

# A Man Like None Other

## Novel

### Chapter 701

Soon, Long Wu pulled Wu Mei'er away from the girl, and then looked at Wu Mei'er with a puzzled expression: "Mei'er, you haven't seen your own family, how do you know she is your sister?"

Wu Mei'er looked at Long Wu, and said with a confused expression: "I...I don't know either. I just saw her and I felt very close, and I couldn't help calling out to my sister..."

Long Wu looked at the girl again, and said with a serious face: "Girl, what's your name? Where are you from? Who are your parents? Did you know you have a twin sister?"

The girl shook her head and said, "My name is Xiaolan, I don't know where I am from, I haven't seen my parents since I was a child, I was raised by my foster father, and I don't know that I have a sister, but... ..just that blood-connected feeling just now made me feel warm inside.

"

"Who is your foster father? Why do you want to arrest me?" David hurriedly asked Xiaolan at this time.

Xiaolan looked at David vigilantly, but did not speak.

Seeing this scene, David anxiously wanted to step forward to grab Xiaolan and question him, but as soon as he stretched out his hand, Wu Meier stopped him: "What do you want to do?"

"Of course I have to ask why she killed me. I can't be hunted down for nothing..."

David said with a displeased expression.

After all, no one is happy to be attacked for no reason.

"You can't touch her, she's my sister..."

Wu Mei'er firmly blocked Xiao Lan behind her.

"You guys just look alike, how can you be sure that she is your sister? Even if she is your sister, if she attacks me, I can't fight back?"

David questioned Wu Meier.

"I don't care, I'm just sure she's my sister, you can't touch her..."

Wu Mei'er pouted, although she had no ability to fight with David other than charm, but at this time Wu Mei'er did not flinch.

Seeing this, Long Wu said to David: "David, don't ask for now. When we figure out their identities, come out with me first..."

Long Wu called David to the living room, only Wu Meier and Xiaolan were left in the room.

"I'm asking Ding Busan what's going on now, Meier was handed over to me by him..."

Long Wu said, took out his mobile phone to contact Ding Busan.

Hearing this strange name, David asked very strangely: "Uncle Long, who is this Ding Busan? Why did you pick up Meier and give it to you?"

Long Wu explained to David while dialing: "This Ding Busan is one of the four villains in the villain's valley, Meier is a baby or a girl, they can't raise it in the villain's valley, because Ding Busan and I There is some friendship, so he entrusted Meier to me to raise..."

"The Valley of the Wicked?" David frowned upon hearing this: "Are all the vicious people in this Valley of the Wicked?"

Long Wu smiled and shook his head: "Those who are afraid of them call them evil people, but those who like them regard them as righteous people. I feel that these guys in the Valley of the Wicked are just punishing evil and promoting good. It's just a little old man, but his temper is a little weird..."

David wanted to ask something else, but the phone was already connected at this time.

"Long Wu, why did you remember to call me so early? Have you been chased by the Long family again? How many times have I told you that the Long family is chasing you, that's your Dragon family's business, I There is no way to control it, and there is no reason to control it, but if you join our Valley of the Wicked, then the Valley of the Wicked will have a reason to protect you, and the Long family will not dare to do anything to you..."

A lazy voice came from the opposite side, yawning, and it seemed that he hadn't woken up yet.

"Ding Busan, I'm not being hunted down, so don't persuade me to leave the Long family. My Long Wu's life was saved by the old master of the Long family, so I was born as a dragon family, and died as a ghost of the Long family. I can't. Joining you in the Valley of the Wicked..."

Long Wu firmly refused.

# Chapter 702

"Long Wu, you are a stubborn guy. The current Long family has changed a long time ago. Where is the Long family that you used to be loyal to? I heard that a young master suddenly appeared in your Long family. Now the Long family has released a chase. Killing order, the reward is three spar, if it wasn't for your friendship with Long Wu, I would fcking want to take the mission, and your eldest lady..."

"Okay, I'm calling you because I have something to ask you. Don't be naughty. You shouldn't interfere in the affairs of the Long family..."

Seeing that Ding Bu was babbling, Long Wu hurriedly interrupted him, and glanced at David secretly. Obviously, there were some things he didn't want David to know yet, but Long Wu was scared by the Long family's great work. After a jump, in order to catch David, the Long family was willing to take out three spar.

You must know that spar is a cultivation resource that immortal cultivators must use. It is hundreds of times more advanced than Lingshi. A single Lingshi is enough for a monk like David to practice for a year or more.

However, when David listened to Ding Busan's words, he seemed to understand something, but he didn't fully understand it. There were still many mysteries in his heart. Now he can only wait until July 15th to talk about it.

"What's the matter, just ask, I know everything and I can't say anything..."

Ding Busan said.

"Do you still remember Wu Mei'er?" Long Wu asked.

"Wu Mei'er?" Ding Busan hesitated for a while, but didn't say anything, obviously he didn't remember.

"It's the baby girl you picked up twenty years ago, and handed it over to me to raise..."

Long Wu said.

"Oh, come to think of it, why did you think of asking her? Did something happen?"

Ding Busan said aloud.

"Where were you when you found Meier? Was Meier on the side of the road by herself? Did you see her parents? Do you know where her home is?"

Long Wu asked several questions in one breath.

Ding Busan thought about it and said, "When I found this girl, her parents were still holding her. Her parents gave it to me. I didn't want to come at that time, but her parents knelt down and begged me to take her daughter. The baby took it away..."

When Long Wu heard this, he became anxious and asked loudly, "Didn't you fucking say she is an orphan? Why did her parents give it to you?"

At that time, Ding Busan said that Wu Meier was an orphan, so Long Wucan agreed to adopt it. If he knew that Wu Meier had parents, Long Wu would return Wu Meier to her parents. Long Wu is a big man, and it is inconvenient to take care of him.

"Look at you, why are you in a hurry? She is an orphan. After her parents gave me the children, they all died..."

Ding Busan explained.

"Dead? How did you die? Aren't you the so-called divine doctor? Without someone you couldn't save, how could you still watch two people die?"

Long Wu looked puzzled.

“When I saw the girl’s parents, her parents were already too poisoned. Even if Daluo Jinxian came, they wouldn’t be able to save her. What’s more, her parents were bee venom from Miao Village. How can I save them?”

Ding Busan said very displeased.

“Miao Village’s bee venom? Could it be that Miao Village killed Mei’er’s parents?”

Long Wu frowned slightly.

“Then I don’t know. I saw that the girl’s parents were dead, so I buried them and gave the girl to you!” Ding Busan said, suddenly yawned and said, “I haven’t slept yet. Wake up, I’m so sleepy, I’m going to go back to sleep...”

With that said, Ding Busan hung up the phone.

Long Wu held the mobile phone and was stunned on the spot. Since Wu Meier’s parents were infected with the bee venom from Miao Village, it must be someone from Miao Village who killed her parents, and they all knew that the poisonous bees in Miao Village were extremely powerful. , It is extremely toxic, but it is very troublesome to raise these poisonous bees, so Miao Village rarely uses poisonous bees.

## Chapter 703

After all, after the poisonous bee shoots its own poisonous needle, it will die along with it, and it needs to be retrained.

“Uncle Long, that Xiaolan is very likely to have something to do with Miao Village. In addition to her skills in charm, she can also emit poisonous gas. Fortunately, my current condensing art can absorb and refine everything, so I am not afraid of poisonous gas...”

David said to Long Wu.

“Let’s go, let’s go and ask and see what the origin of this Xiaolan is...”

Long Wu also felt that it was necessary to find out about Wu Mei’er’s life experience, and this was also an opportunity.

When David and Long Wu walked into the room, they found that Wu Meier was sitting with Xiaolan. The two of them were chatting and laughing. They didn’t seem to be strange at all, as if they had known each other for many years.

Seeing David and Long Wu come in, Xiao Lan immediately put away her smile and closed her mouth.

“What’s your relationship with Miao Village?”

As soon as he entered the door, Long Wu asked Xiaolan.

Seeing Long Wu asking about Miao Village, Xiao Lan kept her mouth shut and said nothing.

Wu Mei’er said at this time: “Sister, this is Uncle Long. I was adopted by him since I was a child. He is very good, just tell him...”

Wu Meier made such a request, Xiaolan looked at Wu Meier, and then said, “The Miao King of Miao Village is my adoptive father, and I grew up in Miao Village.

”

Xiaolan’s words surprised Long Wuyi. If Wu Meier and Xiaolan were really twins, and their parents died from Miao Village’s bee venom, how could the Miao Village people adopt Xiaolan? ?

"It turns out that you were sent by King Miao. I saw that King Miao wanted to take revenge on his adopted son..."

When David heard that Xiaolan was sent by King Miao, he immediately understood. After all, he killed King Miao's adopted son Qian Feng, and also destroyed Xuanyue Valley, where Miao Village was managed with great difficulty outside. King Miao It makes sense to find someone to deal with him.

Xiaolan raised her head and glanced at David, showing a sneer: "There are dozens of adopted sons of the adoptive father outside, what can one Qian Feng be, they are just the pawns of the adopted father, in order to provide the Miao Village with herbs and herbs. For resources, there is no use value, and if they die, they will die, how can the adoptive father avenge them..."

"Since it's not for Qian Feng's revenge, why did you send you to deal with me?"

David asked with a puzzled expression.

"This is the secret of Miao Village, I won't tell you..."

Xiaolan said firmly, it seems that even if David did it, she would not say anything.

"Meier, do you know how your parents died?"

At this time, Long Wu asked Wu Mei'er.

Wu Mei'er was startled: "Uncle Long, didn't you say I was picking up orphans on the roadside? Have you met my parents?"

Because Long Wu never mentioned his parents with Wu Meier.

Long Wu shook his head: "I haven't seen it, but when Ding Busan picked you up, he saw your parents, and it was your parents who begged Ding Busan to

let him take you away, and yours Your parents were killed by bee venom from Miao Village, and Ding Busan buried your parents...”

Hearing Long Wu say that his parents were killed by bee venom from Miao Village, Wu Mei'er couldn't help but look at Xiao Lan.

Xiaolan was also surprised, and hurriedly got up and said: “Impossible, only King Miao can drive the poisonous bees in Miao Village, and King Miao would not use poisonous bees easily, how could our parents be caught in Miao Village? Bee venom? If King Miao really killed our parents, why did you raise me so big?”

Xiaolan was already convinced that she and Wu Meier were sisters, so Wu Meier's parents were of course her own.

But she couldn't believe that her parents would die from bee venom from Miao Village.

## **Chapter 704**

If that's the case, why did King Miao still adopt him and raise him so big.

Wu Mei'er also felt that it made sense, so she looked at Long Wu, hoping that Long Wu could explain it, but unfortunately Long Wu couldn't explain it either.

“This is what Ding Busan told me, so I can only tell you the truth. As for whether you believe it or not, you can only judge for yourself...”

After Long Wu finished speaking, he walked out of the room, because he really couldn't confirm what he said.

Seeing this, David also followed and walked out. After a while, Wu Meier followed Xiaolan out, but Xiaolan's face was obviously not very good, and the whole person fell into deep thought.

Maybe you are still thinking about Long Wu's words, is it credible!

Wu Meier had some confidence in Long Wu's words. Although Ding Busan was called a villain, he never told a lie. Since Ding Busan said it, it should be correct.

Just when a few people were silent in the living room and the atmosphere was a little depressed, suddenly the door of the villa was pushed open, and then Sonya and Gu Linger came in.

"David, didn't you have a good time last night..."

As soon as she entered the door, Sonya asked loudly, her tone full of sourness.

Hearing Sonya's words, Long Wu and Wu Mei'er looked at David together. Only then did the two discover that Xiaolan's clothes were torn a lot, and the buttons on the clothes were missing, and Xiaolan was always using her hands Grab your clothes.

Even so, there are still large areas of snow-white skin exposed, and it is obvious that Xiaolan's clothes have been violently damaged.

"David, you big pervert, what have you done to my sister?"

Wu Meier suddenly ran wild, questioned David, and even stepped forward and punched David fiercely, but she didn't have the energy, so the punch didn't hurt at all, but it was because the force was too strong that David was forced to punch. His body was so shaken that his hands were shaking.

"You're crazy, I didn't do anything to your sister, she wanted to seduce me with charm, and I didn't fall for it..."

David explained.

At this time, Gu Linger and Sonya looked at Wu Meier and Xiaolan who were exactly the same. They were stunned. It turned out that there were people who

looked exactly the same. It seemed that they really misunderstood David last night.

"Nonsense, look at what my sister's clothes look like, how dare you say that you didn't do anything to her? You are clearly a big pervert, you are not satisfied with having two women, and you even attacked my sister. Squinting eyes is not a good thing..."

Wu Meier didn't believe what David said at all. She stubbornly believed that David must have done something to Xiaolan, otherwise the clothes would not have been like that.

David was about to continue to explain, but Sonya stepped forward and said, "How many women does David have? What's your business? Why do you call him a big pervert? I'm David's girlfriend, and I can prove him. Neither did.

"

"David is not a big pervert. You are slandering him. David is a decent gentleman. When I fell naked in his arms, David didn't do anything wrong to me. Does it prove that he might be a big pervert?"

Gu Linger was standing on Sonya's side at the moment, refuting Wu Meier.

Just after Gu Linger finished speaking, she suddenly felt as if she had said the wrong thing, while Sonya looked at Gu Linger in shock: "Linger, when did he see you all? Why didn't I know?"

Gu Ling'er's face turned red, and she didn't know what to do with embarrassment.

When Sonya looked at David, David also turned his head aside and pretended not to see it. After all, how would he say such a thing?

Long Wu on the side saw David like that, with a playful smile on his face. He knew that the hero was saddened by the beauty pass, but fortunately, the cultivator can marry multiple wives, so it depends on David's ability.

## Chapter 705

"Hmph, that's because you have no charm, David is a big pervert, or why is my sister's clothes like this?"

Wu Meier snorted coldly at Gu Linger.

When Gu Linger heard that Wu Meier said that she was not attractive, she didn't care about being embarrassed, she instantly said with anger: "Who said I was not attractive? If you don't believe me, ask David, who of us is attractive..."

Gu Linger's words instantly made several girls look at David, which made David panic.

Feeling the gazes of several girls, David's face was helpless, and he could only look at Long Wu with help-seeking eyes, hoping that Long Wu could relieve himself.

Long Wu hehe smiled, but looking at David's pitiful appearance, he could only stand up and say, "Mei'er, don't make a fool of yourself, what did David do to your sister, he is still a young man, and he has never touched her before. Woman, how could it be possible to touch your sister..."

Hearing what Long Wu said, Wu Mei'er looked at David in surprise.

After all, David lived together with Sonya and Gu Linger. It was impossible for a man to stand guarding these two girls. He didn't expect David to do nothing.

"No wonder you can resist the charm, so you can't..."

Wu Mei'er said with a bit of sarcasm in her eyes.

Don't let David get angry with this sentence, he really cleaned up Wu Meier face to face, and let her see if she can do it.

But in front of so many people, David could only swallow his anger and say nothing.

After all, they all quieted down, while Sonya looked at Long Wu and asked David, "David, who is this person?"

Sonya has never met Long Wu, so she doesn't know him.

"Oh, I forgot to introduce, this is Uncle Long, if it weren't for him, I'm afraid I wouldn't be able to see you back from Kyoto, and the bronze mirror for protecting the heart and the pill for washing marrow were all given by Uncle Long.

"

David hurriedly followed Sonya's introduction.

When Sonya heard this, she hurriedly smiled at Long Wu and said, "Hello, Uncle Long..."

Long Wu also nodded with a smile, and looked at Sonya: "Have you already eaten the Xisui Dan?"

"Well, I've eaten..." Sonya nodded.

"Come here, I will teach you a set of exercises. You can practice it yourself when you are free. Whether you can succeed or not depends on your own good fortune..."

Long Wu waved to Sonya.

Sonya walked over in a hurry, and Long Wu directly put his right hand on top of Sonya's head.

A wave of spiritual power entered Sonya's head from Long Wu's right hand. Sonya only felt that her brain was blank, and then a set of four-character exercises kept flashing in her mind.

After just ten seconds, Long Wu retracted his hand, while Sonya widened her eyes in shock.

Because she found out that there were so many things in her mind before she knew it.

This is simply amazing.

If you can instill knowledge into your brain like this when you go to school, wouldn't you be a scholar?

Looking at Sonya's shocked look, Long Wu smiled lightly: "You try to follow what the exercises say, and try it yourself..."

"Yeah!" Sonya couldn't wait to sit on the sofa, her eyes closed slightly unconsciously, and then she began to adjust her breathing according to the exercises.

As Sonya's breathing became weaker and lighter, aura began to slowly permeate towards Sonya's body.

"Sure enough, a good seedling..."

When Long Wu saw that Sonya started to practice, he sensed the existence of spiritual energy and absorbed the spiritual energy into his body, which was incredible.

But soon, everyone found that Sonya's breathing became weaker and weaker, and Sonya's face began to turn red, and then the whole body's skin became red.

## Chapter 706

The temperature of the entire living room was rising at an extremely fast rate, as if a large stove was being built, causing everyone to hurriedly stay away from Sonya.

"fire Fire..."

At this moment, Gu Linger screamed.

It turned out that Sonya was sitting on the sofa below, and because the temperature was too high, thick smoke began to rise.

Seeing this, David hurried up and wanted to take Sonya away, but just touched Sonya's body, David immediately retracted his hand, because he found that Sonya's body was really hot, like it was burning red Iron plate in general.

"Sonya, Sonya, it's on fire, get up..."

Gu Linger shouted at Sonya, but Sonya seemed to have not heard it.

David was a little panicked at this time, and looked at Long Wu, wondering what was going on and what kind of exercises Long Wu passed on to Sonya.

I saw Long Wu's brows furrowed, and suddenly bursts of cold light erupted from his body, and his hands began to take cold air, and soon there were frost on his hands.

"You all get out of the way, I'll try it with my Frost Palm..."

Long Wu said, and with his frosted hand, he stepped forward and picked up Sonya.

呲呲呲...

As soon as Long Wu's hands touched Sonya, there was a sound of ice cubes hitting the flames and then the water mist rose.

Long Wu gritted his teeth and moved Sonya to a place, and at this moment the sofa began to burst into flames.

David hurriedly extinguished the flames with water, and then looked at Sonya who was still closing his eyes, feeling extremely anxious.

"Uncle Long, what happened to Sonya?"

David asked anxiously.

Long Wu shook his head: "I don't know either. What I taught her was just a very ordinary exercise. How could it be like this?"

Even Long Wu didn't know what was going on, which made David even more anxious.

But at this time, the temperature in the living room was getting higher and higher, it was like being in a big stove, and finally Wu Meier, Gu Linger and Xiaolan couldn't stand it anymore and ran outside.

At this moment, the three of them were sweating profusely, while David and Long Wu desperately resisted the heat wave with their spiritual power, staring closely at Sonya.

Although it was so hot, there was not a trace of sweat flowing out of Sonya's face, and there was nothing wrong with her whole body except that her skin became red.

Suddenly, Long Wu's eyes widened, and he suddenly took a breath: "I see, this... is this the legendary fire spirit body?"

"Fire Spirit Body?" David was stunned, looking at Long Wu with a bewildered face.

Looking at David's confused face, Long Wu explained: "The fire spirit body is also a kind of physique, but people with this physique are extremely rare, and people with this physique can practice the exercises faster than Ordinary people are much faster, and more importantly, people with fire spirit bodies. After stepping into the world of immortality, their bodies will not be afraid of flames. Even in the raging fire, they will not feel the heat. Physically..."

Listening to Long Wu's explanation, David seemed to understand something, nodded and said, "It's like a person with ice crystals, after stepping into the immortal world, he is not afraid of severe cold, is that so?"

David knew about ice crystals, because Xiaoru, the daughter of a virtuous Taoist priest at that time, was an ice crystal, but Xiaoru did not step into the world of immortality, so her body was disturbed by the cold air, and she needed a seven-star plate to help absorb the coldness from her body. gas to survive.

But David never thought that Sonya was actually a fire spirit body, but he had never seen anything strange about Sonya.

"This fire spirit body is several times more powerful than ice crystals, as well as the natural charm body like Mei'er and her sister, which are all special physiques, but the natural charm body is relatively useless, and it doesn't help much in cultivation, ice crystals Your cultivation speed will also be much faster, Xiaoru cultivated later than you, but with your current strength, I am afraid that you are no longer invincible..."

Long Wu followed David and said slowly.

# Chapter 707

When David heard Long Wu mention Xiaoru, he was stunned for a moment, and his face was puzzled: "Uncle Long, you...how do you know Xiaoru? How do you know that she is an ice crystal? Have you entered the Immortal Realm?"

David's series of questions directly made Long Wu feel that he unknowingly said the wrong thing, and he even told Xiaoru's matter.

"Don't ask. When July 15th arrives, you will know all the questions you want to know. Now let's see when your girlfriend wakes up..."

Long Wu did not continue to talk to David, there are some things he can't let David know now.

David saw that Long Wu was no longer talking, and he did not ask any further questions. Since he knew everything on July 15, he was not afraid to wait for more than ten days.

Half an hour later, Sonya slowly opened her eyes, and as Sonya woke up, the temperature in the living room instantly returned to normal.

But Sonya was stunned when she saw that the sofa was in a mess: "This... what's going on? Why is it on fire?"

"Oh, I just accidentally ignited it by smoking!" David did not tell Sonya the truth, but lied, he was afraid that Sonya would have a hard time accepting it.

After all, Sonya has always felt that she is a normal person for so many years, but now she suddenly told her that she is a fire spirit body, and she is different from normal people, so it is difficult for her to accept it.

What's more, Long Wu is only guessing, and he is not completely sure that Sonya is a fire spirit body. It is too early to tell Sonya.

"Sonya, how did you feel when you just practiced the exercises?"

Long Wu asked Sonya.

Sonya frowned slightly, thought for a while and said, "I don't feel anything, but it seems to be very hot..."

"Have you ever felt a bulge in your belly? Does it look like there's something in it?"

David asked hurriedly.

If Sonya could feel her dantian and the movement of spiritual energy in her first practice, it means that Sonya has successfully stepped into the world of immortality.

When Sonya heard David's question, her face immediately turned red and she said, "What are you talking about? You have something in your lower abdomen, and I'm not pregnant, where did it come from..."

Hearing Sonya's words, David was speechless for a while, while Long Wu laughed: "David, don't worry too much, if you can feel the existence of Dantian the first time you practice the exercises, it's like nothing in a thousand miles. All right..."

At this time, seeing Sonya awake, Gu Linger and Wu Meier also came in.

Gu Linger asked Sonya a few words with concern. Seeing that Sonya was all right, she was relieved, but she looked at Sonya with envy in her eyes.

She knew that the reason why Long Wu passed the exercises to Sonya must be looking at David's identity. After all, Sonya is David's recognized girlfriend.

And I am nothing, so I will not practice the exercises.

Long Wu observed Gu Linger's thoughts, so he said to Gu Linger: "Miss Linger, this is just an ordinary condensing qigong method, when the time comes, let Sonya tell you, the two of you will practice together. Can..."

"Can I cultivate too?" Gu Linger was overjoyed!

"Of course I can. After you have practiced this common Qigong technique, I will teach you more advanced techniques. After all, you are all David's women. If you are stronger, you can still help David. ..."

Long Wu smiled faintly.

But when Gu Linger heard that it was David's only woman, Teng's face turned red, and she was a little overwhelmed.

And David glared at Long Wu. He was sure that Long Wu said this on purpose. Isn't this causing trouble for him!

But Sonya didn't react and didn't say anything!

## Chapter 708

In fact, in her heart, there is no objection to having another Gu Linger between her and David. After all, she and Gu Linger are good best friends. When the time comes, the three of them will really be together, and she will have a partner.

Although Sonya accepts Gu Linger, it does not mean that she accepts other women. If it was the Wu Meier sisters, Sonya would definitely object.

The atmosphere fell into embarrassment for a while, and at this time Xiaolan suddenly screamed, and then pressed her hands tightly to her head, her expression became a little painful.

"Sister...Sister...what's the matter with you?"

Seeing this, Wu Meier hurriedly supported Xiaolan and asked.

"The foster father is calling me, I want to contact the foster father..."

Xiaolan frowned and said with a look of bewilderment.

In this situation, she didn't know how to report to King Miao. If she told the truth, with King Miao's character, she would definitely die tragically.

But if she deceives King Miao, it won't take long for King Miao to know. After all, she doesn't have the ability to bring David back now.

"Sister, don't go back to Miao Village if you want to. Whether or not your parents were killed by Miao Village, we'll talk about it after we investigate clearly..."

Wu Meier didn't want Xiaolan to go back to Miao Village. If her parents were really killed by people from Miao Village, then Xiaolan would recognize a thief as her father.

"No, if I don't rush back within the stipulated time, the foster father will urge the Gu worm, which will make me feel very uncomfortable. If the time goes on, if the Gu worm dies, my life will be gone..."

Xiaolan shook her head. Many people in Miao Village were basically controlled by King Miao using this method.

"It doesn't matter, Uncle Long can help you force the Gu worm out. Uncle Long is a great cultivator..."

Wu Meier persuaded Xiaolan,

Xiao Lan still shook her head: "My foster father has raised me for so many years, I can't just leave him like this..."

"Sister, what would you do if your parents were really killed by people from Miao Village? Do you recognize the thief as your father? Also, King Miao asked you to arrest David. Now that you can't go back to David, what kind of punishment will you receive? ah?"

Wu Meier anxiously discouraged Xiaolan from going back.

Xiaolan was silent for a moment, and then said lightly: "I will ask my foster father about my parents. As for I can't take David back, my foster father has raised me for so many years, and I believe he will not treat me like that. .

"

Xiaolan is still stubbornly wanting to go back to Miao Village, after all, she grew up in Miao Village since she was a child.

"Ding Busan won't lie. Since he said that your parents had Miao-zhai bee venom, it must be that it would be very dangerous for you to go back and ask like this..."

Long Wu said to Xiao Lan.

"I have to go back and ask about the danger..."

Xiaolan seems to have made up her mind!

"I'll go back with you..." David suddenly stood up and said.

"David, you're crazy, aren't you asking for a dead end?"

Sonya said anxiously when she heard that David was going to follow Xiaolan to Miao Village.

"Since that King Miao wants to deal with me, even if he escapes this time, there will be another time. I might as well go to Miao Village to meet him. This

King Miao is not as strong as Qin Xiaolin. Qin Xiaolin was killed by me. What is King Miao afraid of..."

David said indifferently.

Xiaolan looked at David blankly. She didn't expect that David would take the initiative to stand up and go back to Miao Village with her.

"Don't underestimate the strength of the foster father. Although he only has the strength of a great master now, he is good at using poison, and...and..."

Xiaolan hesitated for a while, but did not continue to speak. It seemed that King Miao still had some secrets in his hands, and Xiaolan did not dare to reveal it.

"I am invulnerable to all kinds of poisons, there is nothing to be afraid of, just take me away..."

Another important reason why David asked Xiaolan to take him to Miao Village is that the poisons in Miao Village are good cultivation resources for David.

## Chapter 709

He was really afraid that King Miao would not use poison on him. It would be better to use all the poisons in Miao Village on him. In this way, he would be able to inhale the poisonous gas into his body and use the Concentration Technique to transform it into spirit. Store up your strength and increase your strength.

"David, are you crazy?"

Wu Mei'er also looked at David puzzled.

Only Long Wu had a slight smile on his face. He understood what David meant, so he said, "David can go to Miao Village, just to deal with the matter, so that there will be no trouble in the future..."

Seeing that Long Wu said so, the others didn't say anything.

Xiaolan looked at David and said slowly, "Miao Village is not as simple as you think, you'd better think about it..."

"Don't think about it. If I don't go with you, you know what punishment you will face when you return to Miao Village. Don't tell me that Miao Village is a kind of good man and a woman. I don't believe it..."

David said firmly.

Xiaolan didn't expect that David was thinking of herself, so she took the risk, and after a moment of silence, she said, "I tell you, this time my foster father asked me to bring you back alive, in order to practice the corpse king and practice the corpse king. The corpse king needs to throw the living person into a room full of poison, and then be bitten by all kinds of highly poisonous things. He needs to be locked in it for seven days. If he can still live after seven days, he will become the corpse king. I've never practiced once..."

As soon as Xiao Lan's words came out, everyone was shocked. I didn't expect that this Miao Village would even refine this kind of thing and experiment with living people. It was so cruel.

"David, you can't go, you can't go..."

When Sonya heard it was so cruel, she held David's arm tightly, not planning to let David go, it was too dangerous.

After hearing this, David was already excited. He went to the Miao Village because of the poisons in the Miao Village. Now that he wants to train him as a corpse king, David is really eager. The poison is absorbed by the light, maybe his strength can be improved to a realm.

"Don't worry, I'll be fine!" David comforted Sonya, then looked at Xiaolan and said, "Let's go now, I can't wait..."

Xiaolan was stunned when she saw David's impatient look. Originally, she thought that after she told David the secret of Miao Village, David would be afraid and flinch. She didn't expect David to be so excited.

"I have to inform my foster father first..."

Seeing that David had made up her mind, Xiaolan could only walk out of the villa and inform King Miao.

After a while, Xiao Lan walked in: "I have informed my foster father, and now we can set off..."

David nodded and followed Xiaolan out of the villa, while Sonya and Gu Linger all looked at David worriedly.

Xiaolan looked at the two worried looks, and spit out a cold sentence: "I will do my best to keep him safe..."

After saying this, Xiaolan herself was a little surprised. She didn't even know it. Before she knew it, she had a relationship with David and the others. This might have something to do with her sister Wu Meier.

David and Xiaolan rushed to the airport, then flew to the southwest, and then went to Miao Village!

And Long Wu didn't stop in Horendel, and took Sonya and the others on a boat and went to sea. Although Sonya and Gu Linger didn't know where Long Wu was going to take them, they didn't ask any more and kept following.

On the plane, David sat next to Xiaolan, holding Xiaolan's arm with one hand, and the whole person almost lay close to Xiaolan's body. Although Xiaolan was expressionless, she did not push David away. Let David rub against himself.

When many people on the plane saw this scene, they all cast contemptuous glances at David. A big man looks like a woman. You must know that many couples are all girls lying in the arms of boys.

## Chapter 710

"After you get off the plane, listen to me in everything, and show your fascination with me in your eyes. You are the one who was successfully charmed by me, so you have to show that kind of greed, otherwise you will likely be ganged up... "

Xiaolan whispered to David.

David nodded slightly, hugged Xiaolan tightly with both hands, and smelled the woman's fragrance on Xiaolan's body, with the kind of greed Xiaolan said in his eyes...

...

Miao Village, in King Miao's bedroom, at this moment King Miao was looking at himself in the mirror, and then slowly picked up a photo. The photo was a long time ago, and it started to turn yellow, and there was a man and a woman in the photo. .

The man among them was when King Miao himself was young. At that time, King Miao still had black hair and was very handsome, while the girl was beautiful, wearing a flowery skirt, but the girl above had a beautiful face. Following Wu Meier and Xiaolan, they look very similar.

King Miao looked at the girl in the photo, and slowly stroked the girl's face with his hands, his eyes were full of tenderness: "Wind chimes, 20 years, 20 years have passed in the blink of an eye, and now your daughter has When you grow up, she looks almost exactly like you. I see her as if I saw you. Twenty years ago, you betrayed me. Twenty years later, you will pay for it with your daughter, you see Seeing that I have arranged the room, this time after

she comes back, I will be her real husband and wife, I believe that when I am in bed with your daughter, it will definitely remind me of your feelings...”

Miao Wang muttered to himself while holding the photo, his eyes became more and more hot, and the girl’s appearance in the photo became more and more blurred under Miao Wang’s vigorous rubbing.

That’s it, suddenly the door of King Miao’s bedroom was pushed open, and a member of Miao Village suddenly broke in, which shocked King Miao and hurriedly threw the photo in his hand on the table.

The members of the Miao Village were also startled when they saw that King Miao’s face was not good, and hurriedly said with a pale face: “King Miao, Miss Xiaolan has already got off the plane, and will arrive at Miao Village in a few hours...”

The members of Miao Village lowered their heads and dared not look into King Miao’s eyes.

“Oh, I see...”

King Miao nodded, and suddenly waved his hand, only to see the Miao Village member shaking all over, and then a black bug flew out of his mouth.

And when the worm flew out of the body, the Miao Village member’s eyes widened instantly, and the seven orifices bled to death...

“Come on, drag the body away...”

King Miao ordered loudly without even looking at the corpse on the ground.

Soon, someone dragged the body away, and King Miao looked out the window with hot eyes: “I have endured for 20 years, and I can finally break out...”

After speaking, King Miao slowly took out a small porcelain bottle from his body, and the three words Acacia San were written on the small porcelain bottle.

Having raised Xiaolan for 20 years, King Miao knew Xiaolan's temperament well. Even though Xiaolan was naturally charming, she had never been touched by a man, so if he wanted to get Xiaolan, he had to use some means.

.....

At the airport of a city in the southwest, David and Xiaolan walked out of the airport like a pair of lovers in love!

The temperature here is obviously a few degrees higher than that in Horendel, so the people here wear cooler clothes. Many girls only wear shorts and suspenders on the street.

Xiaolan also changed her clothes earlier, with ultra-short jeans, a white camisole, and a big sunglasses on her face, which attracted the attention of many men. If it wasn't for David's been holding Xiaolan's arm, it would have been a long time ago. A man came up to chat.

Seeing that Xiaolan, a beautiful and fair-skinned beauty, was hooked by David at such a close distance, many men cast hostile glances at David, but David didn't care.

Especially Long Wu, he adopted Wu Meier since he was a child. Wu Meier has never seen her family. How could she know that the girl in front of her is her sister? Just because they look alike?

Even if they are twins, how do they tell each other's size? Can't Wu Meier be her sister?

A series of questions made Long Wu also bewildered.
