

# A Man Like None Other

## Novel

### Chapter 741

...

In Xia Chao's room, Xia Chao was overjoyed as he watched the Yin Qi in Xiao Lan's body being continuously absorbed into the vortex.

It won't be long before he will be the youngest Wuzong in the martial arts world, and will be a genius envied by everyone.

Although Xia Chao lost his ability as a man in order to quickly improve his strength, for these, Xia Chao valued his strength more.

In the martial arts world, only strength is respected, and women are nothing.

But at this moment, the door of Xia Chao's room was suddenly pushed open.

Seeing this, Xia Chao hurriedly waved his hand, took the whirlpool back, and glared at the intruder.

"You ba5tard, don't you know how to knock on the door?"

Xia Chao said with a cold expression.

"Eldest young master, it's not good, Shenquan, there is a problem with the Shenquan behind us, and now there is not a drop of water..."

The visitor anxiously followed Xia Chao and said.

"What?" Xia Chao was shocked: "How could this happen? What happened?"

"I don't know either. I just heard an explosion from behind. When I rushed over, I found that the spring water was gone..."

The man shook his head.

Xia Chao glanced at Xiaolan, turned to the person who came and said, "Take me to see, how could such a thing happen..."

For Tianwumen, Shenquan is the foundation of their sect. With this spring, the strength of many disciples of Tianwumen has improved by leaps and bounds, making Tianwumen continue to rank high among the many sects in the southwest.

But now the spring water has disappeared, which shocked Xia Chao. If his father came back, how would he explain it.

Just after Xia Chao left with the visitor, a figure flashed in from the window.

It was David who came.

Xiaolan was completely powerless at this time, and she didn't even have the strength to speak. When she saw David coming, there was no surprise in her eyes, but she glared at David angrily.

David saw Xiaolan who was paralyzed, and hurriedly penetrated into Xiaolan's body, which made Xiaolan recover.

"David, you ba5tard..."

After Xiaolan recovered, the first thing she did was to punch David.

David hurriedly stepped back: "I saved you, why are you still beating me? Isn't this revenge?"

"You ba5tard, where have you been? Where have you been? Didn't you say something was wrong? I almost lost my life..."

Xiaolan looked at David angrily and roared.

"Isn't it all right? I know that Xia Chao is no longer a man, so he can't do anything to you. Now I'll take you there and avenge you..."

David smiled, he could understand why Xiaolan was angry.

"You must kill that guy for me, and I will watch him die..."

Xiao Lan gritted her teeth.

"no problem..."

David nodded.

...

Behind the Tianwumen Hall, the spring water that was flowing continuously has disappeared at this moment. The dry bottom of the spring pool is exposed to the outside, and it looks like it has never been watered.

Xia Chao looked at the scene in front of him with a solemn expression, and slowly put his head into the spring, only to see that it was dark inside, and he couldn't see anything clearly.

Xia Chao picked up a large stone and threw it down. With the sound of grunting, there was no sound of water, which proved that there was no water in the spring.

"How can this happen, how can this happen..."

Xia Chao roared, he wanted an explanation.

“Master, someone heard the explosion just now. Maybe someone blew through the spring, so the spring water leaked into the underground river...”

At this time, a great master came over and expressed his opinion.

“Who was that? Who did it? Are you all fcuking dry?”

Xia Chao roared and cursed at the disciples of Tianwumen.

Without this divine spring, what would they do after Tianwumen?

## Chapter 742

“I did it...”

At this moment, a faint voice came.

Everyone looked for the sound, and found that on a big rock, David looked at the people of Tianwumen with disdain.

Beside David, Xiaolan stood there with anger in her eyes, staring at Xia Chao tightly.

And everyone in Miao Village was rescued by David and stood behind David.

When Xia Chao saw that Xiaolan and Miao Village were rescued, he was stunned for a moment, and then said to David: “Boy, who are you? Why did you destroy my Tianwumen Shenquan, and save these Miao Village people?”

“I’m not someone, I just don’t like you, is that okay?”

David raised the corner of his mouth.

As soon as these words came out, Xia Chao was immediately stunned. He had seen David. At that time, King Miao said that this guy was a lunatic, and when he was dragged away, he was in a state of embarrassment, but now he is such a lunatic who dares to follow him. Talk like this.

"ba5tard, why did you talk to our young master?"

"This is Tianwumen, who dares to disrespect our eldest young master here?"

"You are courting death, so saying that our eldest young master is going to be punished by the Nine Clan..."

The disciples of Tianwumen pulled out their weapons one after another, and one by one took the opportunity to tout Xia Chao.

Facing the flattering guys in Tianwumen, David couldn't help but smile and said, "You guys are still yelling at the eldest young master, but you don't know that your eldest young master is no longer a man. If you don't believe it, you can let your eldest young master take off his pants and you'll know.

"

David's words shocked all the disciples of Tianwumen. Not many people in Tianwumen knew about Xia Chao's practice of sorcery, but only a few people knew, so there was such a big reaction.

"You ba5tard, you are courting death..."

Xia Chao's face was fiery when everyone in Tianwumen looked at him, and he couldn't help burning with anger, and the momentum on his body instantly rose.

"I think it's you who are courting death..."

After David finished speaking, his body floated down, and then he punched Xia Chao with a punch.

The howling wind shocked Xia Chao. He did not expect a madman to have such high energy.

In the panic, Xia Chao hurriedly dodged back, looking very embarrassed.

"Boy, who are you? What does it have to do with Miao Village?"

Xia Chao did not know when such a young master appeared in Miao Village.

"I have nothing to do with Miao Village, I just see you as a man who is neither male nor female. I want to teach you a lesson..."

David said disdainfully.

Xia Chao's eyes narrowed slightly, but he was not in a hurry to take action against David, because someone so young and powerful would definitely not be an ordinary person, he should be the son of a sect or family.

Now Tianwumen is developing, so Xia Chao does not want to provoke a strong enemy to Tianwumen.

"Then you must be here for Xiaolan, right?" Xia Chao glanced at Xiaolan beside David: "I tell you, this woman is born with a charming body, she can do charm, don't be fooled by her, Fascinated by her..."

"Stop talking nonsense, I'd love to be fascinated, can you do anything? I've broken all the springs of your Tianwu Sect, and you don't dare to do it with me, isn't it too cowardly? If you do not dare to do it, kneel. Give me a kowtow, and I'll let you go..."

David said impatiently.

Xia Chao's face turned cold, and he said gloomily, "Boy, you are courting death..."

After speaking, Xia Chao's body instantly moved towards David, and slapped David's chest with a palm.

There was a faint red light flickering in Xia Chao's palm, and it seemed that he used sorcery.

The corner of David's mouth twitched, but he didn't dodge or dodge. With the strength of the great master Xia Chao, he couldn't break David's powerful body at all.

## Chapter 743

bang...

With a muffled sound, Xia Chao's palm hit David's chest fiercely, but to Xia Chao's surprise, the palm didn't hurt David in the slightest, and David's body didn't even move.

Xia Chao's face was shocked, his body hurriedly stepped back, and he looked at David in horror: "Who are you? How can you have such a strong body?"

"I said it all, you don't deserve to know!"

David was full of disdain.

Xia Chao's face became more and more ugly, and the corners of his eyes kept twitching.

"Are you ready for me? Don't forget that this is Tianwumen..."

Xia Chao's voice was extremely cold.

David humiliated him again and again, and Xia Chao also started to get angry.

"Just a guy like you who relies on absorbing women's yin qi to practice, I feel disgusted when I see it, and if I kill you, I'm really afraid of getting my hands dirty..."

David pretended to be retching and said.

"How did you know?" Xia Chao was surprised.

After all, his cultivation method is very disdainful in the martial arts world. If it spreads out, how could Xia Chao be in the martial arts world? Why is Tianwumen still in the martial arts world?

"I know it's more than that. You use the spring water to attract a large number of girls to bathe, and take the opportunity to absorb their Yin Qi to practice. I know all this..."

David narrowed his eyes.

After Xia Chao heard this, killing intent instantly rose from his body.

"The disciples of Tianwumen obey the order, guard the mountain gate, and never let anyone go..."

Xia Chao was motivated to kill. He wanted to kill everyone who was not from Tianwumen, and his secrets must not be leaked.

"Don't bother, they can't stop me at all, you should take out your trump card, I'll see how the sorcery you practiced at the cost of losing your man's ability, how is it!"

David smiled lightly.

"Okay, then I'll show you..."

After Xia Chao finished speaking, the aura of his body suddenly changed, and then the whole person looked gloomy and terrifying, and his body was expanding at a speed visible to the naked eye.

With the expansion of his body, Xia Chao's strength also continued to increase, and the terrifying coercion spread around him.

"retreat..."

Seeing this, a great grandmaster of Tianwumen shouted hurriedly, and led the other disciples of Tianwumen to retreat into the distance.

He knew that the sorcery that Xia Chao practiced was very terrifying and bloody, so he called everyone in Tianwumen to retreat.

The terrifying coercion made many people in Miao Village feel breathless. Even the five great masters, who were also great masters, frowned after feeling the coercion emanating from Xia Chao, like a mountain pressing on their shoulders. Same.

"Boy, you know too much, so you must die..."

After Xia Chao finished speaking, the huge body rolled directly towards David, like a mad bull, rampaging.

Accompanied by Xia Chao's body, a stream of yin energy rose into the sky, instantly turning into a ghost with its teeth and claws, and at the same time biting towards David.

Seeing this scene, Xiao Lan next to David was so frightened that her face was instantly pale, while many other Miao people closed their eyes in fright.

Although they deal with poisons all day, they have never seen such a terrifying scene.

Those ghosts and claws charged directly at David, and then got into David's body.

At the same time, Xia Chao's body also arrived in front of David, and slapped David's face with a palm.

"I've been hit by a hundred ghosts, let's see how you can live..."

Xia Chao's eyes were full of pride, and the palm of his hand towards David also became very casual.

In his eyes, David is sure to die, and no one can escape his heart-wrenching ghosts.

"Hmph, just based on this, you dare to be called a hundred ghosts?"

David snorted coldly, raised his foot and kicked towards Xia Chao.

## **Chapter 744**

Xia Chao didn't have time to react, so David kicked him and flew out. His huge body flew out dozens of meters and fell heavily on the ground.

Xia Chao got up from the ground, a mouthful of blood spurted out, and looked at David gloomily.

"I've been hit by a hundred ghosts, and you can still stimulate your inner strength. You really underestimate you, but soon you will feel the coming of death..."

Xia Chao looked at David coldly. No one could escape his heart-wrenching ghosts.

However, after waiting for a few minutes, David showed no signs of strangeness, which shocked Xia Chao.

"Don't wait, you so-called ghost eats your heart, it has already become my belly Chinese food, and if you have other skills, continue to use it, if not, then I will kill you and leave now..."

David smiled lightly.

"How can it be?"

Xia Chao's eyes widened, he did not hesitate to consume the yin in his body, but it did nothing to David.

"There's nothing impossible. All the poisons in our Miao Village have no effect on David. You are a jerk, and it's even more finished..."

Xiao Lan sneered.

She knew that David was an invincible guy, and even the most poisonous bee in Miao Village couldn't help David. Xia Chao's so-called Yin Qi couldn't deal with David even more.

"David?" Xia Chao frowned slightly. He heard the name very familiar, but he couldn't remember it.

At this time, a great master of Tianwumen walked up to Xia Chao's ear and whispered a few words.

Then Xia Chao's face changed dramatically, and his eyes looked at David in shock.

"You...you are the David who killed Wu Zong Qin Xiaolin?"

Xia Chao asked in surprise.

"Yes, it's your grandfather and me..."

David nodded.

Seeing David's admission, Xia Chao's face became more and more difficult to look, and the fist that was clenched just now was slowly loosened again.

Although he now has a sorcery reincarnation, after all, his strength is only a seventh-grade grandmaster, and he needs to absorb Xiaolan's yin before he can break through the realm of Wuzong.

But the David in front of him is an existence who has killed a first-rank Wuzong. Even if Xia Chao breaks through Wuzong, I am afraid that he is not David's opponent.

Xia Chao looked at David quietly. He always wanted to be a genius in the martial arts world and become the youngest Wuzong in the martial arts world, but David in front of him was about the same age as him, but he was already able to kill Wuzong.

What kind of gap is this?

To know Xia Chao's strength, but at the cost of losing the ability of a man, even so, Xia Chao is still no match for David.

For a time, inferiority complex and helplessness filled Xia Chao's heart.

"I'm not your opponent, you can take them away, my Tianwumen will never stop you..."

Xia Chao knew that if David wanted to leave, no one in Tianwumen could stop him.

If his father was there, he might be able to fight David, but unfortunately his father was not there, and all the other ancestors of Tianwu Sect could not retreat many years ago, so it is impossible for him to come out for a David.

"Did I say I was leaving?" David looked at Xia Chao coldly: "Those yin qi in you are also a rare resource for me..."

"What? You... You are also a practitioner of Yin Seizing..." Xia Chao said halfway through, knowing that he was about to leak his mouth, immediately closed his mouth, and changed his voice: "You are also practicing other spells?"

"Bah, who the fuck is cultivating that kind of rubbish, I'm a serious man, but I just need these for the exercises I practice..."

David took a deep breath.

Xia Chao looked at David, of course he wouldn't give David the yin qi in his body, it was all he had, if he gave David the yin qi he finally absorbed, then Xia Chao would become a waste. .

## Chapter 745

"The disciples of Tianwumen obeyed the order and stopped him at all costs..."

Xia Chao suddenly gave an order, and then the whole person instantly rose from the ground and ran towards the outside of the mountain gate.

As long as he escapes David's claws, Xia Chao will have the opportunity to take revenge. When his father returns, it will not be too late for the father and son to seek revenge for David.

Just as Xia Chao's body jumped up and was about to escape, David had long expected that he would run, and at the same time he jumped into the air, and instantly came to Xia Chao, and then stepped on it fiercely. .

Xia Chao's body smashed to the ground heavily, and with a loud noise and continuously stirring smoke, Xia Chao's body was directly smashed into the ground nearly one meter deep.

"Master..."

When the disciples of Tianwumen saw this, they stepped forward and dug out Xia Chao, but at this time, Xia Chao's bones were all broken, and he couldn't stand, so he could only rely on people to support him.

"You still want to run in front of me, have you run?"

David looked at Xia Chao coldly.

"David, let me go, you can take all the things in Tianwumen, as long as you let me go..."

Xia Chao followed David and begged.

As the saying goes, it is not too late for a man to take revenge for ten years, as long as David lets him go, and when he steps into Wuzong, he and his father are looking for revenge for David.

"Let you go?" David raised the corner of his mouth: "If I let you go, wouldn't I let the tiger go back to the mountain and cause trouble for myself?"

After David finished speaking, his figure suddenly flashed and he came directly to Xia Chao.

Several Tianwumen disciples who were supporting Xia Chao instinctively wanted to block David, but unfortunately David's energy sent these Tianwumen disciples flying backwards.

Without someone to help, Xia Chao's body fell backward heavily, but David held his head down.

Xia Chao only felt a huge suction, and the yin in his dantian continued to rise outwards, and was directly sucked into David's body.

"You...you actually know how to attract stars..."

Xia Chao's eyes were full of horror, but he couldn't break free at all.

When others around saw that David was actually absorbing the Yin Qi in Xia Chao's body, they couldn't help but stunned.

Soon, the yin in Xia Chao's body was sucked clean by David, and Xia Chao's body fell heavily to the ground after David let go.

Without yin qi, Xia Chao is no doubt like an ordinary person at this moment, and now his bones are almost broken, it is difficult to think about cultivation.

"Now that you have sucked the yin from my body, you can go now..."

Xia Chao lay on the ground, looked at David and said.

Although there is no yin and bones are broken now, the flame of revenge in Xia Chao's heart has not been extinguished, and he will avenge this revenge sooner or later.

"Let's go?" David sneered: "Did I say I want to go? How can I be worthy of those hundreds of girls if I don't kill you, do you know what kind of pain they will experience if they absorb their Yin Qi? "

David said, suddenly stretched out his right hand, and then a flashing sword slowly flashed out in David's hand. The sword body was bright at first, then slowly became red, and even could it looks like blood is flowing from the sword.

"The Dragon Slaying Sword I just got today is just the blood sacrificial sword of your kid..."

After David finished speaking, with a wave of the Dragon Slaying Sword in his hand, a red glow rose into the sky.

"don't want..."

Xia Chao widened his eyes and roared loudly.

Soon, with a rumbling sound, the red light disappeared, and Xia Chao's body disappeared, and was directly vaporized by the red light emitted by the Dragon Slaying Sword. It's like disappearing out of thin air.

"Damn, this Dragon Slaying Sword is too powerful..."

It was also the first time that David used the Dragon Slaying Sword, but he didn't expect it to have such great power.

## Chapter 746

The disciples of Tianwumen watched Xia Chao disappear directly in front of their eyes, leaving no body behind, their eyes widened and they were stunned.

There was no anger, only fear. At this time, David was like a god descended from the earth, deeply shocking these people in Tianwumen.

Xiao Lan also opened her mouth slightly, but she didn't expect David's sword to be so powerful that he directly slammed people with no bones left.

Taking the Dragon Slaying Sword back, David glanced at the shocked Xiaolan and said, "Okay, Xia Chao is dead, we should go..."

Xiaolan nodded and followed David towards the outside of the Tianwumen Mountain Gate, the members of the Miao Village followed closely behind.

When passing in front of those Tianwumen disciples, David gave them a look, which scared them to run back one after another, let alone stop them, they didn't even have the courage to take a look at David.

David and Xiaolan did not go back to the Miao Village, but went straight down the mountain. Although Wu Litou and the people in the Miao Village kowtowed, they still did not have the slightest nostalgia.

This time, David agreed to come to Tianwumen for the sake of this spiritual spring. In fact, the life and death of everyone in Miao Village had nothing to do with him.

Although David also knew that Tianwumen would not let Miao Village go so easily, and if he couldn't find his revenge, he would definitely vent his anger on Miao Village, but David was not obliged to help Miao Village.

Sect battles are like this. In this society where the weak eat the strong, only one's own strength is the best foundation. Relying on the protection of others, it will not last long.

The two got on the plane and went straight to Horendel. After a few days, David still missed Sonya and the others, especially David wanted to know what Sonya, a fire spirit body, would be like when he cultivated.

But when David and Xiaolan arrived at the Pinerest Villa, they found that the villa was empty, and Sonya and Gu Linger were not there at all.

David called the two people, but there was no way to get through.

David called Ruben and Gu Wentian again and asked where Sonya and Gu Linger were, but they didn't know anything, which made David hang.

However, when he thought about his departure, Long Wu was with Sonya and the others. It was said that there would be no problem. After all, with Long Wu's strength, there were few opponents in the martial arts world.

After searching for a whole day without success, David couldn't get in touch with Long Wu, so he simply stopped looking. Maybe a few people are together, and there should be no problem.

Seeing that the 15th of July was coming, David needed to calm down and practice, just as Song Tie personally sent a carload of spirit stones.

When Song Tie saw Xiaolan following David in the villa, she was a little surprised. After all, she had seen both Sonya and Gu Linger, but there was another beautiful woman next to David, and Song Tie's eyes changed.

"I didn't expect that Mr. Chen is still a lover, and the beauties around him are constantly..."

Song Tie said to David full of jealousy.

"Miss Song, you misunderstood, this is just a friend of mine..."

David smiled helplessly.

"Friends? Friends of lonely men and widows, do you live together? Why don't you see Miss Su and the others?"

Song Tie looked inside the villa, and there was no sign of Sonya and Gu Linger at all.

"They have something to go out. It's okay to let someone else do the gift of the spirit stone in the future. It's a little inappropriate for a star as big as you to send it in person..."

David didn't want Song Tie to give him a spirit stone, and he didn't want to delay Song Tie. He could see what Song Tie meant to him, but David had no feelings for Song Tie. If he continued to entangle him like this, it would only delay him. Song Tie's youth.

"What? You don't want to see me?" Song Tie's face instantly turned ugly: "I know you don't lack women around you, but whether it's looks or identity, am I worse than the women around you?"

"Miss Song misunderstood, that's not what I meant!" David was a little embarrassed and didn't know how to explain.

# Chapter 747

But at this moment, a gust of wind suddenly hit, heading directly towards Song Tie.

Song Tie was so frightened that Hua Rong turned pale, and the whole person retreated again and again, but accidentally fell a somersault.

"Now do you know what's wrong with the women around David?" Xiaolan looked at Song Tie proudly: "You look good, but you're just a vase, what's the use for David? It's good-looking and can work hard..."

Just now, Xiaolan threw a punch at Song Tie and scared Song Tie to the ground. She didn't want this woman to pester David.

In just a few days in Miao Village, Xiaolan found that her heart had been given to David for a long time, and she fell in love with him unknowingly. Now that Song Tie is like this, Xiaolan is of course jealous.

"Miss Song, are you alright?"

David hurriedly helped Song Tie up.

Song Tieman looked at Xiaolan angrily, with tears in his eyes, gritted his teeth and said, "I'm going to practice too, I'll surpass you sooner or later, and I'll come back then..."

After Song Tie finished speaking, he turned around and ran away crying. As a big star, how could he have been humiliated like this before?

After Song Tie left, David looked at Xiaolan helplessly: "Did you go too far?"

"What? Do you feel bad? If it was me who just fell, would you feel bad?"

Xiaolan looked at David expectantly. She hoped that David would give her a positive answer.

"It seems that the pot is still cooking, I'll take a look..."

David hurriedly lowered his head and ran to the kitchen, because he didn't know how to answer Xiaolan.

Xiaolan pouted and looked at David's back angrily: "Hmph, I don't care how many women you have, I must get you..."

After a simple dinner, David locked himself in the room to practice. He hoped that this car of spirit stones would allow him to break through a small realm.

Sitting cross-legged on the bed, David ran the Concentrate Heart Art, and the spiritual stones in the yard began to emit a lot of spiritual energy, and then swarmed into David's body.

But the strange thing is that these auras did not enter David's dantian, but were quickly absorbed by the Dragon Slaying Sword.

For a whole night, David found that the spiritual power in his body had not changed at all, but there was no trace of the spiritual stones outside.

"This... This Dragon Slaying Sword needs to absorb spiritual energy?"

David frowned, his face full of bitterness.

He doesn't have enough spiritual energy to cultivate himself, so he has to look for resources everywhere, and now there is another Dragon Slaying Sword that competes with him for spiritual energy, which makes David very headache.

"time to eat..."

At this time, Xiaolan made breakfast and called David.

David walked out of the room and saw a table of hearty breakfasts. He couldn't help but smile and said, "I didn't expect you to have such craftsmanship..."

"I know how to do laundry, cook, sew and mend. When I was in Miao Village, I did everything..."

Xiaolan looked proud: "If you marry me, you can eat such a hearty breakfast every day!"

David was stunned, he didn't expect Xiaolan to be so open, and she would tell him this.

But in terms of cooking skills, Sonya is indeed better than Xiaolan, and even Gu Linger can't compare to this Xiaolan.

"Stop kidding, I have a girlfriend..."

David smiled awkwardly and sat down at the table to prepare to eat.

"What's wrong with having a girlfriend? You must know that there are many three wives and four concubines in the martial arts world, and many people in our Miao Village have several wives..."

Xiaolan said indifferently.

"That's your Miao Village, but now you pay attention to monogamy and equality between men and women..."

David lowered his head to eat and said while eating.

"Then I'll be your lover, don't I deserve to be your lover?"

Xiaolan went directly to David's side, sat down with David, and used her body next to David without any hesitation.

# Chapter 748

Just when David was a little overwhelmed, the villa door was pushed open, and Lin Tianhu and Chifeng walked in.

Seeing the scene in front of them, Lin Tianhu and Chifeng hurriedly turned their heads to the side: "Mr. Chen, I'm sorry, we didn't know that you guys still have this hobby in the morning..."

After saying that, Lin Tianhu and Chifeng were about to leave, but they were stopped by David: "Stop, I just have breakfast, but I have no hobbies!"

David took the opportunity to stand up and stay away from Xiaolan.

"How do you two know that I'm back?"

David came back from Miao Village and did not inform the two of them, because during this time, Lin Tianhu and Chifeng were in the stage of rapid growth in strength, and the current enemy's strength was getting stronger and stronger. I'm afraid it will be difficult to cope with the future.

Lin Tianhu and Chifeng also knew that with their own strength, they could not help David at all, and they might become a burden to David, so the two of them also practiced hard. With the help of David's great return of pills, the strength of the two of them increased greatly. quick.

"It was Gu told us!" Lin Tianhu said hurriedly.

"What are you two doing to me?"

David knew that Gu Wentian would not tell Lin Tianhu and the others about his whereabouts for no reason, it must be the two of them who were looking for him.

"Mr. Chen, since you defeated Qin Xiaolin, there have been many legends about you in the martial arts world. Now, the martial arts circles in Jiangbei and Jiangnan provinces have formed a martial arts alliance together. I hope to recommend Mr. Chen as the leader of the alliance, so I beg the two of us to invite Mr. Chen... .."

Chi Feng directly explained his intentions.

"Don't go, I'm not interested in why the leader..."

David refused directly. He still has a lot of things to do himself, how can he manage the martial alliance and be the leader of the alliance.

Seeing David's refusal, Lin Tianhu and Chi Feng were immediately embarrassed.

Seeing this situation, David said with a cold face: "You two are not taking advantage of others, are you?"

Seeing David say this, Lin Tianhu and Chifeng were startled.

"Mr. Chen, how dare we? I just think that whether Mr. Chen is the leader of the alliance or not, it is necessary to go there, because this time the Jiangnan Ren family said that they had prepared a generous gift for Mr. Chen, but the ancestors of the Ren family heard that they were Born from tomb robbers, I think their family must have rare treasures, which may be useful to Mr. Chen..."

Lin Tianhu hurriedly explained.

"Ren's family?" David frowned slightly, as if he had never heard of it.

I remember that at the martial arts conference held at the Yaowangfu in Tianfeng Town, David had never seen the Ren family come forward, nor had he heard of it.

"Mr. Chen, this Ren family is not a martial arts family, but because the ancestors of the Ren family were from tomb robbers, there are many rare treasures in the family. Many set foot in the Ren family, hoping to buy some things they like, so they live in Jiangnan. very famous..."

Seeing this, Chifeng followed David to explain.

David nodded. It turned out that the Ren family was not a martial arts family, so it was no wonder that he had never heard of it.

After thinking about it, there are still a few days until July 15th, and there is no spiritual stone. David relies on the spiritual energy of heaven and earth to cultivate, and the effect is minimal. It is better to follow Lin Tianhu and the others. Maybe he can find himself useful in others. s things.

"Okay, I'll change my clothes and leave right away..."

After David finished speaking, he turned around and went to the room to change his clothes.

Xiaolan got up and walked in front of Lin Tianhu and Chifeng, and asked curiously, "Who are you two David? Why are you so afraid of him?"

Xiaolan was very curious, seeing that Lin Tianhu and Chifeng also have some strength, and they are extraordinary, they are definitely not ordinary people, how can they be so afraid of David.

Lin Tianhu and Chifeng glanced at each other, and they were all stunned: "Miss Meier doesn't know the two of us anymore?"

## **Chapter 749**

Xiaolan looks exactly the same as Wu Meier, and Lin Tianhu and Chifeng also regard her as Wu Meier.

Lin Tianhu and Chifeng met when Wu Meier gave David the bronze mirror, and when David was fighting with Qin Xiaolin, Wu Meier was also there. At that time, Lin Tianhu and Chifeng led people to guard the entire stadium. Logically speaking, you shouldn't be unaware of the two of them.

"She is not Wu Mei'er, she is Wu Mei'er's twin sister..."

At this time, David came out of the room, followed by Lin Tianhu and Chifeng who were confused, and then introduced Xiaolan: "These two are my subordinates, of course you have to listen to me..."

"Oh, I didn't expect you to have subordinates..."

Xiaolan looked at David in surprise.

David just smiled and did not speak. He is now the master of the Dragon Sect and has thirteen halls under his command. Although he has only found two, he also has thousands of people under his command, which is more than Miao Village. It's just that many of these subordinates are ordinary people, and their strength is not comparable to Miao Village.

Lin Tianhu looked at David with admiration in his eyes. After a few people walked out of the villa, Lin Tianhu whispered in David's ear: "I didn't expect the palace master to be so beautiful, and he actually got a sister flower..."

David glared at Lin Tianhu: "Hurry up and drive..."

Lin Tianhu smiled and ran to drive, Chifeng hurriedly sat in the co-pilot, while David and Xiaolan sat in the back.

Originally, David wanted to sit in the co-pilot, but Chifeng took it first, and in the end he had to follow Xiaolan to the back row.

Lin Tianhu and Chifeng looked at the rear-view mirror and smiled at each other.

David was a little helpless. Xiaolan sat with David, and she didn't shy away from seducing David. The body fragrance on Xiaolan's body, plus Xiaolan's natural beauty, David. I almost couldn't hold myself back.

If this is to clean up Xiaolan directly in the car, David feels that he is a little too sorry for Sonya, and he will give Sonya his first time no matter what.

"Looking at how uncomfortable you are, don't control it, I won't blame you..."

Xiaolan said with tenderness in her eyes.

David closed his eyes tightly and didn't dare to look at Xiaolan, but even so, the unique body fragrance on Xiaolan's body kept digging towards David's nose.

"parking..."

David couldn't control it, he asked Lin Tianhu to stop the car, and then changed positions with Chifeng.

On the way, if he is still next to Xiao Lan, he might not be able to control himself to do something, this woman is really attractive.

As the evening approached, Lin Tianhu and the others drove to Lingzhou, the city of Jiangnan Province. Although it was not as prosperous as the city of Jiangbei Province, the scenery was beautiful. The whole city was surrounded by mountains and rivers, making it a good place for leisure and vacation.

As soon as David and the others arrived, they were warmly welcomed and held a luxurious banquet to receive David, which made David feel a little embarrassed, and it was too grand.

"I didn't expect you to be so popular..."

Xiaolan also felt a little shocked when she saw the welcome gesture.

"Mr. Chen, long time no see..."

"Mr. Chen, in a short period of time, your strength has improved by leaps and bounds, you are more genius than genius!"

"Mr. Chen is probably the most powerful young man in Jiangnan and Jiangbei. He is simply a role model for the younger generation!"

David got out of the car, and many people in the martial arts world were touting David.

And Xiaolan next to David also attracted the attention of many people, and many young people looked at Xiaolan unconsciously.

Beautiful, so beautiful, few people have seen such a beautiful girl.

But they didn't dare to look at it too much. After all, it was the woman next to David, and no one knew the relationship between this woman and David.

## Chapter 750

And some young people will be reprimanded by the elders of the family if they look straight at Xiaolan, and some will be dragged away and beaten.

The women around David dare to look at it this way. Isn't that courting death?

David also saw a lot of old acquaintances in the crowd. Wu Liuyi, the head of the Chengwu family in Jiangbei Province, and his son Wu Xi, and the owner of the Bajiquan gym, Gao Baisheng, followed Gao Baisheng last time in Tianfeng Town. The Bajiquan disciples Huo Laiyun and Huo Shan, Sun Simiao, the master of Yaowang Mansion.

These people are old acquaintances with David. After seeing David, they came up to chat, but thinking that Wuxi and the Huo brothers can only stand behind, they are not qualified to come forward.

At this time, these young people were full of envy in their eyes. They were all about the same age as David, but there was still an identity gap with David's strength, which was a hundred and eight thousand miles away.

"In time, Mr. Chen will definitely become a bright star in the martial arts world..."

Wu Xi looked envious.

This time, neither Huo Laiyun nor Huo Shan dared to refute.

In the last martial arts conference, David was just a master, but even so, they all felt that they were out of reach, but now David is already able to kill Wu Zong, which is simply a miracle.

"Wusi..."

After David chatted with those in the martial arts world, he saw Wu Xi behind him, so he took the initiative to say hello.

"Mr. Chen..."

Seeing that David took the initiative to talk to him, Wu Xi immediately stepped forward excitedly.

At this time, it is an incomparable honor to be able to say a few words to David.

In the past, Lin Tianhu was just a little-known gang boss in Horendel. In front of the real boss, he was not a bullshit, but now standing behind David, many family masters of the martial arts family took the initiative to talk to Lin Tianhu.

"Mr. Chen..."

Huo Laiyun and Huo Shan also hurried forward and said hello to David.

But the faces of the two were embarrassed. After all, at the last martial arts conference, they both looked down on David, especially Huo Shan, who had done something to David at the time, but when I think about it now, I still feel that their faces are hot.

David smiled and nodded towards the two of them. It was a greeting. Then he patted Wu Xi on the shoulder and said, "Your kid's strength has also increased a lot..."

Wu Xi smiled: "I rely more on Mr. Chen's guidance, but compared with Mr. Chen, my progress is nothing..."

"Work hard, the way of martial arts, there is no shortcut, don't be too impatient, so as not to go astray..."

David is not a martial artist, so his cultivation speed depends entirely on his cultivation techniques and resources.

The martial artist is different. What you need is to practice hard. There are no shortcuts. Although some medicinal herbs can help you practice, you also need your own efforts. If you take shortcuts, you can only follow Xia Chao and learn some sorcery and sorcery. In that case, it will become a ghost and a ghost.

"Thank you Mr. Chen for teaching!" Wu Xi said reverently.

"Okay, don't talk outside, please invite Mr. Chen in..."

At this time, Sun Simiao opened his mouth, and everyone surrounded David and entered the hotel.

After entering the hotel, because it was a buffet banquet, everyone ate casually, and didn't tell David about the Wumeng. After all, David rushed for a day's journey, and it was a bit inappropriate to talk about things directly when he just arrived here.

Today's banquet is entirely to welcome David. I will talk about it after the Wumeng League. Anyway, when David comes, he will not leave immediately, but those who can attend this banquet are all people from the martial arts world, and ordinary people are not qualified to participate at all. Such a banquet.
