## Chapter 1271

Kyoto, a restaurant!

Many warriors like to come here to eat, chatting and pastime by the way!

Just as everyone was eating and chatting, two curvy, very beautiful girls walked into the restaurant!

As soon as the two girls walked into the restaurant, they attracted the attention of many people.

The two girls didn't care about everyone's eyes, they just found a place to sit down.

These two girls are Wu Mei'er and Xiao Lan, and the two of them came here not to eat, but for a purpose.

After sitting down, Xiaolan and Wu Meier's eyes were placed on the two middle-aged men who were eating not far away.

Both of them exude the breath of Wu Zong, and the cuffs of the clothes they wear are also embroidered with the word Ning!

This is the unique clothing of the Ning family. It is obvious that these two middle-aged people are from the Ning family!

"You two ladies, what would you like to eat?"

At this time, a waiter came over and asked Xiaolan and Wu Meier.

"Oh, I'm sorry, we're waiting for someone, someone will arrive in a while, we're ordering!"

Xiaolan said to the waiter.

The waiter didn't say anything, just turned and left.

However, Wu Meier and Xiao Lan's eyes were still fixed on the two Ning family members.

The two Ning family members also felt that someone was staring at them, so they turned to look at Wu Meier and Xiaolan.

When they saw the two girls staring at them, the two Ning family glanced at each other, and a wicked smile appeared on the corners of their mouths, then got up at the same time and sat at the table of Wu Meier and Xiaolan.

"Two little sisters, do you mind if we sit here and eat together?"

A Ning family member said.

"Of course I don't mind. Someone pays the bill, so I don't mind..."

Xiaolan smiled slightly and threw a wink at the Ning family sitting next to her!

At this moment, the Ning family's eyes suddenly lit up, and then they looked at Xiaolan with a smile.

And the Ning family next to Wu Meier was also fascinated by Wu Meier's wink.

"Two big brothers, there are many people here, let's go to a good place, shall we?"

Seeing the appearance of the two Ning family members, Xiao Lan knew that she had been charmed and said.

“Good good...”

The two nodded in succession.

Soon, Wu Meier and Xiaolan walked out of the restaurant with the two Ning family members.

When walking to an alley, Gu Linger suddenly flashed out.

Then, with a wave of the dagger in his hand, the two Ning family members instantly fell into a pool of blood.

After killing the two Ning family members, Gu Linger and the others hurriedly fled and began to look for their next target.

They were going to use this method to kill the Ning family bit by bit.

In two days, Gu Linger and the others used this method to kill more than a dozen people in the Ning family.

At this time, in the Ning family hall, Ning Dahai kept walking back and forth, feeling a little uneasy.

In just two days, more than a dozen people in the Ning family died unexpectedly!

He didn't know who in the capital was targeting their Ning family!

In the entire Kyoto martial arts world, there will never be many aristocratic families who dare to target their Ning family like this.

“Trash, it's all a bunch of trash. It's been two days. Can't find any clues?”

Ning Dahai roared at some of the higher-ups of the Ning family.

These people bowed their heads, and no one dared to speak.

“Dad, the other party in this matter is obviously aimed at our Ning family, and I have investigated, the other party may be two women!”

Ning Zhi said to Ning Dahai.

“Two women?” Ning Dahai frowned: “Among the people we were killed, there was a Wuzong. Which woman is so powerful?”

“The strength of these two women is not strong. Among the dozen or so people we lost, there were only two Martial Sects. After we raised our vigilance, they were all great masters.”

“It can be seen that their strength is not strong. The reason why they were able to kill two of our Martial Sects in the first place is likely to be seduced by beauty and let our people lose their vigilance!”

Ning Zhi analyzed it carefully.

“Then go check, find these two women anyway, I want to see who is targeting our Ning family...”

Ning Dahai roared.

Ning Zhi nodded and immediately took someone to investigate!

## Chapter 1272

Inside the Kyoto Protectorate!

The Ning family was killed more than a dozen people in two days, and Mr. Shi already knew about this.

"Zao Wuji, who do you think might have done this?"

Mr. Shi asked Zao Wou-Ki.

"Mr. Shi, I can't guess, but Mr. Chen was killed by Ning Dahai, but there are still a group of people under Mr. Chen. These people are all swearing to follow Mr. Chen."

"Whether it is the Valley of the Wicked, the Shadowless Villa, or even the Valley of the God of Medicine, these people are all possible!"

"However, the strength of the people who do this will definitely not be too high. Apart from killing two Ning Family Martial Sects at the beginning, there are only some great masters in the back."

Zao Wou-Ki analyzed it.

"This David, I don't know where the charm comes from, so many people follow him with all their hearts..."

Mr. Shi said in surprise.

Zao Wou-Ki shook his head: "I don't know either, but these people respect Mr. Chen very much, and they obey orders..."

"You said, what happened in the past two days, could it be that David did?"

Mr. Shi suddenly asked.

Zao Wou-Ki was taken aback: "Does Mr. Shi still suspect that Mr. Chen is not dead?"

"I still don't believe that David would die so easily!"

Mr. Shi sighed.

Zao Wou-Ki shook his head: "This is definitely not what Mr. Chen did. If it were him, he would definitely break into the Ning family in a high-profile manner, and fight with Ning Dahai to the death or the death."

"It's not like Mr. Chen's temper to do this kind of assassination, sneaky thing..."

"Haha, I didn't expect Pavilion Master Zhao to know me so well..."

Just as Zao Wou-Ki finished speaking, David walked in with a big smile.

Seeing David, Zao Wou-Ki instantly widened his eyes, his face full of incredulity.

"Chen...Mr. Chen, you...are you really not dead?"

Zao Wou-Ki couldn't believe it. Looking at the photo, David was covered in bruises and bruises, and he couldn't even see his appearance.

"Mr. Shi is right, how could I die so easily..."

David smiled lightly, then clasped his fist towards Mr. Shi and said, "Mr. Shi..."

"Hahaha, it seems that I guessed right, your kid really doesn't die so easily..."

Mr. Shi laughed loudly: "Not only did you not die, but it looks like you have made a breakthrough."

It can be seen that David is not dead, and Mr. Shi is also very happy.

"Well, I broke through to Marquis Wu..."

David nodded.

"Mr. Chen, what the hell is going on? Then Ning Dahai spread the news that you had been killed by him, and there are photos to prove it!"

"And does the recent assassination against the Ning family have anything to do with you?"

Zao Wou-Ki was full of curiosity, he really wanted to know what was going on.

David didn't hide it either. He told about his battle with Ning Dahai, which made Zao Wou-Ki and Mr. Shi nervous.

But in the end, when he heard that David was a blessing in disguise and broke through directly to Marquis Wu, Zao Wou-Ki seemed very surprised!

"As for the assassination of the Ning family in the past two days, I don't know who did it. I only arrived in the capital today, and I just heard about it."

It took David more than three days to arrive in Kyoto.

He didn't go to the Ning family for the first time, but came to the Dharma Protector Pavilion in order to spread the news that he was still alive.

By the way, on the Martial Dao Forum, humiliating Ning Dahai well, David's purpose in doing this is to establish his prestige!

"David, you choose to come back, what are your plans next?"

Mr. Shi asked David.

David's face turned cold, and he said coldly: "I want to challenge Ning Dahai and their entire Ning family. I want everyone to know that offending me will end..."

Looking at David's killing intent, Mr. Shi did not speak.

# Chapter 1273

On the other hand, Zhao Wuji said, "Mr. Chen, you have just stepped into Wuhou, don't underestimate the Ning family, they are..."

"I know!" David waved his hand and interrupted Zao Wou-Ki's words: "I know that there are heavens and people, and I dare to say this. It's not arrogance, but everyone in the Ning family who must die..."

Zao Wou-Ki wanted to persuade him to say something, but was stopped by Mr. Shi.

"Since David wants to challenge the Ning family, then let him go. The challenge post, Zao Wou-Ki, please post it."

"When David challenges the Ning family, no other sect family is allowed to intervene, otherwise don't blame me for being rude!"

Mr. Shi said to Zao Wou-Ki.

Mr. Shi knew that David had many enemies in Kyoto, but there was more than one Ning family.

If David was seriously injured when he was dealing with the Ning family, then the other sects and noble families would definitely pounce on him like a tiger.

Mr. Shi is helping David to solve his worries!

"Thank you, Mr. Shi..."

David also understood that Mr. Shi was helping him.

"Don't thank me, I'm not entirely here to help you, I'm also helping myself..."

Mr Shi said.

David didn't understand why Mr. Shi said this, but David was still very grateful for Mr. Shi's help.

After coming out of the Law Enforcement Pavilion, David went to investigate what happened to the Ning family in the past two days.

He wants to see who is targeting the Ning family!

At the same time, according to Mr. Shi's instructions, Zao Wou-Ki sent David back to the capital to challenge the Ning family and posted it on the martial arts forum!

And Mr. Shi's announcement was also sent out, warning all the martial arts families, when David dealt with the Ning family, no one was allowed to intervene.

This time, the Kyoto martial arts world exploded in an instant.

Two days ago, it was said that David was dead, but after only three days, David actually returned to the capital, and he had to challenge the Ning family!

Although there is no photo of David to corroborate it, this information was sent by the Law Enforcement Pavilion, so it cannot be fake.

The Law Enforcement Pavilion represents the official, how could it be possible to publish fake news.

The Ning family became a whirlpool of public opinion for a while, all because Ning Dahai was bragging, deliberately falsifying photos, and did not kill David at all.

And when Ning Dahai saw the news on the forum, he was so popular that he almost vomited blood.

He obviously destroyed David's dantian, and all the bones of David's body were broken.

And there is no life at all, that is, death.

Why did he suddenly return to the capital, and dare to challenge the entire Ning family in such a high-profile manner?

"Impossible, absolutely impossible, this must be fake news!"

Ning Dahai roared.

"Dad, this is from the Dharma Protector Pavilion. It shouldn't be fake, right?"

Ning Zhi said.

Ning Dahai stared: "What do you mean, they are not fake, so what I said is fake?"

"No, no, that's not what I meant..."

Ning Zhi quickly shook his head and said.

Facing his father, Ning Zhi was very afraid in his heart.

"I don't believe that David is still alive. Even if he is alive, he must be a waste!"

Ning Dahai didn't believe what the forum said at all.

He believed in his own eyes.

"Leave this matter on the forum for now, have those two women been found?"

Ning Dahai didn't care about what was said on the forum, and asked Ning Zhi.

"The two women have been found. I sent someone to catch them. I believe they will be back soon..."

Ning Zhi said.

"Well, when I catch them, I will definitely strip them off and throw them on the street to be humiliated..."

Ning Dahai's teeth rattled.

"When you catch those two women, remember to keep one for me, I haven't enjoyed it for a long time..."

At this moment, Ning Zhi suddenly remembered an old and hoarse voice.

Ning Zhi's face changed with fright, he hurriedly looked at Ning Dahai, and found that Ning Dahai didn't pay attention to him, so Ning Zhi was relieved.

## Chapter 1274

...

Kyoto, on a not-so-prosperous street!

Because it was late and the weather was a little cold, there were no people on the street.

In a small alley next to the street, Gu Linger and the three of them were hiding inside.

They were waiting, waiting for the Ning family who passed by.

Because they saw the two Ning family members go to a restaurant on the street, they believed they would come out soon.

Soon, from one end of the street, two middle-aged people who were drunk came along with each other's arms.

These two people were the Ning family, the people Gu Linger and the others were waiting for.

"Come, come, I'm already drunk, just to start..."

Wu Mei'er said in a low voice when she saw the two Ning family members walking towards this side.

"go..."

Xiaolan pulled Wu Meier up and prepared to go out from the alley.

"Be careful, you two, these two are the strengths of Wu Zong."

Gu Linger reminded the two of them.

In the beginning, they were able to succeed against the two Wu Zongs of the Ning family, because the other party did not have any psychological precautions.

Later, the Ning family were prepared, and they were thinking that it would not be easy for them to do something at the Wuzong level.

"Don't worry, these two guys are so drunk, they must be fine."

Xiao Lan said with confidence.

Soon, the two Ning family members came over, and Xiaolan and Wu Meier greeted them.

"Two big brothers, where are you going?"

Xiaolan showed a coquettish attitude, and asked with a raised eyebrow.

When the two Ning family members saw Xiaolan and Wu Meier, their eyes suddenly lit up.

"Hahaha, I didn't expect to meet two beauties at night!"

"It just so happens that I'm a little bored, let's accompany big brother Lele..."

One of the Ning family members grabbed Xiaolan with a wicked smile.

Xiaolan dodged gently: "Brother, what's the hurry, let's find a place, we can't be on the street!"

Saying that, Xiao Lan threw a wink, and Wu Mei'er also threw a wink at another Ning family member.

I saw a flash of light in the eyes of the two Ning family members, and then their eyes became a little dull.

Seeing that she succeeded, Xiaolan raised a smile on the corner of her mouth, and then pulled out the dagger.

At the same time, Gu Linger also rushed out of the alley and started with Xiaolan.

But at the moment when the two started, the two Ning family members, whose eyes were dull, flashed brightly, and they controlled Xiaolan and Gu Linger.

This sudden change shocked Xiaolan and Gu Linger, as well as Wu Meier who was beside her.

"Brother, what are you doing?"

Wu Meier spoke softly to a Ning family member.

And the magic of charm constantly radiates from his eyes.

"Hmph, your charms are useless to us!"

As soon as a Ning family member stretched out his hand, Wu Meier was detained.

This time, the three girls panicked. It turned out that the two Ning family members had not fallen for their charm.

"It turns out that our Ning family were all killed by the three of you in this way. Now I will take you to see the master..."

The two Ning family members controlled Gu Linger and the three of them and walked towards the end of the street.

Gu Linger and the others struggled desperately, but to no avail. The opponent was Wu Zong, and they didn't have the strength to fight back.

But when they reached the end of the street, several people suddenly found a person with his back to them, standing in the middle of the street!

When the two Ning family members saw this, they instantly exuded aura and prepared for battle.

"This brother, who are you? We belong to the Ning family!"

At this time, a Ning family stepped forward and asked the person whose back was to them.

"Let the three of them go..."

While speaking, the man slowly turned around.

When Gu Linger and the others saw the man's appearance, they were all stunned, their eyes widened, and they were very excited.

## Chapter 1275

"David...David..."

Gu Linger and the three girls shouted excitedly.

Looking at David in front of them, they couldn't believe their eyes!

Especially Gu Linger, her voice was hoarse and her body was shaking.

When the two Ning family members heard that the other was David, their expressions became extremely ugly!

"You...you are David? Aren't you already dead?"

One of the Ning family members asked in a trembling voice.

"I'm dead, but I'm alive again!"

With a faint smile on his face, David slowly approached!

"You... don't come here, or I'll be rude to them!"

The two Ning family members hurriedly controlled Gu Linger and the others, and wanted to use the three of them to blackmail David.

But David's footsteps did not stop, and he continued to move forward.

"Let the three of them go, and I can spare you from dying. If you dare to touch one of their hairs, I will make your life worse than death!"

David's voice was indifferent and calm, but every word was like a heavy hammer, hitting the hearts of the two Ning family members fiercely!

"Don't come, I told you not to come..."

One of the Ning family panicked, his body trembling violently.

A Wuzong, but was frightened to such a point!

"Did you take my words as a deaf ear? I asked you to let the three of them go..."

David's face turned gloomy, and endless killing intent instantly filled him!

A gust of breeze blew past David with killing intent, blowing towards the two Ning family members.

The two Ning family members trembled, and they only felt like they had fallen into an ice cave!

"Let them go..."

Suddenly, David let out a thunderous roar.

The two Ning family members were shocked, and then let go of their hands and knelt to the ground with a thud.

Gu Linger and the three hurried to David and hid behind David.

"Don't kill us, we are also obeying orders..."

The two Ning family members began to beg for mercy!

Two dignified martial arts masters, but at this moment, like grandsons, begging to David.

David didn't do anything, and the pressure on his body made the two of them throw away all their dignity!

"I said, if you let people go, I will let you go..."

"You can get out now, go back and tell Ning Dahai that tomorrow I will come to the door in person to seek revenge for him!"

David said coldly.

When the two Ning family members heard this, they were so frightened that they turned their heads and ran away, without daring to hesitate!

"David..."

After the two Ning family members ran away, Gu Linger plunged into David's arms.

Tears flowed uncontrollably.

Seeing David hugging Gu Linger, Xiaolan felt an indescribable feeling in her heart.

She also wanted to rely on David's words, and also wanted to have a support for herself.

It's just that she can't, her energy since childhood has made her much stronger than other girls.

"Why are you crying? I'm fine!"

David comforted Gu Linger gently.

"I thought you were really dead, and I don't want to live anymore, I want to accompany you..."

Gu Linger said while crying.

"I'm not so easy to die, I haven't tasted the taste of a big beauty, how can I die..."

David said jokingly.

As soon as Gu Linger heard this, her face turned red, and she punched David gently: "What nonsense are you talking about, you are still in front of people..."

"Okay, you two don't flirt, let's go back quickly, or Uncle Long will be worried."

At this time, Wu Mei'er couldn't stand it any longer and said.

"Uncle Long is here too?"

David was a little surprised. After all, Long Wu has no skill at all now. He is just an ordinary person. If he comes to Kyoto, it is very dangerous.

If Long Wu was discovered by the Long family, he would definitely be captured and tortured.

## Chapter 1276

"Well, with Uncle Long's idea, we can kill so many people in the Ning family. If we went to the Ning family to fight recklessly, we would be dead by now..."

Wu Meier said.

David looked at Gu Linger and the three girls with mixed feelings in his heart. He knew that he was dead, but he took revenge for himself despite the danger.

"Let's go and see Uncle Long!"

David said.

...

Kyoto, Ning family!

The two people who patted and captured Gu Linger were kneeling in the hall at the moment.

Ning Dahai sat on it with an unbelievable look on his face.

"Are you sure that the person you saw was David?"

Ning Dahai asked.

"Patriarch, it's him, he can't be wrong."

One of the Ning family members said.

Ning Dahai frowned and remained silent. He couldn't understand how David survived.

Another point is that it has only been three days, even if David is not dead, but his body is so seriously injured, how can he recover?

"Then David didn't take action against you, and the two of you ran back like this? Are you afraid of David if you have a hostage in your hands?"

Ning Zhi angrily confronted the two Ning family members and asked, "You are also Wu Zong, are you so cowardly?"

"Eldest young master, David didn't do it, but the aura emanating from it, the two of us couldn't bear it, let alone do it."

A Ning family member explained.

"Nonsense, that David is only half a step Marquis, how could he have such a terrifying aura?"

Ning Zhi didn't believe it, he fought with David.

If you don't want to do it, it is impossible for the two Wuzong masters to bear the aura alone.

"Eldest young master, really, we didn't lie to you. The breath that David exudes is probably not worse than the master."

"I think that David should have broken through to Marquis Wu..."

The two Ning family members hurriedly explained.

“Breakthrough to Marquis?”

Ning Zhi’s eyes widened in disbelief.

If David broke through to Marquis Wu, wouldn’t his hope of revenge be even more remote?

“Breakthrough to Marquis?”

Ning Dahai stood up abruptly, his face full of shock.

“Yes, according to the breath that David exudes, it should be Marquis Wu!”

A Ning family member nodded.

Ning Dahai sat back again with a thud.

The whole person fell into silence. If David was not dead, he would accept it.

If David’s body has recovered, he can accept it.

But if David had broken through to Marquis Wu, then he would not be able to accept it.

what is this? In just a few days, a man who was on the verge of death, and his dantian was shattered, broke through to Marquis Wu.

Who can I tell you, who can believe it!

“Did I help him?”

Ning Dahai suddenly remembered something.

At that time, he shattered David's dantian and wanted to make David an ordinary person.

Always be a jerk!

But he didn't want to, this time directly gave David an opportunity to make a breakthrough.

Ning Dahai knew that if he wanted to break through to Marquis Wu, he could not simply practice blindly. The opportunity was also very important.

As for what the opportunity is, it all varies from person to person!

Every person who breaks through Wuhou has a different opportunity. Some people may break through after a sleep and a dream.

Some people may break through by playing chess, and everyone is different.

Some people are trapped in the half-step Wuhou for a lifetime, and they have not found an opportunity!

"Could it be that David's opportunity is to break his dantian?"

Ning Dahai now regrets a little, and regrets breaking David's dantian at that time.

I regret not being able to turn David's head off at that time.

But regret is useless now!

"You all go down!"

Ning Dahai waved his hand and let the two Ning family members go down.

"Dad, what shall we do next? Then David will come to the door tomorrow and will challenge you..."

Ning Zhi asked Ning Dahai.

## Chapter 1277

Ning Dahai was silent, and he was a little overwhelmed.

If David really makes a breakthrough, then it will be uncertain who will live and who will die.

The most important point is the relationship between David and Mr. Shi.

When David was in the south, he could chase after him and kill David.

But now David is back in Kyoto, right under Mr. Shi's nose.

Really want to challenge, if David is lost, will Mr. Shi come to the rescue?

This is something no one can tell.

At the beginning, David made a lot of trouble in the Ning family and was besieged by everyone. Seeing that David was about to be killed, Mr. Shi appeared.

Obviously, Mr. Shi did not want David to die.

Ning Dahai was caught in a dilemma. It is not a matter of fighting David, nor is it not a fight!

After thinking over and over again, Ning Dahai looked at Ning Zhi and said, "You go out with me tomorrow, and now it's better not to confront that David head-on."

"Then David has Mr. Shi's support behind him. If we lose both sides with him, the other sect family will be proud in the end!"

"Dad, what do you mean, let's hide out and admit it?"

Ning Zhi looked at Ning Dahai and asked.

"bastard, what is acknowledgment, we are temporarily avoiding its edge..."

Ning Hai glared and said.

Ning Zhi rolled his eyes and suddenly said, "Dad, I can find someone to deal with David!"

"who?"

Ning Dahai was taken aback and asked.

"The largest family in Mobei, Luo Jinyou, the head of the Luo family..."

Ning Zhi said with a gloomy smile.

"The head of the Luo family? Could it be that the Luo family has a grudge against David?"

Ning Dahai asked with a puzzled expression.

"Of course there is a grudge..."

Ning Zhi smiled, and then told Ning Dahai about the matter!

When Ning Dahai heard that Ning Zhi killed Luo Xiang and Luo Jinzuo, and then put the blame on David, his face became a little ugly!

He looked at Ning Zhi with a bit of disgust.

It's just that Ning Zhi is his son, so he can't do anything.

But for Ning Zhi's sinister character, Ning Dahai didn't like it very much either.

As a veteran Wuhou, he doesn't like to use such despicable methods.

"Okay, you don't need to worry about this, just go out with me tomorrow..."

Ning Dahai waved his hand.

Ning Zhi saw that his father did not agree, so he didn't say anything else and left.

...

Kyoto, a certain hotel!

Long Wu looked at David with excitement, his inner happiness could not be described in words.

He thought that David was dead, and that the eldest lady would never be saved.

But now David is not only not dead, but has also broken through to Wuhou, it seems that there is hope to rescue the eldest miss!

"Uncle Long, when I destroy the Ning family, I will go to the Martial Arts Alliance and the Long family to rescue Sonya and my mother, and we will have a reunion year together..."

David said firmly.

Long Wu was silent for a moment, and then said: "David, don't underestimate the Long Family and the Martial Arts Alliance, you have to be well prepared."

"Uncle Long, I know, but I always have to try it. I believe that in Kyoto, they dare not kill me blatantly, and Mr. Shi will not agree with them to do that!"

David dares to do this now, also because there is Mr. Shi behind him.

“David, why would Mr. Shi help you so much?”

“Would he have any intentions?”

Long Wu frowned.

“I don’t know either, but Mr. Shi said that when he helped me, he was helping himself. I don’t understand what it means!”

David said.

“The intention to harm others is essential, and the intention to guard against others is essential. How long do you have snacks for yourself? Go to Ning’s house tomorrow and be very careful!”

Long Wu told David.

“Well, Uncle Long, don’t worry!”

David nodded.

“It’s getting late, rest early and recharge your batteries!”

After Long Wu finished speaking, he asked Gu Linger and the others to go back to their rooms to rest. He was afraid that the three girls would disturb David’s rest.

## Chapter 1278

The next morning!

David went to Ning’s house, Gu Linger and the others wanted to follow, but they were organized by David, because they followed, not only could they not help, but also drag themselves down!

Long Wu also did not support the three girls to go, and took the three girls back to Yaoshen Valley, in order not to distract David.

To prevent a sect family from catching them and then blackmailing David, then David will be passive.

When David came to the Ning family, he found that there were already people standing next to the Ning family's villa, and some people had prepared the equipment for shooting.

It seems that these people are here to watch the fun, but David doesn't care.

He posted messages on the martial arts forum just to let people know.

However, although the sun has risen, the door of Ning's house is closed, and no one comes in or out!

David walked to the gate of Ning's house, then took a deep breath and shouted: "Ning Dahai, get out of here, your grandfather David took your dog's life..."

David's roar directly shocked those who were watching the fun, dizzy, and even some people with low strength fainted.

This time, everyone was shocked and stepped back.

But after David yelled, he didn't see any movement from the Ning family!

When David saw this, he stepped forward and knocked the gate of Ning's house flying out.

It was only at this time that the Ning family's butler hurried out.

Seeing David's vicious, god-like appearance, everyone in the Ning family didn't dare to make a sound.

Only the steward of the Ning family said, "Our master is not here, you are not here today..."

When Ning's housekeeper spoke, his body was shaking!

"Not here? I think he's avoiding me?"

David said coldly.

"It's really not there, or you can look for it!"

After the Ning family butler finished speaking, he asked everyone in the Ning family to get out of the way.

And David swaggered into the Ning family and began to look for Ning Dahai!

However, after looking around, I didn't find Ning Dahai, not even Ning Zhi.

"Our master has something to do and is really not at home..."

Ning's housekeeper said.

"Since he's not here, then I'll wait for him..."

After David finished speaking, he moved a chair and sat at the door of Ning's house.

Then he glanced at everyone in the Ning family, and said to the two martial sects who arrested Gu Linger last night: "You two, go and pour me a pot of water..."

The two Ning family Wuzong glanced at each other, and then looked at the crowd outside, wondering for a while whether they should listen to David or not.

After all, so many people are watching and filming, if David orders this, it will be a shame.

The two of them don't count as shame, but they're also shameful for the Ning family!

But when the two were hesitating, David suddenly put out his palms!

The terrifying spiritual power roared out, like a gust of wind, and instantly moved towards the two Ning family Wuzong.

The two Ning Family Wuzong masters didn't even have a chance to dodge, and their bodies were directly knocked out.

Then he fell heavily to the ground, vomited blood and died!

This scene directly shocked everyone, David killed two Wuzong masters at once, this strength is simply too scary.

"Go, pour me a cup of tea..."

David said lightly again.

This time, two people from the Ning family rushed to pour tea for David, and they didn't dare to hesitate at all.

David sips tea and waits for Ning Dahai!

At this time, the martial arts forum had already been blown up, and the matter of David's coming to Ning's house had already been broadcast live on the forum.

"You go and inform Ning Dahai that as long as he doesn't come back for an hour, I will kill the two of the Ning family until I kill everyone in the Ning family!"

David looked at the housekeeper of the Ning family and said in a cold tone.

At this moment, when David said such a thing, no one at the scene would think that he was bragging, because David just showed his hand to let everyone know that David has this strength.

## Chapter 1279

Relying on these people from the Ning family, David could not be stopped at all.

On the martial arts forum, comments are everywhere!

"David is so awesome. He went into Ning's house alone, and was so scared that Ning Dahai ran away."

"fcuk, killing the two Wu Zongs of the Ning family as soon as I make a move, this is too awesome."

"I think this Ning Dahai must be scared. He was bragging two days ago, saying that he killed David, and now he is slapped in the face."

"This David must have stepped into the Marquis of Wu. You can see it just by looking at it!"

On the forum, many people watched the live broadcast and commented frantically.

At this time, a challenge post that was originally posted on the top of the martial arts forum was quietly deleted.

But soon, it was discovered by sharp-eyed people.

"Damn it, Xin Pengfei's previous post about challenging David on New Year's Day is gone. Is this guy scared?"

"It's really gone, then Xin Pengfei must be scared and scared."

"Now that David has become the No. 1 in the Free and Easy List, I'm afraid no one will dare to disagree."

"David is too awesome, he has reached Marquis Wu in a short period of time!"

Everyone mocked that Xin Pengfei, and they were envious of David!

It's just that David didn't read the forum and didn't care about it. He just waited for Ning Dahai's arrival.

He was looking at the time, and after an hour, when he didn't see Ning Dahai's figure, he would make another move to kill the two Ning family members.

At this time, Ning Dahai and Ning Zhi were also paying attention to the Martial Dao Forum. When they saw that David made a move, he killed two Wu Zongs, and when the two of them didn't even have a chance to react, Ning Dahai's face was extremely ugly!

He never imagined that in just a few days, David's strength had grown by leaps and bounds, and it was no longer a level.

Seeing the humiliation and foul language towards him and the Ning family on the forum, Ning Dahai almost died of anger!

At this moment, the housekeeper of the Ning family called Ning Dahai!

"Master, then David came and killed both of us. Now I want to see you, but if I can't see you, he said he will kill two of us within an hour!"

The butler said in a trembling voice.

"I already knew, let him kill, I have to deal with things first!"

After that, Ning Dahai hung up the phone.

For those servants of the Ning family, it doesn't matter how many you kill, as long as he is fine.

"Dad, are we just watching David kill everyone in the Ning family?"

Ning Zhi asked Ning Dahai.

"Aren't I thinking of a way? It's best not to fight against David at this time. Once I lose, David won't kill me, and there will be many aristocratic sects that will attack our Ning family."

"These people are all jackals, just waiting for our Ning family to fall!"

The reason why Ning Dahai didn't want to play against David was that he was afraid of being defeated and injured after playing against David.

Even if David spared his life, the other Zongmen families would take advantage of the situation to rob him.

In front of interests, there are no eternal friends!

"Otherwise, let's go to the leader of the alliance, and let him talk to David directly in the name of the leader of the martial arts alliance. What David wants, we can give it to him, as long as David can stop targeting us!"

"As the so-called gentleman takes revenge, it is not too late for ten years. When I step into the realm of Marquis, I am going to find David..."

Ning Zhi said to Ning Dahai.

"It's a good idea to find someone to make peace, but Zhu Zhishan can't do it, David won't give him face, and now there is only one person who can persuade David!"

Ning Dahai narrowed his eyes slightly and said.

"Who is it?" Ning Zhi asked.

"Mr. Shi..."

Ning Dahai said slowly.

Now, only when Mr. Shi speaks, David will listen.

"But, will Mr. Shi agree to us? He has always been on David's side!"

Ning Zhi asked.

"Try it, I don't think Mr. Shi doesn't want the Kyoto martial arts world to be in chaos!"

After Ning Dahai finished speaking, he immediately stopped a car to find Mr. Shi.

## Chapter 1280

In the Law Enforcement Pavilion, Mr. Shi sat quietly in the hall drinking tea, as if waiting for something.

Zao Wou-Ki waited by the side, not daring to breathe.

Normally, Mr. Shi would leave after a while in the Dharma Protector Pavilion, but looking at it today, he would not leave for a short time.

At this moment, a member of the Protectorate Pavilion hurried in, and then said to Zao Wuji: "Pavilion Zhao, someone asked to see Mr. Shi..."

"who is it?"

Zhao Wuji asked.

"Is it Ning Dahai?"

Mr. Shi asked.

"Yes, yes, it's their father and son!"

The member of the Protectorate nodded and said.

"It seems that Ning Dahai is not foolish enough to you!"

Mr. Shi smiled lightly: "Let him come in!"

The member of the Guardian Pavilion withdrew, while Zao Wou-Ki looked at Mr. Shi in surprise.

It seems that Mr. Shi came to the Dharma Protector Pavilion early in the morning, so he was waiting for Ning Dahai.

"Mr. Shi, did you guess that Ning Dahai would come to you?"

Zhao Wuji asked curiously.

"I guessed it, but I don't have full confidence. It seems that Ning Dahai doesn't want to follow David to death!"

Mr Shi said.

Zao Wou-Ki looked at Mr. Shi with admiration, his eyes full of admiration!

Soon, Ning Dahai was invited in along with Ning Zhi.

After seeing Mr. Shi, Ning Dahai and Ning Zhi saluted Mr. Shi in unison: "Mr. Shi..."

Mr. Shi nodded slightly: "Well, sit down!"

Mr. Shi let the father and son sit down, but soon, Mr. Shi's eyes fell on Ning Zhi, and his face became a little dignified.

Seeing Mr. Shi staring at him, Ning Zhi suddenly became a little uncomfortable!

But soon, Mr. Shi looked away from Ning Zhi and asked Ning Dahai, "Ning Dahai, what are you looking for from me?"

"Mr. Shi, then David is at the door of my Ning's house. You have to challenge me. As a veteran Wuhou, I will fight with him!"

"Whether I win or lose, I have nowhere to put my old face. Besides, the two of us fight, I am afraid that the entire Kyoto martial arts world that we are about to provoke will shake!"

"So I want to ask Mr. Shi to come forward and talk about David. If he has any requirements, you can mention it. I will try my best to satisfy him..."

Ning Dahai lowered his posture and said to Mr. Shi.

Mr. Shi smiled slightly: "Ning Dahai, when you went to kill David, didn't you say that as a veteran Wuhou, you have no place to save face when you attack a newcomer?"

Mr. Shi's words hit Ning Dahai's weakness at once.

Ning Dahai could only smile awkwardly, but he couldn't say a word.

"I can persuade that David, but as for whether that David will listen to me, I can't tell. This kid has a very stubborn temper."

Mr. Shi said slowly.

"It doesn't matter, as long as Mr. Shi comes forward, whoever dares not give face in the entire martial arts world, I believe that Mr. Shi will be fine!"

Ning Dahai did not expect Mr. Shi to agree to his request so happily.

You must know that David is backed by Mr. Shi, and when David challenged himself, he must have been inspired by Mr. Shi.

Ning Dahai didn't want to, but Mr. Shi agreed to persuade David.

"Okay, you go out and wait for me..."

Mr Shi said.

Ning Dahai thanked him repeatedly and followed Ning Zhi to wait outside the door.

"Mr. Shi, are you really going to persuade Mr. Chen? You know about his challenge to Ning Dahai."

Zao Wou-Ki asked Mr. Shi with an incredible face.

He didn't understand why Mr. Shi agreed to Ning Dahai's request.

"Of course I'm going, but then David will definitely not give me face..."

Mr. Shi smiled and walked out.

Ning Dahai hurriedly opened the car door for Mr. Shi in person, and then the car set off towards the Ning family.
