Chapter 2195

Black and White Impermanence was stunned for a moment, looked at Liu Rui and said, "I didn't expect that you little girl would still know about my Fentian Sect .

"

Impermanence looked at Liu Rui, with a greedy lust in his eyes!

"Miss Liu, what is Burning Heaven Sect?" David asked.

He doesn't understand, isn't this hidden world only three sects and six sects?

When will another Burning Heaven Sect appear, and looking at the strength of these two people, the overall strength of this Burning Heaven Sect must be very good!

"Mr. Chen, this Burning Heaven Sect is an evil cultivator. The remnant soul planted in my master's body belongs to this Burning Heaven Sect leader, Yao Qing.

" Leaving a remnant of the soul, which makes theThe Refining Medicine Sect extorts a lot of resources from our Pure Yang Sect every year. "

Liu Rui explained in detail with David.

"Is it him?" "David remembered the remnant soul. At that time, the remnant soul was very powerful!

If the main body exists, the strength is even more unimaginable!

"It seems that in this hidden world, there are too many old things with abnormal strength. Now ..."

David couldn't help but sighed!

"It turns out to be the little girls of the Pure Yang Sect, just so we caught you, and let that old man Yue Buqun use resources to redeem people. Hei Wuchang heard that it belonged to the

Pure Yang Sect, and immediately said confidently!

Because the Pure Yang Sect has the worst overall strength among the three sects and six sects, except the Refining Medicine Sect, the Pure Yang Sect has the worst overall strength. Don't worry if Zong does it!

"Old Hei, you will deal with the boy who only has Wu Sheng in a while, this little girl will deal with me, I will have a good time. "

I haven't touched a woman for many years. I want to enjoy it today..."

Bai Wuchang stared at Liu Rui, eager to swallow Liu Rui!

David is just a martial arts saint, plus Liu Rui is a second-rank Martial God, so Black and White Impermanence can be certain, and David and the others are settled!

"You... shameless, beast..."

Liu Rui's face suddenly turned red when she saw Bai Wuchang's foul language. Very embarrassing!

"Hahaha, seeing this little girl angry, why am I getting more and more excited?"

Bai Wuchang burst out laughing!

Hei Wuchang said to David, "Boy, leave your valuables behind, just get out of here, you don't look like a person from the hidden world, so I'll be big." Have mercy and spare your life! "

"Aren't you going to kill me?" "David pretended to be surprised.

"Yes, you get out now, I don't have to kill you, you can just get in the way here, we two want to be together, hehe..." Hei

Wuchang said with a wicked smile!

"Hey, it's a pity you don't kill me, but I want to kill you..."

David sneered!

Hei Wuchang was stunned for a moment, he didn't expect David, a little martial sage, to dare to say such a thing!

"Boy, don't you know who you are talking to?"

Hei Wuchang's eyes narrowed slightly.

To know that a little Martial Saint, after encountering the Martial God, he can only kneel down and beg for mercy, how can he dare to speak out?

"I really don't know who I'm talking to. You look like a bastard. Did your mother go to Africa when she gave birth to you?"

David asked.

Pfft...

At this time of nervousness, David's words instantly made Liu Rui laugh out loud!

However, the black impermanence was directly furious, and he directly pulled out a dark soul stick.

“Boy, today I’m going to smash your corpse into ten thousand pieces, and send your soul into the eighteen layers of hell. You can’t be reincarnated forever!

”

At this moment, Bai Wuchang also instantly pulled out a whole body of pure white soul-inducing stick, which exuded bursts of cold air!

Chapter 2196

Liu Rui stopped her laughter, looked at each other vigilantly, and her aura was all mobilized!

However, her second-rank Martial God, I am afraid it is difficult to pass five moves in the opponent’s hands!

After all, Liu Rui doesn’t have the leapfrog ability of David!

The higher the realm, the difference between each small realm is a world of difference.

What’s more, this black and white impermanence is a fourth-rank Martial God, and Liu Rui has no chance of winning!

“Miss Liu, take a rest and see how I suck up these two guys...”

David smiled slightly, and then the breath on his body erupted!

Liu Rui nodded, then took a few steps back, planning to watch David deal with this black and white impermanence alone!

"Hmph, are you crazy, you just a little Wusheng dares to deal with the two of us, and I will kill you alone..."

Hei Wuchang snorted coldly, and walked towards David in an instant!

David's humiliation just now made him angry. No, if he didn't kill David, he couldn't take this breath.

In the blink of an eye, Hei Wuchang had already arrived in front of David, and the spirit stick in his hand was raised high and smashed hard. Go down! Go down

with this stick, no matter what it is, it will be smashed to pieces!

David smiled coldly, turned his body slightly, and avoided it directly!

Immediately after that, his body emitted golden light, which was not damaged. Wrapped around the body, like a golden armored god of war!

Seeing the indestructible golden body that suddenly appeared on David's body, the black and white impermanence was stunned!

"No wonder you are so mad, so you still hide the treasure armor, but even if you are Bronze head and iron arm, this old man smashed you into flesh today too!

Hei Wuchang roared! Chen

Ping did not speak, the golden light burst out, and then a holy light fist smashed out towards Hei Wuchang! The

bright golden light instantly illuminated a large forest!

After a slight change, he hurriedly blocked it with the soul-inducing stick.

Dang.....

a deafening sound, a huge force spread around, and all the thick trees around were uprooted by the force!

And the black impermanence only felt himself His arm was numb, and his body kept retreating back!

“What a terrifying power, how could this be radiated by a small Martial Saint? ”

Hei Wuchang looked at David in disbelief!

“Old Hei, be careful, this kid is pretending to be a pig and eating a tiger. His strength can never be in the realm of a small Martial Saint...”

Bai Wuchang on the side reminded Hei Wuchang!

Hei Wuchang nodded, and his body jumped up!

When he was still in the air, Hei Wuchang suddenly swung a stick, and saw endless black mist emitting from the spirit stick, and then turned into a ghost, lashing out at David!

David looked at the ghosts that turned into black mist in front of him, the corners of his mouth raised slightly, and he laughed!

Seeing David actually smiling, Hei Wuchang was stunned for a moment, it felt very strange!

But before he could react, he saw David's anger sinking into his dantian, and he suddenly opened his mouth, a huge suction force, like a whirlwind, engulfed those ghosts!

Slowly the strong wind subsided, David touched his stomach, and suddenly hiccupped!

And that Hei Wuchang looked at David in surprise, his eyes were full of incredible!

"You... your kid can actually do sorcery? Could it be that you are also a sorcerer?" Hei

Wuchang asked in surprise.

"Bah, I don't see any sorcery, but my practice method is just enough to restrain you!"

David snorted, and then kicked his foot, and the whole person rushed towards Hei Wuchang like an arrow from the string. !

Seeing David rushing over, this time the black and impermanent face was no longer so relaxed, his pupils shrank suddenly, and the breath on his body erupted.
