

A Man Like None Other

Novel

Chapter 2113

"Yuqi, Yuqi..."

David was shocked and hurriedly investigated Sonya's situation!

But at this time, Sonya's breath was weak, her eyes were closed, and no matter how much she shouted, there was no response!

David put a spiritual force into Sonya's body, but still no reason was found!

This time, David panicked, Sonya was fine, why did she suddenly fall into a coma?

Just when David was a little overwhelmed, Zhao Chuang and Ji Ruxue also hurriedly came over!

It turned out that Xiaoru and Wu Mei'er both had the same symptoms as Sonya, they were unconscious, and their breath was very weak!

"Brother Chen, what's going on here? Xiaoru was fine last night!"

Zhao Chuang asked in confusion.

Ji Ruxue also said: "Mei'er is fine when she goes back, but she won't wake up in the morning!"

David frowned and didn't say a word, because he didn't know what was going on or why he appeared. This is the case!

After pondering for a while, David said to Ji Ruxue: "Ruxue, take care of Yuqi, I'll go to Mr. Shi and ask him to see if he knows the reason..."

The people David can help now are also There is only Mr. Shi. During this period of time, David felt that Mr. Shi was a jack of all trades, as if he knew everything!

"Okay, hurry up, I think they are all serious."

Ji Ruxue nodded.

David hurried to the Law Enforcement Pavilion non-stop, but as soon as he arrived at the entrance of the Law Enforcement Pavilion, he saw Xing Jun standing at the door, which made David very surprised!

After all, Xing Jun is the captain of the law enforcement team. How could he stand at the door with such an identity?

Xing Jun saw David coming, with a surprised expression on his face. He didn't expect that Mr. Shi had guessed it correctly, and David had really come.

"Captain Xing, I..."

"Did you come to see Mr. Shi?"

Xing Jun asked before David finished speaking.

David nodded in surprise: "Yes!"

"Mr. Shi is not here, but he asked me to give you a letter..."

Xing Jun said, took out the letter and gave it to David!

David held the letter with a blank look on his face. He didn't understand how Mr. Shi knew that he would come?

However, he still opened the letter. When he read my letter, David's face became extremely ugly!

"Captain Xing, Mr. Shi must be in there, can you let me see him?"

David begged to Xing Jun.

"Mr. Shi is not here, and even if he is, he won't see you..."

Xing Jun shook his head: "Don't embarrass me, this is Mr. Shi's order!"

"Captain Xing, I want to see Mr. Shi today anyway... "

David's eyes are full of determination!

"David, what do you mean, you have to forcefully break into the Guardian Pavilion?"

Xing Jun frowned.

"If Mr. Shi doesn't see me, just break in..."

After David finished speaking, he rushed towards the Dharma Protector Pavilion!

"David, you..."

Xing Jun wanted to stop him, but he didn't get close to David, he was shocked by the breath of David!

David's current strength is not close to Xing Jun at all!

"David, do you know what is the crime of trespassing in the Protectorate Pavilion and disturbing Mr. Shi?"

"Don't rely on Mr. Shi to protect you, you can do whatever you want."

"This is a capital crime, you must think clearly..."

Xing Jun He said loudly to David.

"Captain Xing, I'm sorry, even if I die, I have to see Mr. Shi today..."

David's face was very solemn, and he rushed directly to the door of Mr. Shi's room!

Xing Jun stood in front and tried desperately to stop it!

But at this moment, the door of Mr. Shi's room suddenly opened automatically!

"Captain Xing, let him come in..."

Mr. Shi's voice came leisurely!

Chapter 2114

Xing Jun heard it, and then stepped aside, David walked towards Mr. Shi's room!

When he walked to the door of the room, David saw that Mr. Shi was drinking tea leisurely. He didn't have time, he clearly didn't want to see him!

"Mr. Shi, you..."

"If you have something to say, you can come in and say it, I don't like talking to people at such a distance..."

Before David finished speaking, Mr. Shi spoke up!

When David heard this, he walked towards the room!

But just as he walked into the room, David suddenly felt an overwhelming pressure. David gritted his teeth and tried to resist the pressure, but his body lightened and he was directly knocked out. Fell in the yard!

The hard bluestone ground in the yard was directly smashed into a deep pit!

David got up slowly, and then walked to Mr. Shi's room again. Looking at the door that was just a short distance away, David burst into a burst of breath. After making full preparations, he collapsed in one step!

But as soon as I stepped in, my body seemed to be hit by a moving train, and my body flew out again!

This time, David also fell to his original position, and the pit on the ground was even deeper!

David got up, rubbed his aching chest, and then a trace of blood spilled out from the corner of his mouth!

David frowned and walked back again, but this time, he didn't step in easily.

"Mr. Shi, why did you ask Xiaoru and Mei'er to bring me the Wordless Book of Heaven?"

"Did you know that the two of them would be arrested and sent to the secret realm?"

"Now they are all faint and faint, what the hell is this ? What's going on?"

David asked Mr. Shi.

“If you don’t have the ability to walk into the room, then you don’t deserve to question me, just do as I said in the letter!”

Mr. Shi still drank his tea indifferently, without even looking at David!

David frowned, the breath on his body rose again, this time David activated the golden body, golden scales covered the whole body, and the power of the dragon was also exerted to the extreme, behind him, a golden dragon slowly appeared!

It’s just that this time the golden dragon transformed behind David was obviously dimmed, and the majesty also disappeared a lot!

But David didn’t know it himself, but gritted his teeth and stepped in again!

David just stepped forward.

Om...

A huge pressure hit, David’s body swayed twice, and then he fell to his knees with a thud!

The ground was instantly smashed with cracks!

David gritted his teeth, put his hands on the ground, and started crawling towards the room!

But just moved, the body was knocked out again!

This time, David was in the air and spit out a mouthful of blood!

Just after landing, David stood up without any hesitation.

Then he gritted his teeth again and rushed towards Mr. Shi’s room!

David didn't know how many times he rushed or how many times he was knocked into the air!

By the end, the undamaged golden body on David's body had long since disappeared, and even his physical body was covered in scars...

David could no longer stand up, but he gritted his teeth and crawled towards Mr. Shi's room!

Behind David, a long bloodstain appeared!

Xing Jun couldn't bear to look directly at him, but he didn't dare to say anything!

Looking at David who was crawling towards the room, Mr. Shi suddenly sighed, the pressure in the room disappeared instantly, and David climbed in directly!

David, who entered the room, gasped heavily, then stood up hard and looked at Mr. Shi staggeringly!

At this time, Mr. Shi put down the teacup in his hand, looked at David with a puzzled face, and asked, "You know, this time, if you were shot and flew out, you would probably die..."
