Chapter 2379

"It's such a good place, I really don't want to leave..."

David looked at the undead who had been beheaded by him, and he was filled with emotion!

At this time, David already had three Dao pattern powers in his body, and it will soon be four!

It's just that it will become more and more difficult in the future. Just now, David beheaded an undead leader, but found that the power of the Dao pattern has not improved much. It can be seen that if you want to increase the power of the Dao pattern in the future, you must massacre the undead. !

"This area has been completely slaughtered, and we need to change another place..."

David was about to leave here and kill those undead in another place!

But not long after David left, a group of people appeared here!

"Yao Qing, I've been looking for this for a long time. Why doesn't this area seem to be haunted by undead?"

Bao Yukun asked Yao Qing.

"The undead here have just been beheaded. It seems that David and the others have left here."

Yao Qing observed the surroundings and said!

"I said you are mysterious and what resources are these undead. Let me accompany you to search everywhere. What kind of resources are these undead?"

Bao Yukun asked very displeased.

Originally they were together, and when they encountered an army of undead, they could still take care of each other!

But now that Yao Qing actually called him and chose to leave with Leng Wudao and others!

If Yao Qing hadn't promised a lot of resources, Bao Yukun wouldn't have left with him!

"This undead is of no use to you at all, but I found that after I kill the undead, the energy in my body can increase a little, and the strength is also improved!"

"This should be the evil skill I practiced with me. It's related, I can absorb the evil energy of these undead, but you can't!"

Yao Qing said directly without hiding anything from Bao Yukun!

"Damn, why don't you tell me this good thing in advance? Can you teach me?"

When Bao Yukun heard this, his eyes were full of envy!

Killing these undead can improve the strength of the realm, which should not be too cool.

"It doesn't work here. I'll teach you when I find a suitable place."

After speaking, Yao Qing took Bao Yukun and left!

Many disciples of the Alchemy Sect and the Burning Heaven Sect followed behind!

But just after Yao Qing and Bao Yukun left, Leng Wudao and others also rushed here!

Looking at the backs of Yao Qing and the others, Leng Wudao's face was very gloomy!

"This Yao Qing really has something to hide from us. No wonder he wants to separate from us. It turns out that these undead are all resources for him."

Tong Haiyang said angrily.

"Let's go, let's follow. If we can learn the evil skills that Yao Qing said, then the countless undead here will become our best training resources."

Leng Wudao followed immediately after finishing speaking. go up!

At this moment, David is constantly searching for the undead, and all the undead found by him will not even try to escape!

Before he knew it, David walked back into the abyss again!

Looking at the undead crawling out of the abyss, David's eyes suddenly lit up!

"Oh, why are you so stupid? You are still looking for undead everywhere. There are countless undead in this abyss. Why don't you just kill them yourself!"

David slapped his forehead, very annoyed, and just remembered this now!

David held the dragon-slaying sword in his hand, and the sword shot out with light, and the undead crawled out were instantly turned into ashes, and then David jumped in without hesitation!

David went down to the abyss, looking at the densely packed undead, he couldn't help but be overjoyed!

"Hahaha, I got rich..."

Facing the army of undead, David didn't have the slightest timidity. He waved the Dragon Slaying Sword and rushed forward!

Under David's sword, those undead were instantly turned into powder, and countless powers of Dao patterns swarmed toward David's body!

"Happy..."

David fought harder and harder, fighting all the way into the valley!

Chapter 2380

But just when David was trying his best to kill, suddenly several breaths came towards David!

David frowned, he could feel that these were not the breath of the undead, but someone was sneaking up!

David slashed out with a backhand sword, and the bright sword light directly sealed the entire valley!

Boom...

Accompanied by a loud noise, David's sword light collided fiercely with those several breaths!

The huge shock force made David back again and again!

"I didn't expect you to be hiding here..."

Slowly, several figures stepped out from the dim black mist!

Yao Qing was standing at the front, and Bao Yukun was standing beside him!

The disciples of the two stood neatly behind.

Seeing this, David frowned. He didn't expect how these guys would find this place. Now that David is blocked here, there is no possibility of escape.

"Hahaha, this is really a surprise. Originally, I just wanted to kill more undead, but I didn't want to meet this kid."

Bao Yukun laughed out loud!

When David heard this, he felt a little surprised. He didn't understand why Bao Yukun and the others were looking for undead, and wanted to kill more undead?

Could it be?

David narrowed his eyes slightly, and then turned his attention to Yao Qing. Yao Qing is an evil cultivator. It seems that killing the undead will improve their cultivation, so he wants to kill more undead!

"David, are you hiding here to escape our pursuit? Where's Yue Buqun? And that old monster?"

Yao Qing asked David.

But David didn't say a word, he kept looking around, looking for a way to escape.

“Stop talking nonsense with him, just kill him, hurry up and pass on my skills...”

Bao Yukun couldn't wait to learn Yao Qing's evil skills!

Saying that, Bao Yukun was about to make a move, but was stopped by Yao Qing.

At this moment, Yao Qing and Bao Yukun were the only two people. If Yue Buqun, Magician, and Qu Yunchang were all here, Yao Qing knew that with their two families, they would be wiped out easily!

Although Naqu Yunchang is not a transformation realm, it is by no means something they can deal with.

If these people were all in this abyss, Yao Qing would evacuate quickly and would not do anything to David!

David looked at Yao Qing like that, and suddenly smiled coldly, “Why are you two alone? What about Leng Wudao and the others?”

“Master Leng and the others are still behind, and they will arrive soon, you boy will be trapped here to die. ” ...”

Yao Qing snorted coldly!

But David smiled, looked at Yao Qing and said, “I think you two should have separated with other sects, right? If that's the case, then you two will die...”

After David finished speaking, the aura on his body exploded. Come.

Yao Qing frowned, he didn't expect to be able to deceive David, and David saw it!

“David, even if there are only two of us, you are definitely not our opponent. I think Yue Buqun and the old monster are not here, right?”

Yao Qing asked David tentatively.

"They are deep in the valley, how could they not be there..."

David said.

When Yao Qing heard this, he immediately burst out laughing, "David, are you trying to lie to me? If you say you're not here and lure us to attack you, I believe they are here.

" I said they are all here, is this to scare us away?"

"We have been scared away once just now, this time it is absolutely impossible."

After Yao Qing finished speaking, he raised his hand and grabbed at the void!

The evil spirit instantly condensed into a long spear in Yao Qing's hand. The evil spirit above the spear was violent, and the space in the whole valley trembled!

Seeing this, David couldn't help frowning. He didn't expect Yao Qing to be so thoughtful!

When Bao Yukun saw this, his breath also rose, and he put on a stance!

Two Martial Emperor masters, this made David feel the pressure!

Chapter 2381

And the two looked at David coldly, as if looking at prey!

"Go to hell..."

Bao Yukun took the lead, and he jumped up, his sharp claws tore through the void, and went straight to David!

Yao Qing was not idle either, the spear in his hand moved forward, and countless spear lights shrouded David in front of him!

Boom...

The gun light fell down like raindrops, while David desperately resisted with the Dragon Slaying Sword, making the sound of metal collisions constantly!

Bao Yukun's sharp claws instantly enveloped David's surroundings, making the space for David's activities extremely narrow!

In this way, David could only face Yao Qing's countless gun lights!

Explosion...

Accompanied by Bao Yukun's loud shout, the spear's light burst out with bright light in an instant.

David jumped, wanting to get rid of this passive situation!

But as soon as the body jumped up, Bao Yukun's claw struck, and it grabbed David's chest in an instant, leaving several marks on David's chest!

If it wasn't because David's physical body was already strong enough, this claw would probably take out David's internal organs!

"What a powerful body..."

Bao Yukun couldn't help being surprised when he saw that his claws failed to hurt David!

Yao Qing brandished his spear, and also frowned slightly, "Everyone go up together, kill him first and then..."

Yao Qing knew that things would change later, he was afraid that it would take too long, Yue Buqun and others are coming!

Seeing this, many disciples of the Alchemy Sect and the Burning Heaven Sect took out their weapons and went towards David to kill him!

David saw that the power of the dragon covered the whole body, the indestructible golden body was activated, and golden rays of light shone out towards the surroundings!

"This guy, if you don't kill him now, I'm afraid there will be no chance in the future."

Feeling the change in David's strength, Bao Yukun couldn't help jumping up again!

Yao Qing could also feel the threat from David, so he stabbed him as soon as he raised his gun, and soon followed David into a ball!

Coupled with the fact that the disciples of the two families were constantly harassing David, David soon showed a disadvantage!

The dragon-slaying sword in David's hand was swung impenetrably, and his brows were tightly frowned!

I saw David blocked Yao Qing's attack with a sword, while Bao Yukun slapped David's back with a palm!

Although he had a golden body, David's viscera were also under this palm, and his blood surged from the shock!

"Damn it, it looks like it's going to end up here today..."

David couldn't help cursing!

Yao Qing and Bao Yukun were anxious when they saw David's decadence, and with so many people, they couldn't beat David for a long time!

"Go to hell..."

Yao Qing shouted loudly, and the spear in his hand shook in the air!

Countless gun shadows appeared, followed by streaks of sharp energy shooting out from the tip of the gun!

These vigor rolled in the air, turned into thousands of sharp blades, and went towards David densely!

Bao Yukun also yelled, his hands turned red, and a raging flame was burning, he stretched out both palms, and the two flames went straight to David!

Boom...

The two flames instantly drowned David, and those thousands of sharp blades kept hitting David!

David's body fell heavily from mid-air to the ground.

Seeing this scene, Yao Qing and Bao Yukun let out a long sigh of relief!

"It's really difficult to finally kill this guy..."

Yao Qing didn't expect that it would be so difficult for the two of them to kill David together!

With a wave of Bao Yukun's palm, the flame on David's body was extinguished.

"That guy's sword is a treasure, and it must not be broken..."

After Bao Yukun finished speaking, his figure fell from mid-air to David's side!

At this time, David's whole body was as black as coke, and he had long since lost that glittering golden and majestic look!

The dragon-slaying sword was placed on David's side. Although it was burned by the fire, the dragon-slaying sword was still as shiny as ever!
