

A Man Like None Other Novel

Chapter 2183

Rumbling...

With the loud noise, the mountain was suddenly pressed down, and David was directly pressed inside!

And above the mountain, a karst cave with a diameter of hundreds of meters and a depth of tens of meters was also revealed in this great shaking at this moment!

The regeneration spring at the foot of the mountain actually started to run out, and soon it became dry!

It's just that David was crushed under the mountain, and he didn't know it at all.

Hu Mazi and Long Xingxu woke up, looking at the smoke and dust around them, and the regeneration spring that had dried up under them, they were all stunned!

Although the two of them were conscious, they couldn't move at all, they could only sit with staring eyes!

"Master Hu, what's going on? Is there an earthquake?"

"Where's Brother David?"

Long Xingxu asked with a puzzled face.

It was fine just now, soaking in the spring water is very pleasant!

In the middle of the night, it suddenly became like this!

Hu Mazi looked around, but did not notice David's figure at all, and frowned, "This guy is very curious about this rebirth spring since he came here."

"I guess this movement, maybe he made it. , this guy can't stop for a while!"

Just as Hu Mazi and Long Xingxu were talking, Liu Xing and Liu Rui and a few disciples were also attracted by passive silence!

When seeing the spring water drying up, one by one showed a frightened expression!

However, they quickly carried Hu Mazi and Long Xingxu and rushed back to Chunyang Sect.

The drying up of the regeneration spring is a major event, and they must go back to report!

At this time, no one thought that David would be crushed under the mountains!

Yue Buqun was also very anxious after knowing that the regeneration spring had dried up. It was just a coincidence that the regeneration spring dried up just after it was handed over to David!

"Brother Chen, didn't you see him?"

Yue Buqun asked Liu Xing and Liu Rui.

The two shook their heads, indicating that they didn't see it at all!

“Master, this regeneration spring dried up, could it be that David did it?”

“If he really did it, we won’t be able to explain it now!”

Liu Xing said worriedly.

“I don’t think it’s possible. How could Mr. Chen have such a great ability to dry up the regeneration spring. This regeneration spring has been around for many years!”

Liu Rui felt that it was impossible for David to do it.

“Okay, don’t talk about this for now, wait until Brother Chen comes back!”

Yue Buqun couldn’t decide now, so he could only wait for David to come back and ask what happened!

At this time, the Kunlun Mountains changed, attracting a large number of warriors to go. If such a huge mountain changed, something strange must have happened!

At the same time, David, who was pressed down at the foot of the mountain, was struggling to climb out. He had a golden body to protect his body. In addition to his strong body, even if he was pressed down at the foot of the mountain, David was not injured!

It took a full day for David to climb out. When he saw the dry regeneration spring, and the missing Hu Mazi and Long Xingxu, he immediately guessed that the two must have been taken to the Chunyang Sect. !

David rushed to Chunyang Sect non-stop, and at this moment Yue Buqun was anxiously waiting for David!

The regeneration spring has dried up, and the Kunlun Mountains have changed. With such a big movement, it is almost impossible to cover up the secret!

Now that David doesn't come back, Yue Buqun doesn't even know what happened, so he can't explain it with the other major factions!

"Master, Mr. Chen is back..."

Liu Rui hurried in and said.

When Yue Buqun heard that David was back, he hurried out to greet him, but when he saw David's embarrassed appearance, he couldn't help being a little surprised!

"Brother Chen, where have you been? Are you so embarrassed?"

Yue Buqun asked.

"Sect Master Yue, I'll be telling you later, I'll go get a drink first..."

David entered the room and drank a pot of water in one breath, only then did he catch his breath!

"Brother Chen, the Regeneration Spring has ceased to flow, and the Kunlun Mountains have changed. What's going on?"

Yue Buqun asked curiously.

Chapter 2184

David let out a long sigh, and then told him about digging the mountains along the spring!

After hearing that these things were made by David and that David was still buried under the mountain, Liu Rui's eyes were wide open and his face was incredible!

She didn't expect that David really came up with this!

After Yue Buqun heard it, he also felt a headache and seemed a little helpless. He could remember that David himself was the only one who dug the Kunlun Mountains with his bare hands!

However, this Rebirth Spring is not owned by his Chunyang Sect family, but shared by three sects and six factions. Now it has been destroyed by David, how can he explain it?

"Sect Master Yue, was there any sect in the place of Rebirth Spring? Otherwise, why would there be a town rock!"

David asked Yue Buqun.

Yue Buqun nodded and said, "There was indeed a Narcissus Palace in that place, but this Narcissus Palace disappeared hundreds of years ago. No one can tell exactly how it disappeared! "

"There were many people who wanted to find the ruins of the Narcissus Palace, but they didn't find it at all, and slowly people forgot about it!" "

If it wasn't for the appearance of the Rebirth Spring, it is estimated that no one would go to that place." "

"Daffodil Palace?" David frowned slightly, and then said, "Sect Master Yue, do you think the ruins of the Narcissus Palace will be in that mountain range?" "

It's possible, and some people thought about it at the time, but who would dare to crack the rocks and enter the mountains?" "

Let's not say whether this will affect the regeneration spring, but even if the ruins of the Narcissus Palace are found, it is estimated that no one will be able to enter!" "

I heard that the lord of the Narcissus Palace feeds on people and is extremely cruel. The entire Narcissus Palace is full of evil spirits, so the ruins of the Narcissus Palace must be very dangerous. "

Yue Buqun explained. When David heard this, he immediately thought of those blood-red stones, which contained the yin and evil spirits, so it seems that the ruins of the Narcissus

Palace are likely to be in the mountains!

The regeneration spring, how can ordinary spring water have such magical effects, most of the spring water flows through the ruins of the Shuixian Palace, which makes the spring water have magical effects.

"Master, master..."

At this time, Liu Xing ran a little anxiously. Come in!

Seeing Liu Xing like that, Yue Buqun immediately said with a heavy expression, "What's the matter? "

" A huge cave suddenly appeared on the Kunlun Mountains, and a large number of warriors have already climbed the mountain, which may be related to this change. "

Also, the major sects have sent letters asking you to discuss the matter of the Rebirth Spring!" "

Liu Xing said to Yue Buqun.

"What should come will always come, I know I can't hide it..."

Yue Buqun sighed softly.

"Sect Master Yue, I caused the matter, I can accompany you, and one person does the work."

David didn't want Yue Buqun to be embarrassed!

"Brother Chen, if you go with me, you will definitely come back, I have a way to deal with it!"

Yue Buqun said with a faint smile, then looked at Liu Xing and Liu Rui and said, "After I leave, you will stay in the sect, no one will go up the mountain, do you hear me?"

"The environment on the mountain is complicated, and many circumstances are unknown. Even if the Narcissus Palace ruins are born, it will only kill more people!"

Yue Buqun knew the dangers of the Narcissus Palace ruins, so he didn't want to. Let your disciples die!

"Got it!" Liu Xing and Liu Rui nodded!

However, David was a little embarrassed and said, "Sect Master Yue, I would like to go up the mountain to have a look. Maybe there is something in the ruins of the Narcissus Palace that can heal my two friends."

"Brother Chen, since you want to go up the mountain to take a look, then let Ruier accompany you, after all, she is familiar with this area, but you have to do what you can, the ruins of the Narcissus Palace are no joke."

Yue Buqun warned David again!

"Don't worry, Sect Master Yue, I have my senses..." David assured!

But looking at David like that, how could Yue Buqun be at ease, he just let David use the regeneration spring, and he made such a big mess.

But Yue Buqun didn't say anything, but turned around and left!
