

A Man Like None Other

Novel Chapter 2125 – 2128

Chapter 2125

After arranging everything, David found Ge Fuhai and then went to the Longmen Secret Realm together!

After entering the secret realm of Longmen and finding Ge Cangsheng, David explained his purpose!

“Mr. Chen, the meridians and bones are all broken, it’s really not easy to handle!”

Ge Cangsheng also frowned slightly after hearing this.

“Old Ge clan, isn’t there a cure in the secret realm?”

“It’s not that there are many masters of immortality in the secret realm, is there no such thing as a powerful pharmacist?”

David was a little surprised. It is said that in the secret realm, there should be some very powerful pharmacists!

“Mr. Chen, although there are immortal cultivators in the secret realm, they are all human. Where can there be a real immortal.”

“Such a situation where the bones and muscles are all broken, I am afraid that Da Luo Jinxian will come, and it will not be easy to cure. It’s almost about to reshape the body.”

“Not only our Dragon Gate Secret Realm but also other secret realms, it is estimated that there is no one who can reshape the body for others!”

Ge Cangsheng shook his head and said.

“Isn’t there any way to do it?”

David frowned, a look of sadness on his face!

If Long Xingxu and Hu Mazi could only spend their whole lives in bed, David would feel guilty for a lifetime!

“It’s not that there is no way. I heard that there is a divine spring in the secular world, called the Regeneration Spring. If you can soak in the spring water for seven days, you can reshape your bones and reshape your body!”

“It’s just that people in our secret realm can’t I’ve been in the world for a long time, so I haven’t seen the Rebirth Spring, and I don’t know if the Rebirth Spring still exists...”

Ge Cangsheng said to David.

“Rebirth Spring?” David pondered, and found that he had never heard the name at all!

At this time, David discovered that there are far more things in the martial arts world than he knows!

“Old Ge clan, do you know about Kuchan Temple?” David asked Ge Cangsheng.

Ge Cangsheng shook his head: “This should belong to the secular world, and I am not very clear.”

“Mr. Chen, have you encountered any difficulties in the secular world? If you encounter difficulties, you can ask the little girl to help out of the secret realm. You!”

David waved his hand and said: “No, with my current strength, no one in the martial arts world can be an opponent. After all, those martial arts practitioners have fewer means than our immortal practitioners!”

David knew that if he went from the secret realm to the mundane world, It's ok for a short time, if you stay in the mundane world for a long time, it will cause the danger of stagnation or even retrogression, so David doesn't want to let Ge Yuhan take a risk in the mundane world!

Moreover, David is not afraid of Shi Qingpei and his son. If he wants to kill two people, it is just a matter of raising his hands!

“Mr. Chen, you are wrong. In fact, different paths lead to the same goal. Whether it is a martial artist or a cultivator, the ultimate goal is to ascend to immortality. It is the same.

“ It's just that compared to immortal cultivators, the path of martial cultivators to become immortals is more full of thorns...”

Ge Cangsheng said slowly.

Ge Cangsheng's words instantly made David stunned. He always thought that his strength was invincible in the martial arts world.

“Old Ge clan, is there a master above the martial arts world?”

David was surprised. asked.

David didn't know much about the martial arts world. He began to think that Martial Saint was the ceiling of the martial arts world!

But since he went to the island country and encountered several spirits of the Martial God, David knew that above the Martial Saint is the Martial God!

But looking at Ge Cangsheng's meaning, it seems that the god of war is not the ceiling of the martial arts world...

"Mr. Chen, above the Martial God there is the Martial Emperor, and above the Martial Emperor there is the Transformation Realm..."

"When the warriors cultivate above the Transformation Realm, they are no doubt like our immortal cultivators. They also need the spiritual energy of heaven and earth to cultivate and transform into one. Famous cultivator, you are working hard towards the path of becoming immortal!"

Ge Cangsheng explained.

Chapter 2126

David heard this, his heart seemed a little complicated. It seemed that he still underestimated the martial arts world and overestimated his ability!

He is no more than the strength of a fifth-rank Martial Saint. Although he has the blessing of the Golden Dragon, it is no problem to fight against a Martial God, but if he really encounters a strong late-stage Martial God, David may only have to escape for his life!

What's more, above the Martial God there is the Martial Emperor, and above the Martial Emperor, there is the Transformation Realm...

If David really encounters such a master now, I am afraid that he will be slapped to death by someone!

"It seems that the martial arts world is also hiding dragons and crouching tigers, I am too arrogant..."

David laughed at himself!

He suddenly remembered Mr. Shi's sudden suppression of him. Ever since he returned from the island country, Mr. Shi has suppressed himself intentionally or unintentionally!

At first, David didn't understand, and he didn't understand why Mr. Shi was.

Now he suddenly understands Mr. Shi's good intentions, that is, after seeing that he has returned from the island country, he has swelled up a bit, and he feels that he is invincible in the martial arts world, so he suppresses himself and makes himself recognize the reality...

"Mr. Chen, you don't have to be too inferior, like those masters above the martial arts, which one has not cultivated for a lifetime, and you are still young, your strength is far more than that."

Ge Cangsheng persuaded David!

"Old Ge Clan, thank you very much, it seems that I still have a long way to practice..."

David followed Ge Cangsheng's conversation this time, and he completely made him recognize the reality!

David did not stay in the secret realm of Huomen for a long time, so he left with Ge Fuhai!

On the way back, Ge Fuhai seemed to remember something, and suddenly said to David: "Mr. Chen, if you want to beat him, where is the Kuchan Temple, you can ask the expert, he may know!"

"Knowledge?" David was stunned, it was the first time he had heard of this name.

"Oh, this guy's name is Zhou Botong, and his strength is not strong, but he does have a very good understanding of the history of the martial arts world. I heard that he has a history of the development of the martial arts world. I don't know if it is true."

"Maybe this guy knows that. Where is

Kuchan Temple..." Ge Fuhai said following David.

"Where is that person?" David did not expect that there is such a person!

"I should live in the outskirts of Kyoto, but this guy travels a lot, I'll take you to try your luck."

After Ge Fuhai finished speaking, he took David to the outskirts of Kyoto!

Soon, two people stopped in front of a very dilapidated house!

Ge Fuhai took a look and said happily, "Mr. Chen, it's great to know everything at home..."

"Come on, let's go in..."

David walked in first!

When he walked into the room, David was almost smoking out, because the smell in the room was so unpleasant!

In the room, an unkempt old man was sitting in front of a chessboard, his eyes staring at the endgame above as if he didn't see David and the others!

David got used to the taste, glanced at the room, and found that there were many ancient books in the room!

Nothing but books!

And the breath of this old man is faintly flowing, it is a Marquis realm!

"Knowledge, let's ask you something..."

At this time, Ge Fuhai asked Zhou Botong.

"No time..."

Zhou Botong said coldly without raising his head.

Seeing this, Ge Fuhai's face instantly turned ugly, and he was about to get angry, but was stopped by David's wave!

"Senior Zhou, I heard that you know everything about the martial arts world, so you came here to ask for advice."

David said to Zhou Botong very politely.

At this time, Zhou Botong slowly raised his head, looked at David, and said, "If you want to inquire about things, first agree to my conditions..."

"Senior, you said, as long as I can do it, I will agree to you."

David said.

Chapter 2127

it." "Okay, solve this chess game, and I can answer your question!"

Zhou Botong pointed to the chessboard in front of him and said.

David glanced at it and was immediately dumbfounded. He didn't know how to play chess at all. How could he solve the game?

"Senior Zhou, I'm really sorry, I don't know how to play chess, so I can't solve it!"

"But as long as you answer my question, I can give you any money you want,"

Davidru said.

"I don't know how to play chess, so don't bother me here, I'm not short of money at all, get out of here..."

Zhou Botong waved his hand impatiently!

This time, David was a little overwhelmed, so he could only stand there and quietly look at the chessboard in front of him.

And Zhou Botong ignored David and Ge Fuhai, and studied it carefully!

Just when David frowned slightly and didn't know what to do, he suddenly remembered the wordless book in his mind!

Thinking of this, David said, "Senior Zhou, if I solve this chess game, will you answer my question?"

"Of course, as long as you help me solve the chess game, I can answer any questions you have, provided that I want to know."

"The world of martial arts is as vast as the sea, and not everything I know."

Zhou Botong raised his head and said.

David nodded, then sat opposite Zhou Botong, and then lightly grabbed the chessboard with one hand!

Spiritual energy gently penetrated into the chessboard!

Soon David's mind flashed the history of the chessboard and the solution to the endgame in front of him!

David smiled slightly and said, "Senior Zhou, this chessboard is set up by the chess sage Master Huang. To break this endgame, the center must bloom..."

"Almost a seemingly unsolvable endgame was directly brought to life by David!"

Zhou Botong looked at the scene in front of him, his eyes widened, and he was immediately stunned!

"I... I've been thinking about the endgame for so many years, but it's so easy for you to break it?"

Zhou Botong's face was full of incredulity: "You, this guy, even said that he can't play chess!"

"But I promise you. , you can ask me now..." When David heard this, he hurriedly asked happily: "I want to ask Senior Zhou, do you know where the Kuchan

Temple is?"

Many people know about this Kuchan Temple, after all, there are many believers in the Kuchan Temple, you are also worth coming to me with this kind of question?"

Zhou Botong asked unexpectedly.

David was embarrassed, how did he know that so many people knew about this Kuchan Temple?

No one around him knew about it anyway!

"Okay, I'll send you this question, what more questions do you want to ask?"

Zhou Botong said.

David thought for a while, and then said, "Senior Zhou, I want to ask if you know the Rebirth Spring? And are there many hidden world sects in the martial arts world?"

"Place, I don't know, although I'm called a know-it-all, I'm not an immortal."

"But there are indeed many hidden sects in the martial arts world. Among them, three and six sects are the most powerful. The martial arts world can create a storm!"

Zhou Botong replied!

"Senior Zhou, where are these hidden sects? Why can't you see them?"

David continued to ask curiously.

"I promised to answer one of your questions, but you've asked too many questions. You'd better go back quickly."

"Since those hidden world sects are not in the mountains, you'd better not mess with them, otherwise you will die ugly. !"

After Zhou Botong finished speaking, he waved his hand!

Seeing this, David could only get up and say goodbye!

However, he already knew the location of Kuchan Temple, and he wanted to seek revenge for Shi Qingpei and his son. As for the matter of finding the Rebirth Spring, David decided to start with those hidden world sects.

Because David felt that such a rare thing in the Rebirth Spring, it must be in the sphere of influence of a hidden world sect, so it was unknown.

David said goodbye to Ge Fuhai, and then went straight to the Kuchan Temple!

You must know that this time David was full of anger, and this time he must torture Shi Qingpei and his son to death!

Chapter 2128

At this time, Shi Qingpei and his son are enjoying themselves in Kuchan Temple!

It's almost like an emperor's treatment. After all, there are many believers in Jueyuan, and some devout believers will do whatever they ask them to do!

This also makes Shi Yan reluctant to think about Shu! "Dad, do you think that David will come to Kuchan

Temple?" Shi Yan asked Shi Qingpei. "It doesn't matter if he comes or not, if he doesn't dare to come, then we will call your uncle and go to Kyoto again. I will definitely force David out this time!" Shi Qingpei said with a sneer.

"My uncle is too good. Not to mention so many disciples, there are still so many believers who enjoy it every day and can cultivate..." "The cultivation of the power of faith is much more convenient than finding resources everywhere!"

"I also I want to be someone like Uncle." Shi Yan said with envy in his eyes. "Fart, is my artifact refining technique going to ruin your hand?" "You can learn artifact refining with me in the future!" Shi Qingpei glared at Shi Yan and said.

"I don't want to learn, what can I do for a long time? It's not because I was beaten by David, and everything is gone." "In the end, I still have to ask my uncle for help. Item refining is too wasteful. !" Shi Yan said shaking his head.

"You know the shit, if I can practice top-quality magic tools, even treasures, fairy weapons, let alone David, even the entire martial arts world, I will destroy it with a wave of my hand!" "Even those in the secret realm. Dude, I'm going to shiver when I see it." Shi Qingpei reprimanded Shi Yan loudly!

"Okay, don't brag, let's talk about it when you can master the fairy weapon..."

Shi Yan didn't bother to talk to his father, got up, and prepared to leave!

At this moment, Jue Yuan walked in.

Seeing Jue Yuan walking in, Shi Yan stepped forward to help him with a flattering expression: "Uncle, do you have any orders? Just send someone to call me!"

Shi Yan treated Jue Yuan at this time, but he could It's far more affectionate than treating my own father.

Shi Qingpei looked at Shi Yan like that, although he felt uncomfortable, after all, people had to bow their heads under the eaves.

"Senior brother, what's the matter with you?"

Shi Qingpei asked.

"There are signs of a breakthrough in my current strength, so I have to retreat and breakthrough!"

"The two of you are living here to eat and drink. I have arranged everything!"

Jueyuan said to Shi Qingpei and his son. .

"Ah? Uncle, are you going to retreat?"

"But what if that David calls? We're afraid we won't be able to beat him?"

Shi Yan's face was full of worry!

He was scared of being beaten by David!

"Don't worry, eldest nephew, I have already explained to a friend of mine that he will sit in the Kuchan Temple during my retreat. If David dares to come, he will surely come and go!"

Jueyuan said .

"Uncle, what's your friend's strength? Then David's strength is not weak, at least the strength of the late Martial Saint!"

Shi Yan was still a little worried, he was afraid that the person Jueyuan was looking for would not be able to beat David!

"Hahaha, is this kid questioning my strength?"

After Shi Yan finished speaking, he heard a burst of hearty laughter, followed by a fat monk in a monk's robe walking in!

Just after the monk came in, the whole room was instantly filled with coercion!

Shi Yan and Shi Qingpei didn't pay attention, they were all crushed to the ground!

"Enlightenment, these two are my junior brother and senior nephew, don't make trouble..."

Jueyuan said to the fat monk.

"Hahaha, Jueyuan, your junior brother and junior nephew, you are really rubbish, no wonder you invited me here!"

Zhengwu laughed and put away that coercion!

When Shi Qingpei and his son heard this, they immediately blushed with embarrassment!

"My junior brother is in the art of refining, so his strength is almost, but his art of refining, you can't compare!"

Jueyuan is helping Shi Qingpei to regain some face!

"Okay, don't talk about those, you know the rules, one woman a day, I don't want those crooked melons and cracked dates, I want beautiful women!"

Awakening waved his hands.

"Don't worry, it's ready." Jueyuan said.
