

A Man Like None Other

Novel

Chapter 1251

David sat in the cave, slowly absorbing the spiritual energy flowing out of the cave.

This spiritual energy is extremely abundant and pure!

The only pity was that David couldn't open the boulder in front of him, otherwise he would know what was inside.

"Yuan Ying, if I can step into Yuan Ying, I will have the power to fight with the Martial Arts Alliance and the Long Family, and have the opportunity to rescue my mother and Sonya..."

David thought to himself!

He needs to use the fastest speed to hit the Nascent Soul, which is the realm of Marquis in the martial arts world.

Although David has now reached the strength of a half-step Wuhou.

In the face of the newly promoted Marquis, he also has the strength to fight, but if he really has to face the huge family like the Martial Arts Alliance and the Long Family, David has no chance of winning!

Even facing the Ning family, if Mr. Shi hadn't appeared in time, David would have been a corpse by now.

Therefore, David has an incomparable desire for strength, and he needs to break through as soon as possible!

It's just, how difficult it is to attack the Nascent Soul from the golden core, in addition to understanding, it also needs a certain opportunity!

It is common for some people to be stuck in a big realm all their lives and cannot break through.

And David's goal is not just Nascent Soul, he needs to hit a higher realm!

Because only after reaching a certain level of strength, can a new world be discovered!

He now wants to know who his father is, and who he is!

The truth he wants to know must be climbed step by step with strength, and then he will get closer and closer to the truth!

"When I really become an immortal, the martial arts alliance and the dragon family are not worth mentioning..."

David's eyes shone with incomparably longing light!

Under the action of David's Congealing Heart Technique, the spiritual energy is continuously transformed into spiritual energy, hitting new heights of the realm again and again!

In the blink of an eye, three days have passed.

The spiritual power in David's body is already very abundant, and he is constantly attacking the realm of Marquis.

At the same time, Ji Ruxue in the Red Lotus Palace was always tense and anxious.

She didn't know if the Holy Beast Palace would call.

I don't know when to call, these days are the most tormenting.

The entire Red Lotus Palace has long been ready for battle, and the guardian formation in the palace has begun to operate!

But for three days in a row, there was no news at all.

There was no movement in the Holy Beast Palace, which made Ji Ruxue a little restless!

"Sister, you haven't had a good rest for three days. You look haggard. You should go and rest!"

Seeing her sister so haggard, Xiaomin said very distressed.

"No, there is no movement in the Holy Beast Palace, I can't sleep!"

Ji Ruxue shook her head.

At this moment, a disciple of the Red Lotus Palace suddenly ran in.

"Palace Master, the people from the Holy Beast Palace are here..."

In a word, Ji Ruxue was shocked, and her expression became extremely nervous.

"It should come, it will always come!"

Ji Ruxue murmured.

"How many people came to the Holy Beast Palace?"

an elder asked.

"A person..."

The disciple said the truth.

"A person?"

This time, Ji Ruxue was stunned.

Even if their Red Lotus Palace is not as powerful as the Holy Beast Palace, but to send someone over here, this is too contempt for their Red Lotus Palace.

"Who sent the Holy Beast Palace? One person dares to come here, I look down on our Red Lotus Palace!"

Ji Ruxue's face was full of anger.

"It's Xiao Da, the elder of the Holy Beast Palace..."

the disciple said.

Ji Ruxue frowned slightly, then said, "Invite him in!"

Soon, Xiao Da walked into the Red Lotus Palace with a smile, not like a crusade.

"Palace Ji, I take the liberty to interrupt, and I hope you don't take offense..."

Xiao Da laughed and gave Ji Ruxue a salute!

Chapter 1252

Although Ji Ruxue was a little puzzled, but the other party was so polite, she couldn't be rude.

"Elder Xiao, you are very kind, you can come to our Red Lotus Palace, that is the blessing of our Red Lotus Palace!"

"Take a seat, serve tea..."

After Ji Ruxue finished speaking, she sat down on the chair.

Someone immediately brought Xiao Da a chair and served a cup of tea!

"Palace Master Ji, we Mingren don't speak secretly. I came this time under the order of our Palace Master, for the sake of Xiang Chong."

Xiao Da said directly.

When Ji Ruxue heard it, she knew that the other party really came for this matter.

"Elder Xiao, that Xiang Chong was killed by our Red Lotus Palace. If you want to avenge that Xiang Chong, just do it directly."

Ji Ruxue's aura began to rise, ready to take action at any time.

Seeing this, Xiao Da quickly waved his hand: "Palace Ji misunderstood, I didn't come here for revenge on Xiang Chong."

"That Xiang Chongse is so daring, he actually plots against the Ji Palace Master, and he will die..."

"I came here to apologize to the Ji Palace Master. Our Palace Master said that it was he who was incapable of discipline and made that Xiang Chong do such a dirty thing."

Xiao Da's words made Ji Ruxue stunned.

She didn't even know what to say next, it was completely different from what she thought!

What kind of person Fei Qingping is, the master of the Holy Beast Palace, Ji Ruxue knows too well that she will not take the initiative to admit her fault and make amends.

Besides, as the largest sect in the south, Fei Qingping didn't need to apologize to others.

But now they have found someone to apologize to the Red Lotus Palace.

This made Ji Ruxue not understand what medicine was sold in the gourd of the Holy Beast Palace.

"Elder Xiao, if you have something to do, just say it. You say that, and I don't even know what to say."

Ji Ruxue felt that the Holy Beast Palace must have some intentions, so she hoped that Xiao Da could say it.

Seeing Ji Ruxue like that, Xiao Da laughed: "Palace Ji, I am indeed here to apologize this time, but there is one more thing, that is to invite David to go to the Holy Beast Palace for a seat!"

"Our palace lord knew that David came to the south and was in your Red Lotus Palace, so he immediately sent me to invite him. Our palace lord appreciates David very much."

As soon as Ji Ruxue heard it, she immediately understood that the Holy Beast Palace came to apologize, it turned out to be aimed at David.

If David was not in the Red Lotus Palace, the Holy Beast Palace would definitely not be so polite.

In this way, it should be that the Holy Beast Palace is also a little afraid of David's reputation. After knowing that Xiang Chong was killed by David, he did not dare to shoot David.

After all, David also has his own power in Kyoto, and the official Mr. Shi in Kyoto has a good relationship with David, and has come forward to help David many times.

"Elder Xiao, it's too unfortunate that you came here. Mr. Chen is cultivating, so I don't want to disturb you..."

Ji Ruxue said apologetically.

"Cultivation?" Xiao Da frowned slightly: "How long does it take David to get out of the customs?"

"I can't say for sure, but it shouldn't take a few days!"

The time David gave Ji Ruxue was ten days, and now three days have passed, so David will come out in a few days.

"Well then, I'll come to invite him in a few days!"

Xiao Da got up, and after giving Ji Ruxue a salute, he turned and left.

After Xiao Da left, everyone in the Red Lotus Palace was excited. As long as the Holy Beast Palace did not attack them, they could stay in the Red Lotus Palace safely.

Ji Ruxue breathed a sigh of relief, and fell asleep.

This sleep, Ji Ruxue actually slept for two days and two nights!

In the past two days and two nights, David was constantly attacking, constantly attacking.

But if you can't break through that barrier, you can't reach the realm of Marquis, and you can't form Nascent Soul within your body!

Chapter 1253

Just when David broke through in the cave, it was thousands of kilometers away in Kyoto.

The head of the Ning family, Ning Dahai, has left the customs.

After exiting the customs, Ning Dahai looked at the ruined Ning family, and the whole person was full of anger.

"What the hell is going on? What the hell is going on here?"

Ning Dahai roared.

On the side, Ning Zhi, whose face was covered by a black turban, walked carefully to Ning Dahai's side: "Dad, David did all this. He ruined our Ning family, and I almost died at his hands."

Ning Zhi's voice was gloomy and low.

Ning Dahai frowned slightly, looking at Ning Zhi in front of him, he always felt that his son seemed to have changed.

"In broad daylight, what are you doing?"

Ning Dahai tore off Ning Zhi's black scarf and was stunned.

He found that half of Ning Zhi's face had been deformed, like a skeleton, and his appearance was very scary.

The wounds on Ning Zhi's body were repaired, but the wound on his face was not healed.

He also has one leg, and he walks with a limp.

Seeing his son turn into such a ghostly person, Ning Dahai almost lost his mind.

"David? I don't care if he escapes to the ends of the earth, I must kill him..."

"Go check, go check where is this David right away?"

Ning Dahai roared, and the terrifying aura shot up into the sky, and the birds that flew by were instantly shaken by this aura.

.....

South, the Red Lotus Palace!

David didn't know about Ning Dahai's exit, nor did he know that Ning Dahai was investigating him and had been cultivating in the cave.

On the ninth day, David still failed to break through. At this time, David had stopped cultivating and walked out of the cave!

"It seems that such a forcible breakthrough is not enough, it still needs an opportunity!"

David shook his head involuntarily.

"Brother Chen..."

Seeing David coming out of the cave, Xiaomin hurriedly shouted.

"Xiaomin, why are you here?"

When David saw Xiaomin coming to him, he felt a little surprised: "Is someone from the Holy Beast Palace here?"

"Yes, here we come..."

Xiaomin nodded.

When David heard this, his face changed slightly: "Take me there, how is your sister?"

Xiaomin looked at David's nervous look and covered her mouth with a smile.

"Brother Chen, do you like my sister?"

Xiaomin asked with a smile.

David was stunned: "Why do you say that?"

"You see how nervous you are, my sister is fine, don't worry."

"The person from the Holy Beast Palace is here, but only one person came, saying that they want to invite you to the Holy Beast Palace."

Xiaomin said.

"Please go to the Holy Beast Palace?"

David was a little puzzled. He had nothing to do with the Holy Beast Palace. What did the Holy Beast Palace ask him to do?

"Let's go, Elder Xiao of the Holy Beast Palace is waiting for you!"

Xiaomin took David and walked towards the main hall of the Red Lotus Palace.

"Brother Chen, my sister is the palace lord. She can't marry you. According to the rules of our Red Lotus Palace, the palace lord cannot marry."

"But I can be your little lover. I think my sister likes you very much, and you care about her so much. You can stay in the Red Lotus Palace in the future!"

"How good it is for my sister to go out and get in, and we are all beautiful women here. Isn't that what you guys like most?"

Xiaomin looked at David with a wicked smile and said.

"You're so young, what are you talking about? I'll tell your sister later and let him take care of you!"

David gently hit Xiaomin on the head.

The Red Lotus Palace is indeed the place where every man goes out, but David will not stay here, he still has a lot of things to do.

Soon, David followed Xiaomin to the main hall, and saw Ji Ruxue chatting with a middle-aged man.

Seeing David coming, Ji Ruxue hurriedly stood up and said, "Mr. Chen, this is Elder Xiao from the Holy Beast Palace, who came here specially to invite you."

Chapter 1254

Seeing that David was here, Xiao Da quickly got up and said, "Mr. Chen, our palace lord has always heard of Mr. Chen's name, so we want to talk with Mr. Chen!"

"Tell me about it? There won't be any conspiracy here, right? I killed the adopted son of your palace master, doesn't he want revenge?"

David looked at Xiao Da and asked cautiously.

No matter what you are doing, you are either a traitor or a thief. . .

David followed the Holy Beast Palace without any affiliation, and even killed Fei Qingping's adopted son, and now he wants to invite him as a guest?

This is so anomalous...

“Hahaha, Mr. Chen is really joking. It’s just an adopted son. How can our palace lord take it seriously? There are more than ten adopted sons of our palace lord. What does that Xiang Chong have?”

Xiao Da laughed.

When David heard it, he realized that Xiang Chong had been holding the Holy Beast Palace to support him. It turned out that in front of Fei Qingping, Xiang Chong’s adopted son was nothing but bullshit!

David looked at Xiao Da, who was not a treacherous person, so he nodded and said, “Okay, I’ll go see your palace master with you!”

After explaining a few words to Ji Ruxue, David followed Xiao Da to the Holy Beast Palace!

The Holy Beast Palace is more than two hours’ drive away from the Red Lotus Palace!

It was only after the Holy Beast Palace that David knew what luxury was!

The Sacred Beast Palace is full of Chinese-style villas, with mountains and waters, and the environment is particularly good. It is like a tourist resort.

Xiao Da took David to the front of a villa, pushed the door and walked in. As soon as he entered the door, he saw a huge seat, and the seat was covered with a tiger skin!

And Fei Qingping, the master of the Holy Beast Palace, was sitting on the seat, and there were several Wu Zongs standing beside Fei Qingping!

“Palace Master, Mr. Chen is here...”

Xiao Da said towards Fei Qingping.

Fei Qingping looked at David, his eyes burst with light, and a force of coercion erupted from Fei Qingping's body.

David frowned, and bursts of golden light flashed on his body instantly, resisting this coercive force!

David's face was gloomy. He didn't expect that Fei Qingping would do it to himself as soon as they met.

It seems that this is a Hongmen banquet...

But just when David was about to display his indestructible golden body and prepare to fight, Fei Qingping suddenly took back the pressure.

"Hahaha, as expected, a hero is a teenager. No wonder you turned the world of martial arts in Kyoto upside down at such a young age..."

Fei Qingping narrowed his eyes and laughed.

"I don't know what Palace Master Fei is looking for from me?"

David directly found a seat and sat down, and asked lightly.

"I just admire your strength and just want to see you!"

Fei Qingping stood up, walked towards David, and then sat next to David:
"You are a half-step Wuhou, I really want to know, how did you turn the world of martial arts in Kyoto upside down, and how did you escape from the capital? ?"

Fei Qingping was a little puzzled. It is said that with David's strength, he was nothing in the martial arts world of Kyoto.

It should be easy for those people to kill David, but now David can live well.

"If you invite me here, just want to ask these, then I have no comment..."

David got up and was about to leave.

"You are young and your temperament is quite explosive. You came to our south from Kyoto, didn't you just come to escape?"

"I know that many people in the Kyoto martial arts world want to kill you, so you stay in our Holy Beast Palace, and I can protect you well."

"And I can accept you as my adopted son. As long as you become my adopted son, who would dare to be your enemy in the entire South?"

"Even if those people from Kyoto come, they have to give me face."

Fei Qingping said very arrogantly.

When David heard this, Fei Qingping actually wanted to accept himself as his adopted son, so he couldn't help laughing.

Although David is now a half-step Wuhou, it is not difficult to fight against Fu Qingping.

Chapter 1255

After all, this guy is also a new Marquis, and his strength is not very strong.

"I don't have the habit of being a son to others, not to mention my own affairs, I can handle it myself, just ignore the kindness of Palace Master Fei!"

David did not give Fei Qing any flattery.

Fei Qingping was taken aback, he didn't expect David to reject him.

To know how many people want to worship him as adoptive father, Fei Qingping chooses his adopted son, but it is very harsh.

But David refused without hesitation, which surprised Fei Qingping.

“David, I have a good intention, don’t you think about it?”

Fei Qingping asked.

“Don’t think about it, because even if I worship you as my adoptive father, you can’t help me.”

“Do your Holy Beast Palace dare to follow the Kyoto Martial Arts Alliance? Dare to follow the Long Family?”

“Even if the Ning family in Kyoto came to arrest me, do you dare to say no to the Holy Beast Palace?”

David looked at Fei Qingping, and a series of questions made Fei Qingping bewildered.

Fei Qingping blushed, because David’s words were heartbreaking!

Whether it is the Kyoto Martial Arts Alliance, the Long Family, or even the Ning Family, their Holy Beast Palace really does not dare to offend!

If these people came to arrest David, the Holy Beast Palace would not dare to stop him!

Fei Qingping wanted to keep David and accept David as his adopted son, and he also had his own plans.

Since knowing that David killed Xiang Chong, Fei Qingping has checked David on the martial arts forum.

And know that David has a lot of treasures!

Fei Qingping thought that the soldiers would not kill the sword, and take the treasures on David’s body as his own!

If David joined the Holy Beast Palace, those treasures would naturally become Fei Qingping's.

Fei Qingping did not expect that David would be so disrespectful.

"Since you look down on my Holy Beast Palace so much, don't blame me, you killed my adopted son, you have to give me an explanation today..."

As soon as Fei Qingping finished speaking, the disciples of the Holy Beast Palace surrounded David.

These are all senior disciples of the Holy Beast Palace, and each of them is in the realm of Wuzong.

"Palace Master, didn't you say you wouldn't take revenge for that Xiangchong?"

At this time, Xiao Da saw that Fei Qingping was going to attack David, so he hurriedly stood in front of David.

Fei Qingping frowned: "Elder Xiao, what do you mean?"

"Palace Master, when I invited Mr. Chen, I promised not to trouble him for Xiang Chong's affairs, but now I go back on it?"

"Even if Mr. Chen doesn't agree to stay in the Holy Beast Palace now, we can give him time to think about it. I believe he can make the right choice."

Xiao Da fights for another chance for David.

It's not that Xiao Da has any friendship with David, it's just that Xiao Da thinks he promised David, but now Fei Qingping has backed out, which makes Xiao Da feel that he has broken his trust in David!

"Elder Xiao, get out of the way, have you forgotten your identity? You are the elder of the Holy Beast Palace..."

Fei Qingping roared angrily.

David glanced at Xiao Da gratefully, and then said lightly: "Elder Xiao, you better stay out of the way, today's affairs have nothing to do with you..."

Xiao Da glanced at David ashamed, and finally could only dodge.

Only Fei Qingping can call the Holy Beast Palace. Although he is an elder, he has no right at all.

"David, I'll give you another chance. If you can hand over the treasure on your body, I don't need to hold you accountable for killing my adopted son."

Fei Qingping said to David.

When David heard it, he suddenly laughed. It turned out that Fei Qingping was not here to take revenge on Xiang Chong, but for the treasure on his body.

"If you have the ability, just get it yourself..."

After David finished speaking, golden light flickered on his body, and scales quickly covered David's whole body.

At this moment, David is like a golden fighter.

Chapter 1256

"Hmph, I'm not self-sufficient..."

Fei Qingping snorted coldly: "Do it..."

The disciples of the Holy Beast Palace all rushed towards David.

David's body trembled slightly, and a terrifying aura erupted, directly sending the disciples of the Holy Beast Palace flying out.

Some people with low strength were directly shaken, and their internal organs were shattered, and there was no sound in an instant.

David is now a half-step Marquis, and he is not afraid even in the face of new Marquis. To him, these Martial Sects are like ants!

Fei Qingping frowned: "It seems that I underestimated you..."

After he finished speaking, Fei Qingping's martial power exploded, and then his fists smashed directly at David.

Fei Qingping's fists, like a giant hammer, directly tore apart time and space.

Seeing this, David dodged Fei Qingping's attack in a flash, but with this punch, Fei Qingping directly smashed the villa in half.

"David, I know you have an indestructible golden body, but under my iron fist, your indestructible golden body is completely useless..."

After Fei Qingping finished speaking, he punched him again.

David frowned slightly, it seems that being too famous is not a good thing.

Many details have been exposed on the martial arts forum. As long as the other party checks a little, they can know their details.

"Holy Light Fist..."

David's fist was covered with golden light, and then he punched him.

David also wants to try, what is the state of his half-step Wuhou peak.

Maybe following Fei Qingping in this battle will give him a chance to break through!

boom!

The fists met, and after a loud noise, the entire villa collapsed with a bang.

David and Fei Qingping all soared into the sky from the ruins!

Then it fell on the mountainside not far away, and at this moment, a large number of disciples of the Holy Beast Palace saw this, and they all gathered around.

“Don’t get close to anyone, if you get close, you will die...”

Xiao Da shouted at the disciples of the Holy Beast Palace.

The battle of Marquis Wu’s strength is not something that ordinary disciples can intervene in and get close to. It is only the Yuwei of the counter-attack that can grind these disciples into flesh.

Hearing what Xiao Da said, the disciples of the Holy Beast Palace did not dare to approach, and they all stepped back.

Fei Qingping looked at David with narrowed eyes, at this moment his arm was numb from the shock.

“You are a half-step Marquis, how can you have such terrifying power?”

Fei Qingping looked at David in surprise.

Although the realm of Marquis Wu and Marquis Banbu is only a tiny difference, in terms of strength and aura, there is a gap.

But now Fei Qingping, the Marquis, did not take advantage of David, the half-step Marquis.

"It's not that my power is terrifying, it's that your Marquis is too bad. You shouldn't be taking medicine pills to drive yourself to the realm of Marquis, right?"

David sneered at Fei Qingping.

"You bastard, you dare to despise me so much, I've been in the Marquis realm after practicing for decades, how can I make you despise me!"

After Fei Qingping finished speaking, a terrifying energy erupted and rushed towards David again.

For a time, the figures of the two people shuttled across the mountain, and there were rumbling explosions everywhere.

From the mountainside to the top of the mountain, the entire top of the mountain has been sold off a lot.

After fighting hundreds of moves, Fei Qingping felt that his physical strength was a little weak, but watching David, the more he fought, the more courageous he became!

David is very excited at the moment, he is not in a hurry to defeat Fei Qingping, but is using him to temper himself.

Stepping into the threshold of Marquis Wu might be broken by Fei Qingping.

Fei Qingping panted heavily and looked at David in disbelief.

"No wonder those in the martial arts world in Kyoto want to kill you. You are a half-step Marquis, and even my Marquis can't help you?"

Fei Qingping only felt powerless at the moment, and there was not much energy left!

"You are also worthy of being called Marquis? Just like you, Marquis can beat you with just a half-step..."

David said with a mocking expression.

Chapter 1257

"David, it's too deceiving..."

Fei Qingping's eyes widened, and then he bit the tip of his tongue!

A mouthful of blood spurted out from the tip of the tongue, turning into a bright red blood mist...

The blood mist drifted away, and the entire sky began to change color.

rumbling...

It seems that the thunder is rolling in, and then the earth begins to shake!

"It's broken, the palace chief starts the mountain protection formation, everyone should leave quickly..."

Xiao Da roared at all the disciples of the Holy Beast Palace.

The disciples of the Holy Beast Palace were so frightened that they all fled, and the Holy Beast Palace, which was like a resort, collapsed at this moment, and it was a mess!

"David, today you forced me to do this, I will make you pay the price..."

Fei Qingping roared.

David's face became solemn. He did not expect that the Holy Beast Palace would have such a high-level formation.

It seems that the ancestor of this Holy Beast Palace was definitely a master before.

The blood fog filled the air, and then bloody hands appeared in the blood fog, like hell.

These bloody hands grabbed David directly, no matter how hard David tried, he couldn't break free.

"Elder Xiao, start the battle..."

At this time, Fei Qingping said to Elder Xiao.

"The palace master thinks twice, the mountain protection formation is activated, the Holy Beast Palace will be destroyed, and the disciples of the Holy Beast Palace will be killed and injured countless..."

Xiao Da persuaded Fei Qingping.

"As long as I am alive, the Holy Beast Palace will not be destroyed. As for those disciples, it is their honor to dedicate their lives to the Holy Beast Palace. Quickly start the battle..."

Fei Qingping glared at Xiao Da.

With a hesitant expression on his face, Xiao Da slowly stepped forward and walked to Fei Qingping's side.

Now as long as Elder Xiao starts the formation, David will be instantly pulled into the void formation by those bloody hands, and he will never be able to get out.

In order to prevent the mountain guarding formation from being opened indiscriminately, the ancestors of the Holy Beast Palace had to have two people in order to truly activate the mountain protection formation.

Therefore, after Fei Qingping started the mountain protection formation, it was officially started only when Xiao Da started the formation.

But at this time, Xiao Da, looking at David who was controlled by the bloody hand, did not act for a long time.

"Xiao Da, do you dare to disobey?"

Fei Qingping's face was full of anger. At this moment, he was already very weak. If Xiao Da didn't do anything, he would not be able to hold on anymore.

Xiao Da gritted his teeth, and a cold light flashed in his eyes!

Suddenly there was a Sen Han's dagger in his hand, and then it stabbed into Fei Qingping's chest.

Blood spurted out instantly, Fei Qingping's eyes widened, looking at Xiao Da in disbelief.

Fei Qingping's aura was sluggish, and the blood fog and bloody hands disappeared instantly!

David got rid of the shackles, and looked at the scene in front of him in disbelief.

He also didn't expect that Xiao Da attacked Fei Qingping from behind.

"why why..."

Fei Qingping glared at Xiao Da. Although his life was not in danger at this moment, his breath dissipated, and he could be slapped to death with just one palm.

Xiao Da looked at Fei Qingping and said angrily: "You are cruel and inhumane, the entire Holy Beast Palace is about to become your private property, if you

are unhappy, you will kill people and put the lives of all the disciples in the Holy Beast Palace. Look in your eyes.”

“I’ve had enough of you, I’ve had enough of you already...”

Xiao Da roared, then pulled out his dagger and stabbed Fei Qingping again.

Seeing this, David stepped forward and snatched the dagger from Xiao Da’s hand!

Xiao Da looked at David in surprise: “Mr. Chen, what are you doing? Why are you stopping me?”

Xiao Da didn’t understand why David stopped himself from killing Fei Qingping.

Fei Qingping killed David just now, and he was not at all soft-hearted.

Even Fei Qingping wondered why David wanted to save himself?

“Elder Xiao, don’t kill him first, can you leave him to me?”

David asked Xiao Da.

Chapter 1258

Xiao Da looked at David suspiciously: “Mr. Chen, what do you want to do?”

“I want to borrow him to help myself break through...”

David said truthfully.

David wanted to use Fei Qingping’s strength to help him break through to Marquis Wu.

You must know that Fei Qingping is Marquis of Wu. If he can absorb Fei Qingping's strength, he might be able to break through.

Xiao Da didn't understand what David meant, but nodded anyway.

And Fei Qingping looked at David and said, "David, what do you want to do to me?"

Fei Qingping's face was full of fear!

"Of course it's absorbing your strength..."

After David finished speaking, he put his hand on Fei Qingping's head!

Immediately afterwards, Fei Qingping began to become distorted, and the strength in his body was continuously inhaled by David.

Fei Qingping struggled, but to no avail.

Xiao Da, who was on the side, looked at David in shock. He felt a little unbelievable. He didn't understand how David could do such evil!

Wuhou is Wuhou!

David took a full hour to absorb Fei Qingping's strength, and Fei Qingping had already turned into a mummified corpse.

David sat on the ground and began to refine Fei Qingping's strength.

The Heart Condensation Technique worked to the extreme, and after three full hours, David slowly opened his eyes!

Feeling the golden core in the body, there is no sign of a breakthrough.

"Draining the strength of a Marquis, there is no movement?"

David frowned, he felt that this Nascent Soul stage was too difficult to break through.

“Mr. Chen, you... are you an evil cultivator?”

Xiao Da looked at David in horror.

“What do you think?” David smiled lightly: “If I am a evil cultivator, do you think I can still leave Kyoto?”

Xiao Da thought it right, if David was a cultist, let alone those martial arts families, even the Kyoto officials would not be able to let David run around.

David was arrested long ago and put in jail.

“Mr. Chen, I’m sorry, I misunderstood!” Xiao Da followed David to apologize, and then said: “Thanks to Mr. Chen today, if Fei Qingping does not die, our Holy Beast Palace will become the target of public criticism sooner or later...”

“I should thank you. If it weren’t for you, I wouldn’t be able to break through this mountain protection formation easily.” David knew that if it wasn’t for Xiao Da, he might still be trapped in the formation.

Xiao Da smiled: “We each have what we need. Now that the Holy Beast Palace has been destroyed and many disciples have fled, I will slowly develop the Holy Beast Palace.”

“Elder Xiao... No, it should be called Palace Master Xiao. I hope that after you take charge of the Holy Beast Palace, you don’t go to the Red Lotus Palace, or I will not agree.”

David smiled.

Although there was a smile on his face, his tone was threatening Xiao Da.

David couldn't stay in the Red Lotus Palace forever, so he had to let Xiao Da know in advance.

"Don't worry, Mr. Chen, I will make an announcement that our Holy Beast Palace and the Red Lotus Palace will form an alliance, so that no sect family in the entire south would dare to attack the Red Lotus Palace!"

Xiao Da understood that they could not fight against David. Since they knew that they could not fight, it would be better to give David a face.

"Haha, that's the best!" David smiled: "Now that Fei Qingping is dead, it's time for me to go back."

After David bid farewell to Xiao Da, he returned to the Red Lotus Palace!

Seeing David gone for a whole day, Xiaomin and Ji Ruxue asked David curiously what Fei Qingping asked David to do in the Holy Beast Palace.

David looked at the two sisters and said with a faint smile: "In the future, the Red Lotus Palace will no longer have to worry about being spied on, then Fei Qingping has already been killed by me. Now that Xiao Da has become the Palace Master of the Holy Beast Palace, he decided to follow the Red Lotus Palace. The palace forms an alliance, so no one will dare to spy on the Red Lotus Palace."

David's words left Ji Ruxue and Xiaomin stunned.

Chapter 1259

"Brother Chen, did you really kill that Fei Qingping?"

Xiaomin asked in surprise.

"Of course, don't you believe my strength?"

David smiled playfully.

"I believe, I believe too much." Xiaomin jumped up excitedly: "Brother Chen, you are amazing, I love you so much..."

Saying that, Xiaomin kissed David fiercely on the face, which made David a little embarrassed.

Ji Ruxue was also very happy, and no longer had to worry about the day when the Red Lotus Palace would be attacked by the Holy Beast Palace.

"Sister, Brother Chen helped us in the Red Lotus Palace, except for such a big hidden danger, you still don't thank Brother Chen, show it!"

Xiaomin said to Ji Ruxue.

"How do you express it?"

Ji Ruxue was stunned.

"Of course I kiss Brother Chen and give him a sweet kiss..."

Xiaomin smiled and said.

When Ji Ruxue heard this, her face turned red.

David was also full of embarrassment, and hurriedly said: "It's okay now, I should go too..."

"Mr. Chen, it's too late today, or you'll be staying for one night..."

Ji Ruxue blushed and whispered to David.

David looked at the sky, it was indeed a little late, so he nodded and agreed, and left tomorrow.

In the evening, Ji Ruxue cooked again and gave David a table of delicious food.

During the meal, David could see that neither Xiaomin nor Ji Ruxue wanted him to leave.

But David knew that there were still many things waiting for him to deal with, and he had to fly away.

“Brother Chen, will you really come back after you leave?”

Xiaomin asked slightly sadly.

“Of course it’s true. I haven’t figured out the secrets in the cave. Of course I’ll be back, don’t worry...”

David smiled slightly.

“Is it just to come back and find out the secret?”

Ji Ruxue looked at David with emotion in her eyes.

David glanced at Ji Ruxue, hurriedly lowered his head and started to eat, not knowing what to say.

Now Sonya is still suffering, David has no heart to think about other things.

He can’t do something sorry for Sonya at this time.

As for Gu Linger, it was Sonya’s best efforts to match, and David agreed to give Sonya a companion.

After dinner, David went to bed early to rest. He didn’t want to chat more with Ji Ruxue and Xiaomin, the more chat, the deeper the relationship.

In the middle of the night, David was in a daze!

Suddenly I felt a warm body, followed by a burst of body fragrance.

David was startled, got up quickly, and found Ji Ruxue on his bed.

David wanted to turn on the light, but was stopped by Ji Ruxue.

"Don't turn on the light..."

Ji Ruxue did not ask David to turn on the light, probably because she was shy.

David didn't turn on the light, but got out of bed and lit a chimney for himself: "Miss Ji, I understand your kindness, but I already have a girlfriend, and he is still locked in the dungeon of the Martial Arts Alliance. I can't be sorry for her!"

Ji Ruxue listened to David's words and put on her clothes silently.

"Sorry..."

Ji Ruxue was lost and walked out. Just as she walked to the door, Ji Ruxue stopped and looked back at David: "I'm not a b!tch, nor do I have no self-respect, I just really like you, I hope you can understand ..."

"I understand..."

David nodded.

Ji Ruxue turned and left, she didn't want David to misunderstand that she was a casual woman.

Ji Ruxue walked back, David looked at the stars in the sky and missed Sonya.

At the same time, in the dungeon of the Kyoto Martial Arts Alliance!

Zhu Zhishan put on his clothes and came to the dungeon. He would wait until midnight every day before coming to the dungeon.

In a room in the dungeon, Sonya was sitting quietly, waiting for the arrival of Zhu Zhishan.

Chapter 1260

Because every night, Zhu Zhishan will come to this cell!

Sonya's cell is well arranged, and no matter what kind of treatment, it is the best. The only drawback is that she can't see the sun and has no freedom.

When Zhu Zhishan entered the room, Sonya got up mechanically, took off her jacket, and revealed her snow-white arms.

On Sonya's arm, there are large and small needles everywhere!

Zhu Zhishan didn't talk nonsense either, he took out the needle and pried it, and soon the blood was sucked out along the needle.

Sonya lost her expression as she watched her blood being sucked out.

She's used to it!

After sucking the blood, Zhu Zhishan put a pill on the table.

It was used to replenish the body with Sonya. Zhu Zhishan knew that Sonya was a treasure and would not do anything to dry up the water.

Zhu Zhishan collected the blood, then turned around and prepared to walk out of the cell!

At this moment, Sonya spoke.

"How is David?"

Sonya asked Zhu Zhishan.

Sonya hadn't spoken for a long time, but today she suddenly did.

Zhu Zhishan walked out and said, "Alive..."

After knowing that David was still alive, Sonya breathed a sigh of relief.

Zhu Zhishan took Sonya's blood and walked directly into the depths of the dungeon.

The depths of the dungeon are filled with all kinds of unpleasant smells.

After reaching the innermost cell, Zhu Zhishan threw the blood he had just drawn into it.

Immediately afterwards, the sound of swallowing began to appear in the dark cell.

The voice stopped quickly, and then a hoarse voice came out: "Did David kill it?"

"Not yet, Ning Dahai of the Ning family has already rushed to the south to kill David, so I postponed our assassination mission."

Zhu Zhishan replied.

"Well, remember, David must not stay, this son will definitely be the biggest hidden danger in the future."

said in a hoarse voice.

Zhu Zhishan opened his mouth and seemed to want to say something, but he didn't say it, and finally turned and left.

...

Early in the morning, David got up and said goodbye to Ji Ruxue and the others!

Ji Ruxue and Xiaomin reluctantly sent David to the gate of the Red Lotus Palace!

"Brother Chen, don't forget what you said, come to see us when you have time..."

Xiaomin said to David.

"Don't worry, it definitely will!"

David gently stroked Xiaomin's head, and after glancing at Ji Ruxue, he turned around and was about to leave.

But before David took a step, he was stunned for a moment, and his brows furrowed deeply at random.

I saw one after another tyrannical breath coming, coming in a posture of enveloping.

There was an aura that was extremely tyrannical, and the entire Red Lotus Palace was enveloped by this tyrannical aura. This aura seemed to be deliberate, in order to prevent the people in the Red Lotus Palace from escaping.

Ji Ruxue and everyone in the Red Lotus Palace felt the terrifying pressure, and their expressions changed drastically.

Soon, I saw several people approaching the door of the Red Lotus Palace. One of them, a middle-aged man with a cold face, glanced at David and asked, "Are you David?"

David nodded, and then asked, "Who are you?"

"Ning Dahai..."

The middle-aged man replied.

boom!

David's scalp went numb. He didn't expect that Ning Zhi's father had left the customs and found it here.

Feeling the breath of Ning Dahai, he was obviously stronger than that of Fei Qingping.

With such strength, David is really not sure how to deal with it.

"Your son can't beat me, now I'm here..."

Although David was worried that he was not Ning Dahai's opponent, but he couldn't lose in terms of momentum, so he sneered.

"Boy, stop talking nonsense, today I'm here to take revenge, you destroy my Ning family, hurt my son, I'm going to tear you to pieces..."

Ning Dahai's face was gloomy and cold, and the breath on his body kept exploding.
