## Novel

### Chapter 86

"David, is that so?" Chen Baoguo asked with a cold face when he heard this.

"Dad, I am..."

"Shut up for me!" Chen Baoguo interrupted David and shouted vigorously: "Our family is poor, but we can't afford a meal. If someone helps you, you have to abide by their rules. Don't you understand the etiquette? How can you still work in the company in the future?"

Chen Baoguo roared, and David didn't say a word!

"Old monitor, this child David is also trying to save money. It's a big deal. If you don't ask, please don't ask. Today's meal is congratulations to David for his successful exam!"

Sun Fuhai hurriedly tried to smooth things out, and he couldn't let Chen Baoguo and David quarrel!

"Uncle, in fact, Xiaomeng and I are not different from David's meal. The main reason is to let him increase his relationship with his colleagues and start work in the future!"

Cui Zhiyuan said this, making David even more stingy!

"Yes, this is David's fault. I will ask him to make it up tomorrow. The company's rules cannot be broken from us..."

Chen Baoguo looked at Cui Zhiyuan apologetically!

"I think so, there is no need for tomorrow. After dinner, I will contact a few colleagues in the company. Let's go to sing and sing together. The money will be released by David. I will explain it to the people in the company!"

Cui Zhiyuan said!

"Alright, alright..." Chen Baoguo nodded again and again!

"Zhiyuan, the conditions of your Uncle Chen's house are not very good, but you should watch it, but you can't spend more..."

Sun Fuhai said to Cui Zhiyuan!

"Don't worry, uncle, it won't cost two or three hundred..."

Cui Zhiyuan smiled slightly!

"Fuhai, this is Xiaomeng's object, right? He is a talented person, and he does everything well..."

Chen Baoguo followed Sun Fuhai and praised Cui Zhiyuan.

"No, all the debts from my company have to be returned. Thanks to him, Zhiyuan got to know Lin Tianhu from Horendel, and Lin Tianhu got the money back in one sentence!"

Sun Fuhai is also full of smiles, and he is quite satisfied with Cui Zhiyuan, his son-in-law!

After David heard this, he was stunned for a moment. He didn't know when the credit for Sun Fuhai's company came back to Cui Zhiyuan!

“Lin Tianhu?” Chen Baoguo was taken aback for a moment: “Is that the biggest gangster in Horendel? It’s better not to know this kind of person. Don’t look at the prestige now, sooner or later you will be unlucky...”

Chen Baoguo used to be a civil servant, so he looked down on little gangsters!

“Uncle Chen, what you said is wrong. It is a supreme honor to know Tiger Lord in Horendel. How can you say that? Just like your son, I am afraid that you will never have the chance to know Tiger Lord in your life. In the future, you don’t say such things, so as not to cause trouble...”

Cui Zhiyuan was very angry at Chen Baoguo’s words, so he said coldly.

After Chen Baoguo listened, he closed his mouth and stopped talking!

“Old class leader, society is different now, and we have to keep up with the situation in some things...”

Sun Fuhai said lightly!

Chen Baoguo still didn’t speak, but in his heart, he just didn’t like people like Lin Tianhu!

This is why David did not dare to let his parents know that he knew Lin Tianhu. If his parents knew about it, they would not even want his son!

At the wine table, Cui Zhiyuan has been drinking with a proud attitude, feeling the feeling of being touted by others!

It’s just that David didn’t drink alcohol from the beginning to the end, and he didn’t respect Cui Zhiyuan for a drink, which made Cui Zhiyuan feel a little uncomfortable!

“David, a big man, why don’t you drink?”

Cui Zhiyuan asked David slightly sarcastically.

David smiled slightly: "It's not that I don't know how to drink it, because for me, there is no difference between wine and tea, it is better to drink tea and save some money..."

## Chapter 87

Cui Zhiyuan was stunned for a moment, and then laughed loudly: "What do you mean, you can drink well, don't you?"

"I haven't been drunk yet..." David said lightly.

This time, Cui Zhiyuan instantly became interested: "Well, let's compete against each other. I've never met an opponent when I drink, and I just had a good time today..."

Cui Zhiyuan said, and asked the waiter to bring up a box of liquor!

"David, when will you be able to drink baijiu? Don't talk nonsense, is there any outsider here, what can you do..."

Barbara frowned slightly.

"Mom, don't worry, I'm measured..." David comforted his mother!

Chen Baoguo also wanted to speak out to stop it, but Sun Fuhai grabbed him: "Old squad leader, young people are very brave, you forgot that we often fight wine in the army, let them play..."

When Chen Baoguo saw this, he couldn't say anything, so he could only glance at David helplessly!

"Zhiyuan, you're a big drinker, let David order it, but don't drink too much, it's just lively and lively..."

Sun Fuhai knew that Cui Zhiyuan was a big drinker. Once, when Cui Zhiyuan drank more than a pound of white wine, he could take a taxi home by himself!

"Don't worry, uncle, I'll have two drinks, just let him have one..."

Cui Zhiyuan opened the bottle and started pouring wine into the glass!

"This cup is too small, bring two big bowls..."

David said to the waiter!

Cui Zhiyuan was stunned for a moment, and looked at David in surprise.

"You can't drink from a bowl, can you?" David asked with a faint smile.

"How is it possible, even if I blow it with a bottle, I am the same..."

Cui Zhiyuan sneered.

In his opinion, David was deliberately pretending to frighten himself. The more David was like this, the more proof he couldn't drink!

Soon, the big bowl was brought, and a bowl of wine was full of a bottle.

"Tell me, how do you drink it?" Cui Zhiyuan asked David provocatively.

"I'm afraid of trouble, so I did..."

After speaking, David actually drank a bowl of white wine in one go!

Seeing this, everyone was taken aback. Chen Baoguo frowned slightly, and his eyes were full of distress: "David, are you drinking? What's the difference between this and suicide? Don't be brave..."

"Dad, I'm fine!" David smiled at Chen Baoguo, then turned the bowl upside down, looked at Cui Zhiyuan and said, "It's your turn!"

Cui Zhiyuan frowned. He really didn't expect David to dare to drink all the wine in one breath. Although he has a good amount of alcohol, this way of drinking is really afraid of ruining his body!

"If you can't drink, don't drink it, what's the comparison..."

Chen Baoguo saw that Cui Zhiyuan was a little embarrassed, so he gave Cui Zhiyuan a step to speak.

"It's ok if you don't drink, then it proves that you are cowardly..."

David looked at Cui Zhiyuan provocatively!

"Cowardly?" Cui Zhiyuan suddenly became angry when he heard this: "I've never been counseled when I drink..."

After speaking, Cui Zhiyuan closed his eyes and drank a bowl of wine!

After drinking it, Cui Zhiyuan's face instantly turned red!

David picked up the wine bottle and poured two more bowls of wine.

"David, enough..." Seeing this, Chen Baoguo got up and shouted at David!

David didn't speak, but looked at Cui Zhiyuan directly, with a strong provocation in his eyes!

"Don't worry, let's continue drinking..."

At this moment, Cui Zhiyuan only felt his anger rising and shouted loudly to Chen Baoguo!

David's eyes narrowed slightly, he picked up the wine, and drank it again!

When these liquors arrived in David's stomach, there was no difference with water, and the spiritual power in David absorbed these liquors!

Seeing David drinking another bowl of white wine, everyone was shocked!

Sun Xiaomeng pulled Cui Zhiyuan and said, "If you can't drink it, we won't drink it. He's barefoot and not afraid of wearing shoes, so let's not compare him!"

## Chapter 88

"That's right, Zhiyuan, we don't drink anymore, our lives are precious, so why are we fighting him..."

At this time, Li Fengxia also stood up and persuaded Cui Zhiyuan!

They are really afraid that Cui Zhiyuan will eat a bowl of wine and the whole person will be in trouble, then it will be troublesome!

At this time, Cui Zhiyuan's eyes were a little red, and he looked at David with a little dizziness. Seeing that David's eyes were full of provocation, he gritted his teeth, picked up the bowl and drank it!

After two bowls of wine, Cui Zhiyuan's face has turned from red to white, and the whole face looks a little hideous!

Seeing Cui Zhiyuan like that, David sat back with satisfaction, drinking it, Cui Zhiyuan would definitely die of drinking, and his parents would definitely not let him drink anymore!

"You... why did you sit down? Drink if you can... drink again..."

When Cui Zhiyuan saw David sitting down, he immediately shouted!

But just after he finished speaking, a burst of blood suddenly surged up, and he spit it out in one mouthful, directly spraying Li Fengxia all over her body.

"what..."

Li Fengxia screamed, looking at the filth on her body, she almost vomited herself!

Seeing this, Sun Fuhai frowned tightly, and his face was ugly!

Chen Baoguo glared at David, then quickly got up and said, "Fuhai, hurry up and send Zhiyuan home, we're leaving too, these two children are real, what are they called!"

Sun Fuhai could only nod his head, it was all done like this, and there was no way to stay and chat!

But just when Chen Baoguo wanted to leave with David, Cui Zhiyuan stopped him directly!

"Can't go..." Cui Zhiyuan's eyes were hazy: "How can you just leave after you agreed to sing? Are you afraid of spending money?"

"Zhiyuan, you've been drinking too much, wait until another day..."

Sun Fuhai persuaded Cui Zhiyuan!

"No, I have to go today. I've already made reservations with everyone in the group. If I don't go, I'll lose face..."

Cui Zhiyuan shook his head, he must let David sing!

This time, Sun Fuhai looked at Chen Baoguo with some embarrassment!

"Dad, you go back first, I'll ask them to sing..."

David said to Chen Baoguo.

Chen Baoguo couldn't say anything at this time, he could only tell David, "Don't be too late, don't drink anymore..."

As Chen Baoguo said, he took out a stack of money from his pocket. There were parts and pieces, and it was more than 300 yuan!

"You take this money, I know it costs a lot to sing..."

Chen Baoguo put the money into David's hands!

David wanted to refuse, but he knew that with his father's character, he couldn't refuse, so he simply collected the money!

At this time, Sun Fuhai also took out his wallet, took out a thousand yuan and handed it to David: "David, I'll give you a little more, and prepare for emergencies, in case the money is not enough!"

"Dad, you usually don't give me money so generously..."

Sun Xiaomeng snatched the money from Sun Fuhai's hand and said.

"You kid, hurry up and give the money to David..."

Sun Fuhai said to Sun Xiaomeng!

"It's not the same when I take it. He won't have enough money by then, so I'll just make it up..."

Sun Xiaomeng put the money in her pocket!

"Uncle Sun, I have enough money, it's really not enough, I can make it up to Xiaomeng..."

David smiled at Sun Fuhai!

Sun Fuhai sighed, that was the only way!

The group walked out of the box. Sun Fuhai was about to settle accounts. Cui Zhiyuan followed him staggeringly: "I have a work permit here, and I can get a 20% discount..."

Cui Zhiyuan photographed his work permit on the front desk, but the cashier lady at the front desk didn't even look at it!

"Sir, for your consumption, this hotel has already waived the bill, you don't need to pay..."

The cashier lady at the front desk politely said to Sun Fuhai!

## Chapter 89

Sun Fuhai was stunned all of a sudden, he didn't understand how he could be exempted from the bill?

Cui Zhiyuan, who was on the side, immediately laughed when he heard it: "Haha, I didn't expect my work card to be so useful. After I took it out, it was actually free of charge. The Su family is really particular about it..."

Hearing this, Sun Fuhai couldn't help but nodded. He also thought that Cui Zhiyuan's work certificate played a role. After all, Cui Zhiyuan also worked for the Su family.

Only the cashier looked at Cui Zhiyuan with contempt and said nothing. The reason why the order was waived was for David. Almost all the staff in the Regal Hotel knew about the relationship between David and Sonya!

Seeing David over for dinner, of course, the order will be waived. Who dares to accept the money from the future uncle of the Su family?

The group walked out of the hotel, and Sun Fuhai followed Chen Baoguo to say goodbye to each other!

“Okay, don’t talk about it, my body stinks to death, it’s all to blame for this David, did he drink like that? He gave Zhiyuan too much...”

Li Fengxia muttered and stared at David angrily!

David did not speak, while Chen Baoguo followed Li Fengxia apologetically and left with Barbara!

Sun Fuhai also followed Li Fengxia home, leaving only David, Cui Zhiyuan and Sun Xiaomeng!

“David, you are drunk, take a taxi by yourself, don’t dirty my car...”

Sun Xiaomeng gave David a cold look and said.

David drank Cui Zhiyuan like this, Sun Xiaomeng is still angry now!

“David, we’re going to Dynasty KTV, don’t run away halfway...”

After Cui Zhiyuan finished speaking staggeringly, he was pulled into the car by Sun Xiaomeng, and then disappeared without a trace!

Looking at the speeding car, David’s eyes were filled with chills. This Cui Zhiyuan was finding fault one after another, and David should teach him a good lesson!

And that Sun Xiaomeng, if it wasn’t for Sun Fuhai’s sake, David wouldn’t be accustomed to her!

Reaching out to stop a taxi, David wanted to rush towards Dynasty KTV, but at this moment the phone rang!

It was Wang Hanhan who called, and David hurriedly connected!

“Brother David, where did your family go? My mother made some dumplings and brought them to you, but found no one at home!”

Wang Hanhan asked!

"We came out to eat!" David explained!

"Oh, are you finished eating now? I think the house is too boring, and I want to go out for a walk..."

Wang Hanhan's meaning is obvious, she wants David to accompany her around!

David hesitated and said, "I'm going to go to KTV now. I succeeded in the interview today. I sing along with my colleagues..."

"Oh, then forget it..." Wang Hanhan's tone was a little lost!

"Where are you? Shall we go together?"

David said suddenly!

He was about to bring Wang Hanhan to the company, and he happened to follow these people to get acquainted.

"This...is this suitable?" Wang Hanhan wanted to go, but was a little embarrassed!

"What's wrong with this, I want to take you to the company tomorrow, there's nothing wrong with getting to know you first, I'll pick you up..."

After David finished speaking, he asked the taxi to go to their community to pick up Wang Hanhan before rushing to Dynasty KTV.

At this time of Dynasty KTV, Cui Zhiyuan and the others have arrived and opened a big private room!

"What's going on with this David? He hasn't come for so long, so he won't run away, right? He's so poor, I'm really afraid he can't pay..."

Wang Lanlan muttered.

Everyone else also agreed, for fear that David would not come, so who will pay for the private room today?

"Tongjian, if David doesn't come, you will be together, and you will pay for today's consumption..."

Cui Zhiyuan leaned on the sofa and said to Zhang Tongjian who was sitting in the corner with blurred eyes.

Zhang Tongjian nodded reluctantly. Although he was reluctant, he did not dare to refuse!

## Chapter 90

Seeing that someone has paid for it, the others are excited and start ordering fruit plates and beer.

Zhang Tongjian is praying that David must come, otherwise he will be bleeding again today, and his credit card is almost out of limit!

Cui Zhiyuan was lying on the sofa, let Sun Xiaomeng press his head, and drink some water. The drunk state was obviously better, but his head was still dizzy.

"I tell you, it's fine if David doesn't come. If he comes after a while, you give me a hard drink. Whoever gets him drunk will double the bonus this month..."

Cui Zhiyuan said to the crowd.

As soon as they heard the prize doubled, everyone was immediately excited.

"Don't worry, Manager Cui, I promise to let David go out lying down..."

"If he dares to come, he can't find Bei for what I want to drink..."

All of them are gearing up. If so many people want to drink David, David will definitely get drunk. Even Zhang Tongjian is moved when he hears that the bonus is doubled, but he will not really drink David. .

Just as everyone was drinking and singing, the box door was pushed open, and David led Wang Hanhan to arrive!

Seeing David coming, everyone was a little stunned, especially seeing Wang Hanhan beside David, which made many men's eyes bright, even Cui Zhiyuan, who was dizzy and squinted, saw After Wang Hanhan, her eyes widened instantly!

Although Sun Xiaomeng is also beautiful, she has a youthful vibe on Wang Hanhan. Although Wang Hanhan has worked as a dancer in a bar, her heart is still very conservative.

"David, I thought you were afraid of spending money, so you won't come..."

Cui Zhiyuan glanced at David, then continued to look at Wang Hanhan and asked, "Who is this little girl?"

"Hello everyone, my name is Wang Hanhan, I'm Brother David's neighbor, I hope I didn't disturb everyone..."

Wang Hanhan introduced himself politely!

"No, no interruptions..."

"Sit, sit down quickly..."

"Eat fruit, there is fruit here..."

A bunch of men are trying their best to be courteous, but no one cares about David.

Then Cui Zhiyuan also coughed slightly: "My name is Cui Zhiyuan, and I'm David's manager..."

When Wang Hanhan heard that Cui Zhiyuan was the manager, he stretched out his hand nervously and said, "Hello Manager Cui..."

"Hello..."

Cui Zhiyuan's eyes glowed with silver light, and he tightly grasped Wang Hanhan's hand!

Everyone could see that Cui Zhiyuan looked straight at Wang Hanhan, which made Sun Xiaomeng angry!

"Miss Wang, where are you now?" Cui Zhiyuan didn't feel Sun Xiaomeng's angry eyes at all, and still asked Wang Hanhan with a smile.

"I...I don't have a job..." Wang Hanhan said a little embarrassedly.

Hearing this, Cui Zhiyuan smiled even brighter. He took out a business card from his pocket: "This is my business card. If Miss Wang is interested in our company, she can come to work in our company!"

"Really?" When Wang Hanhan heard this, his eyes widened in surprise!

"Of course, I'm a department manager, so I still have this right..."

Cui Zhiyuan said proudly.

"Cui Zhiyuan..." Sun Xiaomeng couldn't take it any longer, so she roared!

Only then did Cui Zhiyuan think of Sun Xiaomeng, and hurriedly followed Wang Hanhan to distance himself: "Sit... all sit down!"

Wang Hanhan seemed to see something, walked over to David with a slight smile, stepped on David's arm skillfully and said, "Brother David, can you introduce me to these colleagues of yours?"

David was frightened by Wang Hanhan's skilled movements. In front of so many people, Wang Hanhan's movements were too intimate!

But Wang Hanhan did this on purpose, in order to make these men here give up on him, and to prevent Sun Xiaomeng from being jealous.
