

# A Man Like None Other Novel

## Chapter 1621

...

At this time, David was in the Ge family. He didn't wait for the four masters of the Long family. David knew that if he wanted to get the news of the Zixiao Mansion, he could only find Ge Fuhai!

Because Ge Fuhai is also an immortal cultivator, and he knows where those immortal sects are hidden, he should also know about this Zixiao Mansion!

"David, my father is not at home at all. He has been gone for a while. He said he was going to our Ge family's land. I don't know where it is..."

Ge Jiayi said to David.

"Since the head of the Ge family is not here, then don't bother..."

David smiled slightly!

David knew that the Ge family land that Ge Fuhai said was definitely the place where the Xiuxian family of the Ge family was hiding!

But since Ge Fuhai is not here, David can only wait for a while.

Just when David turned around and was about to leave, Ge Jiayi suddenly blushed and said, "David, you... can you stay a little longer? I want to talk to you..."

Ge Jiayi watched David break through with his own eyes, and watched David kill that Long Xiao, which made Ge Jiayi very shocked!

As the so-called beauty loves heroes, at this time Ge Jiayi has already had a heart for Davidchun!

She doesn't care if David has a girlfriend...

How could David not see what Ge Jiayi meant, but he didn't have much mood to talk to Ge Jiayi at this time!

His mother was sent to Zixiao Mansion, and David didn't know what his mother would experience, so he was so anxious at the moment!

"Miss Ge, I'm very busy right now, wait until you have time..."

After David finished speaking, he left.

David went straight to Yaoshen Valley. Since he doesn't know where the Zixiao Mansion is now, he should focus on the Martial Arts Alliance.

Find a way to rescue Sonya...

But when David arrived at Yaoshen Valley, the whole person was a little dumbfounded!

I saw that there are many people in the martial arts world, all of them come here, wanting to go to David, hoping to get the protection of David!

These people all know that David is the master of Yaoshen Valley, and many people who follow David have also united with Yaoshen Valley!

So all these people came running!

The Medicine God Valley, which was elusive in the past, is now in a crowded place!

"Mr. Chen..."

"Mr. Chen..."

Seeing David appearing in Yaoshen Valley, many people began to shout frantically.

There are also many girls among them, screaming wildly, treating David as an idol!

One of the girls in a blue dress stood at the end of the crowd and looked at David quietly.

"Sister Qiu Ju, is there nothing special about David?"

"They don't have three heads and six arms. Why are these girls so crazy?"

"It made me run so far with them in vain..."

The girl in the blue dress said slightly disappointed.

This girl is Han Fusheng's daughter Han Qinger. After escaping from the secret realm, Han Qinger wandered around in Kyoto. Everything in Kyoto was very new to Han Qinger.

Later, Han Qinger heard a group of girls talking about David, and praised David to the sky, like a god!

This aroused Han Qinger's curiosity, so she followed along!

But when she really saw David, she was very disappointed!

"Miss, these are just mortals, of course you don't look down on them!"

"I think we should go back, or else it will take a long time to come out, and the palace master and his wife will be anxious."

Qiu Ju persuaded Han Qinger.

"I'm not going back, I'm going to play for a few more days..."

Han Qinger said, and jumped away!

"Miss, you are so dangerous!"

Qiu Ju hurriedly chased after him.

"What is the danger? I see that the guys here are not my opponents."

"What's more, you are still by my side to protect me, who would dare to hit me!"

Han Qinger was not worried at all.

## Chapter 1622

Han Qinger herself is divided according to the realm of the martial arts world, and she is already the Great Marquis of Martial Arts.

So with such strength, there is nothing to worry about.

No one noticed Han Qinger's departure, and they all focused on David.

"David, I love you, I really love you..."

"David, I want to give birth to a child for you, I want our child to be as awesome as you!"

"David..."

The women were screaming like crazy!

Just like those fanatical fans of chasing stars, if David wanted these women to do anything at this time, they would agree without hesitation.

David's face was embarrassed, while Gu Linger's face was gloomy!

Why is David also his man, and now that his man is being shown love by so many women, Gu Linger is of course jealous.

"Gu master, you are finally back. These people have been blocked here for several days. Let them go, but no one left..."

Xu Changsheng followed David helplessly.

"What do we do? Then blow these people away?"

David was also helpless and didn't know how to deal with these people.

"You can't go away unless you use force, but in that case, the owner of the valley will be criticized..."

Xu Changsheng frowned slightly.

"What should I do? It seems that being a star also has a lot of troubles..."

David couldn't think of a good way. He couldn't really accept these people, these sect families, right?

David doesn't have that energy, let alone the resources to share with these people!

"David, didn't the Long family have already issued an announcement and followed behind you."

"You can tell these people that the Long family can represent you in the future, and let this person go to the Long family."

"Long Xingxu has some brains, I believe he can handle it well."

Long Wu came over at this time and said to David.

"Yes, let these people go to the Long family..."

David nodded happily, and then followed those people and said it again!

Hearing what David said, many people began to flock to Long's house!

As for how Long Xingxu operates, David doesn't have to worry about it.

After sending everyone away, David summoned Zhao Ligu, Xu Changsheng, and the four villains, including Long Wu, to discuss it together.

See how to rescue Sonya from the Martial Arts Alliance!

"Mr. Chen, you are in the limelight now, but the martial arts alliance has already disappeared, and many sect families have left the martial arts alliance."

"Why don't we bring a lot of sect families and directly smash the martial arts alliance, I don't believe that we can't save Miss Su!"

Zhao Ligu said loudly.

"I don't think so. If such a large-scale attack on the Martial Arts Alliance, the Martial Arts Alliance really can't bear it, what should I do if I attack Miss Su?"

"We can't force the Martial Arts Alliance too tightly. After all, Miss Su is in their hands, and they can use it as a bargaining chip."

Ding Buoyue immediately opposed Zhao Ligu's proposal.

David was silent, and he was still undecided.

At this moment, a few people from Yaoshengu suddenly walked in with Wu Hua Da tied up!

"How is this going?"

Xu Changsheng asked.

"Elder Xu, this guy is from the Martial Arts Alliance. He was sneaky and was caught by us!"

A person from Medicine God Valley said.

"People from the Martial Arts Alliance?"

When Xu Changsheng heard this, he was instantly furious!

"I was ordered by the leader of the alliance to come and give Mr. Chen a message..."

Seeing that Xu Changsheng was furious, the members of the Martial Arts Alliance hurriedly explained.

"Give me a message?"

David looked surprised: "Is your alliance leader Ning Zhi now?"

"Yes, yes, our leader invited you to the Martial Arts Alliance, saying that there is something important to talk to you about..."

The member of the Martial Arts Alliance said cautiously.

# Chapter 1623

"Talk about what?"

David asked.

"I don't know about that, I'm just responsible for spreading the word."

The members of the Martial Arts Alliance shook their heads.

David frowned slightly, and a consciousness instantly entered the minds of the members of the Martial Arts Alliance.

After the exploration of spiritual consciousness, it was found that this person was not lying, and David withdrew his spiritual consciousness and waved his hand!

Release that member of the Martial Arts Alliance!

"Gu Master, Ning Zhi suddenly invited you, will it be deceitful?"

Xu Changsheng asked.

"There must be a fraud, that kid Ning Zhi has always been very sullen and always wants to cheat people. You can't believe what he says!"

Zhao Liguó said.

David did not speak, but frowned slightly, as if thinking about something!

After a while, David let out a sigh of relief: "I'll go to the Martial Arts Alliance to see what tricks this Ning Zhi wants to play..."

David decided to go and have a look. After all, Sonya was in their hands, and David also knew that Ning Zhi was a very bad guy. If he didn't go, if Ning Zhi did something to Sonya, it would be troublesome.

"David, be careful yourself, I have heard about this Ning Zhi, and he is a very scheming guy..."

Long Wu warned David.

"Uncle Long, don't worry, in the face of absolute strength, any scheming is useless!"

David smiled slightly, then set off for the Martial Arts Alliance!

And at this moment, Ning Zhi, after getting the news of David's visit, was already ready!

The vajra pestle was placed by his hand, and dozens of people were arranged around the hall, all of them Marquis!

The martial arts alliance can have this kind of strength, and it is inseparable from Sonya.

Although he had a vajra in his hand, Ning Zhi still felt a little unsure in his heart, and he was extremely nervous!

"Don't be nervous, you have the sacred weapon, then David can't help you."

"What's more, his girlfriend is also in our hands. If he dares to kill you, you will threaten his girlfriend!"

"However, this time the great power is going to talk about it, you'd better win that David over!"

"If possible, promise him some more resources!"

The soul said to Ning Zhi.

"I will try my best to persuade!"

Ning Zhi nodded.

But Ning Zhi didn't have much hope for this peace talks, because he knew what kind of character David was!

But since the high-level wants him to do this, he can only obey!

It wasn't until nearly night that David's figure appeared at the door of the Martial Arts Alliance!

Seeing that David was coming, the guards at the door hurriedly hid far away, and no one dared to stop David!

These people from the Martial Arts Alliance, seeing David is like a mouse seeing a cat!

David walked straight into the hall, and now Ning Zhi was waiting for him!

As soon as David entered the door, he set his eyes on the vajra beside Ning Zhi!

A huge aura emanated from the vajra body!

This made David's eyes narrow slightly!

It seems that this time, this Ning Zhi is really going to play tricks!

At this moment, Ning Zhi also saw that David noticed his vajra, and smiled slightly, then got up quickly and said, "David, you are here, please sit down..."

"Look at the tea..."

Ning Zhi gave an order, and soon someone brought tea to David!

David was not polite, and sat directly opposite Ning Zhi: "What do you have to do with me? If you have something to say, just let it go. I'm very busy."

David's attitude made Ning Zhi feel unhappy for a while, but he didn't dare to attack, so he could only pretend to smile and say, "I came to you this time to make peace with you."

"As the saying goes, the enemy should be resolved rather than the knot. You and our martial arts alliance are unhappy, let him go over, we should let go of the hatred."

David looked at Ning Zhi and suddenly leaned his body towards Ning Zhi, which shocked Ning Zhi!

## Chapter 1624

"Let go of hatred?" David raised his mouth: "I killed your father and destroyed your Ning family, can you really let go of hatred?"

When Ning Zhi heard David's words, his body trembled slightly.

How could this kind of revenge for killing his father be let go!

"Control your emotions, he is deliberately provoking you..."

The soul is constantly reminding Ning Zhi!

Ning Zhi took a deep breath, then said with a smile: "That's all in the past. Now I just want to cultivate and improve my strength. I have already let go of the revenge of killing my father."

"When will the grievances be repaid, even if I seek revenge for you and kill you, my relatives will not survive!"

Ning Zhi said it was easy, but his heart was in extreme pain!

David looked at Ning Zhi with a bit of admiration in his eyes. The degree of Ning Zhi's forbearance was beyond the imagination of many people!

"You can make peace with me if you want, but you have to show your sincerity first."

David sat down again and said lightly.

"Of course, of course we have sincerity. Whatever you want, just say it..."

Seeing this, Ning Zhi hurriedly asked.

"My girlfriend has been captured by your Martial Arts Alliance for so long. Now let her go. Let me see the sincerity of your Martial Arts Alliance."

David wanted to take this opportunity to rescue Sonya!

After David finished speaking, Ning Zhi frowned slightly: "David, you should also know that there are huge forces behind the Martial Arts Alliance. Even the leader of the Martial Arts Alliance is just a chess piece!"

"I can't make the decision about letting go of your girlfriend, but I can assure you that your girlfriend will definitely receive the best treatment!"

When David heard this, he immediately became furious: "That's a bit of a talk. You used my girlfriend's blood to help you cultivate masters in the Martial Arts Alliance. You are here to tell me that she can receive the best treatment?"

"I fcking lock you up, bleed you every day, and say you get the best possible treatment?"

David's eyes were wide open, and endless killing intent rose from his body!

"David, calm down. As we cultivators, we should take our children's love aside a little bit. Except for this request, I can promise you everything else."

"Our Martial Arts Alliance has a lot of training resources, and I can provide them to you!"

Ning Zhi persuaded David, he was afraid that David would really explode!

David stared closely at Ning Zhi, then the killing intent on his body gradually subsided, and after sitting up again, he said to Ning Zhi: "Since you said that, then I will change the request and give me the vajra pestle in your hand. , I fell in love right away..."

As soon as Ning Zhi heard it, he immediately took the vajra in his hand, for fear that David would snatch it away!

"So, no?" Seeing Ning Zhi like that, David said with a cold smile.

"This... I can't call the shots on this thing, you are changing your requirements!"

Ning Zhi said a little embarrassedly.

"You can't be the master of anything, talk to me about it, go to someone who can call the shots!"

David got up, turned around and was about to leave!

"David, our Martial Arts Alliance has mastered a lot of ancient ruins. If you promise not to be an enemy of our Martial Arts Alliance, we are willing to give you a ruin as compensation!"

Ning Zhi said loudly.

The Martial Arts Alliance holds trials every year, so you must master a large number of trial sites!

When David heard this, he took back the steps he took, and then turned to look at Ning Zhi: "Can I choose any of the ancient ruins you mentioned?"

"sure!"

Ning Zhi nodded.

"Well, I'll pick an ancient ruin..."

David sat back again!

Ning Zhi was overjoyed, and hurriedly ordered someone to fetch a thick book, and the cover of the book was already a little worn, and it looked very old and vicissitudes.

## Chapter 1625

"David, this book is left by many seniors. It records some ancient sect ruins that have disappeared. You can choose one of them!"

Ning Zhi said to David.

"What if I take this book away?"

David smiled coldly.

"That's impossible. This is the treasure of our Martial Arts Alliance. The Martial Arts Alliance has developed for so many years and has relied on this book. Except for the top officials of the Martial Arts Alliance, no one can read this book."

"It is our greatest sincerity to be able to let you read this book and choose an ancient ruin from it!"

Ning Zhi shook his head coldly!

When David saw this, he didn't say anything, but looked at the ancient book in front of him!

I saw the ruins of various ancient sects that disappeared, as well as a detailed introduction to the ancient sects!

Every time David turned a page, it was as if he had discovered a new continent. He never thought that the Martial Arts Alliance would have such a treasure!

Ning Zhi saw that David was flipping slowly and carefully, so he frowned slightly and said, "I can tell you that the further back this book is, the richer the resources of the ancient ruins, but the more dangerous it is. See if you dare!"

After Ning Zhi finished speaking, he stared at David closely!

When David heard it, he quickly turned to the back and looked at the ancient ruins behind!

Seeing David turned to the back, Ning Zhi's mouth showed an imperceptible smile!

What he said just now was deliberately provoking David.

In order to let David choose a dangerous ruin, if David really goes to investigate, maybe he will die in it!

At that time, his revenge will also be avenged, and the Martial Arts Alliance will not need to be threatened by this David.

Soon, David's eyes stopped at an ancient ruin!

This ancient ruin used to be a sect called Tianfuzong. This sect is mainly based on spells, and it is hard to practice spells!

The reason why David took a fancy to this relic was because David was the most lacking in spells.

And in this regard, that flax seeds are relatively proficient, and it will be easier to bring flax seeds when the time comes!

"I chose here..."

David pointed to Fuzong that day and said.

After Ning Zhi glanced at it, he ordered someone to bring a pen and paper and let David transcribe it.

After transcribing, Ning Zhi drew a cross behind the ancient ruins.

It means that this ancient ruin has been explored!

David put away the copied map, then put it in his pocket, and returned the book to Ning Zhi!

Ning Zhi took the book and said with a smile on his face: "David, our grievances should be resolved now. If you have anything to help us in the future, our Martial Arts Alliance will never refuse..."

Ning Zhi vowed, and said with a serious face.

"Of course, the grievances between us have been eliminated. I hope you don't seek me to take revenge for killing your father."

David faced Ning Zhidao.

"sure..."

Ning Zhiqiang endured his anger and nodded with a smile!

"But our grievances have been eliminated. The matter of the martial arts alliance arresting my girlfriend, I can't just let it go."

"If the Martial Arts Alliance doesn't release my girlfriend, I will tear down the entire Martial Arts Alliance!"

David said with a gloomy expression.

The breath emanating from David made everyone have the illusion that as long as David made a move, he could destroy the Martial Arts Alliance.

"what do you mean?"

Ning Zhi's face turned cold, his face full of anger.

"As I said, my grievances with you can be eliminated, but the grievances with the Martial Arts Alliance cannot be eliminated!"

"If I don't let my girlfriend go, I will kill the Martial Arts Alliance sooner or later."

Chills erupted from David's body!

"David, you are not believing your words. As an important figure in the martial arts world in Kyoto, how can you do this?"

Ning Zhiqiang endured the anger in his heart and questioned David.

## Chapter 1626

"How am I?"

David smiled coldly: "Did you catch my girlfriend, can I still be grateful to you?"

"Let me tell you, if my girlfriend doesn't come out for a day, I won't give up with the Martial Arts Alliance for a day..."

After David finished speaking, he turned around and walked out!

"David, you are going too far..."

Ning Zhi was angry, the vajra in his hand buzzed, and he was about to attack David.

Along with Ning Zhi's roar, the Marquis who were hiding in the dark also rushed out one after another and surrounded David!

David glanced around for a week, and sneered: "Just because of you, you want to stop me..."

After finishing speaking, David suddenly burst out with terrifying coercion.

This terrifying coercion instantly caused the surrounding Marquis to kneel to the ground, and some even vomited blood!

In the face of the gap in absolute strength, it is not enough to make up for the large number of people.

Looking at this scene, although Ning Zhi held the sacred weapon in his hand, he was still a little timid in his heart!

"Are you going to do it? If you do it, I can let you do two moves. If you don't do it, then roll away for me..."

David looked at Ning Zhi coldly, it can be said that he stepped on Ning Zhi's dignity to the ground!

Ning Zhide's face was extremely ugly, but he still didn't dare to do it!

"Coward..."

After David finished speaking, he turned around and walked out.

Until David left, Ning Zhi didn't do anything!

But after David left, Ning Zhi became furious, a gust of wind swept through, and Ning Zhi waved the vajra in front of him!

A terrifying energy instantly smashed the door of the entire Martial Arts Alliance!

"David, I will definitely make you pay the price..."

Ning Zhi roared, the cold light flashing in his eyes!

...

After coming out of the Martial Arts Alliance, David went directly to the Long family.

At this time, the Long family is also very lively, and many aristocratic families have come to seek refuge!

Because behind the Long family, there is David backing, so these people will do this.

Seeing David coming, Long Xingxu immediately went out to greet him.

"Mr. Chen, now the Long family has received a total of..."

Long Xingxu wanted to report to David.

But David waved his hand: "Don't call me Mr. Chen, I also have half the blood of the Dragon family on my body. You and I are brothers, so just call me brothers."

David hated the Long family at first, and wished to kill the entire Long family.

But now that Long Jingguo and his son are dead, and the whole thing was done by Long Jingguo, many Long family members don't know about it, so there is no need to implicate them.

Long Xingxu was taken aback by David's words, but then a surprise appeared on his face!

He knew that David's words meant that he completely accepted the Long family and himself...

"Brother David, we have received more than a dozen sect families now, and there are countless sect families who want to ally with the Long family."

"I plan to form an alliance too, so that I can fight with the martial arts alliance!"

"But there is one thing. With such a huge organization, our Long family's resources are limited, and I'm afraid it will be difficult to maintain..."

Long Xingxu said to David.

"You have the final say in the matter of the alliance, but you have to know how to screen out those aristocratic families of grass sects."

"As for resources, I have a way, you order someone to send me a pen and paper!"

David said to Long Xingxu.

"it is good!"

Long Xingxu nodded, and immediately ordered someone to send pen and paper!

Then David entered the room, closed his eyes slightly, recalled carefully, and then quickly drew on the paper.

These are the maps and introductions of the ancient ruins he saw when he was in the Martial Arts Alliance!

Although Ning Zhi didn't ask him to take out the book, David's extraordinary memory has long been remembered.

Soon, more than a dozen maps of ancient ruins were drawn by David.

Long Xingxu watched from the side, a little confused, not knowing what David painted!

## Chapter 1627

"You put these things away. These are ancient ruins, and there are a lot of resources in them. At that time, the Long family can also conduct trials to consolidate the status of the Long family..."

David gave those things to Long Xingxu.

Long Xingxu was dumbfounded, holding those maps, his face full of shock, he couldn't understand, how could David know the addresses of so many ancient ruins!

"I'm going to stay here for a few days, do whatever you want, don't deliberately entertain me..."

David waved his hand.

"understood..."

Long Xingxu nodded, then turned and walked out.

"By the way, can the dragon's dungeon be opened?"

David asked.

Long Xingxu stopped: "You can open it. After Long Jingguo's death, the magic circle in the dungeon will disappear. Brother David, do you want to go to the dungeon to see it?"

Long Xingxu thought that David was going to see the place where his mother was imprisoned!

David shook his head: "No, since the dungeon can be opened, then store those Tianlei Stones, maybe they will be used one day!"

"I have sent someone to save it!"

Long Xingxu said.

"Okay, it's alright..."

As soon as David waved his hand, Long Xingxu left!

The reason why David thought of those Tianlei stones was that he could use these Tianlei stones to directly blow up the dungeon of the Martial Arts Alliance.

But if you want to blow up the dungeon without hurting Sonya, you need to know the detailed structure of the dungeon.

Although David went in twice, it was only for a very short time, and he did not observe carefully!

Now that he is thinking about it, it is difficult to enter. Even if there is a space magic tool like the Qiankun Circle, there is no way to enter. The Martial Dao Alliance has already re-bound the dungeon in space!

"It seems that we need to find an opportunity to enter the dungeon and observe it carefully!"

David got up, walked out of the room, and planned to go for a walk on the street, by the way, to see if Ge Fuhai was back!

If he wants to know the secret of Zixiao Mansion, it seems that he can only ask Ge Fuhai!

In addition, David also wants to contact that Hu Mazi. If he really goes to Tianfuzong to find out, with Hu Mazi following him, he will get twice the result with half the effort!

Because it was getting late, David found a small but distinctive restaurant, ordered some meals, and ate alone!

Although this restaurant is not big, it is full and there are many people eating!

And the two women who were not far from David at the moment caught David's attention!

Because he found that the aura emanating from these two women was very strong. The most important point was that the aura emitting from these two women actually contained fluctuations in spiritual power!

You must know that only immortal cultivators can generate spiritual power in the body, if it is a martial artist, it will only generate energy!

David involuntarily set his eyes on the two women, and even looked a little ecstatic.

If it wasn't for the fear of the other party finding out, David would want to use his spiritual sense to investigate to see if these two women were monks!

"Sister Qiu Ju, look at this guy, looking straight at us, it's so disgusting, it looks like a big pervert..."

Han Qinger had long noticed that David was looking straight at them, so she said with disgust.

"Miss, let's hurry up and eat. After eating, we can go back. This guy has spiritual power, and he should also be a monk. It is estimated that he also discovered our identity..."

Qiu Ju whispered to Han Qinger.

"No, I want to teach this guy a lesson. I don't know what means this guy uses to deceive so many girls and go crazy for him..."

Han Qinger said, a sense of consciousness moved towards David!

David frowned, with a look of surprise in his eyes!

Han Qinger's consciousness spread, and David discovered that this Han Qinger turned out to be the realm of the Great Marquis!

You must know that in the entire Kyoto martial arts world, there are only a handful of such young Dawuhou, and I have never heard of a girl who has reached Dawuhou.

## Chapter 1628

Just when Han Qinger's consciousness entered David's mind, suddenly a golden light flashed in David's mind, instantly cutting off Han Qinger's consciousness!

"what..."

Han Qinger screamed.

"Miss..."

Qiu Ju hurriedly asked, "Are you alright?"

"This guy's consciousness is so powerful..."

Han Qinger's face became a little ugly!

David saw that Han Qinger had used his divine sense, so there was no need for him to hide it.

So a huge sense of consciousness shrouded Han Qinger. He wanted to find out who Han Qinger and the others were.

But just as David's consciousness was shrouded in Han Qinger's, a faint purple light flashed on Qiu Ju's body!

After David's consciousness touched this light, he was instantly defeated, and there was no room for struggle!

David's eyes widened, and he looked at him in disbelief.

A person who can defeat his own consciousness so easily must have a lot more strength than him.

"Kyoto, when did you have such a master?"

David couldn't believe that a young woman could have such strength.

"Miss, let's go..."

Qiu Ju said to Han Qinger.

"I'm afraid of what he will do, this guy is not your opponent at all!"

Han Qinger glared at David coldly, still hating David!

Just now, David unceremoniously cut off her consciousness, which shocked Han Qinger!

"Miss, if we stay outside for too long, the palace master will punish me when we go back..."

Qiu Ju has a look of confusion.

Han Qinger looked at Qiu Ju like that, and could only helplessly sigh: "Okay, I didn't leave..."

Han Qinger followed Qiu Ju to get up and walked out. David didn't even have a meal, so he followed him out!

He was very curious, where did these two people with such cultivation come from!

You must know that the spiritual energy of the whole world is very scarce now, and it is more difficult than waiting for him to cultivate to this realm!

David also relied on the strength of the Concentrated Heart Technique and added a lot of opportunities to break through to the realm of the Great Marquis of Wu.

Han Qinger and Qiu Ju walked in front, and David followed behind.

"Are you sick, what are you doing with us?"

Han Qinger couldn't bear it any longer and roared at David.

"Miss, I'm not malicious, I just want to get to know you guys..."

David just wanted to know how Han Qinger and the others used to cultivate to such a level in this era of lack of spiritual energy.

"Want to meet us?" Han Qing'er smiled: "I think you just want to join us, right?"

"I've seen a man like you a lot. Do you want to coax us into bed just because we're beautiful?"

"You don't look at yourself like that, do you deserve it?"

Han Qinger suddenly taunted, and directly put David in the circle of Qianmeng.

David really just wanted to get to know the two of them, and wanted to know where they were from!

There was no thought of coaxing them into bed at all.

But I don't want Han Qinger to be so direct!

"Miss, you misunderstood, I have no intention of lying to you, I just want to get to know you..."

David explained!

"Who believes!" Han Qing'er rolled her eyes at David and said, "Don't follow us, or I'll kill you..."

After speaking, Han Qinger followed Qiu Ju and disappeared into the darkness!

David was a little helpless, he didn't expect to meet such an unreasonable woman!

David turned around and planned to go back to eat again, but as soon as he turned around, he noticed a wave of terrifying aura fluctuations not far away!

Immediately after that, there was the sound of loud drinking and fighting!

Seeing this, David hurried forward!

At a corner, David saw four men in black, attacking Han Qinger and Qiu Ju!

The strength of the four men in black is not low, Han Qinger was slapped on the shoulder, and blood spurted from her mouth!

# Chapter 1629

"Miss, let's go, let's go..."

Qiu Ju shouted at Han Qinger with one enemy against four!

Han Qinger's eyes were full of reluctance, but in the end she gritted her teeth and ran towards David's side!

When a man in black saw that Han Qinger was about to run, he rushed over!

Qiu Ju wanted to stop her, but she was tightly entangled by the other men in black, who couldn't get away!

The man in black just jumped up and went behind Han Qinger, then slapped Han Qinger with his palm.

Han Qinger was injured herself, she turned around and hurriedly greeted her with a palm!

boom...

Han Qinger's body was instantly knocked flying, and fell heavily at David's feet!

"Miss, are you alright?"

David hurriedly helped Han Qinger up!

Seeing that it was David, Han Qinger kept vigilance in her eyes and distanced herself from David!

It seems that Han Qinger is still treating David as a bad guy!

The man in black walked towards Han Qinger step by step, while David stood in front of Han Qinger!

"Boy, it's none of your business here, get out of my way..."

The man in black glared at David and said.

"Who are you? Why would you attack a girl?"

David questioned the man in black.

"I said, it's none of your business..."

After the man in black finished speaking, he reached out and grabbed Han Qinger.

When David saw this, golden light flashed on his body, and then he punched the man in black!

The power of the dragon was brought to the extreme by David!

A golden dragon surrounds the fist!

"The real golden dragon?"

Surprise flashed in the eyes of the man in black for a moment, and then he also threw a punch!

boom...

A burst of golden light flickered, and David only felt a huge force, and directly overturned himself.

David's body slammed heavily on the wall, instantly smashing a wall!

David only felt a sweetness in his throat, and a mouthful of blood spurted out!

Dragging the injured body, David slowly got up and looked at the man in black in front of him in disbelief!

He himself is the Great Marquis now, but he doesn't want to be unable to resist a single move in front of this man in black!

One can imagine how powerful this man in black is!

David couldn't understand, what happened to this capital?

Why all of a sudden, there are so many masters?

"Boy, who are you? Why are you interfering in our affairs?"

The man in black asked in a cold voice.

"I just watched you bully a little girl, I can't stand it, I don't know what's going on between you..."

David wiped the blood from the corner of his mouth.

"Since you don't know, then hide away, don't force me to kill you..."

After the man in black finished speaking, he ignored David and grabbed Han Qinger!

David jumped up again, and a dazzling golden light erupted from his fists!

"Holy Light Fist..."

David smashed towards the man in black.

Although he knew that he was invincible, David still shot!

"Ancient Sacred Fist?"

The eyes of the man in black narrowed slightly, and a bit of surprise appeared in his eyes again!

boom!

A burst of golden light suddenly appeared, and the huge force sent David's body flying out again!

Only at this time did Han Qinger lose her vigilance when she looked at David!

"Are you OK..."

Han Qinger stepped forward and asked with concern.

"It's okay!" David shook his head.

But David knew that the man in black didn't use all his strength, as if he didn't want to kill him!

"Boy, don't force me to kill you, get out now..."

The man in black walked towards David and Han Qinger step by step!

"You go, it's none of your business here, there's no need to die..."

Han Qinger knew that she was doomed, so she pushed David!

"Don't worry, we'll be fine..."

After David finished speaking, the Qiankun Circle suddenly appeared in David's hands!

With the loss of the Qiankun circle in the hand, a black hole instantly appeared in the air!

David pulled Han Qinger and jumped into the black hole!

# Chapter 1630

The man in black hurriedly shot, but the black hole in the air had disappeared!

“There is still a space magic weapon? What is the identity of this young man?”

The man in black looked at the air with a solemn expression on his face!

Han Qing'er had already escaped, but the man in black turned back, and the four attacked Qiu Ju. Every move was a killer move. It seemed that they didn't want Qiu Ju to live!

At this time, Qiu Ju was already scarred and bruised, and she was holding on with a breath of infuriating energy!

“Quick, over there...”

This is, a clutter of footsteps, and loud shouts!

Hearing this movement, the four men in black looked at each other, followed by a flash, and disappeared in an instant!

Qiu Ju dragged her severely injured body and left quickly. It seemed that she didn't want to be seen!

Just after the four men in black and Qiu Ju left, more than a dozen people rushed here!

The leader of these dozen people is Xing Jun of the law enforcement team!

Xing Jun looked at the surrounding ruins and broken walls, and the blood on the ground, his face became very dignified!

“Captain, people have run away...”

A law enforcement team member said.

"Let's go back..."

Xing Jun waved his hand and withdrew!

On the other side, David and Han Qinger used the space teleportation of the Qiankun circle to come to the door of Long's house!

David and Han Qing'er supported each other and walked into the Long's house!

The servants of the Long family saw that David had returned with blood, and immediately reported it to Long Xingxu.

"Brother David, what's wrong with you?"

Long Xingxu asked in shock.

David's current strength is the Great Marquis. How many people in the entire Kyoto martial arts world can hurt David like this?

"Prepare a room for me, and immediately send someone to Yaoshen Valley to get some herbs!"

David said to Long Xingxu.

Long Xingxu nodded, and immediately ordered someone to go to Yaoshen Valley to get the herbs!

And he personally took David and them to the room!

After entering the room, David waved his hand and let Long Xingxu go out.

Han Qinger's face was very pale at this time, and it was obvious that she was seriously injured!

But David himself is not much better!

“What is this place?”

Han Qinger asked David.

“This is my home, you can heal with peace of mind!”

David said to Han Qinger.

Han Qinger looked at David, a look of embarrassment appeared on her face!

If she is healing now, and if David takes advantage of her own healing and plots against herself, then Han Qinger will really be called Tiantian’s ineffectiveness, and earthly and earth should not be able to.

David also saw Han Qinger’s concerns, so he got up and walked out.

“I have already sent someone to fetch the herbs. If there is no accident tomorrow, your injury will be healed!”

After David finished speaking, he walked out of the room.

Seeing David walking out of the room, Han Qinger closed her eyes slightly and started to heal her wounds quietly!

It’s just that because of the lack of spiritual energy in this world, Han Qinger’s healing speed is very slow!

David went to the next room to start healing!

...

Kyoto, Dharma Protector Pavilion!

Although it was late at night, the light of the Dharma Protector Pavilion was still on!

Mr. Shi sat upright at the table, frowning slightly!

"Mr. Shi, I have already investigated the scene, it is definitely not caused by the fight of ordinary warriors!"

"Kyoto has a rule that those warriors are not allowed to fight in the urban area. I believe that no one dares to violate it openly!"

"And judging from the breath left at the scene, these people are very strong, I suspect it is..."

Xing Jun hesitated, wondering if he should say it or not!

"Your suspicion is right, these are people in the secret realm!"

Mr. Shi nodded, without Xing Jun saying it, he seemed to have guessed Xing Jun's heart!

"Then what are these people's identities? Why do they dare to go out of the secret realm and openly fight in the secular world?"

Xing Jun said with a look of surprise.

Mr. Shi shook his head: "I don't know, but there may be more and more such things in the future. The real turmoil may not be far away..."

Xing Jun listened, although he didn't understand what Mr. Shi said about the turmoil, but what he knew was that the scene of the river of blood might reappear.
