Chapter 2227

"Great protector, although this psychic tree is not tall, none of us have picked the psychic fruit before, and we have no experience. I don't know how to pick this psychic fruit?"

Leng Yun asked the big protector . road.

"It's also the first time I've seen this thing, but we can try it out, and send someone to pick one first!" The

Great Protector knew that there should be some restrictions on this kind of divine tree, and the psychic fruit is not so easy to pick . Yes, if you really touch the ban, you will lose your life!

"Alright, let's send someone to pick one and try it first!"

Tong Youcai also supported the Great Protector's proposal!

"You go up and pick one..." The

Great Protector pointed at Lao Liu, and then said!

This old Liu betrayed the Fen Tian Sect, and the great protector has not punished him yet. Treat him, and now just let him go to Lei to see!

When Lao Liu heard this, his face suddenly became very ugly!

He also knows that this psychic fruit is not so easy to pick.

But now that the Great Protector has spoken, he can't help but listen, so Lao Liu can only bite the bullet and start to climb up the psychic tree!

A transparent wall of air flickered around Lao Liu. This is a body protection array. If something happens, it can block the damage for Lao Liu!

In this way, Lao Liu carefully went to the psychic tree, looking at the psychic fruit in front of him, Lao Liu never dared to reach out!

The fingertips moved, and red lights shot towards the surroundings. Lao Liu was checking to see if there were any restrictions around him!

After some exploration, it was found that there was no formation restriction on the psychic tree, and Lao Liu was relieved!

Then slowly reach out and grab the psychic fruit!

Under the tree, Tong Youcai, Leng Yun, and the great protector all looked up nervously. If Lao Liu succeeded, they would rush up without hesitation and pick off the psychic fruit!

But just as Lao Liu's hand touched the psychic fruit, the psychic fruit instantly emitted a fragrance, and then the entire psychic tree shook violently.

Lao Liu almost fell from above, Lao Liu hugged the tree trunk tightly, his face turned pale with fright!

"What's going on?"

Tong Youcai was so frightened that he hurried away, looking at the psychic tree shaking violently, and asked with a shocked expression.

The fierce battle just now failed to shake the psychic tree, not even the leaves!

But now, that old willow just touched the psychic fruit, the whole psychic tree shook violently in an instant, there must be something wrong!

“Lao Liu, take off the psychic fruit for me, no matter what happens!” The

Great Protector roared at Lao Liu.

No matter what happened to the psychic tree, the great protector had to pick off the psychic fruit first.

When Lao Liu heard this, he could only helplessly stretch out his hand again, but this time he was more cautious, and the speed of reaching out was even slower!

When Lao Liu trembled and touched the psychic fruit with his hands again, a strong wind suddenly hit!

Lao Liu didn't have time to react at all, he only felt a huge suction force, which instantly sucked Lao Liu in!

As for Tong Youcai and Leng Yun under the tree, their faces changed greatly at this moment, and they turned their heads and thought about running away!

I saw a huge green dragon with a big mouth, hovering above the tree canopy, just now the old willow was swallowed by this giant dragon!

There was no response at all, and he died!

Immediately afterwards, a dragon roar sounded, and a hurricane instantly blew on the ground!

“This... what is this?” The

Great Protector had never seen the dragon at all.

But Tong Youcai and Leng Yun had met before, and this underground entrance was smashed open by this giant dragon. They followed up but did not find the figure of this giant dragon. It turned out to be hidden above the tree canopy!

"This should be the divine beast guarding this psychic tree. If we want to get the psychic fruit, we must kill the giant dragon..."

Leng Yun said loudly.

Chapter 2228

But looking at the terrifying aura on the dragon, no one dares to say that they can beat this dragon!

If they don't kill the dragon, they can't get the psychic fruit!

"The strength of this giant dragon, I'm afraid we can't kill it at all..." The

Great Protector said with a frown.

"Then what should we do? Are we just giving up?"

Tong Youcai was unwilling, the psychic fruit was right in front of him, but he couldn't get it.

"There is one way, that is, let people attract the hatred of the giant dragon, attract the giant dragon away, and we take the opportunity to go forward and pick off the psychic fruit!"

said the great protector.

"This method is feasible, but who will attract the dragon's hatred?"

Leng Yun asked.

You know, this attracts dragon hatred, the person who leads the dragon away will surely die. Who would do such a thing?

The three looked at each other, no one would do such a mortal errand!

And if you ask those subordinates to do it, with the strength of those subordinates, it is estimated that they will be swallowed without leading the dragon away.

At this time, Tong Youcai suddenly set his eyes on Liu Rui and David, and his eyes flashed!

"Yes, we can let these two guys attract the hatred of the giant dragon, and we take the opportunity to pick off the psychic fruit!"

Tong Youcai himself wanted David to die, and this time let David attract the giant dragon, then Certainly must die!

"Good idea, the two of them won't survive anyway, just use it!"

Leng Yun also nodded!

Although the great protector was a little reluctant to give up David's physical body and strength, but in the face of the psychic fruit, he could only agree!

"David, we'll give you a chance to live. You two will now lead the dragon away!"

"As long as the dragon is led away, the two of you can leave here and spare your life!"

Tong Youcai walked up to David and said arrogantly.

"Tong Youcai, do you think we are fools? If we go to attract giant dragons, we will be eaten by giant dragons, and we will surely die."

Liu Rui shouted at Tong Youcai!

"That's not necessarily true. If the two of you cooperate with each other, you will have a chance to survive. If you don't go, we will kill the two of you now..."

At this time, Leng Yun also came over, facing Liu Rui and David threatened!

"Don't dream, we won't help you even if we die."

Liu Rui knew she was going to die today, but she didn't want to help these guys before she died!

"Okay, since you said so, then I'll send you on your way!"

Tong Youcai burst into breath in an instant, and then he was about to attack Liu Rui and David!

"Wait a minute..."

David said at this time!

Tong Youcai stopped and asked David, "Have you figured it out, you must know your last chance to survive at this time!"

"Okay, I promise you, I will lure the dragon away."

David nodded and said.

When Tong Youcai heard this, he was instantly overjoyed and said with a faint smile, "That's right, remember, the opportunity is always earned by yourself."

"Mr. Chen..."

Liu Rui didn't understand why David wanted to help Tong Youcai. them!

They are all dead anyway, so why help them before they die? Liu Rui is a little confused!

David waved his hand towards Liu Rui and said, "Even if I die, I don't want to die in their hands..." When

Liu Rui heard this, she didn't say anything anymore!

"Have the backbone, now you go to lure the dragon away, remember not to play tricks, if you don't lure the dragon away, you are like running away, you can't escape at all!"

Tong Youcai exhorted David!

David ignored him, but walked slowly towards the psychic tree with the Dragon Slaying Sword in hand, and Liu Rui followed closely behind!

Although she knew she was going to die and was mentally prepared, Liu Rui still looked a little nervous when she saw the giant dragon on the canopy!

"Don't be afraid, we won't die..."

David looked at Liu Rui, smiled slightly, and comforted Liu Rui.
