### Chapter 2424

"This should be a magic weapon for teleportation, the map of mountains and rivers of 90,000 miles. I don't know the details. I just figured out the purpose of this map."

David said with a little embarrassment.

He had obtained the Ninety Thousand Li Mountains and Rivers Map a long time ago, but he never knew how to use it or what it was for!

"Mr. Chen, what should we do next? Even if we sneak attack on the Zhanyue Pavilion, I'm afraid this few people won't be of much use.

"It's not easy to sneak attack."

Ge Cangsheng asked David!

Although they came to the Fire Gate Secret Realm quietly, it is impossible to sneak attack Zhanyue Pavilion. After all, their number is too small, and Zhanyue Pavilion's defense is also famously strong!

"Who said we're going to sneak attack? I'm going to beat that Jin Lifu in a big way, and destroy him Zhanyue Pavilion..."

David smiled lightly, and then headed straight for Zhanyue Pavilion!

After Ge Cangsheng and Jiang Wuya looked at each other, they had no choice but to lead others to follow!

And at this moment in the Zhanyue Pavilion, Jin Lifu was drinking with his son Jin Yuan, the two of them were so happy right now!

Now in the entire Fire Gate Secret Realm, there is only their Zhanyue Pavilion family, and all the resources belong to them!

And after the spiritual energy recovers, he, Jin Lifu, will be able to become king and worship minister, and their Zhanyue Pavilion will become one of the best sects in the entire secular world!

It is not impossible to even go to the Celestial Realm to expand the territory...

"Dad, is the power of the Demon Heart Sect you mentioned really so powerful? It can make you surrender willingly for decades?"

Jin Yuan asked in a puzzled way!

How can I say that my father is also the master of a cabinet, with hundreds of disciples under him, how could he submit to others!

"You know what, with my little ability, in front of Almighty, it's bullshit!"

"And let me tell you, we are a cooperative relationship. As long as the spiritual energy recovery formation is successfully launched, our Zhanyue Pavilion will be prosperous in an instant. Do you understand?"

Jin Lifu was a little dizzy from drinking, his face was full of complacency!

"I think it's good enough that Zhanyue Pavilion can occupy the entire Fire Gate Secret Realm."

Jin Yuan said!

"You bastard, you have no ambition at all, are you still a man?"

"Get out of here..."

Jin Lifu got angry and scolded Jin Yuan out!

Seeing this, Jin Yuan had no choice but to get up and walk out. It wasn't that Jin Yuan didn't want to cooperate with the Demon Heart Sect, he was just afraid that the spiritual recovery would fail, and they didn't even have the Fire Gate Secret Realm!

Jin Yuan walked out of the Zhanyue Pavilion, leaped to the top of a hundred-meter-high tower in front of the Zhanyue Pavilion, there were more than a dozen such towers around the Zhanyue Pavilion!

These towers are not used for observation towers, but for setting up formations. You must know that the entire Zhanyue Pavilion occupies a huge area of secret land. If you want to use formations to protect the entire Zhanyue Pavilion, you must have this Plant towers as junctions!

And in the center of the tower, there is a purple crystal stone. It is this kind of crystal stone, which is used to transmit energy to this huge formation!

It is also because of this huge formation that Zhanyue Pavilion has made them stronger and stronger in the Fire Gate secret realm. After all, their residence has never been attacked because of the existence of the formation!

Jin Yuan stood on the tower, looking into the distance, the entire Fire Gate Secret Realm is their place!

But soon, Jin Yuan saw a group of figures slowly appearing in his sight, and this group of people moved very fast!

"Who are these people?" Jin Yuan frowned slightly!

After all, apart from their Zhanyue Pavilion disciples, there is no other sect family in this Fire Sect Secret Realm!

But the people in front of him, Jin Yuan didn't look like Zhanyue Pavilion's disciples, and they didn't seem to have sent such a group of people today!

# Chapter 2425

When the crowd got closer and closer, Jin Yuan's eyes flashed with surprise!

"David?"

Jin Yuan didn't expect that David was walking in the front, and behind David were Ge Cangsheng and Jiang Wuya!

"What are they here for? Did they surrender?" Jin Yuan frowned slightly, jumped down, and hurried into the room, wanting to tell his father about it!

But when Jin Yuan ran in, he found that Jin Lifu had drunk too much and fell asleep soundly!

Seeing this, Jin Yuan had no choice but to lead his people towards the gate of Zhanyue Pavilion!

Because there is a protective formation here, and the number of disciples in Zhanyue Pavilion has doubled, so Jin Yuan is not afraid to face Ge Cangsheng and Jiang Wuya alone!

At this time, David had brought people to the gate of Zhanyue Pavilion.

Ge Cangsheng pointed to the surrounding towers and said, "Mr. Chen, these towers are the pillars supporting the Zhanyue Pavilion's formation. Such a large formation requires amazing energy, and the requirements for the people who set up the formation are very strict! "

So Zhanyue Pavilion disassembled the huge formations into smaller formations one by one, and then connected them with these towers. Amethyst was placed on the top of these towers to supply the formations." Huge consumption!"

Ge Cangsheng introduced the situation of Zhanyue Pavilion to David in detail!

David just glanced at Zhanyue Pavilion's formation, and then smiled coldly, "This spliced formation is full of loopholes, so there is nothing to be afraid of..."

As soon as David finished speaking, Jin Yuan sneered. Bring someone out!

"What a big tone to say that our formation is full of loopholes, so there is nothing to be afraid of? Do you know that no one has ever broken through the formation of Zhanyue Pavilion, including Ge Cangsheng and Jiang Wuya behind you? Ask if they can pass our formation?"

Jin Yuan said proudly!

"No one broke it before, that's because I didn't come, if I came, your breaking formation would have been broken a long time ago..."

David said flatly!

"Damn, why don't you brag, now you break one and let me see?"

"I'll wait for you inside, break it if you have the ability, and I want to see how capable you are."

Jin Yuan said fiercely. He spat at David, he didn't believe that David could break through the circle!

Even people in the realm of Ge Cangsheng and Jiang Wuya can't break through, David can break through, isn't that a joke!

"It doesn't take me to break your formation..."

"My little brother can break it for you."

David said disdainfully!

"Little brother?" Jin Yuan was taken aback!

Even Ge Cangsheng and Jiang Wuya were stunned, not understanding who the little brother David was talking about!

But just after David's words fell, a cry sounded, and then a fire phoenix spread its wings and came!

Then, after circling around David's head for a few times, it slowly landed beside David and turned into a woman!

"Master..." Huofeng respectfully followed David and shouted.

Seeing Huofeng's appearance, Jin Yuan burst into tears instantly!

"This... is this a divine beast? It can even transform into a human form, and it's so beautiful..."

Jin Yuan looked at Huofeng with narrowed eyes!

Ge Cangsheng and Jiang Wuya also looked at Huofeng in shock, they knew that monsters that could change human form at will must be quite powerful!

And this is not a monster, this is a fire phoenix, a real divine beast!

They didn't understand, how did David get a divine beast?

And opened his mouth and followed David to call the master, obviously listening to David!

"Mr. Chen, is this the little brother you mentioned?"

Jiang Wuya asked David.

He thought that the little brother David was talking about was this fire phoenix!

"This is my woman, my younger brother is behind..."

After David finished speaking, he glanced at Huofeng!

Huofeng nodded, and then the whole earth began to tremble!

## Chapter 2426

Booming...

Endless auras slowly come from a distance, followed by densely packed monsters that can't be seen at a glance, rushing over!

The extreme dust, like a sandstorm, covered half of the sky!

"This..."

Looking at the boundless monsters, Ge Cangsheng and Jiang Wuya were dumbfounded!

And when Jin Yuan saw this scene, he was stunned, with a bit of horror in his eyes!

When those monsters arrived behind David, they all stopped in their tracks. Every monster exuded a terrifying aura!

These auras gathered together, and even experts like Ge Cangsheng and Jiang Wuya felt a little suffocated!

"These are my little brothers, I'll let them break this formation..."

David said with a faint smile.

Although Jin Yuan was a little scared looking at those monsters, he thought that Zhanyue Pavilion was protected by a powerful formation, so he snorted coldly and said, "David, don't dream, even experts like Ge Cangsheng can't

break through it!" With this formation of ours, you still want to break these monsters away, it's simply whimsical."

"Whether it's whimsical, you'll know in a while..."

David smiled lightly, and then waved his big hand and said, "Little brothers, give me a shot!" "..."

Roar...

Countless monsters roared and began to charge toward Zhanyue Pavilion!

These monsters bypassed David's place, and then rushed toward Zhanyue Pavilion!

This time, Jin Yuan was a little scared, "Hurry up, go and strengthen the formation, and wake up my father, hurry up..."

Jin Yuan sent someone to call Jin Lifu!

"Young master, don't worry too much. Our formation is very strong. Although there are many monsters, they are not strong enough to break through our formation."

An elder of Zhanyue Pavilion said to the panicked Jin Yuan!

"That's right, I can't break through at all, I am a little flustered myself."

Jin Yuan calmed down his mood!

But at this moment, those monsters attacked Zhanyue Pavilion, and rays of light began to appear around Zhanyue Pavilion, and these rays of light directly blocked the attacks of those monsters!

Although many monsters hit the light fiercely, they were directly ejected, and some monsters died immediately!

But these monsters are not afraid, and they don't care, they all rushed towards Zhanyue Pavilion with red eyes, because this is David's order!

Seeing that these monsters really couldn't break through Zhanyue Pavilion's formation, David frowned slightly!

And Jin Yuan taunted David, "Hahaha, did you blow it up? You still want to break our magic circle. See how many of you so-called younger brothers have died?"

David looked at With Jin Yuan's embarrassed look, his eyes are full of raging anger!

"Master, I'm going to break this formation, and then kill this guy."

Huofeng felt the anger on David!

This guy Jin Yuan can't even defeat the large-scale demon beast, the Blazing Tiger, so he is no match for Huofeng, so Huofeng wants to kill him easily!

"No, since I said it, my little brother will be able to break through this formation, and he will definitely be able to..."

After David finished speaking, he waved his palm and directed dozens of giant eagles to attack those high towers!

Now as long as a high tower is destroyed, there will be cracks in the formation. With cracks, loopholes can be opened. At that time, the entire formation will collapse!

Jin Yuan panicked when he saw that David could only attack the tower with dozens of giant eagles, and even shot at the amethyst!

"Hurry up, master quickly, protect the tower..."

Jin Yuan was afraid that the tower would be defeated, so he immediately yelled and ordered people to come forward to guard the tower.

Soon on the high tower, the disciples of Zhanyue Pavilion shot countless arrow feathers, and all of them went towards those giant eagles!

And the giant eagles also exhaled a breath, attacking the disciples of Zhanyue Pavilion, but unfortunately, because of the protection of the formation, the breaths of these giant eagles were all blocked by the formation.
