years ago..."

Long Wu pointed at Wu Meier and began to speak slowly to David.

David could see from Long Wu's eyes that he regarded Wu Meier as his own child.

After Long Wu's remarks, David realized that Wu Mei'er was originally an orphan and was adopted by Long Wu. When he grew up, Long Wu realized that Wu Mei'er was born with a charming body and could perform the magic of charm. Control people's minds.

Although Wu Mei'er is also an immortal cultivator, she does not know any other spells besides the spell of charm, not even concentrating. Warriors can deal with her.

Only then did David know that when Qin Gang stopped Wu Meier just now, Wu Meier's eyes showed panic, not pretending, but real.

Thinking of this, David felt a little embarrassed.

"Do you think that immortal cultivators will definitely be able to outperform warriors, warlocks, and a head above them?"

Long Wu asked David.

David nodded, in his opinion, immortal cultivators are indeed stronger than warriors and warlocks.

Long Wu smiled lightly: "Actually, there is no difference between monks and warriors, and there is no difference between warlocks. Some are just differences in realm. You are a monk now, but if you encounter a warrior among warriors, they can crush you with one finger. Do you say that monks are powerful or warriors are powerful? It's just that the ceiling of immortals is higher, and the end of monks is immortals. This is the ultimate dream of every monk..."

Speaking of the word immortal, Long Wu's eyes are full of endless outward and longing!

It can be seen that Long Wu also wants to become a real immortal.

"Immortal..." David muttered to himself. Although he practiced hard, he never thought that he would become an immortal.

At the beginning of his cultivation, he just wanted to do what he promised the old master, and wanted to know what would happen on July 15th.

He didn't even have the idea of becoming an immortal, and he didn't even know whether the so-called cultivation could become an immortal.

"Don't think about it so much. You are now putting more energy into cultivation, but in such a short period of time, you can actually reach the realm of bigu, which is really beyond my expectations..."

Long Wu looked at David with satisfaction, and suddenly punched David in the abdomen.

David was caught off guard, his body flew upside down, and then slammed into a big tree. The huge impact force directly knocked down the big tree.

David was beaten by Long Wu, and he didn't understand why Long Wu said it well, so what if he said he would do it?

After rubbing his abdomen, David walked back. Just now, Long Wu's punch did not cause any damage to David. Now David's body has been tempered and terrifying.

Wu Mei'er on the side was surprised when Long Wu suddenly made a move on David, making her a little overwhelmed.

"Yes, your current body is only worthy of your current strength, and it's not in vain for me to waste a Body Tempering Pill..."

Seeing that David came over unscathed, Long Wu nodded happily and said.

When David heard it, it turned out that Long Wu was trying to test how well his body was tempered, so he punched him.

"Uncle Long, you... have you given him the Body Tempering Pill? That's what you've worked so hard to get..."

Wu Mei'er said in surprise when she heard that Long Wu gave David the Body Tempering Pill.

## Chapter 629

"Shut up!"

Long Wu glared at Wu Mei'er, obviously not wanting David to know the preciousness of the Body Tempering Pill.

After listening to David, he looked at Long Wu with a face full of surprise. He always thought that the body quenching pill could be refined easily for a monk like Long Wu. He didn't expect that this body quenching pill was also made by Long Wu with all his efforts. , but gave it to himself.

At this moment, David knew that this Long Wu must have some kind of connection with him, or even his own relatives. Thinking of this, David's eyes looking at Long Wu were full of excitement.

"You already know what you should know. Leave Kyoto immediately. Before landing on the unknown island on July 15, you are not allowed to come to Kyoto for half a step..."

Long Wu said to David.

David opened his mouth and wanted to say something, but Long Wu took Wu Meier and left, and in the blink of an eye he disappeared from David's sight.

Looking at Long Wu's disappearing back, David was stunned for a while before turning around and leaving. After finding a taxi, he planned to go back to Horendel directly.

Long Wu was so anxious to let himself go. David knew that he was staying in Kyoto, and he would definitely be in danger. With his ability, it seems that it would be very difficult for him to make a name for himself in Kyoto. A girl with chicken power, she only uses charm to make herself obey her words. If she encounters other masters, David has no room to struggle.

Sitting in the taxi, watching the high-rise buildings on both sides passing by, David secretly swore in his heart: "Kyoto, I will definitely come back..."

David's life experience is buried in Kyoto, so David will definitely come back.

At the same time, in the Qin family's compound, three corpses were placed in the middle, surrounded by many Qin family members, and a woman was lying on Qin Gang's body crying bitterly.

"Son, you died so miserably, why did you die? Tell your mother, who killed you, and I will definitely avenge you..."

The woman was Qin Gang's mother. Seeing Qin Gang's tragic condition, she cried to death.

At this time, Qin Xiaotian looked at his son's body, his body was shaking uncontrollably, and his eyes became scarlet.

"Who, who? Who killed my son..."

Qin Xiaotian roared, his murderous aura shrouded the entire courtyard, so frightened that the servants of the Qin family did not dare to speak, and lowered their heads one after another.

"Third Master, I have investigated. At that time, the young master met Bai Zhantang and David at dinner, but according to the store owner, the young master went out after a girl, and David also followed him out before finishing his meal. Only Bai Zhantang was left in the hotel, so the young master was probably killed by that David..."

The housekeeper walked to Qin Xiaotian's side and whispered.

Hearing the words of David, Qin Xiaotian's teeth rattled: "It's this David again, this time I won't kill him, I, Qin Xiaotian, swear not to be human..."

"Third Master, David's strength is not weak, and now he has escaped from Kyoto, otherwise we should wait for the master to leave the customs and then talk about it..."

The housekeeper persuaded Qin Xiaotian.

"Even if he escapes to the ends of the earth, I will tear him to pieces..."

Qin Xiaotian was full of murderous aura, and slowly took out a key from his pocket.

After seeing the key, the butler's face changed suddenly: "Third Master, you... Are you going to release the Four Great Diamonds?"

"Yes, this time I want that David to pay for my son's life..."

After Qin Xiaotian finished speaking, he glanced at Qin Gang's body again, turned and walked towards the backyard.

Seeing this, the butler was so frightened that he hurriedly stepped forward to stop Qin Xiaotian: "Third Master, you have to think clearly, only the Master can control the Four Great Kings. If you let them go, once they become arrogant, the entire Qin family will suffer..." "

## Chapter 630

"Go away..." Qin Xiaotian kicked the housekeeper away: "I have the medicine left by my eldest brother, which specializes in controlling the Four Great Diamonds. When my eldest brother was in retreat, he said that if my Qin family suffered a disaster, I could take the four great King Kong released it!"

Qin Xiaotian didn't listen to the housekeeper at all, and went straight to the backyard.

After being kicked by Qin Xiaotian, the housekeeper became a lot more honest, he could only sigh, and followed closely behind.

Going all the way to the deepest part of the backyard, there is a separate courtyard, the gate is tightly locked, and the lock above is also rusted, obviously it has been locked for a long time.

Looking at the courtyard in front of him, Qin Xiaotian stood there for a while, then he gritted his teeth and took out the key to unlock the door.

squeak...

The heavy door was pushed open, and then there was a roar from the courtyard room, as well as the clattering of iron chains.

Qin Xiaotian strode to the door of the room, opened a lock again, and pushed open the door of the room himself.

As the sun shone, the dimly lit room instantly became brighter.

At this moment, in the room, four unkempt fellows were being chained by iron chains. When they saw someone coming, all four fellows rushed over with scarlet eyes, but they just took two steps before they were pulled by iron chains. , cannot go one step forward.

"Eat, give me something to eat..."

A guy bared his teeth and roared at Qin Xiaotian.

The other three guys also looked at Qin Xiaotian with a ferocious expression, all of them like hungry beasts.

Qin Xiaotian took out a handful of jelly beans from his pocket and threw it directly at the four guys.

Seeing this, the four guys hurriedly picked them up and stuffed them into their mouths.

Soon, after eating what Qin Xiaotian gave, the four guys who were originally manic slowly became quiet.

The scarlet in his eyes receded, and they looked at Qin Xiaotian dumbly.

Seeing this situation, Qin Xiaotian waved his hand and said, "Go and open their chains..."

"Third Master!" The housekeeper was embarrassed and a little scared in his heart.

"Open..."

Qin Xiaotian slammed, took out the soft sword from his waist, and put it directly on the butler's neck.

The butler felt the slightest chill on the blade, so scared that he didn't dare to speak, he walked over tremblingly, and untied the chains of the four guys.

Without control, the four guys didn't even move. They all quietly waited for Qin Xiaotian to give orders. Seeing this scene, the housekeeper was relieved.

"You come with me..."

Qin Xiaotian said to the four guys.

"Yes!" The four guys nodded and followed Qin Xiaotian out of the room.

Four unkempt, ragged guys followed Qin Xiaotian out, which made many Qin family members feel very curious, and many people watched secretly.

Except for some high-level leaders of the Qin family and the owner of the family, the Four Great Kings don't know about them. Even Qin Gang, the young master of the Qin family, doesn't know about the existence of the Four Kings. Qin Feng knows that, in order to deal with David, he also wanted to release the Four Great Diamonds privately, but was stopped by Qin Xiaotian.

And now, Qin Xiaotian did not expect that he would be forced to use the Four Great Kings.

...

In Kyoto, on the winding mountain road out of the city, the taxi driver chatted with David enthusiastically. Today is a big order. The fare from Kyoto to Horendel will cost more than 3,000, which makes the taxi driver very happy.

"Young man, what business do you do? Not many people take a taxi from Kyoto to Horendel..."

After all, the fare of several thousand yuan is definitely reluctant for most people.

"Do your own business..."

David smiled and said casually to the taxi driver.
