

# A Man Like None Other

## Novel

### Chapter 1091

Just when the two were stunned, David stretched out his hand and patted the top of the two people's heads, and then the Concentrated Heart Technique ran rapidly, and the rolling suction began to absorb the power of the two!

The two of them suddenly turned pale and trembled, as if they had been electrocuted.

In just ten seconds, the two fifth-rank Martial Sects were completely absorbed by David.

This scene directly frightened Gu Kaiyuan.

"You...you know sorcery? You're actually an evil cultivator..."

Gu Kaiyuan couldn't believe everything in front of him. He never thought that David was actually an evil cultivator!

Moreover, the town magic tower does not seem to have sealed David's strength.

"It doesn't matter if I'm a cultist or not, the important thing is that you're going to die..."

David looked at Gu Kaiyuan coldly and said.

Gu Kaiyuan suddenly sneered: "David, do you think the Demon Town Tower can't seal your strength, so you can easily kill me? Let me tell you, this is my territory, you want to kill me, dream..."

"Whether it's a dream, you'll know soon..."

David said, the breath on his body exploded instantly, and the whole room was filled with David's thick murderous aura.

Gu Kaiyuan stepped on the ground suddenly, and then the whole building began to shake, like an earthquake!

Then Gu Kaiyuan bit his finger and dripped a drop of blood on the ground.

In an instant, the blood was absorbed by the ground, and then lines appeared on the ground!

Countless lines began to shine, and these rays of light seemed to contain infinite power!

rumbling...

The walls on the outside of the building began to crumble, but nothing happened inside.

Soon, a huge hexagonal tower appeared!

It turns out that this old building is wrapped in an iron tower!

No wonder Gu Kaiyuan called it the Town Demon Tower, it really is a tower!

"David..."

Gu Ling'er held David's arm tightly. At this time, she no longer had any spiritual power, so there was no doubt that she would follow ordinary people!

"Don't worry, it's alright..."

David comforted Gu Linger gently.

"David, if you enter this tower, you will never be able to get out..."

Gu Kaiyuan laughed, and a light circle began to flash under Gu Kaiyuan's feet.

Seeing this, David suddenly rushed towards Gu Kaiyuan.

But when the light flashed, Gu Kaiyuan disappeared directly, and the light circle on the ground disappeared!

"Linger, let's go..."

David pulled Gu Linger up and started running towards the tower desperately.

The exit was closed by a gate, and David suddenly slammed out with a palm, trying to smash the gate in front of him!

But when David's palm bombarded the gate, a huge anti-shock force came at the same time!

David's body was directly sent flying out, flying more than ten meters, and then fell heavily to the ground.

"David..."

Gu Linger hurried over and helped David up.

Gu Linger's face was full of worry.

David patted the soil on his body and walked slowly to the gate again. He looked at the iron gate several meters high. There were no patterns or carvings on it. It was just a big iron gate. It looked nothing special. But how could the anti-shock force David felt just now be so great?

“David, will there be restrictions here, so you can’t open the door?”

Gu Linger reminded.

“Even if there is a ban, I will break him...”

David’s eyes narrowed slightly, and then he clenched his fist tightly.

Golden light flickered above the fists, and the power of the dragons surrounded the fists!

“break...”

David roared angrily, and both fists slammed on the iron gate fiercely.

boom...

It was another huge anti-shock force. This time, David’s body flew out dozens of meters and slammed hard against the wall before it stopped.

## **Chapter 1092**

David’s internal organs were tumbling, and blood was spilling from the corners of his mouth!

Gu Linger ran over worriedly and gently wiped away the blood stains for David!

David stared at the iron gate in front of him, and suddenly seemed to think of something.

“I understand, this iron gate is to bounce back all my strength. The more I exert myself, the stronger the anti-shock force will be. It seems that it is impossible to forcibly break the ban...”

David frowned.

"Then what do we do? Are we going to be stuck here?"

Gu Linger asked with a look of panic.

There's no food here, and if they don't get stuck here, they'll starve to death.

However, David has already arrived at the Golden Core Realm. Even if she doesn't eat or drink, there is no problem, but Gu Linger is not good. She has no strength now, and she is just an ordinary person.

"Since the exit doesn't work, let's go up and take a look..."

David adjusted his breath and started walking towards the tower with Gu Linger.

But just as they walked to the stairs, a light curtain suddenly blocked the entrance of the stairs, directly blocking David's upward path.

"Can't you go up too?"

Gu Linger was a little surprised when she saw the light curtain that suddenly appeared.

"Ling'er, you go back, I'll check the situation..."

David didn't know what was going on, so he asked Gu Linger to step back.

David slowly stretched out his hand to the light curtain. When his palm touched the light curtain, his whole body felt as if he had been electrocuted.

Immediately after that, like high-tech, several pictures flashed in an instant!

Although the screen flashed very quickly, David could still see it clearly. It turned out to be a person punching!

David instinctively gestured a few times according to the above picture, and the light curtain in front of him disappeared instantly!

David, who looked surprised, walked up and found that there was no danger or obstruction.

"Ling'er, you can come up..."

David waved to Gu Linger!

Gu Linger followed and asked curiously, "David, what did you see just now? Look at your gestures."

"Didn't you see it? There is a picture on the light screen, just like a TV..."

David looked at Gu Linger strangely.

"No, I didn't see anything, I just saw you gesturing there..."

Gu Linger shook his head.

This time, David was a little confused. Could it be that only he could see the picture?

But David didn't think much about it, the main thing now is to find a way to get out of this town magic tower!

When David and Gu Linger were about to continue to walk up, also at the stairs, a light curtain suddenly appeared.

This time, David directly printed his hand on it, and it felt like an electric shock!

Then a few pictures flashed!

David looked at the picture, followed the above things, followed by a few gestures!

Then the light curtain disappeared, and David continued to move up with Gu Linger!

All the way to the top level, this happens at every level!

After reaching the top floor, David couldn't help but remember the set of boxing techniques displayed on the screen, and drew directly on the spot.

When David finished practicing a set of boxing techniques, the top floor of the entire town magic tower suddenly became distorted, like space distortion!

Then a light shone in, and a figure slowly appeared!

David squinted his eyes and looked closely, and found that it turned out to be an old man wearing a white robe, with a long white beard and a kind-hearted face.

David became a little nervous about the sudden appearance of an old man here!

The old man walked slowly to David and looked at David up and down!

"I didn't expect the old man to wait for hundreds of years, and he actually waited for a son of a dragon. This may be God's will..."

The old man nodded in satisfaction.

## **Chapter 1093**

"Who are you? Why are you here?"

David looked at the old man in surprise: "Did you stay here for hundreds of years?"

Although David was a cultivator, he was still shocked that he could survive for hundreds of years.

"Haha, this Devil Town Tower is specially made for this old man. I was locked in this Devil Town Tower for hundreds of years. It's a pity that the only thing I've been imprisoned here is a remnant of the old man's soul. trap me..."

"You have now learned my Holy Light Fist, you can leave here, just as the old man can go out with you!"

The old man laughed.

"There is a ban on this town magic tower, I can't open the door at all!"

David shook his head and said.

"Don't worry, you only need to use the Holy Light Fist, put away all your own spiritual power, and you can open the door. Remember, you can only use the power of your body..."

The old man warned David.

After speaking, the old man slowly disappeared.

"Hey...hey..."

David also wanted to ask the old man what he meant by the son of the dragon, but found that the old man had disappeared!

"David, David... wake up, wake up, don't scare me..."

At this time, Gu Linger shook David vigorously, her voice trembling!

David opened his eyes and found that he was actually lying on the ground, and Gu Linger was calling him anxiously.

Seeing David awake, Gu Linger breathed a sigh of relief: "You scared me to death. As soon as you came up, you punched indiscriminately, and then passed out, talking nonsense..."

David stood up slowly, frowning and trying to recall what had just happened.

"Could it be that I was dreaming just now?" David felt a little incredible!

"What are you dreaming about?" Gu Linger asked strangely.

"Oh, nothing!" David shook his head: "Let's go!"

"How do we get out? That gate is restricted and can't be opened at all!"

Gu Linger asked.

"Come with me, let's try again!" David pulled Gu Linger up and walked towards the bottom of the tower.

At the same time, Gu Kaiyuan was sitting on the balcony of a villa, gently shaking the red wine in his hand, and looking at the Demon Town Tower not far away.

"It's been three days, I don't know if that guy David is dead!"

Gu Kaiyuan took a sip of red wine.

At this time, the housekeeper Zhongbo came over and whispered to Gu Kaiyuan: "Patriarch, Ning Gongzi has already brought someone on the way, as long as we hand over David to Ning Gongzi, this time our Gu family will be stationed in Kyoto. Hopeful..."

"Well, after our Gu family enters the capital, it won't be long before I will be the leader of the martial arts alliance, and then the entire martial arts world will listen to my orders..."

Gu Kaiyuan's eyes were hot, bursting with endless desire.

He was unwilling to be only a king of the Northwest, and he tried his best to get their Gu family to enter the Kyoto martial arts world, in order to sit on the position of the leader of the Kyoto martial arts alliance!

The ambition of this guy can be described as very big.

"Patriarch, we have the Demon Suppressing Tower, and sooner or later the position of the leader will be yours, but Young Master Ning is here, then the secret of our Demon Suppressing Tower can't be kept, and if they spy on our Demon Suppressing Tower then ,what should we do?"

Zhongbo reminded.

"Don't worry, only I can use this Devil Town Tower. Without me, it's just scrap metal in the hands of others..."

Gu Kaiyuan smiled lightly and said confidently.

.....

David in the Demon Town Tower is walking down the tower with Gu Linger!

They don't even know that three days have passed outside!

In the Demon Town Tower, they only felt that a few hours had passed.

Going all the way to the exit, looking at the heavy iron gate, David slowly clenched his fists!

## **Chapter 1094**

"David..."

Gu Linger grabbed David's arm.

She was afraid that David was injured by the shock force.

"It's okay, this time I will definitely be able to open the iron door..."

David patted Gu Linger gently.

Thinking of the old man speaking, David did not mobilize the spiritual power and divine dragon power in his body, but used his own strength, accompanied by the bulging muscles on his arms, David slammed his fist towards the iron gate.

"Holy Light Fist..."

David let out a loud shout and smashed the iron gate with a ruthless punch!

rumbling...

This time, there was no anti-shock force, and the heavy iron gate was rumbled by David's punch!

David was overjoyed. Seeing that it really worked, he threw a punch again in an instant!

Every punch is David's own strength, simply relying on his bulging muscles.

bang, bang, bang...

The heavy iron gate began to shake under the blow of this punch.

"what happened?"

Not far away, Gu Kaiyuan, who was sitting on the balcony, was shocked, and the red wine in his hand fell to the ground.

Uncle Zhong also changed his face: "Could it be that David is breaking the tower?"

"Let's go and see..."

Gu Kaiyuan jumped up, fell from the balcony, and quickly walked towards the Town Demon Tower.

boom...

When Gu Kaiyuan just ran under the Town Demon Tower, there was a sudden loud noise!

The heavy iron gate collapsed suddenly.

The iron door slammed on the ground, causing a burst of dust.

When the dust cleared, David took Gu Linger's hand and walked out.

Seeing David breaking out of the tower, Gu Kaiyuan almost dropped his chin!

"You...how did you come out?"

Gu Kaiyuan couldn't believe his eyes!

A white light flew out from the Demon Suppression Tower, and then an old voice appeared in David's mind: "Hahaha, young man, thank you, if you have a predestined relationship, we will see you on Tianmo Mountain..."

"Tianmo Mountain?" David wondered for a while, he seemed to have never heard of such a mountain.

But this is not the time for him to think, Gu Kaiyuan is right in front of him, and David wants to kill him first!

After Gu Linger came out of the Demon Suppression Tower, the spiritual power in her body also recovered instantly, and then she looked at Gu Kaiyuan angrily!

Feeling the breath of David and Gu Linger, Gu Kaiyuan's face became very ugly!

And Uncle Zhong, who was behind him, turned his eyes and ran!

He knew that what David wanted to kill was just Gu Kaiyuan, he was just a servant!

In the face of life and death, life is still important!

"Where to escape..."

Seeing that Uncle Zhong was about to flee, Gu Linger jumped up and chased after him.

David didn't stop him. With Gu Linger's strength, it was more than enough to kill Uncle Zhong!

It happened that Gu Linger was full of anger, so it would be better to take that uncle Zhong to vent his anger!

"Gu Kaiyuan, what skills do you still have, even if you use them, if you don't have them, then just die obediently..."

David looked at Gu Kaiyuan with a playful look on his face and said.

Gu Kaiyuan's face was gloomy, and his brows were tightly twisted together, as if he was making a decision.

"David, don't force me, let me live, I will never provoke you in the future..."

Gu Kaiyuan gritted his teeth and said slowly.

"Let you live?" David smiled coldly: "I'll let you go, do you dare to leave?"

Gu Kaiyuan knew that it was impossible for David to let him go, so he closed his eyes slightly, then opened them suddenly: "Well, let's die together..."

After that, Gu Kaiyuan chanted a spell, and then the entire manor began to shake.

rumbling...

The loud noise continued, the earthquake trembled, and many villas began to collapse. Soon this luxurious manor became a ruin.

Immediately afterwards, from all directions of the manor, rays of light shot straight into the sky!

Then these rays of light gathered together and turned into an incomparably overbearing force, directly submerging into Gu Kaiyuan's body.

In an instant, the breath of Gu Kaiyuan's body soared rapidly, and soon broke through to the peak of Wuzong.

Gu Kaiyuan's face was full of hideousness, and he seemed to be in great pain.

## **Chapter 1095**

Soon, the light slowly disappeared, and Gu Kaiyuan's body became a lot more majestic!

Moreover, the breath on his body has also changed, as if he has changed a person.

Looking at David in front of him, Gu Kaiyuan said coldly: "I destroyed the manor and absorbed the strength of my ancestors. Only when you die can I comfort my ancestors!"

"Even if you dig your ancestors out of the soil, you won't be able to kill me at all. It's good that your body can control this power, and you want to use this power to kill me?"

David raised the corner of his mouth with a bit of disdain on his face!

"Can I kill you, then try it..."

After Gu Kaiyuan finished speaking, he punched him fiercely.

Gu Kaiyuan's speed is extremely fast, like a streamer...

"Holy Light Fist..."

David also threw a punch, hitting the Holy Light Fist he had just learned.

boom...

With a loud bang, David's body was like a shell that was shot out, and it stopped after hitting a wall!

Looking at the skin on his body, David slowly shook his head: "It seems that with only the power of the flesh, even the Holy Light Fist can't stop you..."

"You are too arrogant..."

Gu Kaiyuan was furious, and David didn't even mobilize the power in his body. He just relied on the power of the flesh to resist himself, which was too contemptible.

"Really? I don't think so, but your ancestors don't seem to be very good, and this power is not strong..."

David sneered at Gu Kaiyuan.

"Go to h3ll..."

Gu Kaiyuan was about to die of anger, and then another punch was thrown at David.

This punch is comparable to telling a moving locomotive!

The whistling sound was incessant, accompanied by the sound of breaking the air.

When David saw this, he straightened his body and hid aside!

rumbling...

The ground was actually hit by this punch, and a deep pit was smashed fiercely.

"It's a bit like..."

David looked at the big pit on the ground with a solemn expression on his face.

"continue..."

Gu Kaiyuan roared, and his figure instantly reached David, and the fist like an iron fist slammed into David fiercely.

Gu Kaiyuan has fallen into rage at this time, and he is not stingy with the energy in his body!

When David saw this, the spiritual power in his dantian instantly condensed, and then he punched him!

boom!

With a punch to the bang, Gu Kaiyuan's body stepped back three steps in a row, while David's body flew out directly.

"Sure enough, it's been two times..."

David stabilized his body, and his eyes showed a strong fighting intent.

The stronger the opponent, the stronger David's will to fight. If he could shoot the opponent to death, it would be meaningless to David.

David began to pay attention, the golden light on his body skyrocketed, and the layers of golden scales exuded a breathtaking light under the sunlight.

The indestructible golden body was brought to the extreme by David. At this moment, David's entire body was covered with golden scales, and his fleshly body was also a bit hard.

"No matter how strong the golden body is, in the face of absolute strength, it will be broken with one punch..."

After two punches, Gu Kaiyuan's confidence burst.

He has never felt such a terrifying power, but this power is only short-lived. When the power disappears, Gu Kaiyuan's life will also be the end, but at this time Gu Kaiyuan has no other choice.

The manor has been destroyed, and he is now in ruins, and he can only perish with David...

"Then try it..."

The power of the dragon in David's body erupted, and golden light flashed above his fists, and a layer of light visible to the naked eye turned into two miniature golden dragons, surrounding David's fists!

"Holy Light Fist..."

David used the power of the dragon to use the Holy Light Fist he had just learned.

Just relying on the power of the body, the power of the Holy Light Fist can destroy the heavy iron gate. Now if the power of the dragon is used, the power of the Holy Light Fist will increase by hundreds of times.

## Chapter 1096

Seeing this, Gu Kaiyuan also punched out!

boom!

The two forces collided, and this time the entire Xichuan seemed to be able to hear the violent explosion.

In an instant, a gust of wind swept through, and the world changed color.

It's like the end of the world!

The remains of the original manor's ruins have turned into ashes at this moment!

Thousands of acres of manor, at this moment only the town magic tower is still standing in place.

With this punch, the two of them were evenly matched, and their bodies all retreated.

"Is this your strongest strength?"

Gu Kaiyuan's eyes narrowed slightly, and then he opened his arms, as if hugging something.

"Ancestor, give me strength..."

Gu Kaiyuan roared, and then from Gu Kaiyuan's chest, a ray of light shot out, as if to open Gu Kaiyuan's belly!

David's expression instantly became solemn.

He could feel that the aura in Gu Kaiyuan's body was getting stronger and stronger, and he was even comparable to Guo Wei, a veteran of the peak of Wuzong.

A ball of light condensed on Gu Kaiyuan's chest, and then the ball of light quickly bombarded David.

The speed was so fast that David had no time to dodge.

boom!

David's body was knocked flying, and he fell to the ground.

A trace of blood began to flow out of his mouth, the golden light on his body dimmed, and the scales surrounding his body began to crumble a little bit!

"David, you are dead today, I will use my life's efforts to kill you..."

Gu Kaiyuan said it, suddenly grabbed forward!

A ray of light grabbed David directly, and instantly brought David to Gu Kaiyuan.

Gu Kaiyuan then punched David's chest fiercely.

"Go to hell..."

Gu Kaiyuan roared, he knew that his strength could not last long, so he wanted to kill David completely when his strength disappeared!

Gu Kaiyuan's breath has reached its peak!

David suddenly took a breath, wrapped his body with spiritual power, and with the blessing of the indestructible golden body, he took a punch from Gu Kaiyuan.

Whoa, whoa...

The golden light on David's body was dim, the scales fell off instantly, and then disappeared instantly!

With his bronzed skin exposed, David can only use his physical body to resist Gu Kaiyuan's attack.

Seeing this, Gu Kaiyuan was overjoyed, and suddenly slammed another punch!

David's face became extremely solemn at this moment, and then the Dragon Slaying Sword that was burning with raging fire instantly appeared on his right hand!

With an unparalleled condensed energy, the Dragon Slaying Sword slashed towards Gu Kaiyuan's arm!

Seeing this, Gu Kaiyuan quickly retreated back.

The Dragon Slaying Sword in David's hand still makes Gu Kaiyuan very jealous.

David stared at Gu Kaiyuan, he found that the strength of this kid faintly surpassed that of Guo Wei, even in the face of Guo Wei, David could not be so embarrassed.

It seems that at the cost of life, the power of the ancestors cannot be underestimated.

"You take out your sword now, it's too late..."

After Gu Kaiyuan finished speaking, he slowly raised his palm.

In an instant, the ground shook and the mountain shook, and immediately above David's head, a huge hand appeared and slapped David fiercely.

Seeing this, David waved the Dragon Slaying Sword fiercely towards the giant hand.

Several swords swept across, but the giant hand didn't mean to stop at all.

The huge coercion caused David's body to sink downward.

All the spiritual power and dragon power in the body were mobilized to resist, but there was still no way to stop the huge palm from pressing down.

But at this moment, all the pictures of Shengguang Fist that David saw in the Demon Suppression Tower began to flash in David's mind constantly.

Each set of pictures represents a punch!

In the end, all the pictures merged into one, but an old voice appeared in David's mind: "No action is boundless, the image of Dharma-born, when I am born, all living beings, when I die, all are destroyed, all things in the world are born from the heart... .."

## **Chapter 1097**

David frowned and kept saying this sentence in his mouth!

He doesn't understand what this sentence means, and he can't understand it!

"Hahaha, David, it's useless for you to beg for mercy now..."

Gu Kaiyuan saw David nagging and thought he was begging for mercy.

That giant hand, with the power to destroy the sky and destroy the earth, slapped David fiercely!

boom!

Finally, the giant hand slammed it down, and a large pit that was more than ten meters deep instantly appeared on the ground!

Countless dust is flying, and David's body has long been buried by dust!

Looking at David who had disappeared, Gu Kaiyuan let out a long sigh, David was finally dead!

However, Gu Kaiyuan glanced at the manor that was already in ruins, he didn't want to die, but there was no way!

In the end, he was forced to give up his life and die with David!

"Born here, buried here, can be regarded as a kind of home..."

Gu Kaiyuan slowly closed his eyes, waiting for the power to disappear.

At this moment, suddenly there was movement in the deep pit!

Gu Kaiyuan hurriedly opened his eyes and saw that in a pile of dust, a hand stretched out, followed by his head.

David stood up and shook the dust from his body!

I saw David's blood was burning, his body was full of murderous aura, and a terrifying aura shrouded in the air.

"This... how is this possible? Did David break through?"

Gu Kaiyuan looked at David, whose breath had changed, with panic in his eyes!

On the other hand, David's eyes were dull, and he was still thinking about the words just now in his mind.

"Everything is born from the heart..."

David said, and walked up from the deep pit step by step.

Gu Kaiyuan, who was sluggish for a while, did not shoot at David at this time!

"Everything is born from the heart, I understand, I understand... Hahaha..."

Suddenly, David burst out laughing like crazy.

Then David's eyes looked at Gu Kaiyuan. At this time, in David's eyes, there was only Gu Kaiyuan's figure, and other things no longer existed.

"David, stop pretending, since I didn't shoot you to death, I'll shoot you once..."

Gu Kaiyuan said, the power in the body began to support the body again, and then it condensed into a huge palm and patted it towards David!

David stared at Gu Kaiyuan, even ignoring that the palm had already been patted!

"Holy Light Fist..."

David rushed straight towards Gu Kaiyuan, ignoring the danger that would come!

Soon, the scene that made Gu Kaiyuan's jaw drop in shock appeared. I saw David's body actually penetrated the huge condensed palm, and then punched Gu Kaiyuan's chest fiercely!

Gu Kaiyuan's face changed, and his huge body flew out instantly.

After struggling to get up, Gu Kaiyuan looked at David in shock: "How is it possible? How could it be like this?"

“Abandon your bells and whistles and fight me with your purest strength...”

David said slowly.

“Hmph, I don’t believe it anymore...”

Gu Kaiyuan snorted coldly, then raised his hands, and suddenly there were cyclones between heaven and earth, and then countless cyclones gathered together and turned into a huge tornado!

A ray of light penetrated into the tornado, and bursts of flames rose up, instantly turning into a fire tornado!

In a radius of hundreds of meters, the temperature became extremely hot in an instant.

Gu Kaiyuan patted lightly, and the fire tornado devoured directly towards David!

The manic fire tornado was like purgatory, and countless flames turned into ferocious skeletons, grinning at David!

This affects the world and shakes the power of the void!

David didn’t dare to be careless, and the power of the dragon broke out, punching out fiercely!

## **Chapter 1098**

David’s punch instantly burst into a soft light!

The soft light penetrated the fire tornado, causing the fire tornado to dissipate instantly!

Feeling the soft and holy light, David was slightly taken aback.

"This...is this the true essence of Holy Light Fist?"

David felt indescribably comfortable after feeling the soft and holy light.

Gu Kaiyuan frowned deeply. He was already feeling that the power of his body was slowly losing. If he couldn't kill David, then he would have no chance.

"Take the blood as the guide, the ground as the coffin, the ancestors protect..."

Gu Kaiyuan suddenly muttered something, and then slapped his chest with a palm!

A mouthful of blood sprayed out, the blood fell on the ground, and it was absorbed instantly!

The earth trembled, and then a huge pattern appeared on the ground, and the pattern still radiated light.

"Come out..."

Gu Kaiyuan roared, and then the pattern on the ground began to rotate!

One after another light flashed, and several human skeletons with only skeletons appeared from the pattern.

Gu Kaiyuan bit his fingers and smeared his own blood on the heads of several skeletons.

Several skeletons seemed to come alive in an instant, and groups of red light beat within the skeleton of the skeleton, like the heart of a human being.

Seeing this, David frowned tightly.

"What is this?"

Facing several skeletons, David became a little uneasy.

He didn't expect that Gu Kaiyuan could summon these scary things. It seems that the Gu family has a lot of secrets.

"These are the bones of my ancestors. Now you are disturbed by you, so let the ancestors kill you..."

Gu Kaiyuan said, waving his hands, several skeletons rushed towards David!

Seeing this, David suddenly threw two fists out.

The strong punches directly hit those skeletons, but they didn't have the slightest effect. The strength of these two punches all passed through the skeletons' bodies, and they were empty!

"Haha, it's useless, they are dead, how can they be afraid of your punching power!"

Gu Kaiyuan laughed.

At this time, a skeleton had already arrived in front of David, and then a paw grabbed towards David.

Bloodstains appeared in front of David in an instant!

The indestructible golden body was directly broken by these skeletons!

Looking at the bloody wound on his chest, David looked solemn.

"Since you use magic, then I will use magic to meet you..."

David said it, a light blue flame rose from his hands!

The blue flame was beating, sending out a strange breath!

Immediately afterwards, the power of the dragon condensed on the palm of the hand, and the blue flame on the hand became more vigorous.

"Since ordinary power is not enough, let's try these spirit fires..."

Let's just say, David's hands instantly formed a magic formation.

Gu Kaiyuan's face became a little unsettled. He didn't expect that David could actually know magic, and he could control spirit fire.

You must know that only advanced alchemists can control the spirit fire to make alchemy!

Could it be that David is also an alchemist?

Gu Kaiyuan's face became ugly, he didn't know how many trump cards David still had.

Why does David seem to know everything.

I saw David push forward with both hands, and the arrays burst open instantly, covering the skeletons directly!

The terrifying power raged at this moment, and the raging fire, with the help of this power, began to devour everything that could burn!

"This...what the h3ll is this?"

Feeling the power of the spirit fire, Gu Kaiyuan was so frightened that he retreated again and again!

Even if he was a little closer to the spiritual fire, Gu Kaiyuan's body and mind felt as uncomfortable as being roasted!

Several skeletons struggled in the spirit fire at this time.

In an instant, the spirit fire disappeared, and the skeletons also turned into piles of black powder, which were blown away by the wind and disappeared without a trace.

## Chapter 1099

Seeing the scene in front of him, Gu Kaiyuan's heart was as gray as death, and his face was extremely ugly!

"You unfilial descendant, even the bones of the ancestors have been used, what skills do you still have, come on..."

David looked at Gu Kaiyuan and said coldly.

"Don't be complacent..."

Gu Kaiyuan's eyes widened, and finally he let out a loud snort. The power that had been lost quickly stopped at this moment, and then Gu Kaiyuan's body was rapidly expanding.

Seeing this, David knew that Gu Kaiyuan was going to explode himself.

The self-destruction of a strong man close to the peak of Wuzong, such an explosion is probably more powerful than a bomb!

Don't even think there are living creatures within a radius of hundreds of meters.

David hurriedly formed the seal, and the spirit fire reappeared in an instant, shrouded directly towards Gu Kaiyuan.

Gu Kaiyuan didn't dodge either, his eyes were full of fierceness!

boom!

The spirit fire surrounded Gu Kaiyuan, and the gas around Gu Kaiyuan was raging in an instant!

This is a spiritual fire, even water can't quench it.

"what..."

The violent burning made Gu Kaiyuan scream.

But the breath in Gu Kaiyuan's body has not weakened in the slightest, it is still growing rapidly, and the body is getting more and more inflated!

David waved his palms, and the power of a divine dragon came out majestic!

The spirit fire encounters the power of the dragon, and it burns even more fiercely!

David must not let Gu Kaiyuan blow himself up, otherwise he will be seriously injured even if he does not die!

zizizi

The fire scorched the skin and made a sizzling sound.

Gu Kaiyuan's screams became weaker and weaker, and soon Gu Kaiyuan's breath finally began to weaken.

In the end, Gu Kaiyuan slumped on the ground like a deflated ball.

The burning pain of the fire caused Gu Kaiyuan to roll on the ground.

"Kill me, kill me quickly..."

Gu Kaiyuan now only wants to die.

David looked at Gu Kaiyuan coldly, his eyes indifferent and cold.

David will never be soft-hearted when dealing with the enemy!

Soon, Gu Kaiyuan lost his voice, and the spiritual fire he saw went out, leaving only a charred corpse on the ground.

Gu Kaiyuan is dead, and the entire Gu family manor has turned into ruins. Only the Demon Town Tower stands tall, and the tower is surrounded by an air of coercion.

David stood in front of the Demon Suppression Tower, looking extremely small.

"This is really a good thing, it would be great if this Demon Town Tower can be taken away..."

David felt a burst of regret!

This Demon Suppression Tower is a good thing. If you can practice in the Demon Suppression Tower, you will get twice the result with half the effort!

As the saying goes, one day inside the tower, one day outside the tower...

But the Demon Town Tower was too big, and David couldn't take it away or put it in the storage ring, which was a pity.

David and the others were trapped in the Demon Suppression Tower. It was still night, but when they came out in just a few hours, three days had passed and it had become day.

In this case, cultivating in the tower for one day is equivalent to spending nearly a month outside the tower!

After reluctantly glanced at the Zhenmo Tower again, David could only leave first and find Gu Linger.

When you have the opportunity, come back here and find a way to turn this manor into your own territory!

Exuding divine consciousness, David immediately detected Gu Linger, and then quickly chased after him.

At this time, Gu Linger was anxiously looking for Uncle Zhong.

Seeing David coming, Gu Linger hurriedly asked, "David, how is that guy?"

"died..."

David said.

Gu Linger was not surprised to hear that Gu Kaiyuan was dead. After all, David's current strength, that Gu Kaiyuan is definitely not an opponent!

"I was so pissed that I let the old guy escape. If it wasn't for his familiarity with the terrain, I would have killed him long ago..."

Gu Linger looked angry.

"But it's just a servant, run away and run away..."

David comforted softly, and then said, "It's time for us to go back. We've been here for several days, and the family must be worried."

## **Chapter 1100**

David knew that in the past few days, whether it was Zao Wou-Ki or Long Wu, they must be worried about his safety.

David and Gu Linger rushed to the airport!

At this moment, Ning Zhi also brought people to Xichuan and walked out of the airport.

The two passed by in the crowd, but did not find each other!

After David passed by Ning Zhi, his brows suddenly wrinkled slightly. Although he didn't see Ning Zhi in the crowd, he always felt a breath, very familiar!

"David, what's wrong?"

Seeing David stop, Gu Linger couldn't help but ask.

"Oh it's all right..."

David looked around, then shook his head and walked directly into the airport!

Ning Zhi took someone out of the airport and looked at the road outside the airport. There were no cars waiting, and his face turned cold.

"Master, isn't this Northwest Wanggu Kaiyuan a little too crazy, knowing that the young master is here, he didn't send a car to pick him up?"

A subordinate beside Ning Zhi said.

Ning Zhi didn't speak, but was obviously unhappy.

At this moment, a taxi stopped in front of Ning Zhi, and then an old man got off the co-pilot. This man was Uncle Zhong who escaped from Gu Linger.

After getting out of the car, Uncle Zhong looked cautious, and then asked Ning Zhi, "Excuse me, are you Mr. Ning?"

Ning Zhi looked at Uncle Zhong, then nodded.

When Uncle Zhong saw this, he breathed a long sigh of relief and quickly explained, "I'm the old housekeeper of the Gu family, and I came to pick up Young Master Ning on purpose."

"bastard, your Gu family is too arrogant to use a broken taxi to pick up our young master?"

At this time, the servant next to Ning Zhi reprimanded loudly.

Uncle Zhong looked embarrassed and hurriedly said: "Young Master Ning, I don't know, that David is now killing the Gu family, I also escaped and came to pick up Young Master Ning, how is our family owner now, I also I don't know..."

"What's going on? Didn't Gu Kaiyuan say that David has been arrested? Why did it become like this again? You didn't frame me on purpose, did you?"

Ning Zhi asked with a cold face.

"No, no, how dare we lie to Young Master Ning. At that time, David was indeed locked in the Demon Tower by the Patriarch, but I don't know how David escaped. Now the Patriarch should fight against him!"

Uncle Zhong quickly waved his hand to explain.

"Master, what should we do?"

The servant asked Ning Zhi in a low voice.

Now that I know that David has not been caught, and he is fighting with Gu Kaiyuan, if Ning Zhi is going now, he will definitely have a conflict with David!

At that time on Suolong Island, Ning Zhi and Gu Kaiyuan teamed up, but they were not able to match David.

After all, David just defeated Long Xiao, who is known as the most talented!

Even Guo Wei was forced to burn blood by David.

Now Ning Zhi doesn't know how powerful David's strength is. If he rashly follows David into a conflict, then he will be involved in it, it will not be worth the loss.

After thinking for a moment, Ning Zhi waved his hand and said, "Let's go back..."

Seeing that Ning Zhi was about to return home, Uncle Zhong became a little anxious, and quickly stopped Ning Zhi: "Mr. Ning, then David is in the Gu family, and he will definitely not be able to fight against our master, but our master has the Demon Suppression Tower. But for a pagoda inherited from ancient times, if you practice in the pagoda, an hour can be worth a day outside!"

"Our Patriarch relies on this Demon Suppression Tower to be the king of the Northwest. Now that Demon Suppression Tower can only be activated by our Patriarch. If Young Master Ning can kill David together with our Patriarch, this is the secret of this Demon Pavillion Tower. , I don't think the owner will keep it..."

Ning Zhi was stunned when he heard it, and then looked at Uncle Zhong in disbelief: "Is there such a treasure? You didn't lie to me?"
