Chapter 2243 – 2244

Chapter 2243

David and Liu Rui stepped forward and protected Jiang Wei and others behind them, while the Great Elder of the Flying Star Sect said with a cold expression, "Who are you?"

"Brother, this little girl is from the Chunyang Sect. ."

Another elder said.

"People from the Pure Yang Sect?" The elder frowned slightly. "Don't meddle in your own business, hurry up and get out..." "

I think it's you who should get out of the way?"

The big elder was pumped out!

"The eldest son of your Feixing faction is dead, but you don't want your little elders to dare to show off your power..."

David said coldly.

"What? You killed our eldest son?" The

elders of Feixing School were all shocked!

David didn't say anything, but shot directly and killed the hurried elder!

These elders took ruthless actions and slaughtered so many people in the martial arts world. David would never leave these people alive!

When Jiang Wei and the others saw David fighting against these elders alone, they were all shocked and speechless!

You must know that in the past, their strength and David's strength were not very different, but now, David's strength is already beyond their reach!

"Mr. Chen, be merciful, don't kill them..."

Seeing that David was motivated to kill, Liu Rui wanted to kill all the five elders of the Feixing faction, and immediately stepped forward to stop them!

"Mr. Chen, if you kill all five Feixing faction elders, then Feixing faction will never let you go, you don't need to provoke them."

"And then, they will think that Leng Yun You also killed them all, then you and the Feixing faction will be in an endless situation, which is not good for you!"

Liu Rui analyzed David, then looked at the elders and said, "Your eldest son is already dead. , but it was killed by the people of the Burning Heaven Cult, and it has nothing to do with us!"

"Hmph, our son is dead, of course you said it casually, and the Burning Heaven Sect has disappeared for many years, so you put the blame on Fen Tian. Teach, do you think we will believe it?"

The elder snorted coldly.

"I don't care if you believe it or not, even if I don't kill you today, I will never let you leave so easily!"

After David finished speaking, golden lights flashed on his palms, and then he walked towards the five elders!

These golden lights were like sharp swords, instantly penetrating the bodies of the five elders.

Although the five elders did not die, everyone was seriously injured, with broken hands and feet!

The five elders who were seriously injured did not dare to speak when they saw David's strength.

"Mr. Chen, thank you for saving your life..."

Jiang Wei and others stepped forward and hurriedly followed David to thank him.

"Brother Jiang, it's just a little effort, you should leave here quickly, don't come here in the future, this is not a place for you to stay!"

David asked Jiang Wei and the others to leave quickly, after all, all of them are hidden world sects, strong The difference is too great, Jiang Wei and other warriors from outside the world are here, and they only have to die!

Jiang Wei and the others have also seen it, even if David didn't say it, they would never dare to come again in the future!

After Jiang Wei and others left, David also took Liu Rui back to Chunyang Sect. David had to save Hu Mazi and Long Xingxu as soon as possible!

Back in Chunyang Sect, after David took out the psychic fruit, he directly devoured Hu Mazi and Long Xingxu one by one!

After eating the psychic fruit, I saw that the bodies of Hu Mazi and Long Xingxu were constantly flickering. It only took a moment for the bones and muscles of the two people to recover!

"David, what did you give us to eat? Why is it so amazing?"

"I always feel that there is a force in my body that is constantly moving."

Hu Mazi immediately jumped up from the bed and asked David curiously.

"Brother David, I also feel that there is a manic force in my body, and my body is about to explode."

Long Xingxu said with some pain on his face at this moment!

Chapter 2244

"This is the psychic fruit. The spring water of the regeneration spring was only after flowing through the root of the psychic tree, and it had the miraculous effect of reshaping the body."

"The two of you first refined the power in your body and said Uncertain realm can improve a lot!"

"Especially Xingxu, your realm is low, you must refine that power as soon as possible, otherwise there is a danger of exploding and dying!"

David said to Hu Mazi and Long Xingxu.

Seeing David's sudden remark, Hu Mazi and Long Xingxu hurriedly began to practice, refining the power in their bodies!

David stayed in the Chunyang Sect, waiting for Hu Mazi and Long Xingxu to finish refining the power of the psychic fruit before leaving back to Kyoto!

"Junior sister, have you really entered the ruins of the Narcissus Palace?"

Liu Xing asked with some envy, feeling the breath of Liu Rui and David.

You must know that when Liu Rui left, his realm strength was no match for Liu Xing, but this trip to the ruins of the Narcissus Palace, his strength surpassed him!

Especially David, Liu Xing can really feel the terrifying aura in David's body, if two people fight at this time, I am afraid that even David will not be able to catch a move!

"Of course, we also saw the psychic tree..."

Liu Rui excitedly followed Liu Xing about the things in the ruins of the Narcissus Palace!

When Liu Xing heard that David had beaten the great guardian of the Fen Tianjiao, the ninth-rank peak martial god, and fled, he was full of surprise!

From this point of view, let alone take the next move in front of David, I'm afraid that David's breath will overwhelm him!

David stayed in Chunyang Sect for another three days, and Yue Buqun came back after finishing the meeting!

When he saw David and Liu Rui, Yue Buqun didn't seem surprised.

"Master, we came back from the ruins of Narcissus Palace, and..."

Liu Rui saw Yue Buqun and wanted to tell Yue Buqun what happened in the ruins of Narcissus Palace, but Yue Buqun waved his hand.

"I know it!" Yue Buqun's face was a little ugly. "And you are still in the ruins, and you clashed with the people from the Feixing faction and the Tianlei faction, killing them all."

"Then Lengyun and Tong Talented, did you all die in your hands?"

Liu Rui was stunned, wondering how Yue Buqun knew.

However, David said lightly, "We did have a conflict, but we didn't kill Leng Yun and Tong Youcai, but the great protector of Fentian Sect absorbed the strength of the two and killed them! "

Fentian Cult?" Yue Buqun frowned, "Then the Fentian Cult actually appeared?"

"Master, the Burning Heaven Sect has always been on the Kunlun Mountains, and the Medicine Refining Sect has been cooperating with the Burning Heaven Sect. Some of the resources we have given to the Medicine Sect over the years have been distributed to the Burning Heaven Sect."

Liu Rui He quickly followed Yue Buqun and said.

When Yue Buqun heard it, his face didn't even mention how ugly it was. For so many years, their Pure Yang Sect was played as a monkey!

"What a sect of medicine refining, no wonder Bao Yukun couldn't see through my faults for so many years, so he did it on purpose."

Yue Buqun gritted his teeth angrily!

"Master, how did you know what happened in the ruins?"

Liu Rui asked curiously.

"Now that the entire Hidden Realm knows, and the Feixing faction and the Tianlei faction have already taken action, it is estimated that they will soon pursue and kill Brother Chen!"

"Brother Chen, you should leave the Hidden Realm as soon as possible and avoid it. Come on!"

Yue Buqun said to David.

"Sect Master Yue, I'm gone, what do you do?"

David asked.

“They won’t do anything to my Pure Yang Sect, and my Pure Yang Sect is not a soft persimmon, just let people pinch it.”

Yue Buqun said.

David nodded, he knew that with his current strength, he was not able to compete with the two major sects.

Now Hu Mazi and Long Xingxu have just finished refining the power in their bodies, and it’s time to leave!

After saying goodbye to Yue Buqun, David took Hu Mazi and Long Xingxu directly back to Kyoto!
