

A Man Like None Other Novel

Chapter 2363

Chapter 2363

"Mr. Chen, was the Shennong cauldron that you refined the elixir just now?"

Yue Buqun asked David on the way.

"Yes!" David nodded!

"I remember that Mr. Chen lent the Shennong Ding to Bao Yukun, when did he get it back?"

Yue Buqun asked curiously.

"Hahaha, that Shennong cauldron is an ancient alchemy cauldron, how could I have lent it to him so easily, and that Bao Yukun is obviously a borrower who never repays, I can't trust him, what I gave him was just a fake That's all !"

David said with a laugh.

"Mr. Chen is smart, then Bao Yukun is a despicable person, Mr. Chen is right."

Yue Buqun said in admiration!

A group of people chatted while walking, and when everyone was chatting, they also raised their vigilance to prevent another situation from happening again!

But everyone just walked to the bottom obliquely like this, and nothing happened!

But as it continued to deepen, the thick Yin Qi, accompanied by gusts of wind, made David and the others feel as if they were in hell!

Soon, a gate tens of meters high appeared in front of David and the others. The gate was closed tightly, directly blocking the way!

Looking at both sides, there are smooth stone walls, and there is no way out. It seems that if they want to go in, they can only open the gate!

David stepped forward and pushed it, only to find that the door was so heavy that it couldn't be pushed open at all.

"Let's push the door hard together and see if we can push the door open..."

David said to the crowd!

When everyone heard this, they hurried forward, and then used all their strength to push the door together!

But the door has not been moved at all. You must know that many of them are strong at the level of Martial Gods, and there is even a Martial Emperor!

Together, they can't even push a door? "But where are we going to find a key of this shape now?"

David was speechless for a while, they didn't have a key at all, and they didn't even know where the key was, and where to find it?

If there is no key, it seems that they have no way to enter!

“Mr. Chen, that skull, that skull seems to be familiar with this place, maybe he knows where the key is, you can ask...” the

magic operator reminded!

Only then did David remember the skull, but the skull lost its luster, and there was no response to his shouts. David didn't know if the owner of the skull was still there!

However, David still took out the skull from the storage ring, but when David took out the skull, he was stunned. He found that the skull, which was originally crystal clear and crystal-like, turned pitch black at this moment!

And on the top of the skull, a plum blossom-shaped pattern is shining with light, this light is so conspicuous on the pitch-black skull!

“This...”

David stared at the skull in his hand, and was stunned!

“Mr. Chen, isn't this key the skull in your hand?”

Seeing this, the fortune teller said in shock.

“It's possible...”

David held the skull and gently approached the groove at the gate.

Suddenly, a huge suction force directly sucked the skull up, and then the door creaked!

Soon, the gate tens of meters high opened, and the skull returned to David's hands!

At this moment, David was a little confused. If the door needs to be opened with the skull in his hand, wouldn't this place be built by the owner of the skull?

What exactly is going on?

David couldn't figure out what was going on, who was the owner of this skull?

"Mr. Chen, look quickly..."

At this moment, Yue Buqun let out an exclamation, which shocked David from his bewildered state.

"Mr. Chen, since there are living creatures here, are there any human beings?"

Liu Xing asked curiously.

"I don't know, anyway, this place is very weird, everyone just pays attention..."

David said!

After finishing speaking, everyone cautiously followed David and walked forward slowly. Although everyone was cautious, they still kept stepping on those bones!

Because there are too many bones, almost covering the entire valley, so even if you are careful, there is no way to avoid it!

"Ka... ka... ka..."

Suddenly, there were bursts of regular sounds. In this dead and silent valley, the sound was very ear-piercing!

David stopped suddenly, and then looked around vigilantly!

Everyone also panicked, wanting to know where the sound came from!

But soon, they discovered that the crackling sound began to resound throughout the valley!

“Mr. Chen, look quickly...”

Liu Rui shouted, and then everyone saw that the bones scattered on the ground moved!

I saw those white bones slowly floating up, and then re-formed into a human-shaped skeleton!

Slowly, there are more and more such human-shaped skeletons, and almost all the bones on the ground stand up again!

Thousands of skeletons surrounded David and the others!

This sudden scene scared everyone into panic!

“What... what’s going on?”

Yue Buqun began to panic at this moment!

Soon, tens of thousands of skeletons, with weapons in their hands, began to approach David and the others!

David and the others could not retreat now. Facing the approaching skeletons, David waved his hand, and the Dragon Slaying Sword appeared in his hand!

“Let’s rush out now, don’t go deep...”

David planned to take Yue Buqun and others to rush out of the valley. He just came in and encountered this situation. If we go deeper, I don’t know if there will be more danger.

Chapter 2364

After more than an hour, thousands of skeletons were beheaded by David!

At this time, the white bones in the place have long since disappeared, and they all turned into powder and were blown away by the wind!

David put away the six avatars, and let out a long breath!

Yue Buqun, Shen Suanzi and others looked at David with surprise in their eyes!

They didn't expect that David's phantom clone would actually have strength!

You must know that the phantom clones of ordinary people are only used to confuse the enemy and have no strength at all, but David's clone has strength and can fight...

David himself feels a little different at this moment. When practicing swordsmanship, the spiritual power in the body cannot sustain these clones for such a long time!

But now it has been an hour, and the avatar still hasn't dissipated, and the power in my body seems to be inexhaustible!

At this moment, David felt that there seemed to be a kind of power in his body, which was different from the power of spiritual power and the power of the dragon!

David's consciousness began to wander around his dantian, and it was only then that he noticed that there was a gray aura above his dantian.

David tentatively wanted to refine this group of breath, but no matter how hard he tried, he couldn't sink this group of breath into his dantian and refine it into spiritual power!

“Does this group of breath need to be fused with the power of the dragon?”

David frowned slightly.

Immediately afterwards, David radiated a divine dragon’s power, surrounding the group of aura, wanting to let this group of aura merge with the power of the divine dragon!

But the two seem to be a bit repulsive, and the power of the dragon can’t even merge with the gray aura!

“What a strange breath? What the hell is this?”

David’s face was serious, he didn’t know if this breath would cause harm to his body!

“Mr. Chen... are you alright?”

Seeing that David was motionless, Yue Buqun shouted, afraid that David might be injured!

“Oh, I’m fine, let’s go...”

David responded with a slight smile!

David didn’t react yet, and he didn’t feel any discomfort, so he just ignored the breath for the time being!

So they took Yue Buqun and they continued to head towards the depths of the valley!

But just after taking two steps, suddenly a gust of dark wind blew violently, and then a blurry figure slowly approached David and the others!

At this time, everyone became nervous, because everyone could really feel the dangerous aura from this figure!

“Ah...”

When the figure approached slowly and she could see her face clearly, Liu Rui screamed in fright!

I saw that this figure was not a human being, but a rotting corpse, with white bones exposed on his face, which looked very terrifying!

Even Yue Buqun and the others were terrified when they suddenly saw such a rotting corpse.

“Who are you waiting for? Get out of here quickly, this is a place to suppress Yin demons, and you trespassing without authorization is a capital crime...”
The

rotting corpse slowly opened its mouth, and loudly reprimanded David and the others!

At this moment, everyone was stunned. Shouldn't this be a secret realm with all kinds of treasures?

Why did it suddenly become a place to suppress Yin Demons?

And what is that demon?

David was even more puzzled, and frowned slightly: “Shouldn't this be a ruin? There are many treasures. We're just here to hunt for treasures.”

“Hmph, there is no treasure here, if you don't leave, then you will never leave!”
The

rotting corpse said angrily!

Now David was in a dilemma, obviously, the old man said that this place is a treasure, and he can summon the soul, and then return to the world of heaven and man!

Why has everything changed now?

If there was no treasure, David would not have worked so hard to bring the skull here!

Just when David was at a loss, there was a sudden tremor in the void, followed by another figure appearing!

I saw that this person was a white-haired old man, wearing a black cloak covered with skull patterns!

Chapter 2365

But David could tell at a glance that the old man was just a spirit, not a real person!

"Little brother, stay safe..."

The white-haired old man smiled at David!

David was taken aback for a moment, then opened his eyes wide, and looked at the old man in front of him in surprise, because the voice of the old man was exactly the same as that of the skull!

"You...you..."

David pointed at the old man, not knowing what to say for a while!

"Hahaha, that crystal skull is mine, and I'm the one who brought you here!"
The

old man laughed hahaha!

"Why do you do this? Obviously your soul is here, why did you lie to me that you want to borrow this place to attract the soul, so that you will be resurrected in the world of heaven and man?"

David looked at him angrily. the old man asked.

He desperately sent the old man's skull, but he didn't want to be cheated!

"I didn't lie to you. Although my soul is here, I can't leave. I am the Yin Demon who was suppressed here. Only when the suppression here is broken can I return to the Heavenly Human Realm.

" David said truthfully.

"After a long time, do you want me to save you?" David said angrily, "Why should I save you? What's the benefit of saving you?"

" You can save me from here..." "You saved Feng Mo and Blood Demon , so you should save me from here too." Yin Mo said to David. "Wind Demon?"

David was taken aback for a moment, he only knew that the Gorefiend went directly to the Celestial Realm because of the revived spiritual energy, and David didn't remember which Fengmo he had saved?

"It's the old guy who taught you Holy Light Fist. He was suppressed by the Demon Suppressing Tower, and you let him out."

Yin Mo explained!

Only then did David remember that he had learned the Holy Light Fist from the old man in the Demon Suppressing Tower, and the old man was just a remnant soul!

"Could it be that the old man is also a big devil?"

David asked in surprise.

Because at that time he saw the old man in a white robe, with kind eyebrows and kind eyes, how could he look like a big devil?

"Bah, he doesn't deserve the word "big demon head". A small tower of suppressing demons has suppressed him for hundreds of years. It really embarrasses us demons.

" He looked down on that Feng Mo!

"Aren't you trapped here yourself?" David felt it was very funny, this demon was obviously suppressed here, but he still laughed at others!

"Can this be the same? This is the valley of the abyss, but the small tower of suppressing demons is comparable, and what is suppressed here is only my remnant soul. If my body is there, I will level this broken place , directly to the underworld!"

Yin Mo said arrogantly!

"Go away, don't fucking brag here..."

I saw the rotten corpse waved his hand, and the soul of Yin Mo flew far away in an instant!

Seeing this, David said to Yin Mo, "How can I save you? And what benefits did you give me?"

"Senior Feng Mo taught me the Holy Light Fist, and Senior Blood Demon saved my life. " of."

"I have given you all the benefits, can't you feel it? The breath in your body is the Dao pattern evil spirit. As long as you kill the evil spirit, the Dao pattern evil spirit will become stronger. When you practice nine At the time of Dao Dao Wen, no one in the world is your opponent!"

"Now you kill this half-rotten guy, you can generate the first Dao Wen, your strength can also increase a lot, and you can also kill me. Save them, why not do it?"

Yin Mo said to David.

"Hmph, you are bragging again, and there is no one in the world who is your opponent?" The

rotting corpse snorted coldly, and then slapped it out, instantly dissipating the soul of the Yin Mo!

"Boy, don't listen to his bragging, now you leave quickly, I can spare your life, otherwise don't blame me for being rude!" The

rotting corpse threatened David!
